ORDINANCE NO. 130.

An Ordinance granting a wharf franchise in the city of San Diego to J. D. Spreckles.

AN APPLICATION HAVING BEEN MADE to the Trustees of the city of San Diego, county of San Diego, State of California, by J. D. Spreckles, hereinafter called the applicant, for a franchise giving him and his associates, and assigns, the right to construct and maintain a wharf upon the water front of said city, at the place, and in the manner, and upon the conditions set forth in said application, filed on the 13th day of August, A. D. 1887, with the Clerk of said Board; and it appearing to said Board that the petition of the applicant is in due form and substance, and was filed as required by law, together with the plan of the wharf proposed to be constructed, and the lands within 300 feet thereof, with a map of all waters, and the name and locality thereof with the adjoining lands; and due proof having been made to the Board of the publication and posting of the notice of this his application, and the Board being fully satisfied that said notice is good and sufficient, and has been published and posted as required by law, and having fully heard and considered the allegations of said applicant and the proofs in support thereof, and it appearing therefrom that the public good will be promoted by granting said application, now, the Board of

Trustees, of the city of San Diego, do ordain as follows:

SECTION 1. That the said applicant, J. D. Spreckles, and his associates and assigns, shall have, and they are hereby granted the right and authority to construct and maintain a wharf at and in the location hereinafter described, together with the right to collect and take toll for the use of the same for the period of twenty years from the date of the passage of this ordinance.

SEC. 2. The said wharf shall be constructed on land adjacent to and submerged by that piece of navigable water known as the bay of San Diego, in the county aforesaid, and located as follows: Commencing at the northwest corner of the intersection of Fourth and Atlantic streets in that portion of said city known as New San Diego, according to the map of said New San Diego made by Gray & Johns, and on file in the office of the County Recorder of said county, (said Fourth street being also known as G street), and running thence west along said Fourth or G street 715 feet; thence south 58 degrees 40 minutes west 814 feet; thence north 68 degrees 10 minutes west 458 feet; thence south 23 degrees 50 minutes west 75 feet; thence south 66 degrees 40 minutes east 500 feet; thence north 58 degrees 40 minutes east 867 feet; thence east 636 feet to west line of Atlantic street; thence north 50 feet to the place of beginning.

SEC. 3. That said applicant shall have and he is hereby granted the right of way and all necessary uses for the purposes of said wharf, of all overflowed, submerged or tide lands in the location above described, belonging to the State of California, and which comprises 24,550 square feet, or

thereabouts, together with the right to have, unincumbered and unobstructed, the land and water on each side of said wharf, from high water mark to navigable waters, a distance of 150 feet, for convenience in landing, loading and unloading vessels, but for no other purpose.

SEC. 4. That the said wharf shall be constructed of redwood and Oregon pine, or of iron, concrete and redwood and Oregon pine, in a substantial and workmanlike manner, and to the satisfaction of this Board of Trustees.

SEC. 5. That said applicant shall commence the construction of said wharf within four months from the passage of said ordinance, and fully complete the same within one year thereafter.

SEC. 6. That said wharf shall not extend (anything contained herein to the contrary notwithstanding) into the waters of said bay so far as to obstruct the free navigation of the same.

SEC. 7. That the Clerk of this Board shall make a proper record of this ordinance and cause the same to be published for the time and in the manner required by law.

ORDINANCE NO. 131.

An ordinance fixing the time for holding a special election to submit to the qualified voters of the city of San Diego, California, the question of incurring an indebtedness of \$80,000 for school purposes.

THE BOARD OF TRUSTEES OF THE CITY of San Diego do ordain as follows:

SECTION 1. That the Board of Trustees of the City of San Diego, California, did on the 23 day of September, 1887, duly pass an ordinance in the words and figures as follows:

Ordinance No. 118. An ordinance declaring the necessity of acquiring certain real estate and constructing certain buildings for school purposes in the City of San Diego, California.

The Board of Trustees of the City of San Diego do ordain as follows:

SECTION 1. That the public interest and necessity demands the acquisition of certain real estate in the City of San Diego, county of San Diego, State of California, described as follows:

The south half of block 36, in Middletown, according to the Jackson map thereof; also lot 10, in block 16, Sherman's addition; also lots 1, 2 and 3, in block 65, Sherman's addition.

And the construction of permanent municipal buildings as follows:

One on the south half of block 36, in Middletown, in said city; one on lots 1, 2 and 3, in block 65, Sherman's addition to said city; also, one on south half of block 8, in Horton's addition to said city; also one on the public school grounds in southwest corner of the City Park; also one in Mission valley; also for completion of building on lots 10, 11 and 12, in block 16, Sherman's addition, and necessary fixtures for said buildings; said buildings, fixtures and real estate to be used for school purposes, the cost of which is too great to be paid for out of the ordinary annual income and the revenue of said mu-

nicipality. The estimated cost of the same is as follows:

Table listing items and costs: The south half of block 36, Middletown, in said city \$6,000; Lot 10 in block 16, in said Sherman's addition 2,500; Lots 1, 2 and 3, in block 65 of said Sherman's addition 3,000; Building on south half of block 36, in said Middletown 15,000; Building on lots 1, 2 and 3, in block 65, Sherman's addition 15,000; Building on south half of block 8, in said Horton's addition 25,000; Building on public school grounds in southwest corner of City Park 2,000; Building in Mission valley 1,000; Completion of building on lots 10, 11 and 12, in block 16, Sherman's addition 1,500; For fixtures for said buildings 9,000; Total cost \$80,000

The necessity for the same is to accommodate and furnish places in which to educate children residing in said city who cannot be accommodated or educated in the buildings now owned, controlled or occupied by said city for school or other purposes.

SECTION 2. This ordinance shall take effect and be in force from and after its passage and publication as required by law, and the Clerk of this Board is directed to cause the same to be published in THE SAN DIEGO UNION, a daily newspaper, printed and published in said city, for two weeks.

Passed, approved, adopted, and ordered published by the Board of Trustees of the City of San Diego, Cal., this 23 day of September, A. D. 1887, by the following vote: Trustee McRae, yea; Trustee Woolman, yea; Trustee Valle, yea; Trustee Julian, yea; Trustee Hamilton, yea.

[Seal] M. D. HAMILTON, President of the Board of Trustees.

Attest: J. A. THOMAS, City Clerk and Clerk of said Board.

And said ordinance (No. 118) was published for two weeks immediately after its passage in THE SAN DIEGO UNION, a daily newspaper printed and published in said city.

SEC. 2. That there is hereby called a special election in said city of San Diego to be held on the 24th day of October, 1887, at which there shall be submitted to the qualified voters of said city the proposition of said city incurring a debt for the object and purpose of permanent municipal improvement as follows:

School purpose, viz.: The acquisition of certain real estate in the city of San Diego, county of San Diego, State of California, described as follows:

The south half of block 36, in Middletown, according to the Jackson map thereof; also lot 10, in block 16, Sherman's addition; also lots 1, 2 and 3, in block 65, Sherman's addition.

And the construction of permanent municipal buildings as follows:

One on the south half of block 36, in Middletown, in said city; one on lots 1, 2 and 3, in block 65, Sherman's addition to said city; also, one on south half of block 8, in Horton's addition to said city; also one on the public school grounds in southwest corner of the City Park; also one in Mission valley; also for completion of building on lots 10, 11 and 12, in block 16, Sherman's addition, and necessary fixtures for said buildings; said buildings, fixtures and real estate to be used for school purposes, the cost of which is too great to be paid for out of the ordinary annual income and the revenue of said municipality. The estimated cost of the same is as follows:

Table listing items and costs: The south half of block 36, Middletown, in said city \$6,000; Lot 10 in block 16, in said Sherman's addition 2,500; Lots 1, 2 and 3, in block 65 of said Sherman's addition 3,000; Building on south half of block 36, in said Middletown 15,000; Building on lots 1, 2 and 3, in block 65, Sherman's addition 15,000; Building on south half of block 8, in said Horton's addition 25,000; Building on public school grounds in southwest corner of City Park 2,000; Building in Mission valley 1,000; Completion of building on lots 10, 11 and 12, in block 16, Sherman's addition 1,500; For fixtures for said buildings 9,000; Total cost \$80,000

The necessity for the same is to accommodate and furnish places in which to educate children residing in said city who cannot be accommodated or educated in the buildings now owned, controlled or occupied by said city for school or other purposes, and no other question shall be submitted at such election; that bonds of the said city of San Diego shall issue for the payment of the cost of said improvement, if the said proposition be accepted by the qualified voters of said city; there shall be eighty of such bonds of a \$1,000 each issued payable on or before twenty years from their date, as follows:

One-twentieth part of the whole amount of indebtedness each and every year, together with the interest thereon and bearing interest at the rate of five per cent per annum, and it will be necessary to raise the sum of \$6,419.42 each year to pay said bonds and interest within twenty years from their date.

The said election shall be held in the manner provided by the laws of the State of California (applicable thereto), and the ordinances of said city. It shall require a vote of two-thirds of all voters, voting at said election, to authorize the issuance of the bonds herein specified.

Sec. 3. That every ballot in favor of incurring said indebtedness shall have the words "Indebtedness Yes" printed or written thereon, and every ballot against incurring said indebtedness shall have the words "Indebtedness No" written or printed thereon.

Sec. 4. This ordinance shall take effect and be in force from and after its passage and publication as required by law.

Sec. 5. The City Clerk is hereby directed to cause this ordinance to be published for ten days in THE SAN DIEGO DAILY UNION and the San Diego Daily Bee, two daily newspapers published and printed in said city.

Said Ordinance being in words and figures as follows, to-wit:

ORDINANCE NO. 132.

An Ordinance granting the right to construct and maintain a street railroad in the city of San Diego to Wm. H. Carlson and Frank J. Higgins, being from Roseville to Ocean Beach.

AN APPLICATION HAVING BEEN MADE to the Board of Trustees of the city of San Diego, State of California, by Wm. H. Carlson and Frank J. Higgins, for a franchise, giving them the right to construct and maintain a street railroad along and on certain streets of the city of San Diego; and it appearing that the public good and convenience will be promoted by granting to said parties the rights as prayed for; now, therefore, the Board of Trustees of the city of San Diego do ordain as follows: That there is hereby granted to Wm. H. Carlson and Frank J. Higgins the right to construct and maintain a street railroad within the city of San Diego, commencing at the intersection of the water front of bay of San Diego by Twelfth street of Roseville in said city; thence northerly along Twelfth street to Front street; thence easterly along Front street to Thirteenth street; thence northerly along Thirteenth street to Willow street; thence easterly along Willow street to Fourteenth street; thence northerly along Fourteenth street of Roseville to pueblo lot 200; thence northwesterly through pueblo lots Nos. 200, 201, 206 and 205, respectively, by the most practical and available route to a point where Third street of Ocean Beach intersects the south line of pueblo lot No. 205; thence southwesterly along Third street to Cape May avenue; thence northwesterly along Cape May avenue to Second street of Ocean Beach; thence southwesterly along second street to Del Monte avenue; thence southeasterly along Del Monte avenue to Fourth street of Ocean Beach; thence southwesterly along Fourth street to a point intersecting the north line of pueblo lot No. 192.

This franchise being granted to the said Wm H. Carlson and Frank J. Higgins upon the following terms and conditions, to-wit:

1. Said road shall be constructed throughout the entire length in the center of the streets along or over which it passes, or as near thereto as practicable; provided, that the Board of Trustees may at any time order and require any changes to

be made in the line of said road where switches and turnouts are located.

2. Said road shall be constructed with such a rail as shall be previously approved by the Board of Trustees, and in such a manner as to cause the least possible obstruction to the use of said streets.

3. Said grantees or their assigns shall plank, pave or macadamize the entire length of said route between the rails, and for two feet on each side thereof, to correspond with said streets when the same shall be paved or macadamized, and shall keep the same constantly in good repair, flush with the grade of the streets, or the natural surface of the streets between the rails, and for two feet on each side thereof, whether said streets are paved or macadamized or not, and provided with good crossings for all kinds of vehicles, and with all necessary and proper flumes and culverts for the free and uninterrupted passage of water under said track. The track shall be four feet eight and one-half inches between the rails, and there shall be a space between the main tracks and side tracks, turnouts and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized side track shall be girded by a plank on each side of the rails, (not less than eight inches wide, and which shall be grooved and fitted closely to the rail and must not be more than three-fourths of an inch below the top of the rail), at crossings, and when the Board of Trustees so order the same shall be girded by a plank on each side of the rails the full length of said road.

4. The laying of said track and all side tracks, switches or turnouts shall conform in all cases, where the grade of any said streets has been established and such street graded, to such grade; and in all other cases as near to the natural grade of said streets as practicable, and when at any time any part of the route shall be graded, or the grade thereof changed or altered by the Board of Trustees, the bed of the road and the tracks thereof shall be made to conform therewith.

Provided, That no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the cost of the holder of this franchise, whenever so ordered by the Board of Trustees.

5. Said road shall be constructed under the direction and supervision of the City Engineer, who shall, under the direction of the Board of Trustees, designate the rate of curves to be used in surveying the line of the road from one street to another, where it is necessary to change the di-

rection or sidings or switches, and shall give the established grade of the streets along the line. And for the services of the City Engineer he shall receive such fees as are customary for such services, and the same shall be paid by the holders of this franchise.

6. The rate of fare along said road shall at no time exceed five cents for one passenger.

7. The owners of said road shall pay to the city of San Diego such license for each car as may be required by any ordinance of said city.

8. Said road shall be commenced within one day and completed from Roseville to Newport avenue and Second street of Ocean Beach within six months, and any portion of the road not fully completed, equipped, stocked and in running order within one year after the passage and publication of this ordinance, will have created a forfeiture of the rights and privileges granted by this ordinance so far as the uncompleted portion is concerned.

9. The rights hereby granted are to continue for a term of thirty years from and after the adoption of this ordinance.

The city in granting this franchise expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair all or either of said streets or any part thereof, or to lay down, or to permit any other person or company to lay down pipes for water, gas or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and reshift their roadbed and rails so as to avoid obstructions made thereby.

Any failure of said grantee or its assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions hereof, is hereby made unlawful, and for such failure and for any such failure or other violation of any of the requirements or conditions of this ordinance said grantees shall pay to the city of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of said city.

The said road to be operated by steam or any other power allowed by law, or that may be.

The use of steam may be prohibited by said Board of Trustees at any time.

Passed, approved, adopted and ordered published by the Board of Trustees of the city of San Diego, this 22d day of September, 1887, by the following vote: Trustee Valle, yea; Trustee Julian, yea; Trustee Woolman, yea; Trustee McKee, yea; Trustee Hamilton, absent.

3. Said grantees or their assigns shall plank, pave or macadamize the entire length of said route between the rails and for two feet on each side thereof, to correspond with said streets when the same shall be paved or macadamized, and shall keep the same constantly in good repair, flush with the grade of the streets, or the natural surface of the streets between the rails, and for two feet on each side thereof, whether said streets are paved or macadamized or not, and provided with good crossings for all kinds of vehicles, and with all necessary and proper flumes and culverts for the free and uninterrupted passage of water under said track. The track shall be four feet eight and one-half inches between the rails, and there shall be a space between the main tracks and side tracks, turn-outs and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized said track shall be girded by a plank on each side of the rails (not less than eight inches wide, and which shall be grooved and fitted closely to the rail and must not be more than three-fourths of an inch below the top of the rail) at crossings, and when the Board of Trustees shall so order the same shall be girded by a plank on each side of the rails the full length of said road.

4. The laying of said track and all side-tracks, switches or turnouts shall conform in all cases, where the grade of any said streets has been established and such street graded, to such grade, and in all other cases as near to the natural grade of said streets as practicable, and when at any time any part of the route shall be graded, or the grade thereof changed or altered by the Board of Trustees, the bed of the road and the tracks thereof shall be made to conform therewith.

Provided, That no switch shall be constructed or maintained within fifty feet of any cross-street, and the location of such switches and turnouts shall be changed at the cost of the holders of this franchise, whenever so ordered by the Board of Trustees.

5. Said road shall be constructed under the direction and supervision of the City Engineer, who shall, under the direction of the Board of

Trustees, designate the rate of curves to be used in surveying the lines of the road from one street to another, where it is necessary to change the direction of sidings or switches, and shall give the established grade of the streets along the line.

And for the services of the City Engineer, he shall receive such fees as are customary for such services, and the same shall be paid by the holders of this franchise.

6. The rate of fare along said road shall at no time exceed five cents for one passenger.

7. The owners of said road shall pay to the city of San Diego such license for each car as may be required by any ordinance of said city.

8. Said road shall be commenced within thirty days, and any portion of the road not fully completed, equipped, stocked and in running order within one year after the passage and publication of this ordinance, will have created a forfeiture of the rights and privileges granted by this ordinance so far as the uncompleted portion is concerned.

9. The rights hereby granted are to continue for a term of thirty years from and after the adoption of this ordinance.

The city in granting this franchise expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair all or either of said streets or any part thereof, or to lay down or to permit any other person or company to lay down pipes for water, gas or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and reshift their roadbed and rails so as to avoid obstructions made thereby.

Any failure of said grantees or its assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions hereof, is hereby made unlawful, and for such failure or for any such failure or other violation of any of the requirements or conditions of this ordinance said grantees shall pay to the city of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of said city.

The said road to be operated by steam or any other power allowed by law, or that may be.

The use of steam may be prohibited by said Board of Trustees at any time.

Passed, approved, adopted and ordered published by the Board of Trustees of the City of San Diego, this 22d day of September, 1887, by the following vote: Trustee McKee, yea; Trustee Valle, yea; Trustee Julian, yea; Trustee Woolman, yea; Trustee Hamilton, absent.

ORDINANCE NO. 137.

An ordinance granting the right to construct, operate and maintain a railroad in the city of San Diego to the San Diego and Pacific Beach Railway Company.

AN APPLICATION HAVING BEEN MADE to the Board of Trustees of the city of San Diego, State of California, by the San Diego and Pacific Beach Railway Company, a corporation duly organized, existing and doing business under the general laws of the State of California, for a franchise, giving it the right to construct, operate and maintain a railroad along certain streets and across certain lots and blocks in the said city of San Diego; and it appearing that the public good and convenience will be promoted by granting to said party the rights as prayed for; now therefore, the Board of Trustees of the city of San Diego do ordain as follows: That there is hereby granted to the said San Diego and Pacific Beach Railway Company the right to construct, operate and maintain a railroad within the city of San Diego, commencing at the Old Town terminus of the San Diego and Old Town Street Railway on Washington Square in said Old Town, and running thence in a northwesterly direction diagonally across said square to Calhoun avenue in said Old San Diego, thence in the same direction over and upon said Calhoun avenue to block No. 378 in Old Town; thence run the line of said avenue along block 378, thence across Gaines street, block 365, Riley street, block 346, Greenwood street to pueblo lot No. 305; thence northwesterly across pueblo lots 305, 281, 282, 272, 262, 256, 255, 1,192, 1,193 and 1,208 of said pueblo of San Diego according to Pascoe's map thereof; thence turning and running westerly to a point on the Pacific Ocean Beach on pueblo lot No. 1,793; and the further right to use steam upon said road as a motive power to transport passengers and freight; the Board of Trustees reserves the right to prohibit the use of steam as a motive power on said road or any part thereof, at any time.

The franchise is granted to the said San Diego and Pacific Beach Railway Company upon the following terms and conditions, to-wit:

1. Said road shall be constructed throughout the entire length in the center of the streets along or over which it passes, or as near thereto as practicable; provided that the Board of Trustees may at any time order and require any

changes to be made in the line of said road where switches and turnouts are located.

2. Said road shall be constructed with such a rail as shall be previously approved by the Board of Trustees, and in such a manner as to cause the least possible obstruction to the use of said streets.

3. Whenever said road passes on or over any streets in the city of San Diego, said grantee or its assigns shall plank, pave or macadamize the entire length of said route between the rails and for two feet on each side thereof, to correspond with said streets when the same shall be paved or macadamized, and shall keep the same constantly in good repair, flush with the grade of the streets, or the natural surface of the streets between the rails, and for two feet on each side thereof, whether said streets are paved or macadamized or not, and provided with good crossings for all kinds of vehicles, and with all necessary and proper flumes and culverts for the free and uninterrupted passage of water under said track. The track shall be four feet eight and one-half inches between the rails, and there shall be a space between the main tracks and side tracks, turn-outs and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized said track shall be girded by a plank on each side of the rails, not less than eight inches wide, and which shall be grooved and fitted closely to the rail and must not be more than three-fourths of an inch below the top of the rail.

4. The laying of said track and all side-tracks, switches or turnouts shall conform in all cases, where the grade of any said streets has been established and such street graded, to such grade, and in all other cases as near to the natural grade of said streets as practicable, and when at any time any part of the route shall be graded, or the grade thereof changed or altered by the Board of Trustees, the bed of the road and the tracks thereof shall be made to conform therewith.

Provided, That no switch shall be constructed or maintained within fifty feet of any cross-street, and the location of such switches and turnouts shall be changed at the cost of the holders of this franchise, whenever so ordered by the Board of Trustees.

5. Said road shall be constructed under the direction and supervision of the City Engineer, who shall, under the direction of the Board of Trustees, designate the rate of curves to be used in surveying the lines of the road from one street to another, where it is necessary to change the direction of sidings or switches, and shall give the established grade of the streets along the line, and on the construction of said road shall set

grade stakes along the line, indicating the grade of said street, and shall have general supervision of the construction and future maintenance of the road, and to see that the same is constructed and maintained in conformity to the terms and requirements of this ordinance. And for the services of the City Engineer, as herein required, he shall receive such fees as are customary for such services, and the same shall be paid by the holder of this franchise.

6. The rate of fare along said road shall at no time exceed five cents for one passenger for any distance less than three miles, and shall at no time exceed fifteen cents for one passenger for any greater distance.

7. The owners of said road shall pay to the city of San Diego such license for each car as may be required by any ordinance of said city.

8. Said road shall be commenced within three months, and fully completed, equipped, stocked and in running order within one year after the passage and publication of this ordinance, and the failure to comply with the terms of this condition shall work a forfeiture of all rights and privileges granted by this ordinance.

9. The rights hereby granted are to continue for a term of thirty years from and after the adoption of this ordinance.

The city in granting this franchise expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair all or either of said streets or any part thereof, or to lay down or to permit any other person or company to lay down pipes for water, gas or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and reshift their roadbed and rails so as to avoid obstructions made thereby.

Any failure of said grantee or its assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions hereof, is hereby made unlawful, and for such failure or for any such failure or other violation of any of the requirements or conditions of this ordinance said grantee shall pay to the city of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of said city.

Passed, approved, adopted and ordered published by the Board of Trustees of the City of San Diego, this 24th day of September, 1887, by the following vote: Trustee Julian, yea; Trustee Valle, yea; Trustee Woolman, yea; Trustee McKee, yea; Trustee Hamilton, absent.

Castle, for a franchise to construct and maintain a street railroad within the City of San Diego, commencing at the intersection of the South line of the City Park with the centre of the North end of Eighteenth Street; thence in a north-easterly direction through the City Park up what is known as Switzer Canon to the East line of said Park; thence north-easterly across the N.W. quarter of Pueblo Lot 1138 and the S.E. quarter of Pueblo Lot 1128 and over and across Pueblo Lot 1350 to the East Line thereof. The said road to be operated by steam or any other power allowed by law, or that may be &c, also a drafted Ordinance granting the franchise petitioned for. Said petition and Ordinance are read and on motion referred and submitted to the City Attorney.

Mr Henderson appears before the Board and make application in behalf of John P. Sheldon for a Wharf Franchise, extending into the Bay of San Diego, at the foot of 7th street in the City of San Diego, in accordance with the petition with maps attached, showing the location and plans of said wharf. Said petition is read and on motion referred to the Harbor and Wharf Committee and submitted to the City Attorney. The affidavit of H. L. Vestal, principal Clerk of the San Diego Sun, a newspaper printed and published in the County of San Diego, showing that a notice, that John P. Sheldon would make application to the Board of Trustees of the City of San Diego, for the authority to construct a wharf and pier near the foot of 7th street in said City &c, at this time and place, and that said notice had been published in said paper at least four weeks, commencing on the 27th day of Aug, 1887, and ending on the 28th day of Sept, 1887, is read and ordered filed, also the affidavit of E. H. James, is read, showing that true copies of said notice had been posted in three public places within the said city, on the 27th day of August, 1887. said affidavit is ordered filed. The Clerk presents and reads a drafted Ordinance granting the Wharf Franchise applied for by the said John P. Sheldon, which on motion is referred to the Harbor and Wharf Committee and submitted to the City Attorney.

Mr H. L. Pierce appears before the Board and presents a petition, in behalf of the Electric Rapid Transit Street Car Co, for a franchise to permit it to construct its Street railway from the present terminus of this Company's present franchise on 5th street in the City of San Diego, northerly along said 5th street and the public highway, which is a continuation of said 5th street into, or to the most practicable approach to, Pueblo Lot 1117, thence as designated in Ordinance No. 92, heretofore granted to said petitioner, which is read and referred to the Street Committee and submitted to the City Attorney, also a drafted Ordinance granting the franchise petitioned for by the said Electric Rapid Transit Street Car Co, which is also read and referred to the Street Committee and

submitted to the City Attorney.

The affidavit of Jas. P. Wiseman, Business Manager of "The San Diego Union," a newspaper printed and published in the city of San Diego, showing that Ordinance No. 131. of the City of San Diego, entitled "An Ordinance fixing the time for holding a special election to submit to the qualified voters of the City of San Diego, California, the question of incurring an indebtedness of \$80,000. for school purposes," was published in said newspaper from the 23rd day of September, ¹⁸⁸⁷ to the 1st day of October 1887, both dates inclusive, in the regular and entire issue of every number of the paper during the period and times of publication; Sundays excepted, and that said Ordinance was published in the newspaper proper, and not in a supplement, is read. Also the affidavit of C. W. Fowler, who is book keeper of the printer and the San Diego Daily Bee, ^{Printed and published in the City of San Diego, Calif.} showing that said Ordinance No. 131. was published in said newspaper for ten days between the 23rd day of Sept, 1887. and the 2nd day of Oct, 1887, both dates inclusive and every day between. On motion it is ordered that due proof has been made of the publication of said Ordinance No. 131. as required by law. The City Attorney thereupon presents and reads the following Ordinance, which on motion of Trustee Woolman, seconded by Trustee Valle is passed approved, adopted and ordered published by the following vote: Trustee Valle yea; Trustee Woolman yea; Trustee Julian yea; Trustee M' Rae yea; Trustee Hamilton absent. Said Ordinance being in

words and figures as follows, to wit:

ORDINANCE NO. 139.

THE BOARD OF TRUSTEES OF THE CITY OF SAN DIEGO do ordain as follows: That, Whereas, the Board of Trustees of the City of San Diego, California, did on the 3d day of September, 1887, duly pass and adopt "Ordinance No. 118," hereinafter set out, and the same was published for two weeks immediately thereafter in THE SAN DIEGO UNION, a daily newspaper printed and published in said city, and, whereas, the said Board of Trustees of the city of San Diego, California, did on the 22d day of September, 1887, duly pass and adopt an ordinance in the words and figures as follows: Ordinance No. 131.—An ordinance fixing the time for holding a special election to submit to the qualified voters of the city of San Diego, California, the question of incurring an indebtedness of \$80,000 for school purposes.

The Board of Trustees of the city of San Diego do ordain as follows: SECTION 1. That the Board of Trustees of the city of San Diego, California, did on the 3d day of September, 1887, duly pass an ordinance in the words and figures as follows: Ordinance No. 118. An ordinance declaring the necessity of acquiring certain real estate and constructing certain buildings for school purposes in the City of San Diego, California. The Board of Trustees of the city of San Diego do ordain as follows: SECTION 1. That the public interest and necessity demands the acquisition of certain real estate in the city of San Diego, county of San Diego, State of California, described as follows: The south half of block 36, in Middletown, according to the Jackson map thereof; also lot 10, in block 16, Sherman's addition; also lots 1, 2 and 3, in block 65, Sherman's addition.

And the construction of permanent municipal buildings as follows: One on the south half of block 36, in Middletown, in said city; one on lots 1, 2 and 3, in block 65, Sherman's addition to said city; also, one on south half of block 8, in Horton's addition to said city; also one on the public school grounds in southwest corner of the City Park; also one in Mission valley; also for completion of building on lots 10, 11 and 12, in block 16, Sherman's addition, and necessary fixtures for said buildings; said buildings, fixtures and real estate to be used for school purposes, the cost of which is too great to be paid for out of the ordinary annual income and the revenue of said municipality. The estimated cost of the same is as follows:

Table listing construction costs: The south half of block 36, Middletown, in said city... \$ 6,000; Lot 10 in block 16, in said Sherman's addition... 2,500; Lots 1, 2 and 3, in block 65 of said Sherman's addition... 3,000; Building on south half of block 36, in said Middletown... 15,000; Building on lots 1, 2 and 3, in block 65, Sherman's addition... 15,000; Building on south half of block 8, in said Horton's addition... 25,000; Building on public school grounds in southwest corner of City Park... 2,000; Building in Mission valley... 1,000; Completion of building on lots 10, 11 and 12, in block 16, Sherman's addition... 1,500; For fixtures for said buildings... 9,000. Total cost... \$80,000.

The necessity for the same is to accommodate and furnish places in which to educate children residing in said city who cannot be accommodated or educated in the buildings now owned, controlled or occupied by said city for school or other purposes.

Section 2. This ordinance shall take effect and be in force from and after its passage and publication as required by law, and the Clerk of this Board is directed to cause the same to be published in THE SAN DIEGO UNION, a daily newspaper, printed and published in said city, for two weeks.

Passed, approved, adopted, and ordered published by the Board of Trustees of the city of San Diego, Cal., this 3d day of September, A. D. 1887, by the following vote: Trustee McKee, yea; Trustee Woolman, yea; Trustee Valle, yea; Trustee Julian, yea; Trustee Hamilton, yea.

M. D. HAMILTON, President of the Board of Trustees. Attest: J. A. THOMAS, City Clerk and Clerk of said Board.

And said ordinance (No. 118) was published for two weeks immediately after its passage in THE SAN DIEGO UNION, a daily newspaper printed and published in said city.

Sec. 2. That there is hereby called a special election in said city of San Diego to be held on the 24th day of October, 1887, at which there shall be submitted to the qualified voters of said city the proposition of said city incurring a debt for the object and purpose of permanent municipal improvement as follows:

School purpose, viz.: The acquisition of certain real estate in the city of San Diego, county of San Diego, State of California, described as follows:

The south half of block 36, in Middletown, according to the Jackson map thereof; also lot 10, in block 16, Sherman's addition; also lots 1, 2 and 3, in block 65, Sherman's addition.

And the construction of permanent municipal buildings as follows:

One on the south half of block 36, in Middletown, in said city; one on lots 1, 2 and 3, in block 65, Sherman's addition to said city; also, one on south half of block 8, in Horton's addition to said city; also one on the public school grounds in southwest corner of the City Park; also one in Mission valley; also for completion of building on lots 10, 11 and 12, in block 16, Sherman's addition, and necessary fixtures for said buildings; said buildings, fixtures and real estate to be used for school purposes, the cost of which is too great to be paid for out of the ordinary annual income and the revenue of said municipality. The estimated cost of the same is as follows:

Table listing construction costs: The south half of block 36, Middletown, in said city... \$ 6,000; Lot 10 in block 16, in said Sherman's addition... 2,500; Lots 1, 2 and 3, in block 65 of said Sherman's addition... 3,000; Building on south half of block 36, in said Middletown... 15,000; Building on lots 1, 2 and 3, in block 65, Sherman's addition... 15,000; Building on south half of block 8, in said Horton's addition... 25,000; Building on public school grounds in southwest corner of City Park... 2,000; Building in Mission valley... 1,000; Completion of building on lots 10, 11 and 12, in block 16, Sherman's addition... 1,500; For fixtures for said buildings... 9,000. Total cost... \$80,000.

The necessity for the same is to accommodate and furnish places in which to educate children residing in said city who cannot be accommodated or educated in the buildings now owned, controlled or occupied by said city for school or other purposes, and no other question shall be submitted at such election; that bonds of the said city of San Diego shall issue for the payment of the cost of said improvement, if the said proposition be accepted by the qualified voters of said city; there shall be eighty of such bonds of a \$1,000 each issued payable on or before twenty years from their date, as follows:

One-twentieth part of the whole amount of indebtedness each and every year, together with the interest thereon and bearing interest at the rate of 5 per cent per annum, and it will be necessary to raise the sum of \$6,419.42 each year to pay said bonds and interest within twenty years from their date.

The said election shall be held in the manner provided by the laws of the State of California (applicable thereto), and the ordinances of said city. It shall require a vote of two-thirds of all voters, voting at said election, to authorize the issuance of the bonds herein specified.

Sec. 3. That every ballot in favor of incurring said indebtedness shall have the words "Indebtedness Yes" printed or written thereon, and every ballot against incurring said indebtedness shall have the words "Indebtedness No" written or printed thereon.

Sec. 4. This ordinance shall take effect and be in force from and after its passage and publication as required by law.

Sec. 5. The City Clerk is hereby directed to cause this ordinance to be published for ten days in THE SAN DIEGO DAILY UNION and the San Diego Daily Bee, two daily newspapers published and printed in said city.

Passed, approved, adopted and ordered published by the Board of Trustees of the city of San Diego, California, this 22d day of September, A. D. 1887, by the following vote: Trustee Woolman, yea; Trustee McKee, yea; Trustee Valle, yea; Trustee Hamilton, absent; Trustee Julian, yea.

J. A. McRAE, President pro tem of the Board of Trustees of the city of San Diego, California. Attest: J. A. THOMAS, City Clerk and Clerk of said Board.

And, Whereas said ordinance No. 131 was published for ten days immediately after the 22d day of September, 1887, in the SAN DIEGO DAILY UNION and the San Diego Daily Bee, each of which papers is and was during said time a daily newspaper printed and published in said city.

Therefore, NOTICE IS HEREBY GIVEN that there will be a SPECIAL ELECTION held in the city of San Diego, California, on the 24th day of OCTOBER, 1887, at which there will be submitted to the qualified voters of said city the proposition of said city incurring a debt for the object and purpose of permanent municipal improvement as follows:

ORDINANCE NO. 140.

An Ordinance granting to J. Q. Blackmer the right to construct and operate an elevated railroad switch and other privileges.

THE BOARD OF TRUSTEES OF THE CITY OF SAN DIEGO DO ORDAIN AS FOLLOWS:

SECTION 1.—That J. Q. Blackmer be and he is hereby granted the right of way, and the right to erect and maintain an elevated railway switch, and to use and operate the same, commencing on the westerly side of, and connecting with, the line of the California Southern Railroad at its intersection with the center of I street in said city, and running thence in a westerly direction until it strikes the line of medium high tide on San Diego bay, thence along said line of medium high tide in a southwesterly course, until it strikes the easterly line of the wharf franchise, owned by the said California Southern Railroad Company on said bay. Also the right to erect, maintain and use bins in which to unload gravel or other material transported over said elevated switch, and engines for crushing such gravel. And also

the right to use, in connection with said elevated railroad switch, and the purpose for which it is to be used, a strip of land thirty feet wide for the length of said switch, and on the west side of, and connecting therewith, the privileges hereby granted to continue for the term of five years from the adoption of this ordinance; provided, that said privilege can be terminated at the end of said term of five years or at any time thereafter only upon ninety days written notice by said city; and until such notice is given the right to use and enjoy the privileges hereby granted shall continue and be enjoyed as herein provided. Provided said Blackmer shall pay to said city the sum of fifty dollars per month for said privilege.

SEC. 2.—This ordinance shall take effect and be in force from and after its adoption and publication as provided by law.

Passed, approved, adopted and ordered published by the Board of Trustees of the City of San Diego, California, this 4th day of October, A. D. 1887, by the following vote: Trustee Valle, yea; Trustee Julian, yea; Trustee Woolman, yea; Trustee McKee, yea; Trustee Hamilton, absent.

Attest: J. A. THOMAS,
City Clerk and Clerk of said Board.

The City Attorney reports that the Ordinance granting the right to construct, operate and maintain a railroad in the city of San Diego to the San Diego and Cuyamaca Railway Company, is legally drawn. Said Ordinance is read and on motion of Trustee Woolman, seconded by Trustee Julian is passed, approved, adopted and ordered published by the following vote: Trustee Julian yea; Trustee Valle yea; Trustee Woolman yea; Trustee M' Rae yea; Trustee Hamilton absent. Said Ordinance being in words and figures as follows, to wit:

ORDINANCE NO. 141.

An ordinance granting the right to construct, operate and maintain a railroad in the city of San Diego to the San Diego and Cuyamaca Railway Company.

AN APPLICATION HAVING BEEN MADE to the Board of Trustees of the city of San Diego, State of California, by the San Diego and Cuyamaca Railway Company, a corporation duly organized, existing and doing business under the general laws of the State of California, for a franchise giving it the right to construct, operate and maintain a railroad along certain streets and across certain lots and blocks in the said city of San Diego; and it appearing that the public good and convenience will be promoted by granting to said party the rights as prayed for; now, therefore, the Board of Trustees of the city of San Diego do ordain as follows: That there is hereby granted to the said San Diego and Cuyamaca Railway Company the right to construct, operate and maintain a railroad within the said city of San Diego, commencing at the foot of N street, on the Bay of San Diego, in said city, running thence east on said N street to the east line of Thirtieth street; thence in a northeasterly course and direction to the city limits of said city of San Diego; and the further right to use steam upon said railroad as a motive power to transport passengers and freight.

This franchise is granted to the said San Diego and Cuyamaca Railway Company upon the following terms and conditions, to-wit:

1. Said road shall be constructed throughout the entire length in the center of the streets along

or over which it passes, or as near thereto as practicable; provided, that the Board of Trustees may at any time order and require any changes to be made in the line of said road where switches and turnouts are located.

2. Said road shall be constructed with such a rail as shall be previously approved by the Board of Trustees, and in such a manner as to cause the least possible obstruction to the use of said streets.

3. Whenever said road passes on or over any streets in the city of San Diego, said grantee or its assigns shall plank, pave or macadamize the entire length of said route between the rails and for two feet on each side thereof, to correspond with said streets when the same are paved or macadamized, and shall keep the same constantly in good repair, flush with the grade of the streets or the natural surface of the streets between the rails, and for two feet on each side thereof, whether said streets are paved or macadamized or not, and provided with good crossings for all kind of vehicles, and with all necessary and proper flumes and culverts for the free and uninterrupted passage of water under said track. The track shall be a narrow gauge, and there shall be a space between the main tracks and side tracks, turn-outs and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized said track shall be graded by a plank on each side of the rails, not less than eight inches wide, and which shall be grooved and fitted closely to the rail, and must not be more than three-fourths of an inch below the top of the rail.

4. The laying of said track and all side-tracks, switches or turn-outs shall conform in all cases, where the grade of any said streets has been established and such street graded to such grade, and in all other cases as near to the natural grade of said streets as practicable, and when at any time any part of the route shall be graded, or the grade thereof changed or altered by the Board of Trustees, the bed of the road and the tracks thereof shall be made to conform therewith.

5. Said road shall be commenced within one month and fully completed through the city limits within one year from the passage and publication of this ordinance.

6. The rights hereby granted are to continue for a term of fifty years from and after the adoption of this ordinance.

The city in granting this franchise expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair all or either of said streets or any part thereof, or to lay down or to permit any other person or company to lay down pipes for water, gas or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and reshift their road-bed and rails so as to avoid obstructions made thereby.

Any failure of said grantee or its assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions hereof, is hereby made unlawful, and for such failure or for any such failure or other violation of any of the requirements or conditions of this ordinance said grantee shall pay to the city of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of said city.

7. Said route and curves and grades in said city shall be fixed by the City Engineer, for which he shall be paid a reasonable fee by the holder of said franchise.

Passed, approved and adopted and ordered published by the Board of Trustees of the city of San Diego this 4th day of October, A. D. 1887, by the following vote: Trustee Julian, yea; Trustee Valle, yea; Trustee Woolman, yea; Trustee McKee, yea; Trustee Hamilton, absent.

ORDINANCE NO. 145.

Sewerage and Drainage of San Diego.

THE BOARD OF TRUSTEES OF THE CITY
of San Diego do ordain as follows:

SECTION 1. All connections of private drains
or sewers with the public sewers of the City of
San Diego shall be made in accordance with plans
and specifications approved in writing by the City
Engineer, a copy of which shall be kept on file
in his office and in the office of the Sewer Inspector.

Sec. 2. No connection shall be made with any
public sewer, nor shall any opening be made into
any public sewer, except by a mechanic regularly
and duly licensed to perform such work, holding
written authorization from the Sewer Inspector
for the special connection or opening in which
he shall be engaged.

Sec. 3. Applications for license shall be made
to the Committee on Sewers on blanks provided
for that purpose.

Sec. 4. Every person to whom a license is
granted shall at the time of receiving the same
register his name and address, and also file a
bond approved by the Committee on Sewers in
the sum of \$500 conditioned to indemnify the
City of San Diego for all damages, direct or indi-
rect, arising from work done by the licensee in
connection with house drains and the public sew-
ers. Said license shall remain in force for one
year, unless sooner revoked.

Sec. 5. Applications for permits to connect
with the sewers or to make openings into them
for any purpose must be made in writing
by the owner or duly authorized agent of the
property to be drained, the location and owner-
ship of which must be described therein. This
application shall be countersigned by the licensed
mechanic by whom the work is to be done. It
shall be submitted to the Sewer Inspector at least
fifteen hours before the street is to be opened for
the work.

Sec. 6. All permits to connect with the sewers
shall be given with the express condition that
the Committee on Sewers may at any time before
the work is completed revoke and annul the same,
and no party interested shall have a right to claim
damages in consequence of such permit being
revoked or annulled.

Sec. 7. The licensed mechanic engaged in any
work provided for by this ordinance shall be held
responsible for any injury to any sewer, or to the
public street, or other public or private property,
and for damages to persons resulting therefrom.
He shall restore the street to the satisfaction of
the Sewer Inspector and Street Superintendent,
and shall make good any settlement of the ground
or pavement that may result from his work.

Sec. 8. Every soil pipe and private drain connect-
ing with any sewer, whether of cast iron or
earthenware, must be sound and impervious in all

its parts and jointed in the best manner. Waskets
must be used in all cases. No other metal than
cast iron, at least as heavy as soil pipe "extra
heavy," will be allowed, and all joints in iron
pipe must be or well-caulked lead. Cement pipe
shall not be used. Earthenware pipes of the
best quality, slip or set glaze, may be used, and
these must be jointed with fresh strong cement
mortar carefully applied over a sufficient gasket,
great care being taken to make the under part of
the joint absolutely tight. All pipes connecting
soil-pipes or other waste pipes with the public
sewer must be laid on the sound and firm bottom
of a trench at least two feet deep. The vertical
pipes and connection pipes above that depth to be
in all cases of cast iron.

Sec. 9. The pipe connecting with the sewer
must be in all cases, whether the horizontal drain
or the vertical soil-pipe from the sewer to a point
at least two feet above the roof, four inches in
diameter. Provided, further, that such ventila-
ting pipe shall extend at least three feet above
any window or other opening of such building.

Sec. 10. No trap or any manner of obstruction
to the free flow of air through the whole course
of the drain and soil pipe shall be allowed, and
any mechanic who shall directly or indirectly
place, make or cause, or allow to be placed or
made, any trap contraction or other obstacle any-
where in the course of such pipe, in addition to
the penalty hereinafter prescribed, shall forfeit
his license and shall be ineligible to relicensure for
one year, and any other person offending as above
shall be subject to the penalties of the ordinance,
and shall, in addition, pay the costs of rectifying
the wrong done.

Sec. 11. No open gutter, cesspool, privy
vault, cistern, surface drain, cellar drain or rain
water conductor shall be connected with any pub-
lic sewer or with any private pipe or sewer con-
nected with the public sewers.

It shall be unlawful to injure, break, remove or
open any portion of any manhole, flush-tank, in-
spection pipe, or any other part or appurtenance
of the public sewers, except with the written
permit of the Sewer Inspector, first obtained as
above provided for.

Sec. 12. Every connection of a water closet,
sink, basin, or other vessel connected with any
soil-pipe or drain must be separated from it by a
trap offering an obstacle to the passage of air
equal to not less than two inches depth of water.

The waste pipes from kitchens must be specially
trapped by large grease traps, sixteen inches
deep, the discharge from which starts from the
bottom of the vessel, and after running up the
side thereof has its outlet not more than three
inches below the top. The capacity of the grease
trap must be not less than one cubic foot, and it
must have a movable cover so that the cooled
grease can be easily removed from the surface.
All water closets connecting with sewers must be
flush closets, which at each discharge send not
less than one gallon of water suddenly into the
sewer. No such vessel connected with a soil-pipe
or sewer shall have an outlet more than three and
a half inches in diameter.

Sec. 13. It shall be unlawful for the owner or

occupant of any building any portion of which is
used for any purpose during any portion of the
day to fail to have at least one water closet con-
nected with the public sewer fifteen days after
notification from the Sewer Inspector, and to fail
to have such water closet suitably arranged for
use as a urinal unless a separate urinal is pro-
vided.

Also, for the owner or occupant of any build-
ing in which food is cooked or clothing is washed
to fail to have a suitable sink, slop-stone or hop-
per for the reception of waste water; provided,
however, that if the water closet is of a kind
suited to such use it may receive the waste water,
and the sink, slop-stone or hopper may be dis-
pensed with.

Also, to use or cause to be used any house drains
for any other purpose than those specified in this
ordinance, except by special permission from the
Sewer Inspector.

Sec. 14. It shall be unlawful for any person to
throw, or allow to be thrown or deposited, on the
surface of the ground, or in any hole or vault in
or under the surface of the ground in the city,
whether public or private, except in the proper
and necessary manuring of the soil, any water
which has been used for domestic purposes, or
any liquid or solid filth, or feces or urine.

Also, to throw or deposit, or cause or permit
to be thrown or deposited, in any vessel or recep-
tacle connected with a public sewer, any garbage,
hair, ashes, fruit or vegetables, peelings or re-
fuse, rags, cotton, cinders, or any other matter or
thing whatsoever, except faeces, urine, the neces-
sary closet paper and liquid house slops. And it
is hereby made the duty of all citizens to aid the
police in bringing offenders against this ordi-
nance to punishment, and also to prevent breach-
es of the same.

Sec. 15. The Sewer Inspector shall have power
to stop and prevent from discharging into any
public sewer any private drain through which
substances are discharged which are likely to in-
jure the sewers or to obstruct the flow of the sew-
erage.

Sec. 16. The office of Sewer Inspector of the
City of San Diego is hereby created. The Street
Superintendent shall be ex officio Sewer Inspec-
tor.

Sec. 17. This ordinance shall take effect and
be in force from and after its passage and publi-
cation as required by law.

Sec. 18. Every person violating any provision
of this ordinance shall be fined in any sum not
exceeding \$300, or imprisoned in the County Jail
of San Diego County not to exceed three months,
or by both such fine and imprisonment.

Passed, approved, adopted and ordered pub-
lished by the Board of Trustees of the City of San
Diego, California, this 27th day of October, 1887,

ORDINANCE NO. 146.

Ordinance permitting the Electric Rapid Transit Street Car Company to lay a double track on certain portions of Fourth, Palm and Fifth streets, in the City of San Diego.

THE BOARD OF TRUSTEES OF THE CITY of San Diego do ordain as follows:

The Electric Rapid Transit Street Car Company, a corporation organized under the laws of the State of California, having heretofore obtained permission from this Board to construct and maintain a railroad upon the streets in the city of San Diego hereinafter named, among others, and it being made to appear to this Board that the public good would be promoted by permitting the company to lay down and maintain upon said streets, a double track, constructed as hereinafter provided, the said corporation is hereby authorized, and permitted upon compliance with the conditions and restrictions hereinafter named, to lay down and maintain a double track upon such portions of Fourth, Palm and Fifth streets, in said city of San Diego, where said corporation now has the right to maintain a single track for the time heretofore granted to them for the construction and maintenance of their said road, and subject to all the conditions and provisions heretofore made in an ordinance of this Board granting the original privilege to said corporation for laying a single track thereon, with the additional provisions following, to-wit: The said corporation shall take up and remove from said street the "A" rail single track now located on said Fourth street, and instead thereof,

shall lay down in a good substantial manner a double track thereon, each to be of equal distance, as near as practicable, from the center of said street, being sufficiently far apart to enable the free passage of cars; that said tracks shall consist of a good flat rail, such as are usually used in the construction of street railroads; that said rails shall be placed upon a level with the grade of the street, and the ground between them and between the two tracks before referred to, shall be filled level with the top of said rails and at all times shall be kept filled up so as to maintain a uniform level street throughout; that when the said street shall be ordered paved by this Board, the said corporation shall pave all the spaces between the rails of their said tracks, and also the spaces between the two tracks laid as aforesaid, and two feet on each side on the outside of said tracks, all in the manner provided for the paving of said streets in the order directing the same, and at all times keep the same in good repair and condition, free of expense to said city; that the said work shall be done under the superintendence and direction of the City Engineer having charge of the work done upon the streets of said city for the time being, to his satisfaction, and subject to his acceptance when done.

The clerk of this Board shall cause this ordinance to be certified and published as required by law.

Passed, approved, adopted and ordered published by the Board of Trustees of the city of San Diego, California, this 3d day of November, A. D. 1887, by the following vote: Trustee McRae, yea; Trustee Woolman, yea; Trustee Julian, nay; Trustee Valle, yea; Trustee Hamilton, yea.

The City Attorney reports that the Ordinance granting to M. B. Keller, Albert E. Castle, M. Klauber, Harr Wagner and R. H. Young a right to construct, operate and maintain certain street railroads, is legally drawn, said Ordinance is read and on motion of Trustee McRae, seconded by Trustee Woolman is passed, approved, adopted and ordered published by the following vote: Trustee McRae yea; Trustee Woolman yea; Trustee Julian yea; Trustee Valle yea; Trustee Hamilton yea. Said Ordinance being in words and figures as follows, to-wit:

ORDINANCE NO. 147.

An Ordinance granting to M. B. Keller, Albert E. Castle, M. Klauber, Harr. Wagner and R. H. Young, all of the city of San Diego, a right to construct, operate and maintain certain street railroads within the city of San Diego.

THE BOARD OF TRUSTEES OF THE CITY of San Diego do ordain as follows:

SECTION 1. There is hereby granted to M. B. Keller, Albert E. Castle, M. Klauber, Harr. Wagner and R. H. Young, all of the city of San Diego, and to their heirs and assigns, the right to construct, operate and maintain street railroads in the city of San Diego upon streets as follows, to-wit: Beginning at the point of intersection of E and Second streets, and thence along E street to Thirty-second street, and thence in the same direction or as nearly the same direction as the course of the streets will permit to the city limits of the city of San Diego; also beginning at the point of intersection of Third and Ivy streets and running thence along Third street to pueblo lot No. 1123; also beginning at the point of intersection of Ninth and D streets and running thence along said Ninth street to the line of the City Park; also beginning at the foot of Twenty-fourth street in Manasse & Schiller's addition, and running thence along said Twenty-fourth street to its intersection, at N street, with Twenty-sixth street and thence along said Twenty-sixth street to the line of the City Park; and there is also granted the further right to construct, operate and maintain necessary turnouts, turn-tables, switches, platforms and other incidents to the proper use of such railroads, and also there is granted the further right to run cars upon such railroads and to use as a motive power for the transportation of

passengers and for propelling such cars, horses or mules, or rope or wire cable moved by stationary engine, or electricity either stored or generated in engines or conducted, carried or transmitted by wires or conductors underground, and there is granted the further right to charge, collect and receive five cents for each fare for such transportation.

Sec. 2. The tracks for said railroads may be laid single or double and in all cases shall be laid as near as practicable to the center of the streets along or over which they pass.

Provided, that the Board of Trustees may at any time order and require any changes to be made in the said switches, turnouts, turn-tables and platforms connected with said roads.

Sec. 3. Said roads shall be constructed with a flat rail and in such a manner as to cause the least possible obstruction to the use of said streets.

Sec. 4. Said grantees herein, or their heirs or assigns, shall plank, pave or macadamize the entire length of said roads between the rails and for two feet on each side thereof to correspond with said streets when the same are paved or macadamized, and shall keep the same constantly in good repair, flush with the grade of the streets or the natural surface of the streets between the rails and for two feet on each side thereof, whether said streets are paved or macadamized or not; but said grantees, their heirs or assigns, may, with the express consent of the Board of Trustees of said city of San Diego, pave or macadamize said space between rails and for two feet on each side thereof uniformly throughout the entire length of said roads.

Sec. 5. The laying of all tracks and side-tracks, switches and turnouts, shall conform in all cases where the grade of any street has been established and such street graded to such grade, and in all other cases as near to the natural grade of said streets as practicable.

Sec. 6. Work under this franchise shall be commenced within three months from the passage and publication of this ordinance, and two (2) miles of road shall be completed within one year from the end of said three months, and two (2)

miles shall be completed each year thereafter until the whole thereof is finished; provided that the streets along which said roads are to be constructed shall have been opened and graded in time to permit the construction of said roads within the time herein limited.

Sec. 7. The rights hereby granted are to continue for a term of fifty years from and after the passage of this ordinance.

Sec. 8. The city in granting this franchise, expressly reserves the right to grade, renew, alter, repair, improve, sewer, pave, or macadamize all or either of said streets or any part thereof, or to lay down or to permit any person to lay down pipes for water, gas or other purposes, or wires for conducting electricity, such work to be done so as to obstruct or injure said road as little as possible. The owners of said road shall shift their road-bed and rails so as to avoid obstructions made thereby.

Sec. 9. Said routes and grades in said roads shall be fixed by the City Engineer for which he shall be paid a reasonable fee by the holder of said franchise.

Sec. 10. Any failure of said grantees or their heirs or assigns to construct, maintain or manage said road as required by this ordinance or to comply with any of the requirements or conditions hereof is hereby made unlawful and for such or any failure or any violation of any of the requirements or conditions of this ordinance, the holder or holders of the franchise hereby granted shall pay to the city of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of said city.

Passed, approved, adopted and ordered published by the Board of Trustees of the city of San Diego, California, this 3d day of November, A. D. 1887, by the following vote: Trustee McRae, yea; Trustee Woolman, yea; Trustee Julian, yea; Trustee Valle, yea; Trustee Hamilton, yea.

(Seal) M. D. HAMILTON,
President of the Board of Trustees of the city of San Diego, California.

Attest: J. A. THOMAS,
City Clerk and Clerk of said Board.

The City Attorney reports that the Ordinance granting the right to construct and maintain a street railroad, to A. Klauber, S. Steiner, D. Choate and Fred L. Castle is legally drawn. Said Ordinance is read and on motion of Trustee M' Rae, seconded by Trustee Valle is passed, approved, adopted and ordered published by the following vote: Trustee M' Rae yea; Trustee Valle yea; Trustee Julian yea; Trustee Woolman yea; Trustee Hamilton yea. Said Ordinance being in words and figures as follows, to-wit:

ORDINANCE NO. 148.

An Ordinance granting the right to construct and maintain a street railroad in the City of San Diego to A. Klauber, S. Steiner, D. Choate and Fred L. Castle, being from south side City Park to east side of Pueblo lot 1350.

AN APPLICATION HAVING BEEN MADE to the Board of Trustees of the city of San Diego by A. Klauber, S. Steiner, D. Choate and Fred L. Castle, for a franchise giving them the right to construct and maintain a street railroad, over and upon certain portions of the City Park and other property, and it appearing that the public good and convenience will be promoted by granting to said parties the right as prayed for: Now, therefore, The Board of Trustees, of the city of San Diego, do ordain as follows: That there is hereby granted to A. Klauber, S. Steiner, D. Choate and Fred L. Castle, the right to construct and maintain a street railroad within the city of San Diego, commencing at the intersection of the south line of the City Park with the center of the north end of Eighteenth street in said city, thence in a northeasterly direction through the City Park up what is known as Switzer cañon to the east line of said Park, thence northeasterly across the northwest quarter of Pueblo lot 1128 and over and across Pueblo lot 1350 to the east line thereof.

This franchise being granted to the said A. Klauber, S. Steiner, D. Choate and Fred L. Castle upon the following terms and conditions, to-wit:

1. Said road shall be constructed throughout the entire length in the center of the street along or over which it passes, or as near thereto as practicable; provided, that the Board of Trustees may at any time order and require any changes to be made in the line of said road where switches and turnouts are located.

2. Said road shall be constructed with such a rail as shall be previously approved by the Board of Trustees, and in such a manner as to cause the least possible obstruction to the use of said streets.

3. Said grantees or their assigns shall plank, pave or macadamize the entire length of said route between the rails, and for two feet on each side thereof, to correspond with said streets, when the same shall be paved or macadamized, and shall keep the same constantly in repair, flush with the grade of the streets, or the natural surface of the streets between the rails, and for two feet on each side thereof, whether said streets are paved or macadamized or not, and provided with good crossings for all kinds of vehicles, and with all necessary and proper flumes and culverts for the free and uninterrupted passage of water under said track.

The track shall be four feet, eight and one-half inches between the rails, and there shall be a space between the main tracks and side tracks, turnout and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized side tracks shall be girded by a plank on each side of the rails, (not less than eight inches wide, and which shall be grooved and fitted closely to the rail and must not be more than three-fourths of an inch below the top of the rail at crossings), and when the Board of Trustees so order, the same shall be girded by a plank on each side of the rails and full length of said road.

4. The laying of said track and all side tracks, switches or turnouts shall conform in all cases, where the grade of any said streets has been established and such street graded, to such grade, and in all other cases as near to the natural grade of said streets as practicable, and when, at any time any part of the route shall be graded, or the grade thereof changed or altered by the Board of Trustees, the bed of the road and the tracks thereof shall be made to conform therewith.

Provided that no switch shall be constructed, or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the cost of the holder of this franchise, whenever so ordered by the Board of Trustees.

5. Said road shall be constructed under the direction and supervision of the City Engineer, who shall, under the direction of the Board of Trustees, designate the rate of curves to be used in surveying the lines of the railroad from one street to another, where it is necessary to change the direction of sidings or switches, and shall give the established grade of the streets along the line. And for the services of the City Engineer he shall receive such fees as are customary for

such services, and the same shall be paid by the holders of this franchise.

6. The rate of fare along said road shall at no time exceed five cents for one passenger.

7. The owners of said road shall pay to the city of San Diego, such license for each car as may be required by any ordinance of said city.

8. Said road shall be commenced within one day and completed from said point of commencement to the said point of termination within six months; and any portion of said road not fully completed, equipped, stocked, and in running order, within one year after the passage and publication of this ordinance, will have created a forfeiture of the rights and privileges granted by this ordinance so far as the uncompleted portion is concerned.

9. The rights hereby granted are to continue for a term of thirty years from and after the adoption of this ordinance.

The city in granting this franchise expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair all or either of said streets or any part thereof, or to lay down, or to permit any other person or company to lay down pipes for water, gas or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and reshift their road-bed and rails so as to avoid obstructions made thereby.

Any failure of said grantee or its assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions hereof, is hereby made unlawful, and for such failure and for any such failure or other violation of any of the requirements or conditions of this ordinance, said grantees shall pay to the city of San Diego not less than \$25, nor more than \$300, to be recovered by an action in the name of said city.

The said road to be operated by steam or any other power allowed by law, or that may be.

The use of steam may be prohibited by said Board of Trustees at any time.

Passed, approved, adopted and ordered published by the Board of Trustees in the city of San Diego, this 3d day of November, 1887, by the following vote: Trustee M' Rae, yea; Trustee Valle, yea; Trustee Julian, yea; Trustee Woolman, yea; Trustee Hamilton, yea.

Said Ordinance being in words and figures as follows, to-wit:

ORDINANCE NO. 149.

An Ordinance granting to the San Diego Street Car Company a franchise for the construction and operation of a street railroad in the city of San Diego.

THE BOARD OF TRUSTEES OF THE CITY of San Diego do ordain as follows:

SECTION 1. That the right of way be, and the same is hereby granted to the San Diego Street Car Company, (a corporation duly organized and existing under the laws of the State of California, and having its office in said city), and its assigns, over and along the public streets of said city named in this ordinance, for the period of thirty years from and after the adoption of this ordinance, for the purpose of constructing, laying down and maintaining a line of street railroad track, with iron or steel rails, with its necessary turnouts and switches, and running cars thereon to be propelled by horse or cable power, electricity, steam or other power authorized by law.

Provided, That the use of steam as a propelling power may be prohibited by order of the Board of Trustees at any time in their discretion, and

Provided, further, that such steam power shall not be used for any other purpose than that of propelling street cars.

Sec. 2. The lines of said road shall be as follows: Beginning at the intersection of Fifth and L streets; thence east on L street to Ninth street; thence south on Ninth street to N street; also on N street from Twenty-second street to the intersection of N street with the extension of Thirty-first street in the southeast corner of pueblo lot No. 1153; thence south on Thirty-first street to S street in Choate's addition; thence in a southeasterly direction across blocks 337, 338 and 339 in Choate's addition, to the intersection of Thirty-second with U streets; thence along U street to Thirty-fourth (Hoffman) street; thence along Thirty-fourth street and along a line drawn as direct as practicable from the extremity of said Thirty-fourth street to an intersection with J street between Siva and Thor streets; thence along J street to the boundary line of the Rancho de la Nacion.

Sec. 3. The above franchise and privileges are granted on the following conditions, to-wit:

1. Said road shall be constructed through its entire length in the center of the streets along or over which it passes or as near thereto as practicable; provided, that the Board of Trustees may at any time order and require any changes to be

made in the line of said road where switches and turnouts are located.

2. Said road shall be constructed with such rail as shall be previously approved by the Board of Trustees, and in such a manner as to cause the least possible obstruction to the use of said streets.

3. Said grantee or its assigns shall plank, pave or macadamize the entire length of said road between the rails, and for two feet on each side thereof, to correspond with said streets when the same shall be paved or macadamized, and shall keep the same constantly in good repair, flush with the grade of the streets, or the natural surface of the streets between the rails, and for four feet on each side thereof, whether said streets are paved or macadamized or not, and provided with the good crossings for all kinds of vehicles, and with all necessary and proper flues and culverts for the free and uninterrupted passage of water under said track. The track shall be four feet eight and one-half inches between the rails and there shall be a space between the main tracks and side tracks, turnouts and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized said track shall be grided by a plank on each side of the rails, not less than eight inches wide, and which shall be grooved and fitted closely to the rail and must not be more than three-fourths of an inch below the top of the rail.

4. The laying of said track and all side tracks, switches or turnouts, shall conform in all cases, where the grade of any said streets has been established and such streets graded, to such grade, and in all other cases as near to the natural grade of said streets as practicable, and when at any time any part of the route shall be graded, or the grade thereof changed or altered by the Board of Trustees, the bed of the road and the tracks thereon shall be made to conform therewith. Provided, that no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the cost of the holders of this franchise, whenever so ordered by the Board of Trustees.

5. Said road shall be constructed under the direction and supervision of the City Engineer, who shall, under the direction of the Board of Trustees designate the rate of curves to be used in surveying the lines of the road from one street to another, where it is necessary to change the direction of sidings or switches, and shall give the established grades of the streets along the line and on the construction of said road, shall set grade stakes along the line indicating the grade of said street and shall have general supervision of the construction and future maintenance of the road, and to see that the same is constructed and main-

tained in conformity to the terms and requirements of this ordinance. And for the services of the City Engineer as herein required, he shall receive such fees as are customary for such services and the same shall be paid by the holders of this franchise.

6. The rate of fare for any distance along this and all other roads owned or operated by said company, shall at no time exceed five cents for one passenger, and transfers shall be given with all roads owned or operated by any other person running within 100 feet of said road, without extra charge, for one single ride over all the routes of this franchise, and those of any other street railroad for one single ride, not exceeding one mile on such other road.

7. The owners of said road shall pay to the city of San Diego such license for each car as may be required by any ordinance of said city.

8. Said road shall be commenced within six months, and be fully completed, equipped, stopped and in running order within eighteen months after the passage and publication of this ordinance. And the failure to comply with the terms of this condition shall work a forfeiture of all the rights and privileges granted by this ordinance.

Sec. 4. The city in granting this franchise, expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair, all or either of said streets or any part thereof, or to lay down, or to permit any other person or company to lay down pipes for water, gas, or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and reshift their road bed and rails so as to avoid obstructions made thereby.

Sec. 5. Any failure of said grantee or its assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions hereof, is hereby made unlawful and for such failure and for any such failure or other violation of any of the requirements or conditions of this ordinance said grantee shall pay to the city of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of the city.

Passed, approved, adopted and ordered published by the Board of Trustees of the City of San Diego, California, this 3d day of November, A. D., 1887, by the following vote, to-wit: Trustee McRae, yeas; Trustee Valle, yeas; Trustee Julian, yeas; Trustee Woolman, yeas; Trustee Hamilton, yeas.

The City Attorney reports that the Ordinance granting a street railroad franchise to the College Hill Land Association is legal-ly drawn, said Ordinance is read and on motion of Trustee McRae, seconded by Trustee Woolman is passed, approved, adopted and ordered published by the following vote: Trustee McRae yea; Trustee Valle yea; Trustee Julian absent; Trustee Woolman yea; Trustee Hamilton yea; Said Ordinance being in words and figures as follows, to-wit:

ORDINANCE NO. 152.

An Ordinance granting the right to construct and maintain a street railroad in the City of San Diego to the College Hill Land Association.

AN APPLICATION HAVING BEEN MADE to the Board of Trustees of the city of San Diego, State of California, by the College Hill Land Association, for a franchise, giving them the right to construct and maintain a street railroad, along and on certain streets of the City of San Diego, and it appearing that the public good and convenience will be promoted by granting to said corporation the rights as prayed for:

Now, therefore, The Board of Trustees, of the city of San Diego, do ordain as follows: That there is hereby granted to the College Hill Land Association, the right to construct and maintain a street railroad within the city of San Diego, commencing at the intersection of Fifth Street, with the north line of Horton's addition to said city, running thence north-ly along said Fifth street or public high-way to a point west of Robinson street of Cit-tenden's addition, thence east to and along said street to the east line of said addition, thence easterly through pueblo lots 1124, 1125, 1117, 1116, 1115 and 1114, to the eastern line of the pueblo of San Diego.

This franchise is granted to the said College Hill Land Association upon the following terms and conditions, to-wit:

1. Said road shall be constructed throughout the entire length in the center of the streets along and over which it passes, or as near thereto as practicable; provided, that the Board of Trustees may at any time order and require any changes to be made in the line of said road where switches and turnouts are located.

2. Said road shall be constructed with such a rail as shall be previously approved by the Board of Trustees, and in such a manner as to cause the least possible obstruction to the use of said streets.

3. Said grantees or its assigns shall plank, pave or macadamize the entire length of said route between the rails, and for two feet on each side thereof, to correspond with said streets, when the same shall be paved or macadamized, and shall keep the same constantly in good repair, flush with the grade of the streets, or the natural surface of the streets between the rails, and for two feet on each side thereof, whether said streets are paved or macadamized or not, and provided with good crossings for all kinds of vehicles, and with all necessary and proper flumes and culverts for the free and uninterrupted passage of water under said track.

The track shall be four feet, eight and one-half inches between the rails, and there shall be a space between the main tracks and side tracks, turnout and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized said track shall be graded by a plank on each side of the rails, (not less than eight inches wide, and which shall be grooved and fitted closely to the rail and must not be more than three-fourths of an inch below the top of the rail at crossings), and when the Board of Trustees so order, the same shall be girded by a plank on each side of the rails the full length of said road.

4. The laying of said track and all side tracks, switches and turnouts shall conform in all cases, where the grade of any said street has been established and such street graded, to such grade, and in all other cases as near to the natural grade of said streets as practicable, and when, at any time any part of the route shall be graded, or the grade thereof changed or altered by the Board of Trustees, the bed of the road and the tracks thereof shall be made to conform therewith.

Provided that no switch shall be constructed, or maintained within fifty feet of any cross street, and the location of such switches and turnouts shall be changed at the cost of the holder of this franchise, whenever so ordered by the Board of Trustees.

5. Said road shall be constructed under the direction and supervision of the City Engineer, who shall, under the direction of the Board of Trustees, designate the rate of curves to be used in surveying the lines of the road from one street to another, where it is necessary to change the direction of sidings and switches, and shall give the established grade of the streets along the line. And for the services of the City Engineer he shall receive such fees as are customary for

such services, and the same shall be paid by the holders of this franchise.

6. The rate of fare along such road shall at no time exceed five cents for one passenger.

7. The owners of said road shall pay to the city of San Diego, such license for each car as may be required by any ordinance of said city.

8. Said road shall be commenced within thirty days and completed within three months; and any portion of said road not completed, equipped, stocked, and in running order, within one year after the passage and publication of this ordinance, will have created a forfeiture of the rights and privileges granted by this ordinance so far as the uncompleted portion is concerned.

9. The rights hereby granted are to continue for a term of thirty years from and after the adoption of this ordinance.

The city in granting this franchise expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair all or either of said streets or any part thereof, or to lay down, or to permit any other person or company to lay down pipes for water, gas or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and reshift their road-bed and rails so as to avoid obstructions made thereby.

Any failure of said grantee or its assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions hereof, is hereby made unlawful, and for such failure and for any such failure or other violation of any of the requirements or conditions of this ordinance, said grantees shall pay to the city of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of said city.

The said road to be operated by steam or any other power allowed by law, or that may be.

The use of steam may be prohibited by said Board of Trustees at any time.

Passed, approved, adopted and ordered published by the Board of Trustees in the city of San Diego, this 14th day of November, 1887, by the following vote: Trustee McRae, yea; Trustee Valle, yea; Trustee Julian, absent; Trustee Woolman, yea; Trustee Hamilton, yea.

[Seal] M. D. HAMILTON,
 President of the Board of Trustees of the city of San Diego, California.

Attest: J. A. THOMAS,

President

Regular Adjourned Meeting

Office of the Board of Trustees of the City of
San Diego, California December 2^d 1887.

The Board of Trustees of the City of San Diego, California, met this day at 7.30 o'clock P.M. pursuant to adjournment.

Present Trustees McKee, Woolman, Julian, Valle and Hamilton and Clerk Thomas.

President of the Board M. D. Hamilton presiding.

The City Attorney reports that he has examined the Ordinance granting Geo. H. Crippen and Frank P. Johnson a franchise for a street railroad, and found it to be legally drawn, but recommends that former franchise between same points to same parties be revoked. The Ordinance is read and on motion of Trustee McKee, seconded by Trustee Valle is passed, approved and adopted, and ordered to be published, (provided that the former franchise between the same points, to same parties, be relinquish by them in writing) by the following vote: Trustee McKee yea: Trustee Valle yea: Trustee Julian yea: Trustee Woolman yea: Trustee Hamilton yea. Said Ordinance being in words and figures as follows, to wit:

ORDINANCE NO. 155.

An ordinance granting to George H. Crippen and Frank P. Johnson, of the City of San Diego, the right to construct, operate and maintain certain Street Railroads within the City of San Diego.

THE BOARD OF TRUSTEES OF THE CITY of San Diego do ordain as follows:

SECTION 1. There is hereby granted to George H. Crippen and Frank P. Johnson, all of the City of San Diego, and to their heirs and assigns, the right to construct, operate and maintain street railroads in the City of San Diego as follows, to-wit:

Commencing at the crossing of First and With-erby streets in Middletown, and thence extending along First to Taylor street in Old Town; thence running across the most available and direct street that is laid off across Pueblo lots No 333, 316, 288, to Spring street in Hayes' addition; along Spring street and Front street to Twenty-sixth street in Roseville; along Twenty-sixth

street in Roseville to Main street, and thence along Main to First street in Roseville; along First street to the Water front; also along Jackson and Taylor streets to the Washington square in Old Town.

The right is hereby granted to continue for the period of thirty years from and after the adoption of this ordinance, together with the right to construct all necessary turnouts and switches, and running cars thereon to be propelled by horse or cable power, electricity, steam or other power authorized by law.

Provided, That the use of steam as a propelling power may be prohibited by order of the Board of Trustees at any time in their discretion, and

Provided, further, That such steam power shall not be used for any other purpose than that of propelling street cars.

Sec. 3. The above franchise and privileges are granted on the following conditions, to-wit:

1. Said road shall be constructed through its entire length in the center of the streets along or over which it passes or as near as practicable; provided, that the Board of Trustees may at any time order and require any changes to be made in the line of said road where switches and turnouts are located.

2. Said road shall be constructed with such rails as shall be previously approved by the Board of Trustees, and in such a manner as to cause the

least possible obstruction to the use of said streets.

3. Said grantee or its assigns shall plank, pave or macadamize the entire length of said road between the rails and for two feet on each side thereof, to correspond with said streets when the same shall be paved or macadamized, and shall keep the same constantly in good repair, flush with the grade of the streets or the natural surface of the streets between the rails and for four feet on each side thereof, whether said streets are paved or macadamized or not, and provided with the good crossings for all kinds of vehicles, and with all necessary and proper flues and culverts for the free and uninterrupted passage of water under said track. The track shall be four feet eight and one-half inches between the rails, and there shall be a space between the main tracks and side tracks, turnouts and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized, said track shall be girded by a plank on each side of the rails, not less than eight inches wide, and which shall be grooved and fitted closely to the rail and must not be more than three-fourths of an inch below the top of the rail.

4. The laying of said track and all side tracks, switches or turnouts, shall conform in all cases, where the grade of any said streets has been established and such streets graded to such grade.

and in all other cases as near to the natural grade of said streets as practicable, and when at any time any part of the route shall be graded, or the grade thereof altered or changed by the Board of Trustees, the bed of the road and the tracks thereon shall be made to conform therewith. Provided, that no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the cost of the holders of this franchise, whenever so ordered by the Board of Trustees.

5. Said road shall be constructed under the direction and supervision of the City Engineer, who shall, under the direction of the Board of Trustees, designate the rate of curves to be used in surveying the lines of the road from one street to another, where it is necessary to change the direction of sidings or switches, and shall give the established grades of the streets along the line on the construction of said road, shall set grade stakes along the line indicating the grade of said street and shall have general supervision of the construction and future maintenance of the road, and to see that the same is constructed and maintained in conformity to the terms and requirements of this ordinance. And for the services of

the City Engineer as herein required, he shall receive such fees as are customary for such services and the same shall be paid by the holders of this franchise.

6. The rate of fare for any distance between the B-street terminus of the road of said parties and Old Town shall be five cents, and from Old Town to the Roseville terminus, or intermediate points along the line of the franchise hereby granted, shall be five cents.

7. The owners of said road shall pay to the city of San Diego such license for each car as may be required by any ordinance of said city.

8. Said road shall be commenced within six months, and be fully completed, equipped, stopped and in running order within eighteen months after the passage and publication of this ordinance. And the failure to comply with the terms of this condition shall work a forfeiture of all the rights and privileges granted by this ordinance.

Sec. 4. The city in granting this franchise, expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair, all or either of said streets or any part thereof, or to lay down, or to permit any other person or company

to lay down pipes for water, gas, or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and reestablish their road bed and rails so as to avoid obstructions made thereby.

Sec 5. Any failure of said grantee or its assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions hereof, is hereby made unlawful, and for such failure and for any such failure or other violation of any of the requirements or conditions of this ordinance, said grantees shall pay to the city of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of the city.

Passed upon and adopted and ordered published by the Board of Trustees in the city of San Diego, this 2d day of December, 1887, by the following vote: Trustee McTae, yea; Trustee Valle, yea; Trustee Julian, yea; Trustee Woolman, yea; Trustee Hamilton, yea.

In the matter of Proposals to construct a Bridge at the intersection of D and 16th streets. In this matter the Clerk reports that five proposals have been received for the construction of a bridge at the intersection of D and 16th streets pursuant to the notice given, inviting such proposals, and the same on being opened are found to be as follows, to wit:

S. F. Hoole proposes to furnish all labor and material, and will build and complete the 16th street bridge in accordance with the plans and specification, the City excavating trenches, for \$45⁰⁰ per 7th feet of lumber used in the work.

D. R. Graham proposes to build the bridge at 16th and D streets according to the plans and specifications, to be completed in a good and workmanlike manner for the sum of \$3,485.

John Pettit proposes to build the bridge on 16th and D streets, according to the plans and specifications, for the sum of \$40⁵⁰ for each 1000 feet of lumber in said bridge.

Drury Bros propose to furnish all material and labor to complete the bridge at the intersection of D and 16th streets, according to plans furnished by the City Engineer for the sum of \$3809⁸⁵.

W. R. Crawley proposes to construct the bridge on D and 16th streets according to specifications furnished by the City Engineer, for the sum of \$18³⁵ per foot in length.

On motion it is ordered that the proposals to build the bridge at the intersection of D and 16th streets be referred to the Street Committee and City Engineer.

The City Engineer presents a written report on the proposals to grade 20th, 21st, I and J streets, which is read, as follows, to wit:
 San Diego, Dec. 2, 1887

To the Hon. Board of Trustees
 of the City of San Diego,
 Gentlemen,

I would respectfully report, that, from information derived from property owners along the line of 20th, 21st, I and J streets, all are in favor of hurrying the grading of said streets, even at the price of one dollar per yard - I think the work on I and J streets will be done at a less price, but on 20th and 21st streets I think that price not excessive. - I would, therefore advise letting the contract for 21st street to Mr Chilton at his price.

Respectfully submitted

O. N. Sanford
 City Engineer.

Said Ordinance being in words and figures as follows, to wit;

Ordinance No. 156.

An ordinance relating to sewer connections and the duties of Sewer Inspector.

THE BOARD OF TRUSTEES OF THE CITY of San Diego do ordain as follows:

SECTION 1. That the Sewer Inspector shall, when he deems it necessary, or when ordered by the said Board of Trustees, require, by notice in writing, to be delivered personally to the owner, tenant or occupant of any lot or portion of a lot in said city, and if the owner, occupant or tenant cannot be found, then by posting the same on the property, to connect the same by a 4 inch sewer with the main sewer in the center of the street, in front of said lot or portion of lot. The work on said sewer connection shall commence within ten days after said notice is given, and completed within five days after the said work is commenced. Said work shall be done according to the plans and specifications of the sewer system of San Diego, and under the direction and to the satisfaction of the Sewer Inspector, Superintendent of Streets and City Engineer.

SEC. 2. If the tenant of any lot or portion of a lot shall make and pay for such connecting sewer, it shall be lawful for such tenant to deduct the amount paid by him for the same out of the first rent money due the landlord

SEC. 3. Any person not complying with any notice served as herein directed, or violates any provision of this ordinance, shall be fined in any sum not less than seventy-five dollars nor more than three hundred dollars, or confined in the county jail of San Diego county, not less than one month nor more than three months, or by both such fine and imprisonment.

SEC. 4. When any person is fined and such fine paid for not complying with any notice served under the provisions of this ordinance, the Sewer Inspector shall immediately construct the connecting sewer for which notice was served, and the expense thereof shall be paid by the city.

SEC. 5. The Sewer Inspector shall receive fifty dollars per month for his services.

SEC. 6. This ordinance shall take effect and be in force from and after its passage and publication as required by law.

Passed, approved, adopted and ordered published by the Board of Trustees of the city of San Diego, California, this 3d day of December, 1887, by the following vote: Trustee Julian, yea; Trustee Valle, yea; Trustee Woolman, yea; Trustee McKee, absent; Trustee Hamilton, yea.

(Seal) M. D. HAMILTON,
President of the Board of Trustees of the city of San Diego, California.

Attest: J. A. THOMAS,
City Clerk and Clerk of said Board.

Mr W. G. Wheeler appears before the Board and calls its attention to the manner of laying the sewer to the reservoir in the bay, suggesting that the Board purchase of Mr Dunn, the wharf out to the reservoir and fasten the sewer pipe to the piles of the wharf, instead of lay it on the bottom of the bay. On motion the matter is referred to the Harbor and Wharf Committee.

The following Ordinance in relation to the appointment of a Harbor Master of the bay of San Diego, and his duties as such, is read, and on motion of Trustee Julian, seconded by Trustee Woolman, is passed, approved, adopted and ordered published by the following vote: Trustee McRae absent; Trustee Woolman yea; Trustee Valle yea; Trustee Julian yea; Trustee Hamilton yea. Said Ordinance being in words and figures as follows, to wit:

ORDINANCE NO. 157.

An Ordinance in relation to the appointment of a Harbor Master of the bay of San Diego, and his duties as such.

THE BOARD OF TRUSTEES OF THE CITY of San Diego do ordain as follows:

SECTION 1. The office of Harbor Master of the bay of San Diego is hereby created. The Harbor Master shall be appointed by the Board of Trustees. The Harbor Master shall receive such compensation for his services as the Board of Trustees shall designate.

SEC. 2. No vessel must be anchored or moored, except for temporary purposes compelled by stress of circumstances, within the following limits: Within five hundred (500) feet of a line drawn from the west end of the Santa Fe wharf south along the pipe line to Coronado Beach. Within 500 feet in front of any wharf. There must always be a space 500 feet wide in the channel, kept clear of all vessels, from the southeast end of Pacific Coast Steamship Company's wharf and the southwest corner of the Santa Fe wharf. Vessels that discharge on floats between the Santa Fe wharf and the Pacific Coast Steamship Company's wharf must be moored head and stern while discharging or loading. A clear channel

must always be kept for deep-laden ships to pass through to National City.

SEC. 3. The Harbor Master shall have a general supervision of all vessels while in the bay of San Diego and he shall arrange proper convenience for their mooring and anchorage so as best to avoid collisions and other accidents.

SEC. 4. All square rigged vessels when laying at the wharves when so required for common convenience shall keep their lower and topsail yards braced up by the in shore braces. All vessels laying at anchor in any part of the bay or harbor will display a well trimmed lighted lantern, at least twenty feet from the deck, from dark to daylight. Vessels passing in or out of the harbor at any time of night will also display the International regulation lights at all times.

SEC. 5. No substances that will sink or form a submarine deposit, will be allowed to be thrown into the harbor. Steamers especially will abstain from throwing ashes or cinders overboard in any part of the bay inside of the outer buoys. All vessels discharging or receiving ballast or coal to or from barges or wharves must provide a proper canvas or other contrivance between the receiving port and the barge to protect say wastage dropping in the water.

SEC. 6. The right of way will be according to the international code familiar to all seamen, and while steamers must give way to all sailing craft boats, and yachts must not insist on occupying the usual ferry routes and not always depend on large steamers giving way in narrow channels when deeply laden.

SEC. 7. The Harbor Master is instructed to make every provision in his power for the accommodation of commerce generally and to insist on having the several sections and ordinances complied with, notably section 5, which must be strictly observed. Copies of the harbor ordinance can always be furnished to masters of vessels on application. The Harbor Master will be allowed to appoint a competent deputy to act in his necessary absence.

SEC. 8. Every master, or other person, in charge of any vessel, must obey the orders of the Harbor Master in relation to locating, anchoring and mooring of vessels.

SEC. 9. Any person violating this ordinance shall be fined in any sum not to exceed \$200 or by imprisonment in the county jail not to exceed three months, or by both such fine and imprisonment.

SEC. 10. This ordinance shall take effect and be in force from and after its passage and publication as required by law.

Passed, approved, adopted and ordered published by the Board of Trustees of the city of San Diego, California, this 3d day of December, A. D. 1887, by the following vote: Trustee McRae, absent; Trustee Woolman, yea; Trustee Valle, yea; Trustee Julian, yea; Trustee Hamilton, yea.

[Seal] M. D. HAMILTON,
President of the Board of Trustees of the city of San Diego, California.

Attest: J. A. THOMAS,
City Clerk and Clerk of said Board.

The President of the Board now announces that the appointment of a Harbor Master will be in order and that the Board proceed to the nomination of candidates for that office. Trustee Julian nominates Capt. Geo. C. Loddal as a candidate, Trustee Valle nominates Capt. — McDonald as a candidate, Trustee Woolman nominates Capt. John Dillingham as a candidate. The nomination being closed, with Capt. Geo. C. Loddal, Capt. — McDonald and Capt. John Dillingham as candidates for the office of Harbor Master, the Board proceeds to ballot, and the ballot being cast, and the same canvassed it is found that Capt. Geo. C. Loddal received one vote, and Capt. McDonald received one vote and Capt. John Dillingham received two votes, none of the candidates receiving a sufficient number of votes, the Board proceeds to ballot again, and the ballot being cast and the same canvassed it is found that Capt. Loddal received one vote, Capt. McDonald received one vote, and Capt. Dillingham received two votes, none of the candidates receiving a sufficient number of votes the Board proceeds to ballot again, and the ballot being cast and the same counted it is found that Capt. Loddal received one vote, Capt. McDonald received one vote and Capt. Dillingham received two votes, none of the candidates receiving a sufficient number of

votes the Board proceeds to ballot again, and the ballot being cast, and the same canvassed it is found that Capt Lovdal received one vote, Capt. None of the candidates receiving a sufficient number of votes the Board proceeds to ballot again, and the ballot being cast and the same canvassed it is found that Capt. Lovdal received one vote, Capt. McDonald received one vote and Capt. Dillingham received two votes. None of the candidates receiving a sufficient number of votes for appointment, and it appearing to the President of the Board that a Harbor Master can not be appointed at this meeting, he orders that the matter be laid over until the next meeting of the Board.

Mr J. L. Palmer, ^{City Assessor,} appears before the Board and states that Block 153 Hortons Addition is assessed on the Assessment Rolls for this year, a great deal higher than adjoining lots and block just as valuable, and that the extra value of said block 153 was caused by being raised by the Board of Equalization when it should not have been, and asks that the same be rectified, On motion of Trustee Valle, seconded by Trustee Julian it is ordered that the assessed value of Block 153 be corrected, to correspond with adjoining blocks.

A petition, signed by J. P. Davis and twelve other property holders on 14th street, requesting the Board to take into consideration the immediate grading of 14th street from 26 street to the City Park, having regard to the grade established which will be most beneficial to all parties concerned, Grade as now established to be reviewed by the City Engineer - as per order of City Trustees, is read and on motion of Trustee Julian, seconded by Trustee Woolman, it is ordered that the petition be granted and the City Engineer is instructed to establish the grade of said 14th street.

On motion of Trustee Julian, seconded by Trustee Valle it is ordered and the Supt. of Streets is directed to put culverts on all graded streets where it may be necessary.

On motion of Trustee Valle, seconded by Trustee Julian, it is ordered and the Supt. of Streets is directed to take dirt from 15th street, where the grade will have to be cut down, and cover the sewer pipes on said 15th street.

The following Ordinance establishing the grade of Fifth street, is read and on motion of Trustee Valle, seconded by Trustee Julian, is passed, approved, adopted and ordered published by the following vote: Trustee Julian yea; Trustee McRae absent; Trustee Valle yea; Trustee Hamilton yea; Trustee Woolman yea. The following ^{written} report from the City Engineer, on the proposals received for the grading of 20th, 21st I and J streets, to wit:
 San Diego, Dec 2, 1887.

To the Hon. Board of Trustees
 of the City of San Diego,
 Gentlemen,

I would respectfully report, that, from information derived from property owners along the line of 20th, 21st, I and J streets, all are in favor hurrying the grading of said streets, even at the price of one dollar per yard. I think the work on I ^{and J} streets will be done at a less price, but on 20th and 21st streets I think that price not excessive, I would, therefore advise letting the contract for 21st street to Mr Chilton at his price.

Respectfully submitted

O. W. Sanford
 City Engineer.

In the matter of grading 21st Street } On motion of Trustee M' Rae, seconded by Trustee Julian, it is ordered that the proposal of Jacob Chilton and Sons to do the grading of 21st for the prices named in their proposal, to wit: Excavation \$1.00 per cubic yard, Embankment, other than that made by the excavation, if any, 50 cents per cubic yard. Haul per cubic yard for each 100 feet above the first 100 feet .02 cents, be accepted, and the contract to do said work, be and the same is hereby awarded to the said Jacob Chilton and Sons, ^{for the prices named} and the Clerk of this Board is directed, ^{to} give notice of this award as required by law.

In the matter of grading I street. } On motion of Trustee M' Rae, seconded by Trustee Julian, it is ordered, that the proposal of Jacob Chilton and Sons to do the grading of I street, for the prices named in their proposal, to wit: Excavation, \$1.00 per cubic yard, Embankment, other than that made by the excavation, if any, 50 cents per cubic yard. Haul per cubic yard for each 100 feet above the first 100 feet .02 cents, be and the same is hereby accepted, and the contract to do said grading, be and the same is hereby awarded to Jacob Chilton and Sons for the prices named, and the Clerk of this Board is directed to

~~give notice of this award as required by law.~~

~~In the matter of }
grading J street. } On motion of Trustee M Rae, seconded by

Regular Meeting

Office of the Board of Trustees of the City
of San Diego, California, December 15th, 1887.

The Board of Trustees of the City of San Diego, Calif., met this day at 7.30 o'clock P.M. pursuant to Ordinance fixing the time and place of the meeting of the Board.

Present Trustees Hamilton, McRae and Valle and Clerk Thomas. Absent Trustees Julian and Woolman.

President of the Board M. D. Hamilton presiding.

A petition, from A. Klauber, S. Steiner, D. Choate and Fred L. Castle, for a street railroad franchise, permitting them to construct and maintain a street railroad over and upon the following streets: Beginning at the intersection of D and 12th streets, running thence on D to 15th, thence north on 15th, to C, thence east on "C" to 18th, thence on 18th north to the intersection of 18th with the south line of the City Park, is presented by Messrs Parrish and Mossholder, attorneys for Petitioners, and read. Also a drafted Ordinance granting said franchise, petitioned for, which on motion are referred to the Street Committee and City Attorney.

A petition, from Geo. H. Scrippen and Frank P. Johnson, for the right to run cars suitable for the transportation of either passengers or freight and the right to carry both passengers and freight upon and over the entire lines of street railroad

laid down in Ordinance No. 155, for a term of thirty years from the adoption by this Board, of said Ordinance No. 155, is presented by Messers Conklin and Hughes, attorneys for Petitioners, and read, also a drafted Ordinance, is submitted, granting said right petitioned for, which on motion are referred to the Street Committee and City Attorney.

In the matter of the application of the San Diego and Cuyamaca Railway Co, for a Wharf Franchise. } Mr W. H. Conklin appears before the Board and makes application in behalf of the San Diego and Cuyamaca Railway Co, for a wharf franchise, to construct a wharf and pier on land bordering on the Bay of San Diego, in the City of San Diego, California, commencing at the intersection of the center line of N Street and high water on said Bay, in said City, and according to the petition, with maps attached, showing the location of and plans of said wharf and pier, filed with this Board on the 17th day of November 1887. The affidavit of W. L. Vestal, Principal Clerk of the San Diego Sun, a newspaper published in the City of San Diego, County of San Diego, State of California, showing that a notice, that this application for a wharf franchise, would be made at this time and place, was published in said newspaper from the 17th day of November 1887, to the 15th day of December 1887, both dates inclusive, in the regular and entire issue of every number of the paper during the period and times of publication, and that said notice was published in the newspaper proper and not in a supplement, is read. Also the affidavit of J. H. Hughes, showing that on the 17th day of November 1887, he posted three copies of said notice in three public places in the Township of San Diego, State of California, viz: at the corner of 5th and H streets, at the office of Wells, Fargo, Co's Express and at the door of the Post Office. A drafted Ordinance granting said wharf franchise is also submitted. On motion said application, affidavits and Ordinance are referred to the Harbor and Wharf Committee and City Attorney.

Judge Puterbaugh appears before the Board and presents a petition from the Directors of the Hospital of the Good Samaritan, representing that the petition presented to

this Board for land within the City Park for the use of said Hospital was granted in September last, but the land was not designated, and further representing that petitioners are anxious to proceed at once with such hospital work, and are delayed only by the necessity for knowing what land they may use, and requesting the Board to set aside and grant them the land described as follows: Beginning at a point on the east side of 18th street, at its intersection with the north line of the right of way granted to Steiner, Klauber and Choate, and thence easterly along the north line of such right of way, to the west side of 21st street, thence north fifteen hundred feet to a point in the Park; thence at right angles west to the east side of 18th street, or where such line would be if said street was extended north through the Park, and thence at right angles south fifteen hundred feet to the place of beginning, said tract lying within the limits of the City Park, On motion the petition is referred to the Land and Park Committee and the City Attorney.

The City Attorney reports that he has examined and approves the Ordinance granting the right to lay down water pipes in the City of San Diego, to the Point Loma Land, Loan and Town Company, said Ordinance is read and on motion of Trustee M'Rae, seconded by Trustee Valle is passed, approved, adopted and ordered published by the following vote: Trustee Hamilton yea; Trustee Julian absent; Trustee M'Rae yea; Trustee Woolman absent; Trustee Valle yea; Said Ordinance being in words and figures as follows, to wit:

ORDINANCE NO. 166.

An Ordinance granting to the Point Loma Land, Loan and Town Company the right to lay down and maintain water mains and pipes in the City of San Diego.

THE BOARD OF TRUSTEES OF THE CITY of San Diego do ordain as follows:

SECTION 1. There is hereby granted to the Point Loma Land, Loan and Town Company, a corporation organized under the laws of the State of California, the right to lay down and maintain in the streets and alleys of the City of San Diego mains, pipes and conduits for the purpose of conveying and conducting water through and along said streets, and for that purpose to dig and excavate all ditches necessary for the reception of such pipes and mains; and to sell and dispose of water in the City of San Diego under the restrictions imposed by law.

Sec. 2. All ditches shall be laid down, and all excavating done under the direction of the City Engineer and Superintendent of Streets of the City of San Diego.

Sec. 3. All excavating shall be done and all pipes and mains so laid as to be no injury to the proper use of said streets and alleys or to the paving, planking or macadamizing of the streets or alleys; nor to private property situated thereon, and that the holders hereof will pay all damages done by them and replace the streets in as good condition as they were before being used by them.

Sec. 4. The rights and privileges hereby granted to continue for the space of twenty-five years. Passed, approved, adopted and ordered published by the Board of Trustees of the city of San Diego, State of California, this 15th day of December, A.D., 1887, by the following vote: Trustee Hamilton, yea; Trustee Julian, absent; Trustee M'Rae, yea; Trustee Woolman, absent; Trustee Valle, yea.

[Seal] M. D. HAMILTON,
President of the Board of Trustees of the City of San Diego, California.
Attest: J. A. THOMAS,
City Clerk and Clerk of said Board.

In the matter of the Ordinance regulating the removal of buildings over and along the streets in this City, } The City Attor-

ney reports that he has examined and approves this Ordinance. Said Ordinance is read and on motion is referred back to the Street Committee.

In the matter of the application of Walter E. Shaw }
and H. W. Barham for a Quit Claim Deed to the "Pear }
Garden" in Block #10 of Old Town. } In this
matter the City Attorney presents the following report, which is
read, to wit:

San Diego Cal, Dec. 12th 1887.

To the Hon. Board of Trustees
of the City of San Diego Calif.

I have examined the abstract to
the "Pear Garden" in Block #10 Old Town and recommend
that a deed be made to the parties as prayed for. The
City having lost its title by the long adverse possession
of the petitioner and his grantors.

Harry L. Titus
City Attorney.

On motion of Trustee M' Rae, seconded by Trustee Valle
it is ordered that the report of the City Attorney be accepted,
and that the President of this Board execute a Quit Claim
deed to the said Walter E. Shaw and H. W. Barham to the
"Pear Garden" in Block #10 of Old Town.

In the matter of the petition of H. J. Christian }
for a Deed of Conveyance to Block #69 of Old San Diego } The following petition
from H. J. Christian, is read. Showing

1st. That on the 2nd day of March A. D. 1871, the City of San Diego,
acting by its Board of Trustees, sold E. G. Haight Block #69 of
Old San Diego, for the sum of ten dollars, as appears from the
record of proceedings of said Board, Book No. 1, at page 177.

2nd. That said E. G. Haight paid the consideration therefor, and
a deed of conveyance made by said Trustees to said Haight
was duly executed and delivered.

3rd. That your petitioner has bought and agreed to buy said
Block of land from the City's Grantee, E. G. Haight, but that pe-
titioner has discovered that the deed to said Haight has
never been recorded in the Records of San Diego County, and
said deed has become misplaced and cannot ^{now} be found.

Your petitioner therefore asks that the Hon. Board of Trustees do now make an order directing a proper Deed of Conveyance be executed, conveying all of the interest of said City, in and to Block #69 aforesaid to said E. S. Haight, to take the place of said Deed so lost - and will ever pray &c.

The City Attorney reports that he has examined this matter and recommend that deed be executed as asked for.

On motion of Trustee McRae, seconded by Trustee Valle the following resolution is passed, approved and adopted, to wit:

It appearing to the Board of Trustees of the City of San Diego, State of California, that the City of San Diego, acting by its Board of Trustees, did on the 2nd day of March A. D. 1871, sell to E. S. Haight Block No 469 of Old San Diego, that that the consideration therefor was duly paid by, and a Deed therefor duly executed and delivered to said Haight by said City acting as aforesaid - that said Deed has not been recorded, and is now lost. Be it therefore Resolved by the Board of Trustees of the City of San Diego, State of California, and it is hereby directed, that the President of this Board execute, acknowledge and deliver to said E. S. Haight a Quitclaim Deed, conveying all interest of said City of San Diego in and to said Block No 469 of Old San Diego in the City of San Diego, County of San Diego, State of California, according to the Official Map of the Pueblo Lands of San Diego, made by Jas. Pascoe in May 1870 - in lieu of, and to take the place of said Deed above referred to as lost.

The City Attorney states to the Board, that on account of some mistake made in the notice posted, of the resolution of intention of this Board to grade Beech Street, the former Contract

with J. J. Dunn to grade said Beech street is void.

The City Clerk presents his affidavit of posting a notice, inviting Sealed Proposals for the grading of Beech street, including the sidewalks thereof, and the entire crossings of said Beech street with the streets intersecting the same, from the West side of Atlantic street to the west line of the City Park, in the City of San Diego, according to the grade of said street, said sidewalks and crossings as established by Ordinance, except the crossings of said Beech street at its intersection with 3^d, 4th, 5th and 6th streets, and that portion of said Beech street between 5th and 6th streets, said affidavit, which is accompanied by a copy of the notice, showing that said notice was posted on the door of the Council Chamber of this Board, on the 9th day of December 1887, and remained so posted for the period of five days thereafter. On motion it is ordered that due proof has been made of the posting of a notice, inviting sealed proposals for the grading of said Beech street, as required by law.

The Clerk reports that one proposal has been received for the grading of said Beech street under the said notice given for such proposals, and the same on being opened is found to be from J. J. Dunn, who proposes to do the grading of said Beech street, from the west side of Atlantic street to the west line of City Park, and street crossings intersecting Beech street, except crossings of Beech street with 3^d, 4th, 5th and 6th streets, and that portion of Beech street between 5th and 6th streets, for the following prices, Excavation Eighty cents per cubic yard, Haul, per cubic yard for each 100 feet above the first 100 feet two cents. Timber Culverts, Timber in structure, including handling and workmanship, spikes, etc., complete \$50⁰⁰ per M., B.M. All work for which prices are given, to be completed on or before May 1st 1888. Said proposal is accompanied by a bond in the sum of \$1000.

On motion of Trustee M. Rae, seconded by Trustee Valle, it is ordered that the proposal of J. J. Dunn to do the grading of Beech street, be, and the same is hereby accepted, and the contract to do the grading of said Beech street, be and the same is hereby awarded to the said J. J. Dunn for the prices

named in his proposal. and the Clerk of this Board is directed to give notice of this award, as by law directed,

In the matter of the matter of the
 application of Wm H. Carlson and
 Frank J. Higgins for a wharf
 Franchise at Roseville.

The affidavit of W. J. Collier
 Printer of the publishers of "The Daily San Diegan," a daily
 newspaper printed and published in the City, ^{and County} of San Diego, State
 of California, showing that a notice, was published in said news-
 paper from the 7th day of September 1887, to the 6th day of October
 1887, both dates inclusive, in the regular and entire issue of
 every number of the paper during the period and times of publica-
 tion &c, &c, that Wm H. Carlson and Frank J. Higgins would
 apply to this Board on the 6th day of October 1887, at 7.30 o'clock,
 or as soon thereafter as the matter can be heard, for authority
 to construct a wharf, and to take reasonable tolls and wharfage
 for the use of the same, for the period of twenty years. Said
 wharf to be constructed on and from land bordering on a portion
 of that navigable water known as the Bay of San Diego, in the County
 of San Diego, State of California, being partly in the Bay of San Diego and
 partly in Roseville, and fully described in the written application, with
 maps and plans thereto annexed, on file in the office of this Board,
 also the affidavit of Wm H. Carlson, showing that he posted three notices

 President

Office of the Board of Trustees of the City
of San Diego, California, December 17th 1887,

The Board of Trustees of the City of San Diego, California,
met this day at 7.30 o'clock P.M. pursuant to adjournment.

Present Trustees M. Rae, Julian Hamilton and Valle and
Clerk Thomas. Absent Trustee Woolman.

President of the Board M. D. Hamilton presiding.

In the matter of the application of the
National City and Otay Motor Railway Co }
for a franchise on N. street. } A petition signed
by ninety four property owners on or near N. street, is read,
remonstrating against the granting of a franchise to
the National City and Otay Motor Ry on said N. street.

Mr S. C. McCormick and others appear before the Board
in support of the remonstrance and give evidence pro
and con in the matter and Mr Wallace Dickinson and
attorney Henderson appear in support of the application
for said franchise, and give evidence pro and con
in relation thereto. The City Attorney reports that he has
examined and approves the ordinance granting the
franchise, applied for, by the said National City and
Otay Motor Ry, with recommendation that old route
between same points be revoked as to use of steam.

In this matter the street committee reports that it
is not in favor of granting the franchise. At the request
of attorney Henderson, on behalf of said Railway Co, the appli-
cation is re-referred to the Street Committee.

Trustee Woolman took his seat in the Board, during
the reading of the remonstrance against the granting
of the franchise to the National City & Otay Ry, Co, on
N. street.

On motion of Trustee Julian, seconded by Trustee Woolman
it is ordered that the squatters on Atlantic and Arctic
streets be removed therefrom.

In the matter of the application of Wm Kehoe }
to lease 1 1/2 of Lot 9, Block 303 of Middletown. } On motion of

Trustee Julian, seconded by Trustee M' Rae, it is ordered that a lease, for the term of one year, be given to Wm Kehoe of South 1/2 of Lot 9, Block 303 of Middletown at a rental of one dollar per month, and the City Attorney is instructed to draw up the necessary papers.

Detective Tom Keller appears before the Board and asks that the City furnish the District Attorney, help to prosecute Captain Nelson, of the steamer Carlos Pacheco, for the throwing of the bomb on the ship Otago. On motion the matter is referred to the City Attorney.

In the matter of removal of the Indians from the lower part of the City. } On motion of Trustee Julian, seconded by Trustee M' Rae, the City Attorney is instructed to have the Indians remove to the North East corner of the City Park.

The following Ordinance amending Ordinance No 92, is read and on motion of Trustee M' Rae, seconded by Trustee Woolman is passed, approved, adopted and ordered published by the following vote: Trustee M' Rae yea; Trustee Woolman yea; Trustee Julian yea; Trustee Hamilton yea; Trustee Valle absent. Said Ordinance being in words and figures as follows, to wit:

The Board of Trustees of the City of San Diego, California,  
met this day at 7.30 o'clock P.M. pursuant to adjournment.

Present Trustees Hamilton, M'Rae and Julian and Clerk  
Thomas. Absent Trustees Woolman and Valle.

President of the Board M.D. Hamilton presiding.

The City Clerk presents and reads the affidavit of John L. Moran,  
Principal Clerk of "The San Diego Union," a newspaper printed  
and published in the City and County of San Diego, California,  
showing that a notice of the resolution of intention, passed by  
the Board of Trustees of the City of San Diego, Calif. on the 17<sup>th</sup> day  
of Nov. 1887, to construct culverts, curbs and gutters on and to grade  
Fir street, including the sidewalks thereof, and the entire cross-  
ings of said Fir street with the streets intersecting the same,  
from the east side of California Street to the west line of the  
City Park in the City of San Diego, according to the grade of said  
street, said sidewalks and crossings as established by Ordinance,  
except the grading of the crossings of said Fir street with India,  
1<sup>st</sup> 2<sup>d</sup> 3<sup>d</sup> 4<sup>th</sup> and 5<sup>th</sup> streets &c, was published in said  
newspaper, from the 23<sup>d</sup> day of November 1887, to the 28<sup>th</sup>  
day of November 1887, both dates inclusive, in the regular  
and entire issue of every number of the paper during the  
period and times of publication &c,

Also the affidavit of Bernard King Superintendent of  
Streets, showing that on the 25<sup>th</sup> day of Nov. 1887, he con-  
spicuously posted along the line of Fir street, from the  
east side of California Street to the west line of the City  
Park in the City of San Diego, said notice of resolution of  
intention to grade Fir street, as by law required. On motion  
it is ordered that due proof has been made of the publi-  
cation and posting of the notice of the resolution of inten-  
tion to grade Fir street. And it appearing to this Board  
that no objections, written or otherwise has been made  
to this Board, objecting to the grading of said Fir street  
from the east side of California Street to the west line of  
the City Park, or any part thereof, in the City of San Diego, Cal,  
Therefore on motion of Trustee M'Rae, seconded by Trustee  
Julian it is ordered and the Clerk of this Board is hereby

directed to advertise, by posting a notice hereof, on the door of the Council Chamber of this Board, that sealed Proposals will be received by the City of San Diego, Calif., up to the hour of 7.00 o'clock P.M. on the 10th day of January 1888, at the room of the Board of Trustees of said City, for constructing Culverts, curbs and gutters on and grading Fir street, including the sidewalks thereof, and the entire crossings of said Fir street with the streets intersecting the same, from the east side of California street to the west line of the City Park in the City of San Diego, according to the grade of said street, sidewalks and crossings, as established by Ordinance, except the grading of the crossings of said Fir street with India, 1<sup>st</sup>, 2<sup>d</sup>, 3<sup>d</sup>, 4<sup>th</sup>, and 5<sup>th</sup>, streets. Culverts, curbs and gutters to be constructed of wood. That all proposals offered shall be accompanied by a check, payable to the order of the President of the Board of Trustees of said City, certified by a responsible Bank, which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for said amount, with condition that the bidder will carry out the terms of his bid, signed by the bidder and two good sureties, who shall justify before an officer competent to administer oaths, in double said amount, over and above all statutory exemption, and all proposals to be endorsed "Proposal to grade Fir street."

Trustee Woolman now takes his seat in the Board.

Mr Bryant Howard appears before the Board in the matter of the grant of five acres of land in the City Park to "The Woman's Home Association"; and presents a drafted deed for said land, and requests the Board to instruct the President to sign the same.

On motion of Trustee Julian, seconded by Trustee M' Rae, and by the unanimous vote of the Board, it is ordered and the President of this Board is hereby instructed to sign and deliver the deed granting to The Woman's Home Association the following described land, Beginning at a point where the west line of Seventeenth street intersects the South line of the City Park, running thence west 376 feet, thence north 580 feet, thence East 376 feet, thence South to the point of beginning, containing five acres of land more or less. The said tract of land is conveyed to said

Mr Phipson appears before the Board and requests that he refunded the taxes paid on the south half of Block 36 of Middletown, which he sold to the City for school purposes.

The City Attorney states to the Board that the taxes can not be returned, legally, and no action is taken in the matter,

The City Attorney reports that the Ordinance granting, A. Klauber, S. Steiner, D. Choate and Fred L. Castle a franchise to construct and operate a Street Railroad is legally drawn, said Ordinance is read and on motion of Trustee M. Rae, seconded by Trustee Woolman is passed, approved, adopted and ordered published by the following vote: Trustee M. Rae yeas; Trustee Hamilton yeas; Trustee Woolman yeas; Trustee Julian yeas; Trustee Valle absent. Said Ordinance being in words and figures as follows, to wit:

#### ORDINANCE NO. 169.

An Ordinance granting the right to construct and maintain a street railroad in the City of San Diego to A. Klauber, S. Steiner, D. Choate and Fred L. Castle, being from Twelfth street on D to Fifteenth; on Fifteenth to C; on C to Eighteenth; on Eighteenth to intersection of Eighteenth with south line of City Park.

AN APPLICATION HAVING BEEN MADE to the Board of Trustees of the City of San Diego by A. Klauber, S. Steiner, D. Choate and Fred L. Castle, for a franchise giving them the right to construct and maintain a street railroad, over and upon certain streets in said city, and it appearing that the public good and convenience will be promoted by granting to said parties the right as prayed for:

Now, therefore, the Board of Trustees of the City of San Diego do ordain as follows: That there is hereby granted to A. Klauber, S. Steiner, D. Choate and Fred L. Castle, the right to construct and maintain a street railroad within the City of San Diego, commencing at the intersection of D street with Twelfth street, running thence on D street to Fifteenth street, on Fifteenth street to C street, thence on C street to Eighteenth street, thence north on Eighteenth street to the south line of the City Park, to form a junction with the Klauber, Steiner, Choate and Castle Motor Line.

This franchise being granted to the said A. Klauber, S. Steiner, D. Choate and Fred L. Castle upon the following terms and conditions, to-wit:

1. Said road shall be constructed throughout the entire length in the center of the street along or over which it passes, or as near thereto as practicable; provided that the Board of Trustees may at any time order and require any changes to be made in the line of said road where switches and turnouts are located.

2. Said road shall be constructed with such a rail as shall be previously approved by the Board of Trustees, and in such a manner as to cause the least possible obstruction to the use of said streets.

3. Said grantees or their assigns shall plank, pave or macadamize the entire length of said route between the rails, and for two feet on each side thereof, to correspond with said streets, when the same shall be paved or macadamized, and shall keep the same constantly in repair, flush with the grade of the streets, or the natural surface of the streets between the rails, and for two feet on each side thereof, whether said streets are paved or macadamized or not, and provided with good crossings for all kinds of vehicles, and with all necessary flumes and culverts for the free and uninterrupted passage of water under said track.

The track shall be four feet, eight and one-half inches between the rails, and there shall be a space between the main tracks and side tracks, turnouts and switches sufficient to allow cars to pass each other freely and without danger. And where said streets are not paved or macadamized, side tracks shall be girded by a plank on each side of the rails (not less than eight inches wide, and which shall be grooved and fitted closely to the rail, and must not be more than three-fourths of an inch below the top of the rail at crossings), and when the Board of Trustees so order, the same shall be girded by a plank on each side of the rails and full length of said road.

4. The laying of said track and all side tracks, switches or turnouts shall conform in all cases, where the grade of any said streets has been established and such streets graded, to such grade, and in all cases as near to the natural grade of said streets as practicable, and when, at any time any part of the route shall be graded, or the grade thereof changed or altered by the Board of Trustees, the bed of the road and the tracks thereof shall be made to conform therewith.

Provided, that no switch shall be constructed or maintained within fifty feet of any cross street, and the location of such switches or turnouts shall be changed at the cost of the holder of this franchise, whenever so ordered by the Board of Trustees.

5. Said road shall be constructed under the direction and supervision of the City Engineer, who shall, under the direction of the Board of Trustees, designate the direction of the line of the road, and the grade of the streets along the line. And for the services of the City Engineer he shall receive such fees as are customary for such services, and the same shall be paid by the holders of this franchise.

6. The rate of fare along said road shall at no time exceed 5 cents for one passenger.

7. The owners of said road shall pay to the City of San Diego such license for each car as may be required by any ordinance of said city.

8. Said road shall be commenced within five days, and completed from said point of commencement to the said point of termination within six months; and any portion of said road not fully completed, equipped, stocked, and in running order, within one year after the passage and publication of this ordinance, will have created a forfeiture of the rights and privileges granted by this ordinance, so far as the uncompleted portion is concerned.

9. The rights hereby granted are to continue for a term of thirty years from and after the adoption of this ordinance.

The city, in granting this franchise, expressly reserves the right to grade, renew, sewer, pave, macadamize, improve, alter or repair all or either of said streets, or any part thereof, or to lay down, or to permit any other person or company to lay down pipes for water, gas or other purposes, such work to be done so as to obstruct or injure said road as little as possible; the owners of said road shall shift and re-shift their road-bed and rails so as to avoid obstructions made thereby.

Any failure of said grantees or their assigns to construct, maintain or manage said road as required by this ordinance, or to comply with any of the requirements or conditions thereof, is hereby made unlawful, and for such failure, and for any such failure or other violation of any of the requirements or conditions of this ordinance, said grantees shall pay to the City of San Diego not less than \$25 nor more than \$300, to be recovered by an action in the name of said city.

The said road to be operated by horse power, or any other power allowed by law, except steam, or that may be.

Passed, approved, adopted, and ordered published by the Board of Trustees of the City of San Diego, California, this 29th day of December, A. D. 1887, by the following vote: Trustee McKee, yeas; Trustee Valle, absent; Trustee Hamilton, yeas; Trustee Woolman, yeas; Trustee Julian, yeas.

**ORDINANCE NO. 170.**

An Ordinance granting to George H. Crippen and Frank P. Johnson, of the City of San Diego, California, the right to run cars suitable for the transportation of either passengers or freight over their street railroads in said city, as they are fully set forth in Ordinance No. 155.

WHEREAS, THERE WAS PASSED BY this Board on the 2d day of December, 1887, Ordinance No. 155, granting to George H. Crippen and Frank P. Johnson, all of the City of San Diego, and to their heirs and assigns, the right to construct, operate and maintain street railroads in the City of San Diego as follows, to-wit:

Commencing at the crossing of First and With-  
erby streets in Middletown, and thence extending  
along First to Taylor street in Old Town; thence  
running across the most available and direct  
street that is laid off across pueblo lots No. 303,  
316, 238, to Spring street, in Hayes' addition;

along Spring street and Front street to Twenty-  
sixth street in Roseville; along Twenty-sixth  
street in Roseville to Main street, and thence  
along Main to First street in Roseville; along  
First street to the water front; also along Jack-  
son and Taylor streets to the Washington Square  
in Old Town.

Now, therefore, the Board of Trustees of the  
City of San Diego do ordain as follows:

SECTION 1. That there is hereby granted to the  
said George H. Crippen and Frank P. Johnson,  
their heirs and assigns, the right to run cars suit-  
able for the transportation of either passengers  
or freight, and the right to carry both passengers  
and freight, upon and over the entire lines of said  
street railroad laid down in said Ordinance No.  
155, and hereinbefore fully set out, for a term of  
thirty years from the adoption by this Board of  
said Ordinance No. 155.

Passed, approved, and adopted and ordered pub-  
lished by the Board of Trustees of the City of San  
Diego, California, this 29th day of De-

AN APPLICATION HAVING BEEN MADE  
to the Board of Trustees of the City of San  
Diego, County of San Diego, State of California,  
by the San Diego and Cuyamaca Railway Com-  
pany, a corporation duly organized under the gen-  
eral laws of the State of California, hereinafter  
styled the applicant, for a franchise, giving it  
and its assigns the right to construct and main-  
tain a wharf and pier upon the water front of  
said city, at the place, in the manner and upon  
the conditions set forth in said application, filed  
on the 17th day of November, 1887, with the  
Clerk of said Board, and it appearing to the  
Board that said application is in due form and  
substance, and was filed as required by law, with  
applicant's certified articles of its incorporation,  
together with its plan of the wharf and pier pro-  
posed to be constructed, and the land within 300  
feet thereof, and a map of all waters and the name  
and locality thereof, with the adjoining lands;  
and due proof having been made to the said  
Board of the publication and posting of the notice  
of its said application, and the Board aforesaid  
being fully satisfied that said notice is good and  
sufficient, and has been posted and published as  
required by law, and having fully heard and con-  
sidered the allegations of said application, and  
the proofs in support thereof, and it appearing  
therefrom that the applicant is a corporation  
duly and legally organized, existing and doing  
business in the State aforesaid, under the general  
laws of the said State of California; and it fur-  
ther appearing therefrom that the public good

will be promoted by granting said application,  
now, therefore, the Board of Trustees of the City  
of San Diego do ordain as follows:

Section 1. That the said applicant, the San  
Diego and Cuyamaca Railway Company, and its  
assigns, shall have, and they are hereby granted  
the right and authority to construct and maintain  
a wharf and pier at and in the location hereinaf-  
ter described, together with the right to collect  
and take toll for the use of the same for twenty  
years from the date of the passage of this ordi-  
nance.

Sec. 2. That said wharf or pier shall be con-  
structed on and from land bordering on a portion  
of that navigable water known as the Bay of San  
Diego, in the County of San Diego, State of Cali-  
fornia, and located as follows, to-wit: Com-  
mencing at the intersection of the center line of  
N street, and high water mark on the said Bay of

23 minutes, east 1,500 feet, to place of begin-  
ning, being partly in the Bay of San Diego and  
partly in Horton's addition to said city as afore-  
said; said wharf and pier to be about 2,075 feet in  
length.

Sec. 3. That said applicant shall have, and is  
hereby granted the right of way and all necessary  
uses for the purposes of said wharf and pier, of

all overflowed, submerged or tide lands in the lo-  
cation above described, belonging to the State of  
California, and which comprises 143,387.5 square  
feet, or thereabouts, together with the right to  
have, unincumbered and unobstructed, the land  
and water on each side of said wharf, from high  
water mark to navigable waters, a distance of 150  
feet, for convenience in landing, loading and un-  
loading vessels, but for no other purpose.

Sec. 4. That the said wharf and pier shall be  
constructed of redwood and Oregon pine, or of  
iron, concrete and redwood and Oregon pine, in a  
substantial and workmanlike manner, and to the  
satisfaction of this Board of Trustees, and shall  
be constructed under the direction and supervi-  
sion of the City Engineer.

Sec. 5. That said applicant shall commence  
the construction of said wharf and pier within  
four months from the passage of said ordinance,  
and fully complete the same within two years  
thereafter.

Sec. 6. That said wharf and pier shall not ex-  
tend (anything contained herein to the contrary  
notwithstanding) into the waters of said bay  
so far as to obstruct the free navigation of the  
same.

Sec. 7. That the Clerk of this Board shall  
make a proper record of this ordinance and cause  
the same to be published for the time and in the  
manner required by law.

The City Attorney reports that the Ordinance granting the San Diego Street Car Company the right to use steam as a motive power on N street is legally drawn. Said Ordinance is read and on motion of Trustee McKee, seconded by Trustee Julian is passed, approved, adopted and ordered published by the following vote: Trustee McKee yea; Trustee Woolman yea; Trustee Julian yea; Trustee Hamilton yea; Trustee Valle absent. Said Ordinance being in words and figures as follows, to wit:

**ORDINANCE NO. 172.**

An Ordinance authorizing the San Diego Street Car Company, as assignee of W. J. Keller and C. E. Keller, under Ordinance No. 83, to use steam as a motive power upon N street in the City of San Diego.

WHEREAS, THE BOARD OF TRUSTEES, by Ordinance No. 83, duly passed, approved and adopted on the 16th day of June, 1887, granted to W. J. Keller and C. E. Keller the right of way for the purpose of constructing, laying down and operating a street railroad in certain streets and along and upon N street from Ninth to Thirty-second streets in said city; and requiring that said railroad shall be operated by electricity, cable, horse-power, or steam, as the Board of Trustees shall at any time direct; and, whereas, the San Diego Street Car Company, by duly recorded assignment, became and now is the owner of that portion of said franchise existing on N street between Ninth and Twenty-second streets; and it appearing that said assignee has complied in all respects with the requirements

and conditions imposed upon said W. J. Keller and C. E. Keller by said Ordinance No. 83:

Now, therefore, the City of San Diego, by and through its Board of Trustees, ordains as follows:

Section 1. That the San Diego Street Car Company is hereby directed and authorized to use steam as the motive power upon the line of their railway in the City of San Diego, upon N street between Ninth and Twenty-second streets.

The City of San Diego reserves the right to prohibit the use of steam as the motive power on said road at any time.

Sec. 2. That the authorization by this ordinance given shall in no wise extend or abridge any rights, privileges, conditions or requirements appertaining to or imposed upon said W. J. Keller and C. E. Keller under Ordinance No. 83, or their assignee, the San Diego Street Car Company.

Passed, approved, adopted, and ordered published by the Board of Trustees of the City of San Diego, California, this 29th day of December, A. D. 1887, by the following vote: Trustee McKee, yea; Trustee Woolman, yea; Trustee Julian, yea; Trustee Hamilton, yea; Trustee Valle, absent.

In this matter the Street Committee reports against the adoption of the Ordinance, and on motion of Trustee Julian, seconded by Trustee Woolman the report of the Committee is accepted.

The City Attorney reports that the Ordinance granting Wm H. Carlson and Frank J. Higgins a franchise to construct a wharf and pier at Roseville is legally drawn, said Ordinance is read and on motion of Trustee Julian, seconded by Trustee McKee, is passed, approved, adopted and ordered published by the following vote: Trustee Hamilton yea; Trustee Julian yea; Trustee Valle absent; Trustee Woolman yea; Trustee McKee yea. Said Ordinance being in words and figures as follows, to wit:

#### ORDINANCE NO. 173.

An Ordinance granting a Wharf Franchise at Roseville, in the City of San Diego, County of San Diego, State of California, to William H. Carlson and Frank J. Higgins.

AN APPLICATION HAVING BEEN MADE to the Board of Trustees of the City of San Diego, County of San Diego, State of California, by William H. Carlson and Frank J. Higgins, hereinafter styled the applicants, for a franchise giving them and their assigns the right to construct and maintain a wharf and pier upon the water front of said city, at the place, in the manner, and upon the conditions set forth in said application, filed on the 7th day of September, 1887, with the Clerk of said Board, and it appearing to said Board that the petition of the applicants is in due form and substance, and was filed as required by law, together with the plan of the wharf proposed to be constructed, and the lands within three hundred feet thereof, with a map of all the waters and the name and locality thereof, with the adjoining lands; and due proof having been made to the said Board of the publication and posting of the notice of their said application; and the Board being fully satisfied that said notice is good and sufficient, and has been published and posted as required by law, and having fully heard and considered the allegations of said applicants and the proofs in support thereof; and it further appearing that the public good will be promoted by granting such application; now, therefore, the Board of Trustees of the City of San Diego, do ordain as follows:

Section 1. That the said applicants, William H. Carlson and Frank J. Higgins, and their assigns, shall have and they are hereby granted the right and authority to construct and maintain a wharf and pier, at and in the location hereafter de-

scribed, together with the right to collect and take toll for the use of the same for twenty years from the date of the passage of this ordinance.

Sec. 2. That said wharf and pier shall be constructed on and from land bordering on, and submerged by a portion of that navigable water known as the Bay of San Diego, County of San Diego, State of California, to-wit: Commencing at a point on the shore of the Bay of San Diego, on the west side of Twelfth street, 220 feet southerly from the southwest corner of Twelfth and Front streets; thence 825 feet southerly, following the course of the west side of Twelfth street; thence westerly 200 feet to a point 1,045 feet southerly of the southeast corner of Front and Eleventh streets, following the course of the east side of Eleventh street; thence 75 feet southerly, following the course of the east side of Eleventh street; thence 470 feet easterly to a point 1,120 feet southerly of the southwest corner of Front and Thirteenth streets, following the course of the west side of Thirteenth street; thence 75 feet northerly, following the course of the west side of Thirteenth street; thence 220 feet westerly to a point 1,045 feet southerly, following the course of a line drawn 20 feet westerly of the east side of Twelfth street, from a point on the south side of Front street 20 feet westerly of the southeast corner of Front and Twelfth streets; thence 825 feet northerly to a point 220 feet southerly of a point on the south side of Front street, 20 feet westerly of the southeast corner of Front and Twelfth streets, following the course of a line drawn 20 feet westerly of the east side of Twelfth street; thence 50 feet westerly to the point of commencement, being partly in the Bay of San Diego and partly in Roseville, according to the map thereof made by James Pascoe, in January, 1880, and filed in the Recorder's office of San Diego County, State of California, being a wharf with a pier 50 feet in width and 825 feet in length, and a front-head or wharf proper, 75 feet in width and 470 feet in length.

Sec. 3. That said applicants shall have and they are hereby granted the right of way, and all necessary uses for the purposes of said wharf and

pier, of all overflowed, submerged or tide lands in the location above described belonging to the State of California, and which comprises 8,500 square yards, or thereabouts, together with the right to have, unincumbered and unobstructed, the land and water on each side of said wharf from high water mark to navigable water, a distance of one hundred and fifty feet, for convenience of landing, loading and unloading vessels, but for no other purpose, and to said applicants is granted the right to have the use of the waters in front of said wharf to the line of ship channel of 26 feet of water, unobstructed and unincumbered.

Sec. 4. Said wharf and pier shall be constructed of redwood and Oregon pine; or of iron, concrete and redwood and Oregon pine, in a substantial and workmanlike manner, and to the satisfaction of the Board of Trustees, and under the direction and supervision of the City Engineer.

Sec. 5. That said applicants shall commence the construction of said wharf and pier within thirty days from the passage of said ordinance, and agree to construct one quarter of said wharf in amount by an expenditure of \$5,000 within six months, and fully complete the same within two years thereafter, forfeiting portion unbuild.

Sec. 6. That said wharf and pier shall not extend (anything contained herein to the contrary notwithstanding) into the waters of said Bay so far as to obstruct the free navigation of the same.

Sec. 7. That the Clerk of this Board shall make a proper record of this ordinance, and cause the same to be published for the time and in the manner required by law.

Passed, approved, adopted, and ordered published by the Board of Trustees of the City of San Diego, State of California, this 29th day of December, A. D. 1887, by the following vote: Trustee Hamilton, yea; Trustee Julian, yea; Trustee Valle, absent; Trustee Woolman, yea; Trustee McKee, yea.

M. D. HAMILTON,
