

**City of San Diego - Creative Communities San Diego
FY2024 Fiscal Sponsor Resource List**

Below is a compiled list of nonprofit fiscal sponsors that responded to and met the City's minimum requirements outlined in a recent request for information for fiscal sponsors interested in offering administrative services to not-for-profit organizations in an effort to meet eligibility requirements under the Creative Communities San Diego (CCSD) funding guidelines.

Interested CCSD applicant organizations can use this list as a resource in seeking a fiscal sponsor to apply for CCSD funding for a not-for profit project. The City does not provide matching of CCSD applicant organizations with fiscal sponsors, and CCSD applicant organizations are not required to use any of the fiscal sponsors on this resource list*.
