

DISTRICT 6 DISPATCH

CITY OF SAN DIEGO | JULY 2016

CHRIS CATE

Shelter of Hope

On my way to work on Thursday, June 2nd, I stopped to see my friend, Bill Earley, CEO of the American Red Cross in Kearny Mesa. Bill was living in a mock shelter to raise \$250,000 in funds and awareness for families in need.

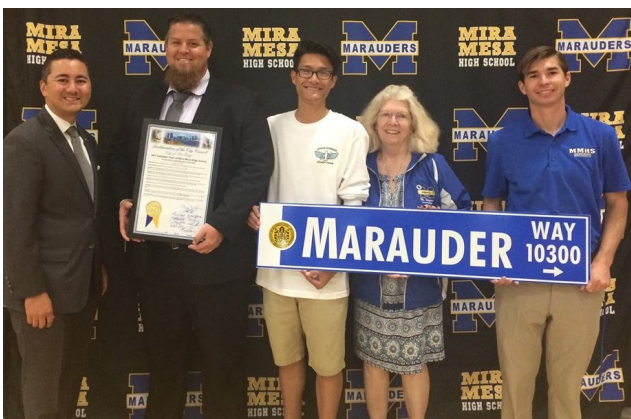

Clairemont Senior Center Luncheon

Located in the heart of Clairemont, the Clairemont Senior Center provides activities and services to those over the age of 60. Originally, the Senior Center was going to be excluded from the proposed Fiscal Year 2017 Budget. Fortunately, we successfully advocated for \$105,000 in funding, thereby saving Clairemont's sole Senior Center. I attended the Center's luncheon on Thursday, June 9th to celebrate.

Marauder Way

Prior to the Class of 2016 Breakfast on Friday, June 17th, Mira Mesa High School Officials and Seniors, Mira Mesa Town Council members, and I unveiled and dedicated street signs for the newly-renamed Marauder Way.

Tony Gwynn 5.5K

On Saturday, June 18th, AleSmith held the 2nd Annual Tony Gwynn 5.5K. A collaboration between AleSmith, the Gwynn family, and the Tony and Alicia Gwynn Foundation (TAG), proceeds went to TAG in support, to train and better the lives of the homeless, at-risk, and underprivileged folks throughout San Diego County.

Neighborhood Watch

On Tuesday, June 21st, Mira Mesa residents, along with the San Diego Police Department, and I installed new Neighborhood Watch signs on Canyon Point Lane. Neighborhood Watch programs are one of the most effective crime prevention programs in the nation.

Red Shoe Day

On Thursday, June 23rd, our D6 Team participated in the Ronald McDonald House Charities of San Diego's annual Red Shoe Day. We raised several hundred dollars for kids and families in need.
