

## Morena, Bay Park, and Clairemont

### Morena Conveyance South & Middle and Conveyance Bike Lanes Construction Alert

June 14, 2023

To learn more about projects in the Morena/Bay Park/Clairemont neighborhood, visit [morena.purewatersd.org](https://morena.purewatersd.org), call the project hotline at **833-MOR-PWSD (833-667-7973)** or email [purewatersd@sandiego.gov](mailto:purewatersd@sandiego.gov).

*Para informes en español, por favor comuníquese al **833-MOR-PWSD (833-667-7973)**.*

#### Looking Ahead: Work Progressing East On Clairemont Drive, Additional Traffic Control Will Be Set Up

Crews have made good progress in the last two weeks installing the new pipeline along Clairemont Drive. Starting next week, 6/19, crews will move east on Clairemont Drive and set up new traffic control to give themselves a space to work.

The new traffic control setup will be on Clairemont Drive, between Erie St. and Burgener Blvd. **Another E-Blast with more details on the exact traffic control setup will be sent in the coming days, as the plans are still being finalized.**

During daytime hours, crews will be working on trenching in the roadway. During nighttime hours, crews will be welding and completing other associated tasks to install the new pipeline.

As work progresses, crews will continue to move east up Clairemont Drive and the traffic control will move along with them. For your safety and the safety of the crews, please follow all posted signage when you're in the work zone. Bus stops located within the work zone will be temporarily relocated as-needed.

Within the work zone, please expect noise, dust, and construction equipment to be staged.

Day work hours will be from 7:30 a.m. to 4:30 p.m.  
If needed, night work hours will be from 9 p.m. to 5 a.m.

Construction notices are posted on [morena.purewatersd.org](https://morena.purewatersd.org). Please contact [purewatersd@sandiego.gov](mailto:purewatersd@sandiego.gov) or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and/or the Morena Conveyance South & Middle and Conveyance Bike Lanes project, and a team member will get back to you within one business day.

Visit the project website for more information

To forward this e-blast, [forward this link](#).

**Safety of the construction crews and community is our top priority.  
Please slow down near work sites and follow pedestrian instructions.**

### About Pure Water San Diego

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. Pure Water San Diego will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.

Phase 1 includes several projects that will clean recycled water to produce 30 million gallons per day (mgd) of high-quality purified water, reducing the City of San Diego's dependence on imported water.
