

SORRENTO VALLEY: I attended Junior Achievement of San Diego County's Inaugural **Junior Stock Market Challenge** at Qualcomm on May 2nd. The Stock Market Challenge was a unique and dynamic event simulating a live stock market competition.

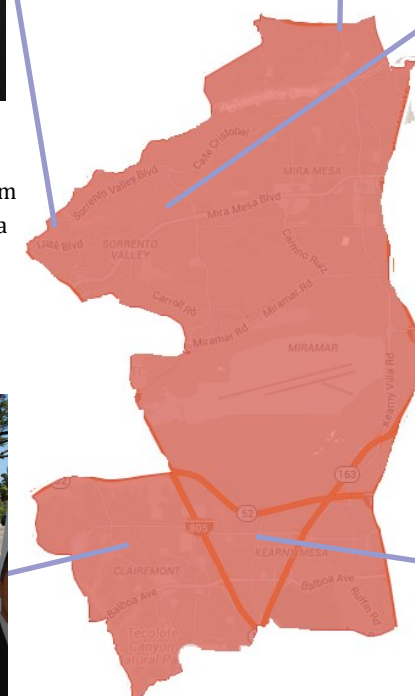

RANCHO PEÑASQUITOS: On May 7th, Maria and I attended the **PQ Fiesta**. Despite the rain, it was a great day to celebrate Rancho Peñasquitos.

MIRA MESA: On May 13th, I recognized Mira Mesa's **Volunteer of the Year**, Sabrina Bazzo. Sabrina has devoted her entire life to making the community of Mira Mesa a better place to live. Thank you, Sabrina!

CLAIREMONT: In partnership with **PAWS San Diego**, on May 20th, we held our inaugural community pet event. My office distributed 185 free emergency kits for dogs and 70 free emergency kits for cats.

KEARNY MESA/CONVOY: The **San Diego Asian Americans For Equality (SDAAFE)** invited me to speak on May 22nd about the Fiscal Year 2018 proposed budget and public safety.

Weather-Based Irrigation Controller (WBIC)

Save Water, Save Money

More than half of residential water is applied to home landscapes, however, many landscapes are overwatered due to sprinkler controllers that are not programmed properly.

Weather-Based Irrigation Controller (WBIC) systems use smart technology to optimize the use of water needed for irrigation.

“Conserving water is a way of life in San Diego, regardless of drought status. The weather-based irrigation controller systems that are part of this pilot program could save one million gallons of water annually. A WBIC will save water and reduce the homeowner’s water bills, all in an effortless manner,” stated Councilmember Chris Cate.

120 WBIC systems are available...for FREE!

Visit www.sandiego.gov/citycouncil/cd6/wbic and download your application today.
