Young Marines Recruit Graduation

On Saturday, May 14th, the Young Marines held their graduation. The [Young Marines](#)' mission is to positively impact America's future by providing youth development programs for boys and girls.

District 6 Budget Briefing

On Wednesday, May 18th, we hosted our second annual D6 Budget Briefing at the SDG&E Energy Innovation Center in Clairemont.

The City of San Diego's Independent Budget Analyst, Andrea Tevlin, and I teamed up to provide several dozen residents with a "Sneak Peek" of Mayor Kevin L. Faulconer's Fiscal Year 2017 Proposed Budget.

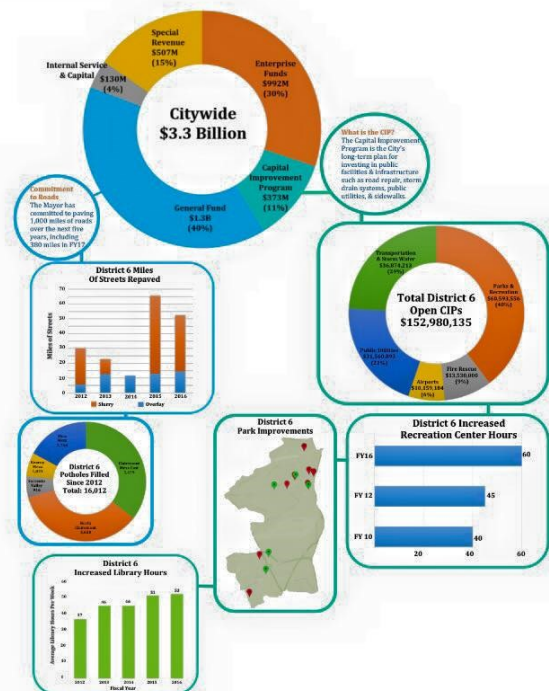

Prioritizing city services in an open, effective, and transparent manner will provide economic opportunity as well as safer and revitalized neighborhoods across San Diego.

D6 Night Market

On Saturday, May 21st, the region's largest night market returned for a second year. Night markets have historical roots dating back to 836 A.D. As our nation celebrated Asian-Pacific Heritage Month, it was fantastic to host the district's night market during the month where we have the opportunity to recognize the rich and diverse traditions and backgrounds of our Asian Pacific American neighbors and friends. www.D6NightMarket.com
