The San Diego Police Department serves approximately 1.4 million residents with professionalism and integrity. In addition to the Headquarters building, the Department serves the community from nine area commands, a Traffic Division and the Police Plaza. For policing purposes, the City is divided into 19 service areas and 125 neighborhoods.

The following nine area commands extend throughout the City and greatly facilitate the Department's community-based policing and problem-solving efforts: Central Division, Eastern Division, Mid-City Division, Northern Division, Northeastern Division, Northwestern Division, Southeastern Division, Southern Division, and Western Division. The Traffic Division and Police Plaza are centrally located in the Kearny Mesa Community Area.

The two largest area commands are Central Division and Mid-City Division, which provide service to 9.7 square miles and 12.8 square miles, respectively. The Northeastern Division covers 103.8 square miles, the largest single area in the City. The Capital Improvements Program plays an important role in addressing the Police Department's facility needs.
