

How-To Color Eggshells

by Amira El-Khaouli

Recipes:

1. To use any dye:
 - Mix a dash of vinegar with a dash of dye, not to exceed a tablespoon
 - Add water
 - Drop in egg
2. To paint Designs:
 - Draw on shell with wax or crayons
 - Then use brushes or sponges to add the background color
3. With kits:
 - Remember that you can mix colors to get new colors
4. To make confetti eggs:
 - Use an egg topper tool for accuracy
 - Break a small amount off the tip of the eggshell
 - Fill with confetti
 - Glue tissue paper to cover the hole
5. To strengthen eggs or shells:
 - Wash with bleach, soap, and water
6. For mosaics
 - Find mixed media (paper scraps, etc.)
 - Place shells on a background like a puzzle
 - Seal with glue
