Dear Mr. Boyland and Mr. Shinzaki,

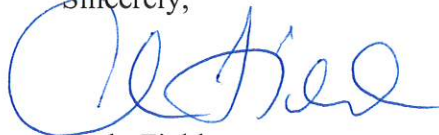

In two emails to the City of San Diego dated May 17, 2022 and July 6, 2022, you complained of wrongdoing by the Peninsula Tennis Club (PTC). You alleged that PTC violated their Special Use Permit (SUP) as follows:

- Allowing commercial use of the tennis courts at PTC for tennis lessons and allowing instructors to collect revenue onsite; and
- PTC is not following all state and federal laws for reporting employees, taxes and revenue.

The Parks and Recreation Department has concluded its investigation of these allegations and has directed PTC to cure those provisions of its SUP that have been violated.

Feel free to contact Peggy Furtado at (619) 235-1151 or via email at PFurtado@sandiego.gov if you have any questions or concerns about the information in this letter.

Sincerely,

Andy Field
Director
Parks and Recreation Department
