

How-To Make Paper Beads

by Michelle Reents

Supplies:

- paper template
- paper
- glue stick
- skewer/pencil/straw
- mod podge
- q-tip or paint brush
- scissors

Directions:

- Cut your paper, using the template you prefer
- Glue the length of the paper using glue stick
- Roll your paper on the skewer, wide edge to narrow WITH GLUE SIDE AWAY FROM SKEWER
- Repeat until you have a full skewer of beads
- Mod podge the beads and set them aside to dry
- Remove from skewer

Have fun using your hand-made beads!
