

How to save your proposed district map or community of interest.

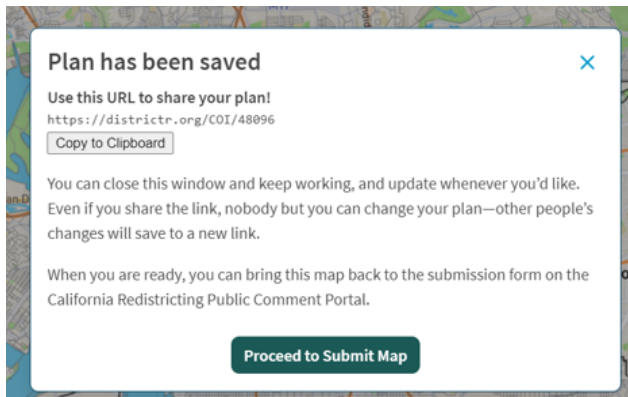

Once you are done working on your map, you have the ability to SAVE the map to continue to work on it at a later time. This allows you to make changes, edits, tweaks to your map BEFORE you submit.

To SAVE a map – go to the upper right hand corner of your screen and click SAVE

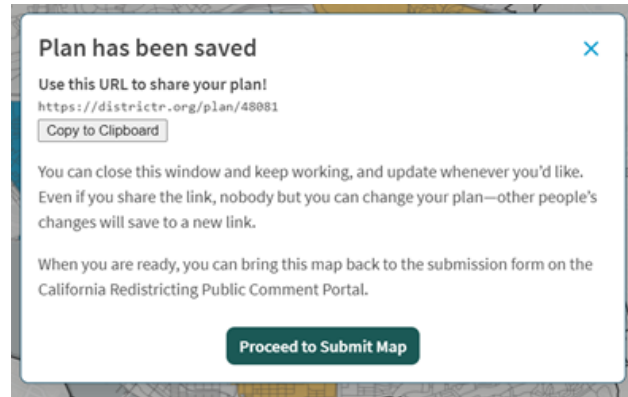

Depending on the type of map, you will receive a message that says:

COI Map Saving

District Plan Saving

At this point – SAVE the <https://districtr.org/COI/XXXXX> or <https://districtr.org/plan/XXXXX>. Save the link as a Bookmark in your browser so you can return to it, or copy and paste it into a document. You can also SHARE the link with other members of your community.

Once you are ready to submit – please hit the “Proceed to Submit Map” button and follow the directions.
