AGREEMENT BETWEEN

THE CITY OF SAN DIEGO AND WOODARD & CURRAN FOR DESIGN PROFESSIONAL SERVICES

THIS Agreement is made and entered into between the City of San Diego, a municipal corporation [City], and Woodard & Curran [Design Professional] for the Design Professional to provide Professional Services to the City for the Development of San Pasqual Valley Groundwater Sustainability Plan [Project].

RECITALS

The City wants to retain the services of a professional civil engineering firm to provide civil engineering services [Professional Services].

The Design Professional represents that it has the expertise, experience and personnel necessary to provide the Professional Services for the Project.

The City and the Design Professional [Parties] want to enter into an Agreement whereby the City will retain the Design Professional to provide, and the Design Professional shall provide, the Professional Services for the Project [Agreement].

In consideration of the above recitals and the mutual covenants and conditions set forth, herein, and for good and valuable consideration, the sufficiency of which are hereby acknowledged, the Parties hereby set forth their mutual covenants and understandings as follows:

ARTICLE I DESIGN PROFESSIONAL SERVICES

The above-listed recitals are true and correct and are hereby incorporated by reference.

- **1.1 Scope of Services.** The Design Professional shall perform the Professional Services as set forth in the written Scope of Services [Exhibit A] at the direction of the City.
- administrator for this Agreement. The Design Professional shall provide the Professional Services under the direction of a designated representative of the Public Utilities Department. The City's designated representative will communicate with the Design Professional on all matters related to the administration of this Agreement and the Design Professional's performance of the Professional Services rendered hereunder. When this Agreement refers to communications to or with the City, those communications will be with the designated representative, unless the designated representative or the Agreement specifies otherwise. However, when this Agreement refers to an act or approval to be performed by the City, that act or approval shall be performed by the Mayor or his designee, unless the Agreement specifies otherwise.
- 1.3 City Modification of Scope of Services. The City may, without invalidating this Agreement, order changes in the Scope of Services by altering, adding to or deducting from

the Professional Services to be performed. All such changes shall be in writing and shall be performed in accordance with the provisions of this Agreement. If any such changes cause an increase or decrease in the Design Professional's cost of, or the time required for, the performance of any of the Professional Services, the Design Professional shall immediately notify the City. If the City deems it appropriate, an equitable adjustment to the Design Professional's compensation or time for performance may be made, provided that any adjustment must be approved by both Parties in writing in accordance with Section 9.1 of this Agreement.

- 1.4 Written Authorization. Prior to performing any Professional Services in connection with the Project, the Design Professional shall obtain from the City a written authorization to proceed. Further, throughout the term of this Agreement, the Design Professional shall immediately advise the City in writing of any anticipated change in the Scope of Services [Exhibit A], Compensation and Fee Schedule [Exhibit B], or Time Schedule [Exhibit C], and shall obtain the City's written consent to the change prior to making any changes. In no event shall the City's consent be construed to relieve the Design Professional from its duty to render all Professional Services in accordance with applicable laws and accepted industry standards.
- Professional, including but not limited to all drafts, data, correspondence, proposals, reports, and estimates compiled or composed by the Design Professional, pursuant to this Agreement, are for the sole use of the City, its agents and employees. Neither the documents nor their contents shall be released to any third party without the prior written consent of the City. This provision does not apply to information that (a) was publicly known, or otherwise known to the Design Professional, at the time that it was disclosed to the Design Professional by the City, (b) subsequently becomes publicly known through no act or omission of the Design Professional, or (c) otherwise becomes known to the Design Professional other than through disclosure by the City. Except for Subcontractors covered by Section 4.4, neither the documents nor their contents shall be released to any third party without the prior written consent of the City.
- specifications prepared, required, or recommended under this Agreement allow for competitive bidding. The Design Professional shall design such plans or specifications so that procurement of services, labor or materials are not available from only one source, and shall not design plans and specifications around a single or specific product, piece of major equipment or machinery, a specific patented design, or a proprietary process, unless required by principles of sound engineering practice and supported by a written justification that has been approved in writing by the City. The Design Professional shall submit this written justification to the City prior to beginning work on such plans or specifications. Whenever the Design Professional recommends a specific product or equipment for competitive procurement, such recommendation shall include at least two brand names of products that are capable of meeting the functional requirements applicable to the Project.

ARTICLE II DURATION OF AGREEMENT

2.1 Term of Agreement. This Agreement shall be effective on the date it is executed by the last Party to sign the Agreement, and approved by the City Attorney in accordance with San Diego Charter Section 40. Unless otherwise terminated, it shall be effective until completion of the Scope of Services or December 1, 2022; whichever is the earliest but not to exceed five years unless approved by City ordinance.

- **2.2 Time of Essence.** Time is of the essence for each provision of this Agreement, unless otherwise specified in this Agreement. The time for performance of the Scope of Services [Exhibit A] is set forth in the Time Schedule [Exhibit C].
- 2.3 Notification of Delay. The Design Professional shall immediately notify the City in writing if the Design Professional experiences or anticipates experiencing a delay in performing the Professional Services within the time frames set forth in the Time Schedule [Exhibit C]. The written notice shall include an explanation of the cause for, and a reasonable estimate of the length of the delay. If in the opinion of the City, the delay affects a material part of the Project, the City may exercise its rights under Sections 2.5–2.7 of this Agreement.
- **Delay.** If delays in the performance of the Professional Services are caused by unforeseen events beyond the control of the Parties, such delay may entitle the Design Professional to a reasonable extension of time, but such delay shall not entitle the Design Professional to damages or additional compensation. Any such extension of time must be approved in writing by the City. The following conditions may constitute such a delay: war; changes in law or government regulation; labor disputes; strikes; fires, floods, adverse weather or other similar condition of the elements necessitating cessation of the Design Professional's work; inability to obtain materials, equipment, or labor; required additional Professional Services; or other specific reasons agreed to between the City and the Design Professional; provided, however, that: (a) this provision shall not apply to, and the Design Professional shall not be entitled to an extension of time for, a delay caused by the acts or omissions of the Design Professional; and (b) a delay caused by the inability to obtain materials, equipment, or labor shall not entitle the Design Professional to an extension of time unless the Design Professional furnishes the City, in a timely manner, documentary proof satisfactory to City of the Design Professional's inability to obtain materials, equipment, or labor.
- 2.5 City's Right to Suspend for Convenience. The City may, at its sole option and for its convenience, suspend all or any portion of the Design Professional's performance of the Professional Services, for a reasonable period of time not to exceed six months. In accordance with the provisions of this Agreement, the City will give written notice to the Design Professional of such suspension. In the event of such a suspension, in accordance with the provisions of Article III of this Agreement, the City shall pay to the Design Professional a sum equivalent to the reasonable value of the Professional Services the Design Professional has satisfactorily performed up to the date of suspension. Thereafter, the City may rescind such suspension by giving written notice of rescission to the Design Professional. The City may then require the Design Professional to resume performance of the Professional Services in compliance with the terms and conditions of this Agreement; provided, however, that the Design Professional shall be entitled to an extension of time equal to the length of the suspension, unless otherwise agreed to in writing by the Parties.
- 2.6 City's Right to Terminate for Convenience. The City may, at its sole option and for its convenience, terminate all or any portion of the Professional Services agreed to pursuant to this Agreement by giving written notice of such termination to the Design Professional. Such notice shall be delivered by certified mail with return receipt for delivery to the City. The termination of the Professional Services shall be effective upon receipt of the notice by the Design Professional. After termination of this Agreement, the Design Professional shall complete any and all additional work necessary for the orderly filing of documents and closing of the Design Professional's Professional Services under this Agreement. For services satisfactorily rendered in completing the work, the Design Professional shall be entitled to fair and reasonable compensation for the Professional Services performed by the Design Professional before the effective date of termination. After

filing of documents and completion of performance, the Design Professional shall deliver to the City all drawings, plans, calculations, specifications and other documents or records related to both the Project and to the Design Professional's Professional Services on the Project. By accepting payment for completion, filing and delivering documents as called for in this paragraph, the Design Professional discharges the City of all of the City's payment obligations and liabilities under this Agreement.

2.7 City's Right to Terminate for Default. If the Design Professional fails to satisfactorily perform any obligation required by this Agreement, the Design Professional's failure constitutes a Default. A Default includes the Design Professional's failure to adhere to the Time Schedule. If the Design Professional fails to satisfactorily cure a Default within ten calendar days of receiving written notice from the City specifying the nature of the Default, the City may immediately cancel and/or terminate this Agreement, and terminate each and every right of the Design Professional, and any person claiming any rights by or through the Design Professional under this Agreement. The rights and remedies of the City enumerated in this Section are cumulative and shall not limit, waive, or deny any of the City's rights under any other provision of this Agreement. Nor does this Section otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Agreement or hereinafter enacted or established, that may be available to the City against the Design Professional.

ARTICLE III COMPENSATION

- **3.1 Amount of Compensation.** The City shall pay the Design Professional for performance of all Professional Services rendered in accordance with this Agreement, including reasonably related expenses, a total contract amount not exceeding \$1,477,288. The compensation for the Scope of Services shall not exceed \$1,477,288, and the compensation for Additional Services (described in Section 3.2), if any, shall not exceed \$0.00.
- 3.2 Additional Services. The City may require that the Design Professional perform additional Professional Services [Additional Services] beyond those described in the Scope of Services [Exhibit A]. Prior to the Design Professional's performance of Additional Services, the City and the Design Professional must agree in writing upon a fee for the Additional Services, including reasonably related expenses, in accordance with the Compensation and Fee Schedule [Exhibit B]. The City will pay the Design Professional for the performance of Additional Services in accordance with Section 3.3.
- 3.3 Manner of Payment. The City shall pay the Design Professional in accordance with the Compensation and Fee Schedule [Exhibit B]. For the duration of this Agreement, the Design Professional shall not be entitled to fees, including fees for expenses, that exceed the amounts specified in the Compensation and Fee Schedule. The Design Professional shall submit one invoice per calendar month in a form acceptable to the City in accordance with the Compensation and Fee Schedule. The Design Professional shall include with each invoice a description of completed Professional Services, reasonably related expenses, if any, and all other information, including but not limited to: the progress percentage of the Scope of Services and/or deliverables completed prior to the invoice date, as required by the City. The City will pay undisputed portions of invoices within thirty calendar days of receipt.
- **3.4 Additional Costs.** Additional Costs are those costs that can be reasonably determined to be related to the Design Professional's errors or omissions, and may include Design Professional, City, or Subcontractor overhead, construction, materials, demolition, and related costs. The Design Professional shall not be paid for the Professional Services

required due to the Design Professional's errors or omissions, and the Design Professional shall be responsible for any Additional Costs associated with such errors or omissions. These Additional Costs may be deducted from monies due, or that become due, the Design Professional. Whether or not there are any monies due, or becoming due, the Design Professional shall reimburse the City for Additional Costs due to the Design Professional's errors or omissions.

3.5 Eighty Percent Notification. The Design Professional shall promptly notify the City in writing of any potential cost overruns. Cost overruns include, but are not limited to the following: (1) where anticipated costs to be incurred in the next sixty calendar days, when added to all costs previously incurred, will exceed 80 percent of the maximum compensation for this Agreement; or (2) where the total cost for performance of the Scope of Services [Exhibit A] appears that it may be greater than the maximum compensation for this Agreement.

ARTICLE IV DESIGN PROFESSIONAL'S OBLIGATIONS

4.1 Industry Standards. The Design Professional agrees that the Professional Services rendered under this Agreement shall be performed in accordance with the standards customarily adhered to by an experienced and competent professional civil engineering firm using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California. Where approval by the City, the Mayor or his designee, or other representatives of the City is required, it is understood to be general approval only and does not relieve the Design Professional of responsibility for complying with all applicable laws, codes, and good consulting practices.

4.2 Right to Audit.

- **4.2.1** Access. The City retains the right to review and audit, and the reasonable right of access to Design Professional's and any Subcontractor's premises to review and audit the Design Professional's or Subcontractor's compliance with the provisions of this Agreement [City's Right]. The City's Right includes the right to inspect and photocopy same, and to retain copies, outside of the Design Professional's premises, of any and all Project-related records with appropriate safeguards, if such retention is deemed necessary by the City in its sole discretion. This information shall be kept by the City in the strictest confidence allowed by law.
- **4.2.2 Audit.** The City's Right includes the right to examine any and all books, records, documents and any other evidence of procedures and practices that the City determines are necessary to discover and verify that the Design Professional or Subcontractor is in compliance with all requirements under this Agreement.
- **4.2.2.1 Cost Audit.** If there is a claim for additional compensation or for Additional Services, the City's Right includes the right to examine books, records, documents, and any and all other evidence and accounting procedures and practices that the City determines are necessary to discover and verify all direct and indirect costs, of whatever nature, which are claimed to have been incurred, or anticipated to be incurred.
- **4.2.2.2** Accounting Records. The Design Professional and all Subcontractors shall maintain complete and accurate records in accordance with Generally Accepted Accounting Practices in the industry. The Design Professional and Subcontractors shall make available to the City for review and audit; all Project-related accounting records and documents, and any other financial data. Upon the City's request, the Design

Professional and Subcontractors shall submit exact duplicates of originals of all requested records to the City.

- **4.2.3 City's Right Binding on Subcontractors.** The Design Professional shall include the City's Right as described in Section 4.2, in any and all of their subcontracts, and shall ensure that these sections are binding upon all Subcontractors.
- **4.2.4** Compliance Required before Mediation or Litigation. A condition precedent to proceeding with mandatory mediation and further litigation provided for in Article VII is the Design Professional's and Subcontractors full compliance with the provisions of this Section 4.2 within sixty days of the date on which the City mailed a written request to review and audit compliance.
- **Insurance.** The Design Professional shall not begin the Professional Services under this Agreement until it has: (a) obtained, and provided to the City, insurance certificates and endorsements reflecting evidence of all insurance required in Article IV, Section 4.3.1; however, the City reserves the right to request, and the Design Professional shall submit, copies of any policy upon reasonable request by the City; (b) obtained City approval of each company or companies as required by Article IV, Section 4.3.3; and (c) confirmed that all policies contain the specific provisions required in Article IV, Section 4.3.4 of this Agreement. However, failure to obtain the required documents prior to the Professional Services commencing shall not waive Design Professional's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this Agreement, at any time. Design Professional's liabilities, including but not limited to Design Professional's indemnity obligations, under this Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Except as provided for under California law, all policies of insurance required hereunder must provide that the City is entitled to thirty (30) days prior written notice (10 days for cancellation due to non-payment of premium) of cancellation or non-renewal of the policy or policies. Maintenance of specified insurance coverage is a material element of this Agreement and Design Professional's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Agreement may be treated as a material breach of contract by the City.

Further, the Design Professional shall not modify any policy or endorsement thereto which increases the City's exposure to loss for the duration of this Agreement.

- **4.3.1 Types of Insurance.** At all times during the term of this Agreement, the Design Professional shall maintain insurance coverage as follows:
- **4.3.1.1 Commercial General Liability.** The Design Professional shall keep in full force and effect Commercial General Liability (CGL) Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of \$1 million per occurrence and subject to an annual aggregate of \$2 million. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.
- **4.3.1.2 Commercial Automobile Liability.** For all of the Design Professional's automobiles including owned, hired and non-owned automobiles, the Design Professional shall keep in full force and effect, automobile insurance written on an ISO form CA 00 01 12 90 or a later version of this form or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million

per occurrence. Insurance certificate shall reflect coverage for any automobile (any auto). If the Design Professional does not possess owned automobiles then coverage for hired and non-owned automobiles shall be provided.

- 4.3.1.3 Workers' Compensation. For all of the Design Professional's employees who are subject to this Agreement and to the extent required by the applicable state or federal law, the Design Professional shall keep in full force and effect, a Workers' Compensation policy. That policy shall provide a minimum of \$1 million of employers' liability coverage, and the Design Professional shall provide an endorsement that the insurer waives the right of subrogation against the City and its respective elected officials, officers, employees, agents and representatives.
- 4.3.1.4 Architects & Engineers Professional Liability. For all of the Design Professional's employees who are subject to this Agreement, the Design Professional shall keep in full force and effect, Professional Liability coverage for professional liability with a limit of \$1 million per claim and \$2 million annual aggregate. The Design Professional shall ensure both that: (1) the policy retroactive date is on or before the date of commencement of the Professional Services; and (2) the policy will be maintained in force for a period of three years after substantial completion of the Professional Services or termination of this Agreement whichever occurs last. The Design Professional agrees that for the time period defined above, there will be no changes or endorsements to the policy that increase the City's exposure to loss.
- **4.3.2 Deductibles.** All deductibles on any policy shall be the responsibility of the Design Professional and shall be disclosed to the City at the time the evidence of insurance is provided.

4.3.3 Acceptability of Insurers.

- **4.3.3.1** Except for the State Compensation Insurance Fund, all insurance required by this Agreement shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by the City.
- **4.3.3.2** The City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

4.3.4 Required Endorsements.

The following endorsements to the policies of insurance are required to be provided to the City before any work is initiated under this Agreement.

4.3.4.1 Commercial General Liability Insurance Endorsements.

ADDITIONAL INSURED. To the fullest extent allowed by law including but not limited to California Insurance Code Section 11580.04, the policy or policies must be endorsed to include as an Additional Insured the City of San Diego and its respective elected officials, officers, employees, agents and representatives with respect to liability arising out of (a) ongoing operations performed by you or on your behalf, (b) your products, and (c) your

work, including but not limited to your completed operations performed by you or on your behalf.

PRIMARY AND NON-CONTRIBUTORY COVERAGE. The policy or policies must be endorsed to provide that the insurance afforded by the Commercial General Liability policy or policies is primary to any insurance or self-insurance of the City of San Diego and its elected officials, officers, employees, agents and representatives as respects operations of the Named Insured. Any insurance maintained by the City of San Diego and its elected officials, officers, employees, agents and representatives shall be in excess of Design Professional's insurance and shall not contribute to it.

4.3.4.2 Worker's Compensation and Employer's Liability Insurance Endorsements.

WAIVER OF SUBROGATION. The Worker's Compensation policy or policies must be endorsed to provide that the insurer will waive all rights of subrogation against the City and its respective elected officials, officers, employees, agents and representatives for losses paid under the terms of this policy or these policies which arise from work performed by the Named Insured for the City.

- **4.3.5 Reservation of Rights.** The City reserves the right, from time to time, to review the Design Professional's insurance coverage, limits, deductible and self-insured retentions to determine if they are acceptable to the City. The City will reimburse the Design Professional for the cost of the additional premium for any coverage requested by the City in excess of that required by this Agreement without overhead, profit, or any other markup.
- **4.3.6 Additional Insurance.** The Design Professional may obtain additional insurance not required by this Agreement.
- **4.3.7 Excess Insurance.** All policies providing excess coverage to the City shall follow the form of the primary policy or policies including but not limited to all endorsements.
- 4.4 Subcontractors. The Design Professional's hiring or retaining of any third parties [Subcontractors] to perform services related to the Project [Subcontractor Services] is subject to prior approval by the City. The Design Professional shall list on the Subcontractor List [Exhibit D, Attachment CC] all Subcontractors known to the Design Professional at the time this Agreement is entered. If at any time after this Agreement is entered into, the Design Professional identifies a need for addition, deletion, or substitution of Subcontractor Services, the Design Professional must submit a written notice to the City requesting approval for the change modifying the Subcontractor Services. The Design Professional's written notice shall include a justification, a description of the scope of services, an estimate of all costs/percentage of contract participation for the Subcontractor Services, and an updated Exhibit D, Attachment CC reflecting the requested change(s). The City agrees to consider such requests in good faith.
- **4.4.1 Subcontractor Contract.** All contracts entered into between the Design Professional and any Subcontractor shall contain the information as described in Sections 4.6, 4.7, 4.10.2, and 4.18, and shall also provide as follows:
- **4.4.1.1** Design Professional shall require the Subcontractor to obtain insurance policies, as described in Section 4.3.1, and those policies shall be kept in full force and effect during any and all work on this Project and for the duration of this Agreement. Furthermore, Subcontractor policy limits, and required endorsements shall be determined by the Design Professional proportionate to the services performed by the Subcontractor.

- **4.4.1.2** The Design Professional is obligated to pay the Subcontractor, for Design Professional and City-approved invoice amounts, out of amounts paid by the City to the Design Professional, not later than fourteen working days from the Design Professional's receipt of payment from the City. Nothing in this paragraph shall be construed to impair the right of the Design Professional and any Subcontractor to negotiate fair and reasonable pricing and payment provisions among themselves.
- **4.4.1.3** In the case of a deficiency in the performance of Subcontractor Services, the Design Professional shall notify the City in writing of any withholding of payment to the Subcontractor, specifying: (a) the amount withheld; (b) the specific cause under the terms of the subcontract for withholding payment; (c) the connection between the cause for withholding payment and the amount withheld; and (d) the remedial action the Subcontractor must take in order to receive the amount withheld. Once the Subcontractor corrects the deficiency, the Design Professional shall pay the Subcontractor the amount withheld within fourteen working days of the Design Professional's receipt of the City's next payment.
- **4.4.1.4** In any dispute between the Design Professional and Subcontractor, the City shall not be made a party to any judicial or administrative proceeding to resolve the dispute. The Design Professional agrees to defend and indemnify the City as described in Article VI of this Agreement in any dispute between the Design Professional and Subcontractor should the City be made a party to any judicial or administrative proceeding to resolve the dispute in violation of this position.
- **4.4.1.5** The Subcontractor is bound to the City's Equal Opportunity Contracting Program covenants set forth in Article IV, Section 4.6 and [Exhibit D] of this Agreement.
- **4.4.1.6** The City is an intended beneficiary of any work performed by the Subcontractor for purposes of establishing a duty of care between the Subcontractor and the City.

4.5 Contract Records and Reports.

- **4.5.1** The Design Professional shall maintain records of all subcontracts entered into with all firms, all project invoices received from Subcontractors. Records shall show name, telephone number including area code, and business address of each Subcontractor and the total amount actually paid to each firm. Project relevant records, regardless of tier, may be periodically reviewed by the City.
- **4.5.2** The Design Professional shall retain all records, books, papers, and documents directly pertinent to the Contract for a period of not less than five (5) years after Completion of the contract and allow access to said records by the City's authorized representatives.
- **4.5.3** The Design Professional must submit the following reporting using the City's web-based contract compliance i.e., Prism® portal:
- **4.5.3.1** Monthly Employment Utilization. Design Professional and their Subcontractors must submit Monthly Employment Utilization Reporting by the fifth (5th) day of the subsequent month.

4.5.3.2 Monthly Invoicing and Payments. Design Professional and their Subcontractors must submit Monthly Invoicing and Payment Reporting by the fifth (5th) day of the subsequent month.

4.5.3.3 To view the City's online tutorials on how to utilize PRISM® for compliance reporting, please visit: http://stage.prismcompliance.com/etc/vendortutorials.htm Incomplete and/or delinquent reporting may cause payment delays, non-payment of invoice, or both. The Design Professional understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, or other sanctions.

4.6 Non-Discrimination Requirements.

- 4.6.1 Compliance with the City's Equal Opportunity Contracting Program. The Design Professional shall comply with the City's Equal Opportunity Contracting Program Design Professional Requirements [Exhibit D]. The Design Professional shall not discriminate against any employee or applicant for employment on any basis prohibited by law. The Design Professional shall provide equal opportunity in all employment practices. The Design Professional shall ensure that its Subcontractors comply with the City's Equal Opportunity Contracting Program Design Professional Requirements. Nothing in this Section shall be interpreted to hold the Design Professional liable for any discriminatory practice of its Subcontractors.
- 4.6.2 Non-Discrimination Ordinance. The Design Professional shall not discriminate on the basis of race, gender, gender expression, gender identity, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring or treatment of Subcontractors, vendors or suppliers. The Design Professional shall provide equal opportunity for Subcontractors to participate in subcontracting opportunities. The Design Professional understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, or other sanctions. This language shall be in contracts between the Design Professional and any Subcontractors, vendors and suppliers.
- 4.6.3 Compliance Investigations. Upon the City's request, the Design Professional agrees to provide to the City, within sixty calendar days, a truthful and complete list of the names of all Subcontractors, vendors, and suppliers that the Design Professional has used in the past five years on any of its contracts that were undertaken within San Diego County, including the total dollar amount paid by the Design Professional for each subcontract or supply contract. The Design Professional further agrees to fully cooperate in any investigation conducted by the City pursuant to the City's Nondiscrimination in Contracting Ordinance (San Diego Municipal Code sections 22.3501–22.3517) The Design Professional understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in remedies being ordered against the Design Professional up to and including contract termination, debarment, and other sanctions for violation of the provisions of the Nondiscrimination in Contracting Ordinance. The Design Professional further understands and agrees that the procedures, remedies and sanctions provided for in the Nondiscrimination Ordinance apply only to violations of said Nondiscrimination Ordinance.
- 4.7 **Drug-Free Workplace.** By signing this Agreement the Design Professional agrees that it is aware of, and hereby certifies that it agrees to comply with, the City's Drug-Free Workplace requirements set forth in Council Policy 100-17, adopted by San Diego

Resolution R-277952 and incorporated into this Agreement by this reference. Council Policy 100-17 is available on line at https://www.sandiego.gov/city-clerk/officialdocs.

- **4.7.1 Design Professional's Notice to Employees.** The Design Professional shall publish a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the work place, and specifying the actions that will be taken against employees for violations of the prohibition.
- **4.7.2 Drug-Free Awareness Program.** The Design Professional shall establish a drug-free awareness program to inform employees about: (1) the dangers of drug abuse in the work place; (2) the policy of maintaining a drug-free work place; (3) available drug counseling, rehabilitation, and employee assistance programs; (4) the penalties that may be imposed upon employees for drug abuse violations.
- **4.7.3 Posting the Statement.** In addition to Section 4.7.1 above, the Design Professional shall post the drug-free policy in a prominent place.
- **4.7.4 Subcontractor's Agreements.** The Design Professional further certifies that each contract for Subcontractor Services for this Project shall contain language that binds the Subcontractor to comply with the provisions of Article IV, Section 4.7 of this Agreement, as required by Sections 2.A.(1) through (3) of Council Policy 100–17. Design Professionals and Subcontractors shall be individually responsible for their own drug-free work place program.
- Title 24/Americans with Disabilities Act Requirements. Design Professional 4.8 has sole responsibility for ensuring that all Project plans and other design services comply with all accessibility requirements under Title 24 of the California Code of Regulations, known as the California Building Code (Title 24), and under the Americans with Disabilities Act Accessibility Guidelines (ADAAG) in effect at the time the designs are submitted to the City for review. When a conflict exists between Title 24 and ADAAG, the most restrictive requirement shall be followed by Design Professional (i.e., that which provides the most access). Design Professional warrants and certifies that any and all plans and specifications prepared for the City in accordance with this agreement shall meet all requirements under Title 24 and ADAAG. Design Professional understands that while the City will be reviewing Design Professional's designs for compliance in specific and certain areas under Title 24 and ADAAG prior to acceptance of Design Professional's designs, Design Professional understands and agrees that the City's access review process and its acceptance of Design Professional's designs in no way limits the Design Professional's obligations under this agreement to prepare designs that comply with all requirements under Title 24 and ADAAG.
- **4.9 Product Endorsement.** The Design Professional acknowledges and agrees to comply with the provisions of City of San Diego Administrative Regulation 95.65, concerning product endorsement. Any advertisement identifying or referring to the City as the user of a product or service requires the prior written approval of the City.
- **4.10 Conflict of Interest.** The Design Professional is subject to all federal, state and local conflict of interest laws, regulations, and policies applicable to public contracts and procurement practices, including but not limited to California Government Code sections 1090, et seq. and 81000, et seq., and the City of San Diego Ethics Ordinance, codified in the San Diego Municipal Code at sections 27.3501 to 27.3595.
- **4.10.1** If, in performing the Professional Services set forth in this Agreement, any member of the Design Professional's organization makes, or participates in, a

"governmental decision" as described in Title 2, section 18704 of the California Code of Regulations, or performs the same or substantially all the same duties for the City that would otherwise be performed by a City employee holding a position specified in the department's conflict of interest code, the individual shall be subject to a conflict of interest code requiring the completion of one or more statements of economic interests disclosing the individual's relevant financial interests. The determination as to whether any individual members of the Design Professional's organization must make disclosures of relevant financial interests is set forth in the Determination Form [Exhibit E].

- **4.10.1.1** If a determination is made that certain individuals must disclose relevant financial interests, the statements of economic interests shall be made on Fair Political Practices Commission Form 700 and filed with the City Clerk. The individual shall file a Form 700 (Assuming Office Statement) within thirty calendar days of the City's determination that the individuals are subject to a conflict of interest code. Each year thereafter, the individuals shall also file a Form 700 (Annual Statement) on or before April 1, disclosing any financial interests held during the previous calendar year for which the individual was subject to a conflict of interest code. A Form 700 (Leaving Office Statement) shall also be filed when the individual discontinues services under this Agreement.
- **4.10.1.2** If the City requires an individual member of the Design Professional's organization to file a statement of economic interests as a result of the Professional Services performed, the individual shall be considered a "City Official" subject to the provisions of the City of San Diego Ethics Ordinance, including the prohibition against lobbying the City for one year following the termination of this Agreement.
- **4.10.2** The Design Professional shall establish and make known to its employees and agents appropriate safeguards to prohibit employees from using their positions for a purpose that is, or that gives the appearance of being, motivated by the desire for private gain for themselves or others, particularly those with whom they have family, business, or other relationships.
- **4.10.3** The Design Professional and its Subcontractors having subcontracts amounting to 1% or more of the value of the Professional Services agreed to under this Agreement are precluded from participating in design services on behalf of the contractor, construction management, and any other construction services related in any way to these Professional Services without the prior written consent of the City.
- **4.10.4** The Design Professional's personnel employed on the Project shall not accept gratuities or any other favors from any Subcontractors or potential Subcontractors. The Design Professional shall not recommend or specify any product, supplier, or contractor with whom the Design Professional has a direct or indirect financial or organizational interest or relationship that would violate conflict of interest laws, regulations, or policies.
- **4.10.5** If the Design Professional violates any conflict of interest law or any of the provisions in this Section 4.10, the violation shall be grounds for immediate termination of this Agreement. Further, the violation subjects the Design Professional to liability to the City for attorneys' fees and all damages sustained as a result of the violation.
- **4.11 Mandatory Assistance.** If a third party dispute or litigation, or both, arises out of, or relates in any way to the Professional Services provided under this Agreement, upon the City's request, the Design Professional, its agents, officers, and employees agree to assist in resolving the dispute or litigation. The Design Professional's assistance includes, but is not limited to, providing professional consultations, attending mediations, arbitrations, depositions, trials or any event related to the dispute resolution and/or litigation.

- **4.12** Compensation for Mandatory Assistance. The City will compensate the Design Professional for fees incurred for providing Mandatory Assistance as Additional Services under Section 3.2. If, however, the fees incurred for the Mandatory Assistance are determined, through resolution of the third party dispute or litigation, or both, to be attributable in whole, or in part, to the acts or omissions of the Design Professional, its agents, officers, and employees, the Design Professional shall reimburse the City. The City is then entitled to reimbursement of all fees paid to the Design Professional, its agents, officers, and employees for Mandatory Assistance.
- 4.13 Attorney Fees related to Mandatory Assistance. In providing the City with dispute or litigation assistance, the Design Professional or its agents, officers, and employees may incur expenses and/or costs. The Design Professional agrees that any attorney fees it may incur as a result of assistance provided under Section 4.11 are not reimbursable. The Parties agree this provision does not in any way affect their rights to seek attorney fees under Article VIII, Section 8.8 of this Agreement.
- 4.14 Energy Conservation Specifications. Technological advances in energy conservation devices such as Lighting and Heating, Ventilation, and Air Conditioning (HVAC), enable additional energy savings over that required by the State of California's Energy Efficiency Standards (Title 24, Part 6 of the California Code of Regulations). The Design Professional shall model the energy performance of the building using an acceptable computer model such as Energy Pro, EQuest, DOE-2, Power DOE, HAP 3.22, etc. and present the summary data to the City at or prior to 100 percent design. This analysis should include life cycle cost analysis showing recovery of construction costs through operation and maintenance costs (e.g., electricity and gas savings.) The Design Professional shall prepare a cost savings matrix that lists each device being considered and one, three, five and ten-year Project savings. The comparison shall include, but not be limited to, the following equipment: Lighting, HVAC, Water Heating, and Motors.

The Design Professional shall contact the SDG&E New Construction Program at (858) 636-5725 or the San Diego Regional Energy Office at (619) 595-5634 to integrate them into the design process to ensure maximum energy performance and access to technical resources. Design Professional shall endeavor to obtain from SDG&E a UTIL-1 (Utility Incentive Worksheet) to estimate energy savings and incentives available based on the design team energy modeling.

- 4.15 Notification of Increased Construction Cost. If, at any time prior to the City's approval of the final plans and specifications, the Design Professional anticipates that the total construction cost will exceed the estimated construction budget, the Design Professional shall immediately notify the City in writing. This written notification shall include an itemized cost estimate and a list of recommended revisions which the Design Professional believes will bring the construction cost to within the estimated construction budget. The City may either: (1) approve an increase in the amount authorized for construction; or (2) delineate a project which may be constructed for the budget amount; or (3) any combination of (1) and (2).
- **4.16 Sustainable Building Policy.** The Design Professional shall comply with City Council Policy 900–14 (Sustainable Building Policy) in the performance of the Scope of Services, including but not limited to the requirement that all new or significantly remodeled City facilities shall be designed and constructed to achieve at a minimum the Leadership in Energy and Environmental Design (LEED) "Silver" Level Certification.
- **4.17 Design-Build Competition Eligibility.** Any architectural firms, engineering firms, Design Professionals, or individuals retained by the City to assist the City with

developing criteria or preparing the preliminary design or the request for proposals for a Design-Build competition shall not be eligible to participate with any Design-Build Entity in that Design-Build competition. Additionally, the City may determine in its sole discretion that a Subcontractor hired to assist with a Design-Build competition, regardless of whether the Subcontractor was hired by the City or hired by an architectural firm, engineering firm, Design Professional, or individual retained by the City, has a competitive advantage and as such is ineligible to participate in that Design-Build competition.

Storm Water Management Discharge Control. Design Professional shall comply with Chapter 4, Article 3, Division 3 of the San Diego Municipal Code, Storm Water Management Discharge Control and the Municipal Storm Water Permit (MS4) Permit, California Regional Water Quality Control Board Order No. R9-2013-0001 (amended by R9-2015-0001 and R9-2015-0100), Storm Water Standards Manual, as amended from time to time, and any and all Best Management Practice (BMP) guidelines and pollution elimination requirements as may be established by the Enforcement Official. Design Professional warrants and certifies that any and all plans, reports, and specifications prepared for the City in accordance with this agreement shall meet all requirements of the San Diego Municipal Code and Storm Water Standards Manual. Design Professional understands that while the City will be reviewing Design Professional 's designs for storm water permit compliance prior to acceptance of Design Professional 's designs, Design Professional understands and agrees that the City's Storm Water review process and its acceptance of Design Professional 's designs in no way limits the Design Professional 's obligations under this agreement to prepare designs that comply with all requirements of the San Diego Municipal Code and MS4 Permit.

The Design Professional shall review the completed Storm Water Applicability Checklist (DS-560) to confirm the project's appropriate storm water requirements. For all applicable projects, and to the maximum extent practicable, the Design Professional shall incorporate and include Source Control and Low Impact Development (LID) design features or Site Design BMPs on the construction plans. In addition, for Priority Development projects, the Design Professional shall prepare a Storm Water Quality Management Plan in accordance with the requirements of the Storm Water Standards Manual and prepare a BMP plan showing all permanent BMPs, LID designs, hydromodification management plan facilities, and include sufficient details and cross sections for construction.

Design Professional shall attend the Pre-construction meeting. The Project Manager will coordinate with the Design Professional on the inspection of the permanent BMP(s) during installation. Design Professional shall inspect and confirm that the permanent BMP was installed in accordance with the details on the plans and that the permanent BMP functions to meet the requirements of the MS4 Permit. Upon notification by the Project Manager, the Design Professional shall sign and stamp the Permanent BMP Self Certification on the plans or the Permanent BMP Self Certification Form (DS-563) prior to final acceptance by the City.

For projects requiring soil-disturbance work such as geotechnical borings, street coring and potholing as component of the design, the Design Professional shall complete a Minor Water Pollution Control Plan (DS-570), if applicable.

4.19 ADA Certification. By signing this Agreement the Design Professional agrees that it is aware of, and hereby certifies that it agrees to comply with, the City's Americans With Disabilities Act Compliance/City Contracts requirements set forth in Council Policy 100-04, adopted by San Diego Resolution R-282153 and incorporated into this Agreement by this

reference. Council Policy 100-04 is available at https://www.sandiego.gov/city-clerk/officialdocs.

4.20 Prevailing Wage Rates. Prevailing wage rates apply to this Agreement.

Pursuant to San Diego Municipal Code section 22.3019, construction, alteration, demolition, repair and maintenance work performed under this Agreement is subject to State prevailing wage laws. For construction work performed under this Agreement cumulatively exceeding \$25,000 and for alteration, demolition, repair and maintenance work performed under this Agreement cumulatively exceeding \$15,000, the Design Professional and its subconsultants shall comply with State prevailing wage laws including, but not limited to, the requirements listed below.

4.20.1 Compliance with Prevailing Wage Requirements. Pursuant to sections 1720 through 1861 of the California Labor Code, the Design Professional and its subconsultants shall ensure that all workers who perform work under this Agreement are paid not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations (DIR). This includes work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work.

4.20.1.1 Copies of the prevailing rate of per diem wages also may be found at http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm. The Design Professional and its subconsultants shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make them available to any interested party upon request.

4.20.1.2 The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Agreement, such wage rate shall apply to the balance of the Agreement.

4.20.2 Penalties for Violations. Design Professional and its subconsultants shall comply with California Labor Code section 1775 in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. This shall be in addition to any other applicable penalties allowed under Labor Code sections 1720 – 1861.

4.20.3 Payroll Records. Design Professional and its subconsultants shall comply with California Labor Code section 1776, which generally requires keeping accurate payroll records, verifying and certifying payroll records, and making them available for inspection. Design Professional shall require its subconsultants to also comply with section 1776. Design Professional and its subconsultants shall submit weekly certified payroll records online via the City's web-based Labor Compliance Program. Design Professional is responsible for ensuring its subconsultants submit certified payroll records to the City.

- **4.20.3.1** In addition to the requirements in 4.20.3, the Design Professional and its subconsultants shall also furnish records specified in Labor Code section 1776 directly to the Labor Commissioner in the manner required by Labor Code section 1771.4.
- **4.20.4 Apprentices.** Design Professional and its subconsultants shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. Design Professional shall be held responsible for the compliance of their subconsultants with sections 1777.5, 1777.6 and 1777.7.
- 4.20.5 Working Hours. Design Professional and its subconsultants shall comply with California Labor Code sections 1810 through 1815, including but not limited to: (i) restrict working hours on public works contracts to eight (8) hours a day and forty (40) hours a week, unless all hours worked in excess of eight (8) hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specify penalties to be imposed on design professionals and subcontractors of \$25 per worker per day for each day the worker works more than eight (8) hours per day and forty (40) hours per week in violation of California Labor Code sections 1810 through 1815.
- **4.20.6** Required Provisions for Subcontracts. Design Professional shall include at a minimum a copy of the following provisions in any contract they enter into with a subconsultant: California Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.
- **4.20.7**_Labor Code Section 1861 Certification. Design Professional in accordance with California Labor Code section 3700 is required to secure the payment of compensation of its employees and by signing this Agreement, Design Professional certifies that "I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Agreement."
- **4.20.8 Labor Compliance Program.** The City has its own Labor Compliance Program authorized in August 2011 by the DIR. The City will withhold contract payments when payroll records are delinquent or deemed inadequate by the City or other governmental entity, or it has been established after an investigation by the City or other governmental entity that underpayment(s) have occurred.
- **4.20.9 Contractor and Subcontractor Registration Requirements.** This project is subject to compliance monitoring and enforcement by the DIR. A Design Professional or subcontractor shall not be qualified to bid on, be listed in a bid or proposal, subject to the requirements of section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Labor Code section 1725.5 It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.
- **4.20.9.1** A Design Professional's inadvertent error in listing a subconsultant who is not registered pursuant to Labor Code section 1725.5 in response to a solicitation shall not be grounds for filing a protest or grounds for considering the bid or proposal non-responsive provided that any of the following apply: (1) the subconsultant is registered prior to proposal due date; (2) within twenty-four hours after the proposal due date, the subconsultant is registered and has paid the penalty registration fee specified in

Labor Code section 1725.5; or (3) the subconsultant is replaced by another registered subconsultant pursuant to Public Contract Code section 4107.

- **4.20.9.2** By submitting a bid or proposal to the City, Design Professional is certifying that he or she has verified that all subcontractors used on this public work project are registered with the DIR in compliance with Labor Code sections 1771.1 and 1725.5, and Design Professional shall provide proof of registration for themselves and all listed subcontractors to the City at the time of bid or proposal due date or upon request.
- **4.20.10 Stop Order**. For Design Professional or its subcontractor(s) engaging in the performance of any public work contract without having been registered in violation of Labor Code sections 1725.5 or 1771.1, the Labor Commissioner shall issue and serve a stop order prohibiting the use of the unregistered Design Professional or unregistered subcontractor(s) on ALL public works until the unregistered Design Professional or unregistered subcontractor(s) is registered. Failure to observe a stop order is a misdemeanor.
- 4.20.11 List of all Subcontractors. The Design Professional shall provide a complete list of subcontractors (regardless of tier) utilized on this Agreement, along with their DIR registration numbers, if applicable, prior to any work being performed on this Agreement, and Design Professional shall provide a complete list of subcontractors, regardless of tier, with each invoice. Additionally, Design Professional shall provide the City with a complete list of all subcontractors utilized on this Agreement, regardless of tier, within ten working days of the completion of the Agreement, along with their DIR registration numbers, if applicable. The City shall withhold final payment to Design Professional until at least thirty (30) days after this information is provided to the City.
- **4.20.12 Exemptions for Small Projects.** There are limited exemptions for installation, alteration, demolition, or repair work done on projects of \$25,000 or less. The Design Professional shall still comply with Labor Code sections 1720 et. seq. The only recognized exemptions are listed below:
- **4.20.12.1** Registration. The Design Professional will not be required to register with the DIR for small projects. (Labor Code section 1771.1).
- **4.20.12.2** Certified Payroll Records. The records required in Labor Code section 1776 shall be required to be kept and submitted to the City of San Diego, but will not be required to be submitted online with the DIR directly. The Design Professional will need to keep those records for at least three years following the completion of the Agreement. (Labor Code section 1771.4).
- **4.20.12.3 List of all Subcontractors.** The Design Professional shall not be required to hire only registered subcontractors and is exempt from submitting the list of all subcontractors that is required in section 4.20.11 above. (Labor Code section 1773.3).

ARTICLE V RESERVED

ARTICLE VI INDEMNIFICATION

6.1 Indemnification. Other than in the performance of design professional services which shall be solely as addressed in Section 6.2 below, to the fullest extent permitted by law, Design Professional shall defend (with legal counsel reasonably acceptable to the City), indemnify and hold harmless the City and its officers, agents, departments, officials, and employees [Indemnified Parties] from and against all claims, losses, costs,

damages, injuries (including, without limitation, injury to or death of an employee of Design Professional or its Subcontractors), expense and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, attorneys' fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, any services performed under this Agreement by the Design Professional, any Subcontractor, anyone directly or indirectly employed by them, or anyone that they control. The Design Professional's duty to defend, indemnify, protect and hold harmless shall not include any claims or liabilities arising from the active negligence, sole negligence or sole willful misconduct of the Indemnified Parties.

6.2 Design Professional Services Indemnification and Defense.

- **6.2.1 Design Professional Services Indemnification.** To the fullest extent permitted by law (including, without limitation, California Civil Code Section 2782.8), with respect to the performance of design professional services, Design Professional shall indemnify and hold harmless the City, its officers, or employees, from all claims, demands or liability that arise out of, pertain to or relate to the negligence, recklessness, or willful misconduct of Design Professional or Design Professional's officers or employees.
- **6.2.2 Design Professional Services Defense.** Parties will work in good faith to procure applicable insurance coverage for the cost of any defense arising from all claims, demands or liability that arise out of, pertain to or relate to the negligence, recklessness, or willful misconduct of Design Professional or Design Professional's officers or employees.
- **6.3 Insurance.** The provisions of this Article are not limited by the requirements of Section 4.3 related to insurance.
- **6.4 Enforcement Costs.** The Design Professional agrees to pay any and all costs the City incurs enforcing the indemnity and defense provisions set forth in this Article.

ARTICLE VII MEDIATION

- 7.1 Mandatory Non-binding Mediation. With the exception of Sections 2.5-2.7 of this Agreement, if a dispute arises out of, or relates to this Agreement, or the breach thereof, and if said dispute cannot be settled through normal contract negotiations, prior to the initiation of any litigation, the Parties agree to attempt to settle the dispute in an amicable manner, using mandatory mediation under the Construction Industry Mediation Rules of the American Arbitration Association (AAA) or any other neutral organization agreed upon before having recourse in a court of law.
- 7.2 Mandatory Mediation Costs. The expenses of witnesses for either side shall be paid by the Party producing such witnesses. All other expenses of the mediation, including required traveling and other expenses of the mediator [Mediator], and the cost of any proofs or expert advice produced at the direct request of the Mediator, shall be borne equally by the Parties, unless they agree otherwise.
- 7.3 Selection of Mediator. A single Mediator that is acceptable to both Parties shall be used to mediate the dispute. The Mediator will be knowledgeable in construction aspects and may be selected from lists furnished by the AAA or any other agreed upon Mediator. To initiate mediation, the initiating Party shall serve a Request for Mediation on the opposing Party. If the Mediator is selected from a list provided by AAA, the initiating Party shall concurrently file with AAA a "Request for Mediation" along with the appropriate

fees, a list of three requested Mediators marked in preference order, and a preference for available dates.

- 7.3.1 If AAA is selected to coordinate the mediation, within ten working days from the receipt of the initiating Party's Request for Mediation, the opposing Party shall file the following: a list of preferred Mediators listed in preference order after striking any Mediators to which they have any factual objection, and a preference for available dates. If the opposing Party strikes all of initiating Party's preferred Mediators, opposing Party shall submit a list of three preferred Mediators listed in preference order to initiating Party and Administrator. Initiating Party shall file a list of preferred Mediators listed in preference order, after striking any Mediator to which they have any factual objection. This process shall continue until both sides have agreed upon a Mediator.
- **7.3.2** The Administrator will appoint or the Parties shall agree upon the highest, mutually preferred Mediator from the individual Parties' lists who is available to serve within the designated time frame.
- **7.3.3** If the Parties agree not to use AAA, then a Mediator, date and place for the mediation shall be mutually agreed upon.
- **7.4 Conduct of Mediation Sessions.** Mediation hearings will be conducted in an informal manner and discovery will not be allowed. All discussions, statements, or admissions will be confidential to the Party's legal position. The Parties may agree to exchange any information they deem necessary.
- **7.4.1** Both Parties must have an authorized representative attend the mediation. Each representative must have the authority to recommend entering into a settlement. Either Party may have attorney(s) or expert(s) present. Upon reasonable demand, either Party may request and receive a list of witnesses and notification whether attorney(s) will be present.
- **7.4.2** Any agreements resulting from mediation shall be documented in writing. All mediation results and documentation, by themselves, shall be "non-binding" and inadmissible for any purpose in any legal proceeding, unless such admission is otherwise agreed upon, in writing, by both Parties. Mediators shall not be subject to any subpoena or liability and their actions shall not be subject to discovery.

ARTICLE VIII INTELLECTUAL PROPERTY RIGHTS

- 8.1 Work For Hire. All original designs, plans, specifications, reports, documentation, and other informational materials, whether written or readable by machine, originated or prepared exclusively for the City pursuant to this Agreement (Deliverable Materials) is "work for hire" under the United States Copyright law and shall become the sole property of the City and shall be delivered to the City upon request. The Design Professional, including its employees, and independent Subcontractor(s), shall not assert any common law or statutory patent, copyright, trademark, or any other intellectual proprietary right to the City to the Deliverable Materials.
- **8.2. Rights in Data.** All rights including, but not limited to publication(s), registration of copyright(s), and trademark(s) in the Deliverable Materials, developed by the Design Professional, including its employees, agents, talent and independent Subcontractors pursuant to this Agreement are the sole property of the City. The Design Professional, including its employees, agents, talent, and independent Subcontractor(s), may not use any

such Deliverable Materials mentioned in this article for purposes unrelated to Design Professional's work on behalf of the City without prior written consent of the City.

- 8.3 Intellectual Property Rights Assignment. Design Professional, its employees, agents, talent, and independent Subcontractor(s) agree to promptly execute and deliver, upon request by City or any of its successors or assigns at any time and without further compensation of any kind, any power of attorney, assignment, application for copyright, patent, trademark or other intellectual property right protection, or other papers or instruments which may be necessary or desirable to fully secure, perfect or otherwise protect to or for the City, its successors and assigns, all right, title and interest in and to the content of the Deliverable Materials; and cooperate and assist in the prosecution of any action or opposition proceeding involving said rights and any adjudication of the same.
- 8.4 Moral Rights. Design Professional, its employees, agents, talent, and independent Subcontractor(s) hereby irrevocably and forever waives, and agrees never to assert, any Moral Rights in or to the Deliverable Materials which Design Professional, its employees, agents, talent, and independent Subcontractor(s), may now have or which may accrue to Design Professional, its employees, agents, talent, and independent Subcontractor(s)' benefit under U.S. or foreign copyright laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted. The term "Moral Rights" shall mean any and all rights of paternity or integrity in or to the Deliverable Materials and the right to object to any modification, translation or use of said content, and any similar rights existing under judicial or statutory law of any country in the world or under any treaty, regardless of whether or not such right is denominated or referred to as a moral right.
- 8.5 Subcontracting. In the event that Design Professional utilizes a Subcontractor(s) for any portion of the Work that is in whole or in part of the specified Deliverable Materials to the City, the agreement between Design Professional and the Subcontractor [Subcontractor Agreement] shall include a statement that identifies that the Deliverable Materials/Work product as a "work-for hire" as defined in the Act and that all intellectual property rights in the Deliverable Materials/Work product, whether arising in copyright, trademark, service mark or other belongs to and shall vest solely with the City. Further, the Subcontractor Agreement shall require that the Subcontractor, if necessary, shall grant, transfer, sell and assign, free of charge, exclusively to the City, all titles, rights and interests in and to said Work/Deliverable Materials, including all copyrights and other intellectual property rights. City shall have the right to review any Subcontractor agreement for compliance with this provision.
- **8.6 Publication Design.** Design Professional may not publish or reproduce any Deliverable Materials, for purposes unrelated to Design Professional's work on behalf of the City without prior written consent of the City.
- 8.7 Intellectual Property Warranty and Indemnification. Design Professional represents and warrants that any materials or deliverables, including all Deliverable Materials, provided under this contract are either original, not encumbered and do not infringe upon the copyright, trademark, patent or other intellectual property rights of any third party, or are in the public domain. If Deliverable Materials provided hereunder become the subject of a claim, suit or allegation of copyright, trademark or patent infringement, City shall have the right, in its sole discretion, to require Design Professional to produce, at Design Professional's own expense, new non-infringing materials, deliverables or Works as a means of remedying any claim of infringement in addition to any other remedy available to the City under law or equity. Design Professional further agrees to indemnify and hold

harmless the City, its elected officials, officers, employees and agents from and against any and all claims, actions, costs, judgments or damages of any type alleging or threatening that any materials, deliverables, supplies, equipment, services, Deliverable Materials, or Works provided under this contract infringe the copyright, trademark, patent or other intellectual property or proprietary rights of any third party (Third Party Claims of Infringement). If a Third Party Claim of Infringement is threatened or made before Design Professional receives payment under this contract, City shall be entitled, upon written notice to Design Professional, to withhold some or all of such payment.

8.8 Enforcement Costs. The Design Professional agrees to pay any and all costs the City incurs enforcing the indemnity and defense provisions set forth in Article 8, including but not limited to, attorneys' fees.

ARTICLE IX MISCELLANEOUS

- 9.1 Notices. In all cases where written notice is required under this Agreement, service shall be deemed sufficient if the notice is deposited in the United States mail, postage paid. Proper notice shall be effective on the date it is mailed, unless provided otherwise in this Agreement. For the purpose of this Agreement, unless otherwise agreed in writing, notice to the City shall be addressed to: Public Utilities Department, c/o Sandra Carlson, MS 906, 525 B Street, Suite 300, San Diego, CA 92101 and notice to the Design Professional shall be addressed to: Woodard & Curran, John Ayres, PG, CHG, 1545 River Park Drive #425, Sacramento, CA 95815, jwayres@woodardcurran.com.
- **9.2 Headings.** All article headings are for convenience only and shall not affect the interpretation of this Agreement.
- 9.3 Non-Assignment. The Design Professional shall not assign the obligations under this Agreement, whether by express assignment or by sale of the company, nor any monies due or to become due, without the City's prior written approval. Any assignment in violation of this paragraph shall constitute a Default and is grounds for immediate termination of this Agreement, at the sole discretion of the City. In no event shall any putative assignment create a contractual relationship between the City and any putative assignee.
- **9.4 Independent Contractors.** The Design Professional and any Subcontractors employed by the Design Professional shall be independent contractors and not agents of the City. Any provisions of this Agreement that may appear to give the City any right to direct the Design Professional concerning the details of performing the Professional Services, or to exercise any control over such performance, shall mean only that the Design Professional shall follow the direction of the City concerning the end results of the performance.
- 9.5 Design Professional and Subcontractor Principals for Professional Services. It is understood that this Agreement is for unique Professional Services. Retention of the Design Professional's Professional Services is based on the particular professional expertise of the following members of the Design Professional's organization: John Ayres, Senior Hydrogeologist, Rosalyn Prickett, Senior Water Resources Planner, Alyson Watson, Executive Vice President, [Project Team]. Accordingly, performance of Professional Services under this Agreement may not be delegated to other members of the Design Professional's organization or to Subcontractors without the prior written consent of the City. It is mutually agreed that the members of the Project Team are the principal persons responsible for delivery of all Professional Services and may not be removed from the Project Team without the City's prior written approval. Removal of any member of the Project Team without notice and approval

by the City may be considered a default of the terms and conditions of this Agreement by the Design Professional. In the event any member of the Project Team becomes unavailable for any reason, the City must be consulted as to any replacement. If the City does not approve of a proposed replacement, the City may terminate this Agreement pursuant to section 2.6 of this Agreement. Further, the City reserves the right, after consultation with the Design Professional, to require any of the Design Professional's employees or agents to be removed from performance of the Scope of Services.

- 9.6 Additional Design Professionals or Contractors. The City reserves the right to employ, at its own expense, such additional Design Professionals or contractors as the City deems necessary to perform work or to provide the Professional Services on the Project.
- **9.7** Employment of City Staff. This Agreement may be unilaterally and immediately terminated by the City, at its sole discretion, if the Design Professional employs an individual who, within the last twelve months immediately preceding such employment did, in the individual's capacity as an officer or employee of the City, participate in, negotiate with, or otherwise have an influence on the recommendation made to the City Council or Mayor in connection with the selection of the Design Professional.
- **9.8 Covenants and Conditions.** All provisions of this Agreement, expressed as either covenants or conditions on the part of the City or the Design Professional, shall be deemed to be both covenants and conditions.
- 9.9 Compliance with Controlling Law. The Design Professional shall comply with all laws, ordinances, regulations, and policies of the federal, state, and local governments applicable to this Agreement, including California Labor Code section 1720 relating to the payment of prevailing wages during the design and preconstruction phases of a project, including inspection and land surveying work. In addition, the Design Professional shall comply immediately with all directives issued by the City or its authorized representatives under authority of any laws, statutes, ordinances, rules, or regulations. The laws of the State of California shall govern and control the terms and conditions of this Agreement.
- **9.10 Jurisdiction**. The jurisdiction and applicable laws for any suit or proceeding concerning this Agreement, the interpretation or application of any of its terms, or any related disputes shall be in accordance with the laws of the State of California without regard to the conflicts or choice of law provisions thereof.
- **9.11** Successors in Interest. This Agreement and all rights and obligations created by this Agreement shall be in force and effect whether or not any Parties to the Agreement have been succeeded by another entity, and all rights and obligations created by this Agreement shall be vested and binding on any Party's successor in interest.
- 9.12 Integration. This Agreement and the Exhibits and references incorporated into this Agreement fully express all understandings of the Parties concerning the matters covered in this Agreement. No change, alteration, amendment, or modification of the terms or conditions of this Agreement, and no verbal understanding of the Parties, their officers, agents, or employees shall be valid unless made in the form of a written change agreed to in writing by both Parties. All prior negotiations and agreements are merged into this Agreement.
- **9.13 Counterparts.** This Agreement may be executed in counterparts, which when taken together shall constitute a single signed original as though all Parties had executed the same page.

Design Long Form

- 9.14 No Waiver. No failure of either the City or the Design Professional to insist upon the strict performance by the other of any covenant, term or condition of this Agreement, nor any failure to exercise any right or remedy consequent upon a breach of any covenant, term, or condition of this Agreement, shall constitute a waiver of any such breach of such covenant, term or condition. No waiver of any breach shall affect or alter this Agreement, and each and every covenant, condition, and term hereof shall continue in full force and effect without respect to any existing or subsequent breach.
- **9.15 Severability.** The unenforceability, invalidity, or illegality of any provision of this Agreement shall not render any other provision of this Agreement unenforceable, invalid, or illegal.
- **9.16 Municipal Powers.** Nothing contained in this Agreement shall be construed as a limitation upon the powers of the City as a chartered city of the State of California.
- 9.17 **Drafting Ambiguities.** The Parties agree that they are aware that they have the right to be advised by counsel with respect to the negotiations, terms and conditions of this Agreement, and the decision of whether or not to seek advice of counsel with respect to this Agreement is a decision which is the sole responsibility of each Party. This Agreement shall not be construed in favor of or against either Party by reason of the extent to which each Party participated in the drafting of the Agreement.
- 9.18 Conflicts Between Terms. If an apparent conflict or inconsistency exists between the main body of this Agreement and the Exhibits, the main body of this Agreement shall control. If a conflict exists between an applicable federal, state, or local law, rule, regulation, order, or code and this Agreement, the law, rule, regulation, order, or code shall control. Varying degrees of stringency among the main body of this Agreement, the Exhibits, and laws, rules, regulations, orders, or codes are not deemed conflicts, and the most stringent requirement shall control. Each Party shall notify the other immediately upon the identification of any apparent conflict or inconsistency concerning this Agreement.
- **9.19 Design Professional Evaluation.** City will evaluate Design Professional's performance of Professional Services on the Project using the Consultant Evaluation Form [Exhibit F].
- **9.20 Exhibits Incorporated.** All Exhibits referenced in this Agreement are incorporated into the Agreement by this reference.
- **9.21 Survival of Obligations.** All representations, indemnifications, warranties and guarantees made in, required by or given in accordance with this Agreement, as well as all continuing obligations indicated in this Agreement, shall survive, completion and acceptance of the Professional Services and termination or completion of the Agreement.
- 9.22 Contractor Standards. This Agreement is subject to the Contractor Standards clause of the Municipal Code Chapter 2, Article 2, Division 30 adopted by Ordinance No. O-20316. All consultants are required to complete the Contractor Standards Pledge of Compliance included herein as Exhibit G.
- 9.23 Equal Benefits Ordinance. Unless an exception applies, Design Professional shall comply with the Equal Benefits Ordinance (EBO) codified in the San Diego Municipal Code (§22.4304(f)). Failure to maintain equal benefits is a material breach of this Agreement. By signing this Agreement, Design Professional certifies that Design Professional is aware of, and will comply with, this City-mandated clause throughout the duration of the Agreement.

9.24 Public Records. By Signing this Agreement the Design Professional agrees that it is aware that the contents of this Agreement and any documents pertaining to the performance of the Agreement requirements/Scope of Services resulting from this Agreement are public records, and therefore subject to disclosure unless a specific exemption in the California Public Records Act applies.

If the Design Professional submits information **clearly marked** confidential or proprietary, the City of San Diego (City) may protect such information and treat it with confidentiality only to the extent permitted by law. However, it will be the **responsibility of the Design Professional** to provide to the City the specific legal grounds on which the City can rely in withholding information requested under the California Public Records Act, should the City choose to withhold such information.

General references to sections of the California Public Records Act will not suffice. Rather, the Design Professional must provide a **specific and detailed legal basis**, **including applicable case law** that **clearly establishes** the requested information is exempt from the disclosure requirements of the California Public Records Act.

If the Design Professional does not provide a specific and detailed legal basis for withholding the requested information within a time specified by the City, the City will release the information as required by the California Public Records Act and the **Design Professional will hold the City harmless** for release of this information.

It will be the **Design Professional's obligation to defend**, at Design Professional's expense, any legal actions or challenges seeking to obtain from the City any information requested under the California Public Records Act withheld by the City at the Design Professional's request. Furthermore, the Design Professional shall **indemnify** the City and **hold it harmless** for any claim or liability, and **defend any action** brought against the City, resulting from the City's refusal to release information requested under the Public Records Act withheld at Design Professional's request.

Nothing in this Agreement creates any obligation for the City to notify the Design Professional or obtain the Design Professional's approval or consent before releasing information subject to disclosure under the California Public Records Act.

9.25 Equal Pay Ordinance. Unless an exception applies, Design Professional shall comply with the Equal Pay Ordinance (EPO) codified in the San Diego Municipal Code (SDMC) at section 22.4801 through 22.4809. Design Professional shall require all of its subconsultants to certify compliance with the EPO in their written subcontracts. Design Professional must post a notice informing its employees of their rights under the EPO in their workplace or job site. By signing this Agreement with the City of San Diego, Design Professional acknowledges the EPO requirements and pledges ongoing compliance with the requirements of SDMC Division 48, section 22.4801 et seq., throughout the duration of this Agreement.

The remainder of this page has been intentionally left blank.

| IN WITNESS WHEREOF, this Agreement is executed by the City of San Diego, acting by and through its Mayor, pursuant to Resolution Number - $\frac{1}{2551}$ authorizing such execution, and by the Design Professional pursuant to Woodard & Curran's Signature Authority Document. |
|--|
| |
| I HEREBY CERTIFY I can legally bind Woodard & Curran and that I have read all of this Agreement, this, |
| By Alyson Watson Executive Vice President |
| Dated this 5th day of fluguot, 2019. |
| THE CITY OF SAN DIEGO Mayor or Designee |
| By: Claudia C. Abarca Deputy Director Public Works Contracts |
| I HEREBY APPROVE the form of the foregoing Agreement this day of |
| MARA W. ELLIOTT, City Attorney By Deputy City Attorney |

DESIGN PROFESSIONAL AGREEMENT EXHIBITS

SCOPE OF SERVICES

1.0 BACKGROUND

In 2014, the California Legislature and Governor passed into law the Sustainable Groundwater Management Act 2014 (SGMA), which provides a new framework to manage groundwater resources in California. Implementation of SGMA requires the formation of a Groundwater Sustainability Agency (GSA), which will prepare and implement a Groundwater Sustainable Plan (GSP) to sustainably manage groundwater resources. The San Pasqual Valley Groundwater Basin 9–10 (Basin), as designated by the California Department of Water Resources (DWR) Bulletin 118, is a medium-priority basin and must comply with SGMA requirements within the established timeframes. The 4,540–acre Basin is located 35 miles northeast of downtown San Diego.

In 2016, the San Diego City Council approved a resolution to become a GSA for the Basin and adopted the Memorandum of Understanding (MOU) between the City of San Diego (City) and the County of San Diego (County) for the Basin in 2017. The MOU eliminates any overlap between GSAs and memorializes each GSA's role and responsibility for developing a GSP.

Development and implementation of a GSP for the Basin will meet requirements of SGMA, California Code of Regulations, Title 23, Waters Division 2, Department of Water Resources Chapter 1.5 — Groundwater Management (California Code Regulations). Published reference guides, such as the Groundwater Sustainability Plan Emergency Regulations (GSP Regulations), Best Management Practices and Guidance Documents, are located on DWR's website:

https://www.water.ca.gov/Programs/Groundwater-Management/SGMA-

<u>Groundwater-Management/Best-Management-Practices-and-</u> <u>Guidance-Documents</u>

https://water.ca.gov/LegacyFiles/groundwater/sgm/pdfs/GSP_Final_Regs_Guidebook.pdf

The City was recently recommended for funding in an amount of \$989,550 by the Department of Water Resources (DWR) for the 2017 Groundwater Sustainability Plans and Projects Solicitation under the Proposition 1 Sustainable Ground–Water Planning Grant Program. The award is conditioned upon the execution of a Grant Agreement between DWR and the City and is meant to fund the development of the San Pasqual Valley Groundwater Plan and other related activities not included in this RFP.

2.0 SCOPE OF SERVICES

The goal of the project is to develop a GSP that will guide future groundwater management in the Basin. The GSP will encompass the entire Basin and will be developed in accordance with the California Code of Regulations and comply with all SGMA and DWR requirements. The GSP shall meet all required elements identified in GSP Regulations Important milestones have been identified below:

- The GSP will include a 60-day public review and comment period prior to final GSP submittal to the GSA.
- The final GSP shall be approved by San Diego City Council and San Diego County Board of Supervisors.

2.1 GSP DEVELOPMENT/PROJECT MANAGEMENT

The Design Professional's project team will keep the City's Project Manager briefed on the progress of all significant activities leading to development of the Basin GSP. The following include necessary tasks for administering this project.

Please assume for budget and scheduling purposes throughout this Scope of Services that all draft and final reports will need to be reviewed and commented by both the City and County GSAs and then finalized by the Design Professional.

- 2.1.1 Project Administration, QA/QC activities, document management and transfer.
- 2.1.2 Work Plan Prepare a work plan for approval by City and County GSA. Include a detailed and comprehensive project schedule (Gantt chart), including start and finish dates for

task, key deliverables, required actions and major milestones. Identify critical path, show task dependencies, durations and logic network for completing the GSP.

- 2.1.3 Kickoff Meeting, Monthly Progress Meetings and Reporting Kickoff Meeting will be in person and include the City and County GSAs, while the monthly progress meetings will be via conference call between the City's Project Manager and Design Professional's Project Manager only (these are intended as coordination calls in advance of the monthly GSA meetings in 2.1.4). Design Professional will conduct a total of thirty (30) monthly progress meetings. Progress Reports will be combined with monthly invoices and provide a brief update up progress, usually no more than 1–2 pages in length.
- 2.1.4 Monthly meetings with City and County GSAs up to (27) Design Professional will conduct up to twenty-seven (27) monthly meetings (conference calls; conference line provided by Design Professional) between the Core Team (City and County GSAs), except the month of December in each year. Meeting minutes will include approximately 1–2 pages brief summary.

Deliverables:

- Draft and final work plan
- Monthly progress reports
- Meeting minutes

2.2 PLAN AREA

Per the GSP Regulations, define the Plan Area for the GSP. The intent is to provide a description of the Basin through narratives or maps, summarizing land use designation, jurisdictional areas and cover topic categories of applicable general plans, land use elements, water resource monitoring and management programs (GSP Regulation 354.8). Summarize the public and stakeholder outreach conducted for the GSP effort. Describe the effects of

implementing the GSP on water demands, water availability and water supply assumptions in land use decision-making.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to thirty-eight (38) hours total on incorporating Core Team review comments. Design Professional will incorporate one (1) additional round of joint comments assumed for peer review and advisory committee, to be incorporated concurrently. Design Professional will spend up to forty-eight (48) hours total on incorporating peer/advisory review comments.

Deliverables:

- Draft and Final Plan Section: Plan Area
- Final Maps

2.3 BASIN SETTINGS

Establish the Basin setting per GSP Regulation. Information gathered from completing the hydrogeologic conceptual model, and the development of the water budget will provide supporting information for the development of groundwater conditions to complete the Basin Settings. Include information about groundwater elevation data that demonstrates flow directions, gradients, and regional pumping patterns. Includes groundwater elevation contour maps, hydrographs, and change in storage charts. Describe groundwater quality issues that may affect the supply and beneficial uses of groundwater, and identify subsidence, if occurring. Includes identification of interconnected surface water systems within the Basin and an estimate of the quantity and timing of depletions of those systems, to be calculated by the numerical model. Establish current groundwater conditions for the Basin and conditions as of January 2019. Summarize groundwater dependent ecosystems (GDEs). Assess data gaps and data uncertainty that limit Basin understanding or evaluation.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to thirty-eight (38) hours total on incorporating Core Team review comments. Design Professional will incorporate one (1) additional round of joint comments assumed for peer review and advisory committee, to be incorporated concurrently. Design Professional will spend up to forty-eight (48) hours total on incorporating peer/advisory review comments.

Deliverables:

- Draft and Final Plan Section: Groundwater Conditions
- Draft and Final Technical Memo: Summary of Existing Data

2.4 WATER BUDGET

The water budget, per GSP Regulations 354.18, will provide an accounting and assessment of the total annual volume of surface water and groundwater entering and leaving the Basin, including historical, current and projected conditions, and an estimate of sustainable yield for the Basin. The groundwater budget will detail annual groundwater and surface water fluxes. Complete an assessment of current hydrologic conditions, incorporating the most recent hydrology, water supply, water demand, and land use information. Refinement of water use estimates for domestic and agricultural uses, which are not metered or reported, has been identified as a primary technical need. A critical portion of the water budget work will be used in determining sustainable yield of groundwater that can be withdrawn without causing "undesirable results" as described in the GSP Regulations. Provide graphical representations of the regional geologic context of the Basin, basin geometry, and groundwater flow dynamics, water quality, soil characteristics, and other data required by GSP Regulation.

Design Professional will perform remote sensing data. Historical data will date back 50 years; in monthly timesteps. Design Professional will include data presented in 2007 Groundwater Management Plan. Incorporation of the "most recent data" will be limited to 2019 data (Current Year). Other data collected during plan development will be incorporated into the database at plan completion for use in annual reports and updates. Agricultural components will be analyzed for total dissolved solids (TDS) and Nitrate (NO3) budget; in monthly timesteps.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to thirty-eight (38) hours total on incorporating Core Team review comments. Design Professional will incorporate one (1) additional round of joint comments assumed for peer review and advisory committee, to be incorporated concurrently. Design Professional will spend up to forty-eight (48) hours total on incorporating peer/advisory review comments.

Deliverables:

Draft and Final Plan Section: Water Budget

2.5 HYDROGEOLOGIC CONCEPTUAL MODEL

A hydrogeologic conceptual model will be developed to meet requirements of the GSP Regulations 354.14. Provide a characterization of the physical components, interaction of the surface water and groundwater system of the Basin. Include a narrative description of the basin, groundwater conditions and Basin setting including static conditions for a qualitative and quantitative point of view. The hydrogeologic conceptual model will become the basis to assist with understanding of groundwater behavior of current conditions and future impacts to the groundwater system regarding water levels and water quality.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to thirty-eight (38) hours total on incorporating Core Team review comments. Design Professional will incorporate one (1) additional round of joint comments assumed for peer review and advisory committee, to be incorporated concurrently. Design Professional will spend up to forty-eight (48) hours total on incorporating peer/advisory review comments.

Deliverables:

• Draft and Final Plan Section: Hydrogeologic Conceptual Model

2.6 GROUNDWATER FLOW MODEL

Review the existing steady-state groundwater flow and transport model along with the Technical Memorandum: Preliminary Assessment of Groundwater Levels in San Pasqual Valley Groundwater Basin (2018) recommendations to update this model. Evaluate no more than two alternate modeling codes to aid in selecting a SGMA-compliant modeling code to be used to support GSP development. Refine the numerical model grid to more accurately represent basin thickness and groundwater/surface-water interactions. Prepare transient model parameter and boundary-condition datasets for calibration. The calibration period will start around 2008 and end in 2018-19 (to include the latest available data at the time of model development). Calibrate the integrated flow and transport model to 2008 through 2018-19 conditions. Data collected prior to 2008 will be used for calibration if it is reliable. Prepare a historical water budget to support Task 2.4 (Water Budget).

Prepare transient model parameter and boundary-condition datasets for predictive analysis. Simulate potential future conditions with climate-change effects and with and without hypothetical projects to support developing sustainable management criteria and projects and management actions. No more than six hypothetical projects will be

simulated during the predictive analysis. The projection simulations will span a 50-year planning and implementation period, starting in the 2018–19 timeframe (i.e., at the end of the calibration period) and ending in the 2068–69 timeframe. Prepare future water budgets associated with the projection simulations to support Task 2.4 (Water Budget), Task 2.11 (Development of Sustainable Management Criteria), and Task 2.12 (Projects and Management Actions). Conduct sensitivity analyses on the projection simulations to gain insight into potential ranges of outcomes based on ranges of input parameters.

Document activities associated with model code selection, model development, and model application in technical memoranda and Plan Section (see deliverables list).

Design Professional will evaluate MODFLOW-SURFACT against two open-source codes. Design Professional will refine grid around streams; Thickness of model domain will be updated. Current model is steady-state for flow; Design Professional will update the hydraulic datasets for transient flow modeling. Design Professional will include TDS & NO3 transport calibration, along with heads and flows. Design Professional will include no more than six (6) parameters in sensitivity analysis. Sensitivity analysis will be completed on only one (1) projected simulation. Future conditions (projected simulations) will include climate change. Design Professional will complete maximum of four (4) portfolios of management projects/actions. Animations/Visualizations will be used to facilitate technical reviews and public outreach. Existing SNMT model code is MODFLOW-SURFACT and could technically "grandfather in" that code per SGMA guidelines. Design Professional will work with City and County GSA's top also consider open-source codes such as MODFLOW-NWT/MT3D-USGS, and MODFLOW-USG. Design Professional will only evaluate these few codes because many other available codes are flow-only, but plan will need to include solute transport as well to address salinity concerns.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to thirty-eight (38) hours total on incorporating Core Team review comments. Design Professional will incorporate one (1) additional round of joint comments assumed for peer review and advisory committee, to be incorporated concurrently. Design Professional will spend up to forty-eight (48) hours total on incorporating peer/advisory review comments.

Deliverables:

- Draft and Final Technical Memorandum on numerical flow and transport model code recommendation
- Final numerical flow and transport model files
- Draft and Final modeling scenarios, inputs, output, and maps
- Draft and Final Plan Section: Numerical Flow and Transport Model

2.7 MONITORING PROGRAM AND DATA MANAGEMENT SYSTEM (DMS)

The GSP will address the requirements for GSP Regulation 354.34 to provide a detailed description of the basin-specific monitoring network and address GSP Regulations 352.20 for developing monitoring protocols. Provide recommendations on expanding the network and developing an ongoing monitoring program to include water level monitoring, surface water flows, and water quality sampling throughout the GSP implementation phase. The monitoring program will be sufficient to meet SGMA requirements and ensure that the network will provide sufficient temporal frequency and spatial density to evaluate the effectiveness and metrics of GSP implementation for addressing undesirable results indicators. This task also includes developing a data management system (GSP Regulations 352.60) capable of storing and reporting

information relevant to development or implementation of the GSP and Basin monitoring.

DMS: OPTI Web Interface— DMS will be managed using OPTI online geodatabase which will be customized to San Pasqual Groundwater Basin.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to thirty-eight (38) hours total on incorporating Core Team review comments. Design Professional will incorporate one (1) additional round of joint comments assumed for peer review and advisory committee, to be incorporated concurrently. Design Professional will spend up to forty-eight (48) hours total on incorporating peer/advisory review comments.

Deliverables:

- Draft and Final Plan Section: Monitoring Network Assessment and Program, including data gap analysis, monitoring protocols and standards
- Final Data Management System
- Final DMS Training and Operating Manual

2.8 GROUNDWATER MONITORING WELL INFRASTRUCTURE

The Basin is in compliance with California State Groundwater Elevation Monitoring (CASGEM) Program consisting of six CASGEM compliant wells. Three of six wells are multi-depth wells installed by United States Geology Surveys (USGS). To support the overall objectives of GSP Regulations, two additional multi-depth groundwater monitoring wells are estimated to be installed to facilitate aquifer performance testing, groundwater quality assessment, and recharge assessments. These wells will also be used to assess the effects of pumping wells within the Basin on groundwater resources outside of the Basin boundaries. This task

will not involve installation of wells; the City will establish separate As-Needed contracts for completion of this work.

Design Professional will work with the City's As-Needed Contractor to oversee well installation. Work with the GSAs and advisory committee to identify beneficial locations for the monitoring wells. Provide direction in the siting of the monitoring wells. Coordinate with the City's As Needed contractor as necessary during well installation. Review draft work plan, design/plans/specifications, methods, location, and procedures for drilling, installation, and development of monitoring wells that will be prepared by City's As- Needed Contractor.

Deliverables:

• Coordination with City's As-Needed contractor to site monitoring wells, including review of work plan, design plans, methods, and procedures.

2.9 AQUIFER PERFORMANCE TESTING

GSP Regulations Section 354.14 states that the hydrogeologic conceptual model developed for the Basin shall be summarized in a written description that includes physical properties of aquifers and aquitards, including the vertical and lateral extent, hydraulic conductivity, and storativity. To collect these data, aquifer performance testing will be conducted on newly installed and existing wells. Data collected from these tests will be used to refine the hydrogeologic conceptual model, if available before the Hydrologic Conceptual Model task is complete. This task will not involve aquifer performance testing; the City will establish separate As-Needed contracts for completion of this work.

Design Professional will work with the City's As-Needed Contractor to oversee aquifer performance testing. Work with the GSAs and advisory committee to identify beneficial data collection and locations. Provide direction in the siting of the testing. Coordinate with the City's As-Needed contractor as necessary during testing. Review draft work plan, design/plans/specifications, methods, location, and procedures

for aquifer performance testing that will be prepared by City's As-Needed Contractor.

Deliverables:

 Coordination with City's As Needed contractor to site monitoring wells, including review of work plan, design plans, methods, and procedures

2.10 AQUIFER RECHARGE ASSESSMENT AND SURFACE WATER/GROUNDWATER INTERACTIONS

Design Professional will work with the City's designated as-needed consultant (As-Needed Consultant) to oversee aquifer recharge assessment and will work with the GSAs and advisory committee to identify beneficial stream gage and monitoring well locations. Provide direction in the siting of the testing. Coordinate with the City's As-Needed Consultant as necessary during testing. Review draft work plan, design/plans/specifications, methods, location, and procedures for aquifer recharge assessment that will be prepared by City's As-Needed Consultant.

This task <u>will not</u> involve aquifer recharge assessment; the City will use an existing As-Needed Consultant for completion of this work.

Deliverables:

 Coordination with City's As-Needed Consultant to conduct aquifer recharge assessment, including review of work plan, design plans, methods, and procedures.

2.11 <u>DEVELOPMENT OF SUSTAINABLE MANAGEMENT CRITERIA</u>

To meet GSP Regulations, the Design Professional will assist with achieving consensus on the nature and extent of undesirable results, sustainability goals, sustainability indicators, minimum thresholds, interim milestones, and measurable objectives, and to lay the foundation for agreement and practicable solutions. The sustainability goals and measurable objectives should then seek to mitigate and avoid any future undesirable results, and to resolve the

identified problems, conflicts, and issues. The objectives are critical to the screening of projects, programs, policies, and alternatives.

The GSP Regulations Section 354.28 require establishing new criteria for managing the Basin to sustainability with the objective of having no significant unreasonable and undesirable results in the Basin within 20 years of GSP implementation. The goal of the GSP is to achieve sustainable management by identifying implementing measures targeted to ensure the Basin is operating within its sustainable yield and avoiding undesirable results caused by groundwater conditions. This task includes evaluation of sustainability indicators and setting minimum thresholds and measurable objectives in accordance with identified undesirable results. The methodologies and approaches utilized will be developed based on information uncovered and from stakeholder input, but it is expected that a combination of groundwater model simulations, empirical analyses of field data, and other robust hydrogeologic tools will be utilized to support the development of the Sustainable Management Criteria.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to thirty-eight (38) hours total on incorporating Core Team review comments. Design Professional will incorporate one (1) additional round of joint comments assumed for peer review and advisory committee, to be incorporated concurrently. Design Professional will spend up to forty-eight (48) hours total on incorporating peer/advisory review comments.

Deliverables:

• Draft and Final Plan Section: Sustainable Management Criteria

2.12 PROJECTS AND MANAGEMENT ACTIONS

Projects and management actions will be determined, evaluated and described in the GSP as required by the GSP Regulations. This task will identify projects and management actions that may be required to reach sustainability goals of sustainability management criteria for the Basin. Identify projects and management actions for each sustainability indicator and determine the minimum threshold that will trigger implementation. Should some management actions not prove as easy to implement or as effective as initially estimated, backup management alternatives must be available and listed in the GSP. Projects and management actions will consider implementation timetable, expected benefits, required legal authority, regulatory permitting and implementation costs. The timetable will focus on implementation over the 20-year planning horizon, and will address preliminary planning for the 20-year horizon.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to thirty-eight (38) hours total on incorporating Core Team review comments. Design Professional will incorporate one (1) additional round of joint comments assumed for peer review and advisory committee, to be incorporated concurrently. Design Professional will spend up to forty-eight (48) hours total on incorporating peer/advisory review comments.

Deliverables:

• Draft and Final Plan Section: Projects and Management Actions

2.13 PUBLIC OUTREACH

Successful implementation of the GSP will depend on efficient outreach, education, and communication, and facilitation between the GSA and local communities/stakeholders. Stakeholder engagement includes efforts made to understand stakeholder concerns, educate stakeholders on SGMA efforts, and involve stakeholders in the activities and decision-making process.

2.13.1 Perform Stakeholder Engagement – This task includes outreach and facilitation to support development of the GSP. All outreach performed will be documented and compiled for submittal with the GSP as required by regulation, including the following outreach efforts that will need to be conducted as part of development of the GSP:

Project information. Develop outreach strategy, key messages, talking points and responses to anticipated stakeholder questions (Q&A). Develop fact sheet (2-page), Q&A document (up to 20 questions). Assist with responding to stakeholder inquiries and concerns related to the project. Review technical presentations to ensure readability and understandability to lay audience.

Stakeholder database. Assemble and maintain a project-specific master distribution and contact database and update it as outreach activities and efforts result in the collection of information from new contacts. Assumes database of 1,000 contacts.

2.13.2 Advisory Committee Meetings (up to 8) – Advisory
Committee has already been selected and convened.
Manage and facilitate content for up to eight (8), 3-hour
quarterly advisory committee meetings. Includes
coordination between Design Professional's technical team
and facilitator to ensure meeting objectives are clear.

Develop mission and principles of participation for the advisory committee.

Facilitation of meetings and management of advisory committee: Schedule advisory committee meetings and develop agendas and meeting summaries for each meeting. Hold up to two (2) team planning meetings in preparation for each advisory committee meeting and one debrief meeting for each advisory committee meeting; these planning and debrief meetings can be conference calls and will be no more

than two (2) hours each. Provide professional facilitator and notetaker for the advisory committee meetings. Facilitator to participate in planning and debrief meetings. Arrange for meeting locations and logistics associated with holding the meetings. Manage correspondence that may occur with committee members. Provide review of presentation materials developed by technical team including PowerPoints.

- 2.13.3 Education, Outreach, and Communication Documentation –
 This task documents the outreach, education, and
 communication performed during GSP development.

 Documentation will include identification of participants,
 the nature of consultation with parties affected by the GSP,
 a list of public meetings held where the GSP was discussed
 or considered by the GSA, and a collection and posting of
 comments received regarding the GSP. Meeting summaries
 and/or presentations will be compiled and included in an
 appendix of the GSP. This task will also be used to maintain
 the stakeholder database of people or entities who express
 interest in the GSP.
- 2.13.4 As Needed Stakeholder Meetings (up to four (4)) (Optional)
 Facilitate up to four (4) additional stakeholder workshops as directed by the City's Project Manager; Includes coordination between Design Professional's technical team and facilitator to ensure meeting objectives are clear.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to forty-eight (48) hours total on incorporating Core Team review comments across the twelve (12) meetings.

Deliverables:

Informational materials including a 2-page factsheet, FAQ (up to 20

questions), key messages, and talking points

- Meeting materials, agendas, and meeting summaries for up to twelve
 (12) meetings (eight (8) Advisory Committee and four (4) As Needed stakeholder meetings)
- Compilation of all outreach performed for submittal with GSP
- Stakeholder database

2.14 TECHNICAL PEER REVIEW

To ensure quality assurance and the preparation of a scientifically sound GSP, the Design Professional shall be required to implement and document a technical peer review process for the development of the GSP, which shall include a quality assurance and quality control process. The Design Professional shall hire up to two (2) qualified specialists (independent technical reviewers) who are independent of the GSP development but with expertise to perform the work. The independent technical reviewers shall be Professional Geologists in the State of California, a Professional Engineer in the State of California, and/or PhD in Hydrology, Hydrogeology, Geology, or related field with appropriate expertise in hydrogeologic water supply investigations and/or related modeling and research. The following is expected from the independent technical reviewers:

- 2.14.1 Review and provide comments for specific sections of the GSP: The peer reviewers will review sections of the GSP as they are available. Technical Peer Review Subconsultants will review each Plan Section once and provide edits in Microsoft Word with Track Changes to serve as the compiled feedback.
- 2.14.2 Attend and participate in Technical Working Group public discussion meetings. Includes key technical team members and peer reviewers. Technical Peer Review meetings will be held the same day as Advisory Committee meetings.
- 2.14.3 Develop presentation materials and public notices for

Technical Working Group meetings, including maps and graphics.

2.14.4 Facilitate up to eight (8), 3-hour Technical Working Group meetings. Includes coordination between Design Professional's technical team and facilitator to ensure meeting objectives are clear.

Develop mission and principles of participation for committee.

Facilitation of meetings and management of technical peer review committee: Schedule committee meetings and develop agendas and meeting summaries for each meeting. Hold up to two (2) team planning meetings in preparation for each committee meeting and one debrief meeting for each committee meeting; these planning and debrief meetings can be conference calls and will be no more than two (2) hours each. Provide professional facilitator and notetaker for the committee meetings. Facilitator to participate in planning and debrief meetings. Arrange for meeting locations and logistics associated with holding the meetings. Manage correspondence that may occur with committee members.

- 2.14.5 Present information at Technical Working Group meetings Technical team to prepare presentation materials and handouts.
- 2.14.6 Compile feedback/comments and respond to comments Technical team to compile comments and responses in matrix format.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Design Professional will spend up to forty-two (42) hours total on incorporating Core Team review comments across the eight (8) meetings.

Deliverables:

- Up to four (4) meetings with specific GSP content, and up to four (4) meetings in reserve for technical concerns that may arise during GSP development
- Technical Working Group meeting materials, as appropriate, including draft deliverables and/or presentation materials
- Technical Working Group meeting materials, agendas, meeting summaries for each meeting, and copies of independent technical reviewers' comments and discussion items

2.15 PREPARE GROUNDWATER SUSTAINABILITY PLAN

For this task, prepare Preliminary draft, Public Review draft and Final draft of the GSP. Each GSP draft will include all required sections of the GSP, including appendices. Prepare the Preliminary draft, which integrates initial draft sections developed from prior tasks for review and comment by the GSA. Incorporate comments and prepare a Public Draft for a 60-day public review and comment. The Final Draft of the GSP will follow in response to public review comments. The City and County GSA will adopt the Final GSP prior to submitting to DWR.

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file. Comments provided on the Preliminary Draft, Public Review Draft, and Final will be in Microsoft Word with Track Changes. Design Professional will spend up to eighty (80) hours total on incorporating review comments in each cycle.

Deliverables:

- Preliminary Draft Groundwater Sustainability Plan
- Public Review Draft Groundwater Sustainability Plan
- Responses to Comments on Draft GSPs
- Final Groundwater Sustainability Plan

2.16 GRANT ASSISTANCE

The City has received grant funding through the Sustainable Groundwater Planning Grant Program. The Design Professional will assist the City with management and compliance of the grant agreement. The City will review all submittals prior to sending to DWR:

2.16.1 Reporting and Invoicing

- 2.16.1.1 Prepare for submission supporting grant documents during the development of the "Groundwater Sustainability Plan and Projects", including development of invoice and progress report templates for use by all consultants and subconsultants in DWR –required format,
- 2.16.1.2 Prepare and submit to DWR quarterly invoices and project progress reports with comprehensive status on the project, including but not limited to:
 - i. Activities completed during the billing period,
 - ii. Activities planned for the following billing period,
 - iii. Budget spent and remaining as of the end of the billing period,
 - iv. Identification of potential project management issues and solutions,
 - v. Deviations or amendments to the Plan Work,
 - vi. Final Project Completion Report no later than 90 days from project completion, and
 - vii. Project schedule showing actual versus planned progress.

2.16.1.3 Track cost share for partnering GSA

Additional information on Sustainable Groundwater Planning Grant Program is available on DWR's website:

https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/Sustainable-Groundwater

Design Professional will incorporate up to two (2) rounds of comments for all deliverables by the GSA Core Team; the City's Project Manager will consolidate City and County comments into one (1) track changes file.

Deliverables:

- Quarterly Project Progress Reports
- Final Project Completion Report
- · Quarterly Summary of Cost Share
- Backup documentation and summary document
- Project Schedule

3.0 TECHNICAL WRITING GUIDELINES

Documents delivered under this Scope of Services, such as reports, plans, white papers, technical memoranda, and executive summaries, shall be produced in accordance with the following guidelines:

- 3.1 Determine the purpose and use of the document, and what the City desires the readers to know or do after reading the document. Clearly define objectives.
- 3.2 Direct the document to the intended audience (e.g. the public, stakeholders, policy makers, regulatory agency) and consider their level of technical knowledge, and the amount of detail they will need to be appropriately informed of the subject matter, and act upon it. Determine the level of detail required; when to use scientific vocabulary and detailed supporting data, and when to present data in lay terms with clearly understood supporting graphics.
- 3.3 Organize the data to support the objective and the audience. Develop

- an outline of key topics and the data required to support each topic. Extensive data, complex tables should be included in an appendix.
- 3.4 Assign a technical writer or editor to ensure that a single coherent writing style is maintained throughout the document, graphics and tables are appropriately positioned and captioned within the text, redundancies and contradictions are eliminated, and terminology is consistently used.
- 3.5 The City will review the document but is not the proof-reader. All document submittals shall be of professional quality and shall meet the standards of TechProse Technical Writing Guidelines:
 - http://www.techprose.com/webforms/techwriting_guidelines.pdf
- 3.6 If significant edits are required, the costs for such edits shall be borne by the Design Professional, and not charged to this Agreement. The following links provide examples of documents which meet the requirements of these guidelines:

| | CC. | Subcontractors List. | 11 |

I. City's Equal Opportunity Commitment. The City of San Diego (City) is strongly committed to equal opportunity for employees and Subcontractors of Consultants doing business with the City. The City encourages its Consultants to share this commitment. Consultants are encouraged to take positive steps to diversify and expand their Subcontractor solicitation base and to offer consulting opportunities to all eligible Subcontractors. Consultants are encouraged to take positive steps to diversify and expand their subcontractor and supplier solicitation base and to offer opportunities to all eligible business firms.

Failure to submit the required EOCP documentation indicated below shall result in a determination of the Consultant being non-responsive.

- II. Nondiscrimination in Contracting Ordinance. All Consultants doing business with the City, and their Subcontractors, must comply with requirements of the City's *Nondiscrimination in Contracting Ordinance*, San Diego Municipal Code Sections 22.3501 through 22.3517.
 - A. <u>Disclosure of Discrimination Complaints (Attachment AA)</u>. As part of its bid or proposal, Consultant shall provide to the City a list of all instances within the past ten (10) years where a complaint was filed or pending against Consultant in a legal or administrative proceeding alleging that Consultant discriminated against its employees, Subcontractors, vendors, or suppliers, and a description of the status or resolution of that complaint, including any remedial action taken.

B. <u>Contract Language</u>. The following language shall be included in contracts for City projects between the Consultant and any Subcontractors, vendors, and suppliers:

Contractor shall not discriminate on the basis of race, gender, gender expression, gender identity, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring, or treatment of subcontractors, vendors, or suppliers. Consultant shall provide equal opportunity for Subcontractors to participate in opportunities. Consultant understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, or other sanctions.

- C. Contract Disclosure Requirements. Upon the City's request, Consultant agrees to provide to the City, within sixty (60) calendar days, a truthful and complete list of the names of all Subcontractors, vendors, and suppliers that Consultant has used in the past five (5) years on any of its contracts that were undertaken within County of San Diego, including the total dollar amount paid by Consultant for each subcontract or supply contract. Consultant further agrees to fully cooperate in any investigation conducted by the City pursuant to the City's Nondiscrimination in Contracting Ordinance, Municipal Code Sections 22.3501 through 22.3517. Consultant understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in remedies being ordered against the Consultant up to and including contract termination, debarment and other sanctions.
- III. Equal Employment Opportunity Outreach Program. Consultants shall comply with requirements of San Diego Municipal Code Sections 22.2701 through 22.2707. Consultants shall submit with their proposal a Work Force Report for approval by the Program Manager of the City of San Diego Equal Opportunity Contracting Program (EOCP).
 - A. <u>Nondiscrimination in Employment</u>. Consultant shall not discriminate against any employee or applicant for employment on any basis prohibited by law. Contractor shall provide equal opportunity in all employment practices. Consultants shall ensure that their subcontractors comply with this program. Nothing in this Section shall be interpreted to hold a Consultant liable for any discriminatory practice of its subcontractors.
 - B. Work Force Report. If based on a review of the Work Force Report (Attachment BB) submitted an EOCP staff Work Force Analysis determines there are under representations when compared to County Labor Force Availability data, then the Consultant will also be required to submit an Equal Employment Opportunity (EEO) Plan to the Program Manager of the City of San Diego Equal Opportunity Contracting Program (EOCP) for approval.
 - C. <u>Equal Employment Opportunity Plan</u>. If an Equal Employment Opportunity Plan is required, the Program Manager of EOCP will provide a list of plan requirements to Consultant.
- IV. Small and Local Business Program Requirements. The City has adopted a Small and Local Business Enterprise (SLBE) program for consultant contracts. SLBE program requirements for consultant contracts are set forth Council Policy 100-10.
 - A. SLBE and ELBE Participation for Contracts Valued Over \$50,000:
- 1. For all consultant contracts, the City shall apply a maximum of an additional 12 points for SLBE or ELBE participation, to the proposer's subtotal maximum evaluation points..

 Equal Opportunity Contracting Program 12/2015

Additional points will be awarded as follows to achieve the proposer's final maximum evaluation points:

- a. If the proposer achieves 20% participation, apply 5 points to the proposer's score; or
- b. If the proposer achieves 25% participation, apply 10 points to the proposer's score; or
- c. If the prime consultant is a SLBE or an ELBE, apply 12 points to the proposer's score.
- B. <u>Subcontractor Participation List</u>. The Subcontractor Participation List (Attachment CC) shall indicate the Name and Address, Scope of Services, Percent of Total Proposed Contract Amount, Certification Status and Where Certified for each proposed Subcontractor/Subconsultant.

V. Maintaining Participation Levels.

- A. Bid discounts and additional points are based on the Consultant's level of participation prior to the award of goods, services, or consultant contract. Consultants are required to achieve and maintain the SLBE or ELBE participation levels throughout the duration of the goods, services, or consultant contract.
- B. If the City modifies the original specifications, the Consultant shall make reasonable efforts to maintain the SLBE or ELBE participation for which the bid discount or additional points were awarded. The City must approve in writing the reduction in SLBE or ELBE participation levels.
- C. The Consultant shall notify and obtain written approval from the City in advance of any reduction in subcontract scope, termination, or substitution for a designated SLBE or ELBE subcontractor.
- D. Consultant's failure to maintain SLBE or ELBE participation levels as specified in the goods, services, or consultant contract shall constitute a default and grounds for debarment under Chapter 2, Article 2, Division 8, of the San Diego Municipal Code.
- E. The remedies available to the City under Council Policy 100-10 are cumulative to all other rights and remedies available to the City.

VI. Definitions.

Commercially Useful Function: a Small Local Business Enterprise or Emerging Local Business Enterprise (SLBE/ELBE) performs a commercially useful function when it is responsible for execution of the work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the SLBE/ELBE shall also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself.

To determine whether an SLBE/ELBE is performing a commercially useful function, an evaluation will be performed of the amount of work subcontracted, normal industry practices, whether the amount the SLBE/ELBE firm is to be paid under the contract is commensurate with the work it is actually performing and the SLBE/ELBE credit claimed for its performance of the work, and other relevant factors. Specifically, a SLBE/ELBE does not perform a commercially useful function if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of meaningful and useful SLBE/ELBE participation, when in similar transactions in which SLBE-ELBE firms do not participate, there is no such role performed.

Disadvantaged Business Enterprise (DBE): a certified business that is (1) at least fifty-one (51%) owned by socially and economically Disadvantaged Individuals, or, in the case of a publicly owned business at least fifty-one percent (51%) of the stock is owned by one or more socially and economically Disadvantaged Individuals; and (2) whose daily business operations are managed and directed by one or more socially and economically disadvantaged owners. Disadvantaged Individuals include Black Americans, Hispanic Americans, Asian Americans, and other minorities, or individual found to be disadvantaged by the Small Business Administration pursuant to Section 8 of the Small Business Reauthorization Act.

Disabled Veteran Business Enterprise (DVBE): a certified business that is (1) at least fifty-one percent (51%) owned by one or more disabled veterans; and (2) business operations must be managed and controlled by one or more disabled veterans. Disabled Veteran is a veteran of the U.S. military, naval, or air service; the veteran must have a service-connected disability or at least 10% or more; and the veteran must reside in California. The firm shall be certified by the State of California's Department of General Services, Office of Small and Minority Business.

Emerging Business Enterprise (EBE): a business whose gross annual receipts do not exceed the amount set by the City Manager, and which meets all other criteria set forth in the regulations implementing the City's Small and Local Business Preference Program. The City Manager shall review the threshold amount for EBEs on an annual basis, and adjust as necessary to reflect changes in the marketplace.

Emerging Local Business Enterprise (ELBE): a Local Business Enterprise that is also an Emerging Business Enterprise.

Local Business Enterprise (LBE): a firm having a Principal Place of Business and a Significant Employment Presence in San Diego County, California, that has been in operation for 12 consecutive months and a valid business tax certificate. This definition is subsumed within the definition of Small Local Business Enterprise.

Minority Business Enterprise (MBE): a certified business that is (1) at least fifty-one percent (51%) owned by one or more minority individuals, or, in the case of a publicly owned business at least fifty-one percent (51%) of the stock is owned by one or more minority individuals; and (2) whose daily business operations are managed and directed by one or more minorities owners. Minorities include the groups with the following ethnic origins: African, Asian Pacific, Asian Subcontinent, Hispanic, Native Alaskan, Native American, and Native Hawaiian.

Other Business Enterprise (OBE): any business which does not otherwise qualify as Minority, Woman, Disadvantaged or Disabled Veteran Business Enterprise.

Principal Place of Business: a location wherein a firm maintains a physical office and through which it obtains no less than fifty percent (50%) of its overall customers or sales dollars.

Significant Employee Presence: no less than twenty-five percent (25%) of a business's total number of employees are domiciled in San Diego County.

Small Business Enterprise (SBE): a business whose gross annual receipts do not exceed the amount set by the City Manager, and that meets all other criteria set forth in regulations implementing the City's Small and Local Business Preference Program. The City Manager shall review the threshold amount for SBEs on an annual basis, and adjust as necessary to reflect changes in the marketplace. A business

certified as a DVBE by the State of California, and that has provided proof of such certification to the City Manager, shall be deemed to be an SBE.

Small Local Business Enterprise (SLBE): a Local Business Enterprise that is also a Small Business Enterprise.

Women Business Enterprise (WBE): a certified business that is (1) at least fifty-one percent (51%) owned by a woman or women, or, in the case of a publicly owned business at least fifty-one percent (51%) of the stock is owned by one or more women; and (2) whose daily business operations are managed and directed by one or more women owners.

VII. Certifications.

The City accepts certifications of MBE, WBE, DBE or DVBE from the following certifying agencies:

Current certification by the State of California Department of Transportation (CALTRANS) as DBE.

Current MBE or WBE certification from the California Public Utilities Commission.

DVBE certification is received from the State of California's Department of General Services, Office of Small and Minority Business.

Current certification by the City of Los Angles as DBE, WBE or MBE.

Current certification by the U.S. Small Business Association as SDB, WOSB, SDVOSB, or Hubzone.

Subcontractors' valid proof of certification status e.g., copy of MBE, WBE, DBE, or DVBE certification must be submitted with RFP. MBE, WBE, DBE, or DVBE certifications are listed for informational purposes only.

VIII. List of Attachments.

- AA. Disclosure of Discrimination Complaints
- **BB.** Work Force Report
- CC. Subcontractors List

DISCLOSURE OF DISCRIMINATION COMPLAINTS

As part of its proposal, the Consultant must provide to the City a list of all instances within the past 10 years where a complaint was filed or pending against the Consultant in a legal or administrative proceeding alleging that Consultant discriminated against its employees, subcontractors, vendors or suppliers, and a description of the status or resolution of that complaint, including any remedial action taken.

| The undersigned certifies that within the past 10 years the Consultant has NOT been the subject of a complaint of |
|---|

pending action in a legal administrative proceeding alleging that Consultant discriminated against its employees, subcontractors, vendors or suppliers.

The undersigned certifies that within the past 10 years the Consultant has been the subject of a complaint or pending action in a legal administrative proceeding alleging that Consultant discriminated against its employees, subcontractors, vendors or suppliers. A description of the status or resolution of that complaint, including any remedial action taken and the applicable dates is as follows:

| DATE OF CLAIM | LOCATION | DESCRIPTION OF CLAIM | LITIGATION (Y/N) | STATUS | RESOLUTION/REM. EDIAL ACTION TAKEN |
|---------------|-------------------------|--|---------------------|---|------------------------------------|
| 8/2009 | Baldwin, GA | 2 EEOC charges - disability, gender, retaliation_ | N | EEOC issued a determination of no violation | None |
| 4/2009 | Acton, MA | EEOC charge - ADA | N | Withdrawn by former employee | None |
| 2012 | San Diego, CA | RMC, Woodard & Curran Inc.'s subsidiary, was involved in a dispute responding to a wrongful termination claim made by two former employees | Y | Resolved | Resolved through mediation |
| 2/2012 | Ashland, MA | MCAD charge - national origin | N | MCAD issued a finding of lack of probable cause | None |
| 12/2012 | North Fort Myers, FL | EEOC Charge - age_ | N | EEOC dismissed the claim | None |
| 12/2013 | Portland, ME | MHRC Charge - sex, age, retaliation | N | Resolved | None |
| 9/2015 | Hull, MA | MCAD Charge - ADA, age | N | MCAD issued a finding of lack of probable cause | None |

A. WORK FORCE REPORT

The objective of the Equal Employment Opportunity Outreach Program, San Diego Municipal Code Sections 22.3501 through 22.3517, is to ensure that contractors doing business with the City, or receiving funds from the City, do not engage in unlawful discriminatory employment practices prohibited by State and Federal law. Such employment practices include, but are not limited to unlawful discrimination in the following: employment, promotion or upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rate of pay or other forms of compensation, and selection for training, including apprenticeship. Contractors are required to provide a completed Work Force Report (WFR).

C. WORK FORCE REPORT

The objective of the Equal Employment Opportunity Outreach Program, San Diego Municipal Code Sections 22.3501 through 22.3517, is to ensure that contractors doing business with the City, or receiving funds from the City, do not engage in unlawful discriminatory employment practices prohibited by State and Federal law. Such employment practices include, but are not limited to unlawful discrimination in the following: employment, promotion or upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rate of pay or other forms of compensation, and selection for training, including apprenticeship. Contractors are required to provide a completed Work Force Report (WFR).

G. WORK FORCE REPORT

The objective of the Equal Employment Opportunity Outreach Program, San Diego Municipal Code Sections 22.3501 through 22.3517, is to ensure that contractors doing business with the City, or receiving funds from the City, do not engage in unlawful discriminatory employment practices prohibited by State and Federal law. Such employment practices include, but are not limited to unlawful discrimination in the following: employment, promotion or upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rate of pay or other forms of compensation, and selection for training, including apprenticeship. Contractors are required to provide a completed Work Force Report (WFR).

NO OTHER FORMS WILL BE ACCEPTED

Work Force Report

HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (American Indian or Alaska Native, Asian, Black or African-American, Native Hawaiian or Pacific Islander, White, and Other) for each occupation. Currently, our CLFA data is taken from the 2010 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report¹. By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county². If participation in a San Diego project is by work forces from San Diego County and, for example, from Los Angeles County and from Sacramento County, we ask for separate Work Force Reports representing your firm from each of the three counties.

MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report^{1,3}. In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.³

TYPES OF WORK FORCE REPORTS:

Please note, throughout the preceding text of this page, the superscript numbers one ¹, two ² & three ³. These numbers coincide with the types of work force report required in the example. See below:

- ¹ One San Diego County (or Most Local County) Work Force – Mandatory in most cases
- ² Branch Work Force *
- ³ Managing Office Work Force
- *Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county.

RACE/ETHNICY CATEGORIES

American Indian or Alaska Native — A person having origins in any of the peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment.

Asian – A person having origins in any of the peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American – A person having origins in any of the Black racial groups of Africa.

Native Hawaiian or Pacific Islander – A person having origins in any of the peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White – A person having origins in any of the peoples of Europe, the Middle East, or North Africa.

Hispanic or Latino – A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin.

SUBCONTRACTOR PARTICIPATION LIST

This list shall include the name and complete address of all Subcontractors who qualify as SLBEs or ELBEs. Consultants must also list participation by any MBE, WBE, DBE, DBVE and OBE firms. However, no additional points will be awarded for participation by these firms, except that DVBEs that are certified by the City as local businesses shall be counted as SLBEs.

Subcontractors shall be used in the percentages listed. **NOTE:** If percentages are listed as a range, the **minimum number identified** in the range will be used to calculate overall subcontractor participation.

No changes to this Participation List will be allowed without prior written City approval. The Consultant understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, or other sanctions.

INSTRUCTION SHEET FOR

DISCLOSURE DETERMINATION FOR CONSULTANT (Form CC-1671)

Use the "Disclosure Determination for Consultant" form (CC-1671) to report the disclosure requirement for any consultant hired to provide services to the City of San Diego or the boards, commissions and agencies that fall under the City of San Diego's jurisdiction.

2 California Code of Regulations defines a "consultant" as an individual who, pursuant to a contract with a state or local government agency, either makes a governmental decision or serves in a staff capacity with the state or local government agency and in that capacity participates in making a governmental decision.

The "Disclosure Determination for Consultant" form is completed for all consultants under contract with the City of San Diego or the boards, commissions and agencies that fall under the City of San Diego's jurisdiction. Please follow the step-by-step directions:

- 1. List the department, board, commission or agency requesting the consultant service.
- 2. List the consulting company. If known, also list the individual(s) who will be providing the consultant services.
- 3. List the mailing address.
- 4. List the e-mail address of individual(s) providing the consultant service.
- 5. Provide the date the individual(s) will start providing the consultant service.
- 6. List all duties/responsibilities the consultant will have. This list will enable you to determine the disclosure requirement for the consultant.
- 7. Determine the consultant's disclosure category. Your consultant should be required to disclose only those economic interests which could potentially create a conflict of interest as he/she performs his/her contractual obligations. For ideas about possible disclosure categories, review those in your department's, board's, commission's or agency's conflict of interest code, available at:

www.sandiego.gov/city-clerk/elections/eid/codes.shtml

Please fill out the entire "Disclosure Determination for Consultant" form, and have it signed by the appropriate authority. (Individuals with signing authority are described in your conflict of interest code as part of the disclosure requirement for Consultants.) Forward the original form to the City Clerk's Office, MS 2A.

CC-1671 (12/07)

DISCLOSURE DETERMINATION FOR CONSULTANT

*Must be signed by department director, agency president or other individual authorized by the

appropriate conflict of interest code regarding consultants. Department / Board / Commission / Agency 1. Name: City of San Diego Public Utilities Department 2. Name of Specific Consultant & Company: Woodard & Curran 10509 Vista Sorrento Parkway, Suite 205, San Address, City, State, ZIP Diego, CA 92121 3. 4. Project Title (as shown on 1472, "Request for Development of a Groundwater Sustainability Plan (GSP) for the San Pasqual Valley Council Action") Groundwater Basin 5. Consultant Duties for Project: Woodard & Curran will be responsible for developing the GSP in accordance with the California Code of Regulations and in compliance with all Sustainable Groundwater Management Act and California Department of Water Resources requirements. The GSP will meet all required elements identified in GSP Regulations and be completed in advance of the DWR submittal date of January 31, 2022. Disclosure Determination [select applicable disclosure requirement]: Consultant will not be "making a governmental decision" or "serving in a staff \boxtimes capacity." No disclosure required. - or -Consultant will be "making a governmental decision" or "serving in a staff capacity." \Box Consultant is required to file a Statement of Economic Interests with the City Clerk of the City of San Diego in a timely manner as required by law. [Select consultant's disclosure category.] Full: Disclosure is required pursuant to the broadest disclosure category in the \Box appropriate Conflict of Interest Code. - or -Limited: Disclosure is required to a limited extent. [List the specific economic interests the consultant is required to disclose.] By:

Once completed, with all questions answered and an authorized signature affixed, please forward the original form to

the City Clerk's Office, MS 2A. Keep a copy with the contract.

DEFINITION OF "CONSULTANT"

2 California Code of Regulations defines a "consultant" as an individual who, pursuant to a contract with a state or local government agency:

- (A) Makes a governmental decision whether to:
 - 1. Approve a rate, rule or regulation;
 - 2. Adopt or enforce a law;
 - Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement;
 - 4. Authorize the City to enter into, modify, or renew a contract provided it is the type of contract that requires City approval;
 - 5. Grant City approval to a contract that requires City approval and to which the City is a party, or to the specifications for such a contract:
 - 6. Grant City approval to a plan, design, report, study, or similar item;
 - 7. Adopt, or grant City approval of, policies, standards, or guidelines for the City, or for any subdivision thereof; or
- (B) Serves in a staff capacity with the City and in that capacity participates in making a governmental decision as defined in Regulation 18702.2 or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City's Conflict of Interest Code.

An individual "serves in a staff capacity" if he or she performs substantially all the same tasks that normally would be performed by staff member of a governmental entity. In most cases, individuals who work on only one project or a limited range of projects for an agency are not considered to be working in a "staff capacity." The length of the individual's service to the agency is relevant. Also, the tasks over the relevant period of time must be substantially the same as a position that is or should be specified in the City's conflict of interest code.

An individual "participates in making a governmental decision" if he or she: (1) negotiates, without substantive review, with a governmental entity or private person regarding the decision; or (2) advises or makes recommendations to the decision-maker, by conducting research or an investigation, preparing or presenting a report, analysis or opinion which requires the exercise of judgment on the part of the individual and the individual is attempting to influence the decision.

1/28/2006

CITY OF SAN DIEGO CONSULTANT PERFORMANCE EVALUATION

The purpose of this form is to evaluate the consultant's performance and will be retained by Public Works Contracts for five years to provide historical data to City staff when selecting consultants.

City of San Diego CONTRACTOR STANDARDS Pledge of Compliance

The City of San Diego has adopted a Contractor Standards Ordinance (CSO) codified in section 22.3004 of the San Diego Municipal Code (SDMC). The City of San Diego uses the criteria set forth in the CSO to determine whether a bidder or proposer has the capacity to fully perform the contract requirements and the business integrity to justify the award of public funds. This completed Contractor Standards Pledge of Compliance (Pledge of Compliance) signed under penalty of perjury must be submitted with each bid and proposal. If an informal solicitation process is used, the bidder must submit this completed Pledge of Compliance to the City prior to execution of the contract. All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, Respondents must provide responses on Attachment "A" to the Pledge of Compliance and sign each page. Failure to submit a signed and completed Pledge of Compliance may render the bid or proposal non-responsive. In the case of an informal solicitation, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted. A submitted Pledge of Compliance is a public record and information contained within will be available for public review except to the extent that such information is exempt from disclosure pursuant to applicable law.

Provide the name, identity, and precise nature of the interest* of all persons who are directly or indirectly involved** in this proposed transaction (SDMC § 21.0103). Use additional pages if necessary.

- * The precise nature of the interest includes:
 - the percentage ownership interest in a party to the transaction,
 - the percentage ownership interest in any firm, corporation, or partnership that will receive funds from the transaction,
 - the value of any financial interest in the transaction,
 - any contingent interest in the transaction and the value of such interest should the contingency be satisfied, and
 - any philanthropic, scientific, artistic, or property interest in the transaction.
- ** Directly or indirectly involved means pursuing the transaction by:
 - communicating or negotiating with City officers or employees,
 - submitting or preparing applications, bids, proposals or other documents for purposes of contracting with the City, or
 - directing or supervising the actions of persons engaged in the above activity.

Complete all questions and sign below.

Under penalty of perjury under the laws of the State of California, I certify that I have read and understand the questions contained in this Pledge of Compliance, that I am responsible for completeness and accuracy of the responses contained herein, and that all information provided is true, full and complete to the best of my knowledge and belief. I agree to provide written notice to the Purchasing Agent within five (5) business days if, at any time, I learn that any portion of this Pledge of Compliance requires an updated response. Failure to timely provide the Purchasing Agent with written notice is grounds for Contract termination.

I, on behalf of the firm, further certify that I and my firm will comply with the following provisions of SDMC section 22.3004:

- (a) I and my firm will comply with all applicable local, State and Federal laws, including health and safety, labor and employment, and licensing laws that affect the employees, worksite or performance of the contract.
- (b) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of receiving notice that a government agency has begun an investigation of me or my firm that may result in a finding that I or my firm is or was not in compliance with laws stated in paragraph (a).
- (c) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of a finding by a government agency or court of competent jurisdiction of a violation by the Contractor of laws stated in paragraph (a).
- (d) I and my firm will notify the Purchasing Agent in writing within fifteen (15) calendar days of becoming aware of an investigation or finding by a government agency or court of competent jurisdiction of a violation by a subcontractor of laws stated in paragraph (a).
- (e) I and my firm will cooperate fully with the City during any investigation and agree to respond to a request for information within ten (10) working days.

Failure to sign and submit this form with the bid/proposal shall make the bid/proposal non-responsive. In the case of an informal solicitation, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted.

City of San Diego

Stem 103 7/9/19 (R-2019-708)

RESOLUTION NUMBER R- 312551

DATE OF FINAL PASSAGE JUL 11 2019

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO AUTHORIZING AN AGREEMENT WITH WOODARD & CURRAN FOR PROFESSIONAL CONSULTING SERVICES FOR THE DEVELOPMENT OF THE GROUNDWATER SUSTAINABILITY PLAN (GSP) FOR THE SAN PASQUAL VALLEY GROUNDWATER BASIN (BASIN).

WHEREAS, in 2014, the California Legislature and the Governor passed into law the Sustainable Groundwater Management Act (SGMA), which provides a new framework for best management of groundwater resources in California which implementation of SGMA is achieved through the formation of Groundwater Sustainability Agencies (GSAs) and through their subsequent preparation and implementation of GSPs and the Basin is a medium priority basin as designated by the State of California (State) and must comply with SGMA requirements within the established timeframes; and

WHEREAS, on October 25, 2016, the San Diego City Council (Council) held a public hearing and approved Resolution (R-310746) to become a GSA for the Basin and on June 27, 2017, the Council held a public hearing and approved Resolution (R-311212) to approve the Memorandum of Understanding (MOU) between the City of San Diego (City) and the County of San Diego (County) for the Basin which the MOU memorializes each agency's role and responsibility for developing the GSP by January 31, 2022; and

WHEREAS, the City is also adopting a resolution authorizing the City to enter into a

Cost Sharing Agreement with the County to develop the GSP for the Basin and this Cost Sharing

Agreement is being authorized under a separate companion action; and

WHEREAS, Woodard & Curran will be responsible for developing the GSP in accordance with the California Code of Regulations and in compliance with all SGMA and California Department of Water Resources (DWR) requirements which the GSP will meet all required elements identified in GSP Regulations and be completed in advance of the DWR submittal date of January 31, 2022; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

- That the Mayor, or his designee, is authorized to execute an agreement with 1. Woodard & Curran for the development of a Groundwater Sustainability Plan for the San Pasqual Valley Groundwater Basin in an amount not to exceed \$1,477,288 for a duration of three (3) years, under the terms and conditions set forth in the Agreement on file with the City Clerk as Document No. RR-312551
- That the Chief Financial Officer is authorized to expend an amount not to exceed 2. \$1,477,288 from the Water Utility Operating Fund No. 700011 for the development of the Groundwater Sustainability Plan for the San Pasqual Valley Groundwater Basin, contingent upon adoption of the Annual Appropriation Ordinance for the applicable fiscal year, and contingent upon the Chief Financial Officer furnishing one or more certificates certifying that the funds necessary for expenditure are, or will be, on deposit with the City Treasury.
