RYLAND HOMES FOR PROJECT NO. 34-25C, FAIRBROOK  
NEIGHBORHOOD PARK GRADING AND HALF-WIDTH  
STREET IMPROVEMENTS, IN THE SCRIPPS MIRAMAR  
RANCH COMMUNITY**

THIS REIMBURSEMENT AGREEMENT (Agreement) is made and entered into between THE CITY OF SAN DIEGO, a municipal corporation (City) and RYLAND HOMES OF CALIFORNIA, INC., a California corporation (Developer), (collectively the Parties), for reimbursement for permitting and design of Project No. 34-25C, Fairbrook Neighborhood Park Development in the Scripps Miramar Ranch Plan area in accordance with the Scripps Miramar Ranch Public Facilities Financing Plan.

**RECITALS**

1. Developer is fee owner of approximately 12.09 acres of developed property in the City of San Diego. Developer certifies that it is developing its property subject to the requirements and conditions of the City Council of the City of San Diego (City Council).
2. The City Council granted Vesting Tentative Map (VTM) No. 98-1001 to the San Diego Unified School District (District) on October 19, 1999 by Resolution No. R-292323 and extended the VTM on November 14, 2006 by Resolution No. R-302092, subject to certain conditions determined to be necessary for the development of the District, or of a private developer in the event the District decided to sell its property.
3. On December 5, 2007, pursuant to VTM 8569 Condition No. 34, the City and the District entered into a Park Acquisition Reimbursement Agreement for Fairbrook Neighborhood Park, R-303227 (Park Acquisition Agreement) for the City to acquire 3.4 acres for a park site (the "Property") at fair market value within two years after the completion and acceptance of all public improvements at its property, unless such period of time was extended by mutual agreement. On June 26, 2012, the Developer purchased the Property from the District. The Park Acquisition Agreement was amended by the First Amendment to the Park Acquisition Agreement for Fairbrook Neighborhood Park (Amendment), approved on December 9, 2014, by Resolution R-309355. The Park Acquisition Agreement and the Amendment shall hereafter be referred to collectively as the Acquisition Agreement. Developer has satisfied all conditions and obligations of the Acquisition Agreement.
4. Pursuant to VTM 8569, Condition No. 35, Developer wishes to enter into this Agreement for the reimbursement of the permitting and design costs of the rough grading of the Property and half width street improvements adjacent to the Property. On October 25, 2012, by San Diego Resolution R-307788, the City Council adopted the Scripps Miramar Ranch Public Facilities Financing Plan and Facilities Benefit Assessment (FBA) for Fiscal Year 2013 (Financing Plan). The Financing Plan identifies Project No. 34-25C, Fairbrook Neighborhood Park-Grading and Half Width Street Improvements as shown in **Exhibit A**. Specifically, this Agreement relates to the permitting and design of an approximately three acre neighborhood park in the Scripps Miramar Ranch community as described in **Exhibit B** and depicted in **Exhibits C-1 and C-2**, which is referred to throughout this Agreement as the "Project."

EXHIBIT D

5. The Special Park Fee (SPF) for the Scripps Miramar Ranch Community was established pursuant to San Diego Municipal Code section 102.0406.06.1. The authority to collect the SPF was removed from the San Diego Municipal Code in 2000. SPF funds previously collected may be used to fund the Project, a previously approved park project for said SPF.

6. The Financing Plan estimate of \$1,357,000 , plus the applicable inflationary rate as set forth in the Financing Plan minus the City's Administrative Costs (as defined in section 2.4.5), and minus City's equipment expenditures, constitutes the total and maximum City funds potentially available for reimbursement for Project No. 34-25C. Of that amount, a maximum of \$175,000 is available for reimbursement for the Project that is the subject of this Agreement (Maximum Funds); any amount in excess of this amount shall not be reimbursed through this Agreement and shall constitute a Non-Reimbursable Cost. Developer is not automatically entitled to the Maximum Funds or any other reimbursement. Developer must satisfy all terms of this Agreement to become eligible for any portion of the Maximum Funds if and as they are collected and become available for reimbursement.

7. Developer certifies that it has completed the design and construction of the Project and now seeks reimbursement from City in an amount not to exceed \$175,000. Developer is unable to certify it bid and awarded contracts to complete the Project in accordance with the Charter and the rules, regulations, and laws promulgated thereunder as further set forth in Section 3.1, below. As a result, Developer will be reimbursed for the permitting and design costs as set forth in this Agreement.

NOW, THEREFORE, in consideration of the recitals and mutual obligations of the Parties, and for other good and valuable consideration, City and Developer agree as follows:

#### ARTICLE I. SUBJECT OF THE AGREEMENT

- 1.1 **Design and Construction of Project.** Developer certifies that it has completed the design and construction of an operational Project fully suited to the purpose for which it was intended and in accordance with approved Drawing No. 36936, this Agreement, the Construction Documents, the Plans and Specifications, the Financing Plan, and any other applicable agreement.
- 1.2 **Reimbursement.** City agrees to reimburse Developer for the Project subject to the terms and conditions of this Agreement.
- 1.3 **Certification Regarding Past Acts.** There exist and have existed certain requirements that City includes in its construction contracts for public improvements. These requirements are intended to protect the City and the public who benefit from these public improvements from harm, including physical and monetary, as well as to ensure that Developer and/or the contractor building the public improvement follow all laws related to such contracts and construction. This certification is intended to act as a guarantee by Developer to City that such requirements were met by the Developer during its design and construction of the Project. When, throughout this Agreement, Developer certifies that an action has occurred, omission was not made, a standard was met, or a law was followed and such action did not occur, omission happened, such standard was not met, or such law was not followed, then Developer shall indemnify and hold harmless the

City from any claim, demand, cause of action, cause, expense, losses, attorney fees, injuries, or payments arising out of or related to the act not done, the omission which occurred, the standard not met, or the law not followed in accordance with Article X. This section shall not act to limit the remedies otherwise available to the City under the law.

- 1.4 **Final Completion.** Developer shall provide verification to the City that the Project received Final Completion by providing all of the following: approved as-built plans, a signed final approved grading or public right-of-way permit, an acceptable capitalization form, and any required certificate of occupancy and/or property transfers (as defined in Section 8.1).

## ARTICLE II. REIMBURSABLE COST

- 2.1 **Reimbursable Cost.** The final total cost for the permitting and design of the Project for which Developer seeks reimbursement from City for the Project, including the Project Costs (as defined in Section 2.2) and Developer's Administrative Costs (as defined in Section 2.3) shall be an amount not to exceed one hundred seventy-five thousand dollars (\$175,000) (Reimbursable Cost), subject to verification as set forth in this Agreement. Developer acknowledges and agrees that it may not request, and is not entitled to any additional reimbursement in any form (including FBA credits) from City for the Project under any circumstance.

2.1.1 ***Non-Reimbursable Costs.*** Non-Reimbursable Costs include: (i) Any cost or expenditure in excess of the Maximum Funds or the Reimbursable Cost; (ii) any cost or expenditure identified in this Agreement as a Non-Reimbursable Cost; (iii) any cost or expenditure to remedy Defective Work (as defined in Section 13.1); (iv) any cost or expenditure caused by Developer's or Developer's consultants', contractors', subcontractors', employees', or other agents' (collectively, "Developer's agents") negligence, omissions, delay, or Default; (v) any cost of substituted products, work or services not necessary for completion of the Project, unless requested and approved by City in writing; (vi) any cost or expenditure not approved by City in the manner required by this Agreement and/or the Charter of the City of San Diego (Charter) and rules, regulations, or laws promulgated thereunder; (vii) any cost not supported by proper invoicing or other documentation as reasonable and necessary; and (viii) any cost in excess of FBAs actually collected by the City and available for reimbursement to Developer for the design and construction of the Project. Additionally, the fair value as reasonably determined by City of any property that is destroyed, lost, stolen, or damaged rendering it undeliverable, unusable, or inoperable for City constitutes a Non-Reimbursable Cost. Refundable deposits, such as utility deposits, also constitute a Non-Reimbursable Cost.

- 2.2 **Project Costs.** Project Costs are Developer's reasonable costs of permitting and design necessary for the Project as depicted in **Exhibit D**. Project Costs do not include construction costs or Developer's Administrative Costs (as defined in Section 2.3).

2.3 **Developer's Administrative Costs.** Developer's Administrative Costs are reasonably incurred Project-related administration and supervision expenditures and shall total a flat five percent (5%) of Developer's Project Costs.

2.4 **Reimbursement to Developer.**

2.4.1 ***Reimbursement Request.*** Developer has submitted to City a written request for reimbursement for the Reimbursable Cost (Reimbursement Request). Developer has submitted all Reimbursement Requests and agrees that it will not submit any additional Reimbursement Requests for the Project after execution of this Agreement.

2.4.2 ***Type of Reimbursement.*** Developer shall be entitled to cash reimbursement for the Reimbursable Costs expended by Developer and approved by City in accordance with this Agreement and the Financing Plan. The Financing Plan currently has the Reimbursable Cost scheduled for reimbursement beginning in or after Fiscal Year 2013. Any changes to the timing of reimbursement shall be reflected in future updates to the Financing Plan without further amendment to this Agreement. Developer shall not receive cash reimbursement unless there are sufficient funds available to reimburse Developer, in whole or in part, from the SPF. Developer acknowledges and agrees that in the event there are no additional SPF funds available to fund the Project or available for collection by City to fund the Project, Developer shall not be reimbursed by City for any portion of Developer's outstanding costs or expenditures, and Developer expressly agrees to fully absorb all such outstanding costs or expenditures without any reimbursement from City.

2.4.3 ***Funds for Reimbursement.*** Developer shall only be entitled to reimbursement as set forth in this Agreement and only from SPF funds collected by City in accordance with the Financing Plan, as it may be amended, in the amount set forth in this Agreement and only as allocated for the Project, if and as such funds become available, after the appropriate deductions and expenditures are made, in the priority of reimbursement described in Section 2.4.9.

2.4.4 ***Amount of Reimbursement.*** Developer shall be eligible for reimbursement for Reimbursable Costs as identified in Section 2.1 subject to the terms of this Agreement.

2.4.5 ***City's Administrative Costs.*** City's Administrative Costs shall be paid prior to any reimbursement to Developer and shall consist of the costs and expenses incurred by City to: (i) implement, process, and administer the Project; (ii) review contractor/subcontractor compliance with the City's Required Contracting Procedures; (iii) review and approve the Plans and Specifications for the Project; (iv) inspect and approve work performed on the Project during construction until Final Completion of the Project; (v) approve reimbursable costs for work performed during design/construction through Final Completion of the Project; and (vi) review project documentation to verify all costs related to the Project, inclusive of construction bid tabulations, contracts, and review of any cost allocation methods (City's Administrative Costs).

- 2.4.6 **Interest.** Developer shall not be entitled to any interest on the Project. Developer acknowledges and agrees that the total Reimbursable Cost identified in Section 2.1 is the only amount reimbursable to Developer.
- 2.4.7 **Method of Reimbursement.** Developer shall submit to City a written request for reimbursement for all Reimbursable Costs incurred or advanced for the Project [Reimbursement Request]. Reimbursement Requests for projects other than those covered by this Agreement must be submitted as separate requests. The Reimbursement Request must also include all relevant documents in accordance with this Section. City shall determine whether additional documentation is needed to support the Reimbursement Request or if the Reimbursement Request is otherwise incomplete, and shall notify Developer of such deficiencies within sixty (60) calendar days of Developer's Reimbursement Request submittal. Developer shall provide additional documentation within fourteen (14) calendar days of City's notification and request. However, even if City fails to notify Developer within sixty (60) calendar days regarding Developer's Reimbursement Request, City may continue to request additional documentation to support the Reimbursement Request and shall not be obligated to reimburse Developer until City confirms receipt of all relevant documentation sufficient to support the Reimbursement Request. After all appropriate cost documentation has been received and City approves the Reimbursement Request [Reimbursement Request Approval], City shall reimburse Developer for those Reimbursable Costs within sixty (60) calendar days of the date of Reimbursement Request Approval provided that funds are available in the SPF for the Project and that the Project is scheduled in the Financing Plan for reimbursement at that time.
- 2.4.8 **Verification of Reimbursement Request.** Developer shall provide City with reasonably organized documentation to support the Reimbursement Request including, but not limited to, proof that all mechanic liens have been released, copies of invoices received and copies of cancelled checks, substitute checks, or image replacement documents showing that payment has been made in connection with the Reimbursement Request in the following manner:
- 2.4.8.1 Developer shall submit one (1) copy of a Reimbursement Request (cover letter, invoice, and documentation) to the City's Senior Civil Engineer or City designee for work completed in accordance with the Plans and Specifications.
- 2.4.8.2 Prior to the approval of the Reimbursement Request, the Senior Civil Engineer or City designee shall check with City's Resident Engineer (RE) to verify whether the materials and work for which reimbursement is being requested have been installed and performed as represented in the Reimbursement Request, and that all construction invoices and change orders have been approved by the RE. Also, any disallowed costs should be noted. The RE shall review the Project on-site for quality of material and assurance and adherence to the bid list, contract estimates and Plans and Specifications. The Senior Civil Engineer or City designee shall work with the RE to review as-builts and BMPs, and verify that a lien release has been prepared.

- 2.4.8.3 The Senior Civil Engineer or City designee shall review the reimbursement request, as well as supporting cost documentation received from Developer, including soft costs related to the project, and City administrative costs. The Senior Civil Engineer shall also serve as the liaison between the RE and the Facilities Financing Project Manager [FF Project Manager].
- 2.4.8.4 After review and approval, the Senior Civil Engineer or City designee shall prepare a memorandum, including a summary schedule of requested and actual approved costs, to the FF Project Manager recommending the reimbursement amount including all construction invoices, and soft costs incurred to date, noting any costs to be disallowed and the reason for the disallowance. The Reimbursement Request shall be forwarded to the FF Project Manager with the memorandum recommending payment and identifying disallowed expenses, with a copy forwarded to the Developer.
- 2.4.8.5 The FF Project Manager shall verify that reimbursements are scheduled in the Financing Plan and verify SPF cash is available for reimbursement.
- 2.4.8.6 Developer shall then submit an invoice to the City for the reimbursement amount approved by city.
- 2.4.9 ***Priority of Reimbursement.*** Reimbursement to Developer from the SPF for the Project will be subsequent to reimbursement of City's equipment purchases, Furniture Fixtures & Equipment, and City's Administrative Expenses incurred in connection with the Project or Financing Plan, but takes priority over any Developer Reimbursable Project added to the Financing Plan subsequent to the Effective Date (as defined in Section 17.1) of this Agreement, with the following exceptions:
- 2.4.9.1 Any State or Federally mandated project.
- 2.4.9.2 Appropriations for City administered, managed, and funded Capital Improvement Projects.
- 2.4.9.3 Appropriations for development of the park (Project 34-25B in the Financing Plan).
- 2.4.9.4 The Financing Plan identifies other project(s) for funding in an earlier fiscal year than this Project prior to the Effective Date of this Agreement.

### **ARTICLE III. COMPETITIVE BIDDING, EQUAL OPPORTUNITY, AND EQUAL BENEFITS**

- 3.1 Competitive Bidding Certification.** Developer is unable to certify it bid and awarded contracts to complete the Project in accordance with the Charter and the rules, regulations, and laws promulgated thereunder, including, but not limited to, the San Diego Municipal Code and City Council Resolutions and Policies in effect at the time of bidding, as well as any expressly applicable public contract laws, rules and resolutions (Required Contracting Procedures). Required Contracting Procedures include all

contracting requirements that are applicable to the City, including, but not limited to, competitive bidding, the City's small and local business program for public works contract, and the City's Equal Benefits Ordinance. As a result, Developer acknowledges and agrees that it is ineligible for reimbursement for construction of the Project.

### **3.2 Non-Discrimination Requirements.**

3.2.1 ***Compliance with the City's Equal Opportunity Contracting Program.*** Developer certifies that it complied with the City's Equal Opportunity Contracting Program. Developer certifies it did not and will not discriminate against any employee or applicant for employment on any basis prohibited by law. Developer certifies that it provided and will provide equal opportunity in all employment practices. Developer certifies that it ensured its consultants, contractors and their subcontractors complied with the City's Equal Opportunity Contracting Program. Nothing in this Section shall be interpreted to hold Developer liable for any discriminatory practice of its consultants, contractors or their subcontractors.

3.2.2 ***Nondiscrimination Ordinance.*** Developer certifies that it did not and will not discriminate on the basis of race, gender, gender expression, gender identity, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring or treatment of consultants, contractors, subcontractors, vendors or suppliers. Developer certifies that it provided and will provide equal opportunity for contractors and subcontractors to participate in contracting and subcontracting opportunities. Developer understands and agrees that violation of this clause shall be considered a material breach of the Agreement and may result in Agreement termination, debarment, and other sanctions. Developer certifies that this language was included in contracts between the Developer and any consultants, contractors, subcontractors, vendors and suppliers.

3.2.3 ***Compliance Investigations.*** Upon City's request, Developer agrees to provide to City, within sixty (60) calendar days, a truthful and complete list of the names of all consultants, contractors, subcontractors, vendors and suppliers Developer used in the past five years on any of its contracts undertaken within San Diego County, including the total dollar amount paid by Developer for each contract, subcontract or supply contract. Developer further agrees to fully cooperate in any investigation conducted by City pursuant to City's Nondiscrimination in Contracting Ordinance (San Diego Municipal Code sections 22.3501-22.3517). Developer understands and agrees that violation of this clause shall be considered a material breach of this Agreement and may result in remedies being ordered against Developer up to and including Agreement termination, debarment, and other sanctions for violation of the provisions of the Nondiscrimination in Contracting Ordinance. Developer further understands and agrees that the procedures, remedies and sanctions provided for in the Nondiscrimination Ordinance apply only to violations of said Nondiscrimination Ordinance.

**3.3 Equal Benefits.** Any contracts entered into with respect to the Project prior to January 1, 2011 are not subject to the City's Equal Benefits Ordinance (San Diego Municipal Code sections 22.4301 – 22.4308). Any contracts entered into with respect to the Project as of January 1, 2011 are subject to the Equal Benefits Ordinance. Therefore, for any contracts entered into as of January 1, 2011, Developer certifies that its contractor(s) and consultant(s) complied with the Equal Benefits Ordinance, and shall provide to City the Equal Benefits Ordinance Certification of Compliance attached as **Exhibit E** for each of its contractor(s) and consultants(s).

**ARTICLE IV. PREVAILING WAGE**

**4.1 Prevailing Wage.** Developer certifies that prevailing wages were paid for the Project to the extent required by the California Labor Code, the Charter of the City of San Diego and rules, regulations, and laws promulgated thereunder, including, but not limited to, the San Diego Municipal Code, City of San Diego resolutions and ordinances, and City of San Diego Council Policies, or if otherwise required by the City Council, at the time the Project was completed.

**ARTICLE V. CONSULTANTS**

**5.1 Selection of Consultant.** Developer certifies that it hired a qualified and licensed consultant to perform the necessary services related to the Project and that it selected its consultants in accordance with all State and City laws, including regulations and policies applicable to consultants retained directly by City unless a waiver of those procedures has been obtained. Developer certifies that it caused the provisions in **Exhibit F** "Consultant Provisions" to be included in its consultant contract(s) for the Project. The selection of any consultant is subject to all applicable public contract laws, rules, and regulations, including, but not limited to, the City Charter, the San Diego Municipal Code, Council Policies, and the City's Administrative Regulations. Failure to adhere to all applicable consultant selection procedures is a material breach of this Agreement, and any contract awarded not in accordance with the City's consultant selection procedures shall be ineligible for reimbursement. Provided that San Diego Ordinance No. O-20632 is finally passed, the consultant selection requirements for the selection of the following consultants for the associated consultant services are waived.

Consultant Name	Type of Consultant
Koloa Pacific Construction	General Engineering
Schilling Paradise	General Engineering & Electrical
Hunsaker & Associates	Planning, General Engineering & Surveying
Inland Erosion Control	General Engineering – Erosion Control

- 5.2 **Equal Benefits and Nondiscrimination.** The requirements of City's Equal Benefits Ordinance apply to Developer's consultant contracts entered into as of January 1, 2011. See Section 3.3. The nondiscrimination requirements in Section 3.2 apply to Developer's consultant contracts.

#### ARTICLE VI. DESIGN AND CONSTRUCTION STANDARDS

- 6.1 **Standard of Care.** Developer certifies that the professional services provided under this Agreement were performed in accordance with the standards customarily adhered to by experienced and competent professional design, architectural, engineering, landscape architecture, and construction firms using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California.
- 6.2 **Compliance with all Laws, Design Standards, and Construction Standards.** In all aspects of the design and construction of the Project, Developer certifies that it complied with all laws and the most current editions of the Green Book, the City's Standard Drawings and Design and Construction Standards, including those listed in **Exhibit G**, in effect at the time the Project was completed. Developer certifies that it complied with the Americans with Disabilities Act and Title 24 of the California Building Standards Code, California Code of Regulations. Developer shall certify compliance with Title 24/ADA to City in the form and content as set forth on **Exhibit H** "Certificate for Title 24/ADA Compliance."
- 6.3 **Imputed Knowledge.** Developer certifies that it was and remains responsible for all amendments or updates to Design and Construction Standards and knowledge of all amendments or updates to Design and Construction Standards, whether local, state, or federal, and such knowledge was or will be imputed to Developer to the fullest extent allowed by law.
- 6.4 **City Approval.** Developer certifies that it obtained City approval of design, plans, and specifications in the manner required in **Exhibit I**.
- 6.5 **City Approval Not a Waiver of Obligations.** Where approval by City, the Mayor, or other representatives of City is or was required, it is understood to be general approval only and does not relieve Developer of responsibility for complying with all applicable laws, codes, regulations and standard consulting, design, or construction practices.

#### ARTICLE VII. CONSTRUCTION AND DRUG-FREE WORKPLACE

- 7.1 **Compliance with Construction Requirements.** Developer certifies that it completed construction of the Project in accordance with the obligations in **Exhibit J**, "Construction Obligations."

City signature and sign off as final approval on all grading or public right-of-way permits, and if applicable, the issuance of a final Certificate of Occupancy for the Project.
  - 8.1.2 ***Capitalization.*** The Developer shall submit a capitalization form with respect to the Project in a form acceptable to the Facilities Financing Project Manager. An example is provided as **Exhibit M**.
  - 8.1.3 ***Lien and Material Releases.*** Developer shall ensure that all contractors and subcontractors provide lien and material releases as to the Project and provide copies of such lien and material releases to the City Engineer.   - 8.1.4 ***Transfer Ownership.*** Developer shall transfer the ownership of Project and the property underlying the Project, where applicable, pursuant to section 1.4.
- 8.2 No Waiver.** Developer's obligation to perform and complete the Project in accordance with this Agreement and the Construction Documents shall be absolute. Neither recommendation of any progress payment or acceptance of work, nor any payment by City to Developer under this Agreement, nor any use or occupancy of the Project or any part thereof by City, nor any act of acceptance by City, nor any failure to act, nor any review of a shop drawing or sample submittal will constitute an acceptance of work which is not in accordance with the Construction Documents.
- 8.3 Assignment of Rights.** Upon Final Completion of the Project, Developer shall assign its rights under its contracts with all contractors, subcontractors, design professionals, engineers, and material suppliers associated with the Project to City. Developer shall be required to obtain written approval and acknowledgement, whether in the form of a contract provision or separate document, of such assignment from its contractors, subcontractors, design professionals, engineers, and material suppliers. This assignment of rights shall not relieve Developer of its obligations under this Agreement, and such obligations shall be joint and several.
- 8.4 Ownership of Project Deliverables.** Upon Final Completion, Project Deliverables shall become the City's property. Developer and City mutually agree that this Agreement, Construction Documents, and Project Deliverables for the Project shall not be used on any other work without the consent of each Party.

## ARTICLE IX. BONDS AND OTHER ACCEPTABLE SECURITIES

- 9.1 **Warranty Bond.** Developer shall provide or require its construction contractor to provide City with a bond, letter of credit (LOC), cash or other acceptable security guaranteeing the Project during the warranty period in favor of City (Warranty Bond). - 9.2 **Certificate of Agency.** All bonds signed by an agent must be accompanied by a certified copy of such agent's authority to act.
- 9.3 **Licensing and Rating.** The bonds shall be duly executed by a responsible surety company admitted to do business in the State of California, licensed or authorized in the jurisdiction in which the Project is located to issue bonds for the limits required by this Agreement, and have a minimum AM Best rating of "A-" to an amount not to exceed 10 percent of its capital and surplus.
- 9.4 **Insolvency or Bankruptcy.** If the surety on any bond or other security furnished by the construction contractor is declared bankrupt or becomes insolvent or its right to do business is terminated in any state where any part of the Project is located, Developer shall within seven (7) calendar days thereafter substitute or require the substitution of another bond and surety, acceptable to City.

## ARTICLE X. INDEMNIFICATION

- 10.1 **Indemnification and Hold Harmless Agreement.** Other than in the performance of design professional services which shall be solely as addressed in Sections 10.2 and 10.3 below, to the fullest extent permitted by law, Developer shall defend (with legal counsel reasonably acceptable to the City), indemnify and hold harmless the City and its officers, agents, departments, officials, and employees (Indemnified Parties) from and against all claims, losses, costs, damages, injuries (including, without limitation, injury to or death of an employee of Developer or Developer's agents), expense and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, attorney's fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, any services performed under this Agreement by Developer or Developer's agents, any subcontractor, anyone directly or indirectly employed by them, or anyone they control. Developer's duty to defend, indemnify, protect and hold harmless shall not include any claims or liabilities arising from the active negligence, sole negligence or willful misconduct of the Indemnified Parties.
- 10.2 **Indemnification for Design Professional Services.** To the fullest extent permitted by law (including, without limitation, California Civil Code section 2782.8), with respect to the performance of design professional services, Developer shall require its design professional to indemnify and hold harmless the City, its officers, and employees, from all claims, demands, or liability that arise out of, pertain to or relate to the negligence, recklessness, or willful misconduct of Developer's design professional or design professional's officers or employees.

- 11.2 Written Notice.** Except as provided for under California law, any Required Insurance shall not be canceled, non-renewed or materially changed except after thirty (30) calendar days prior written notice by Developer to City by certified mail, except for non-payment of premium, in which case ten (10) calendar days notice shall be provided.
- 11.2.1 Where the words "will endeavor" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents, or representatives" are present on a certificate, they shall be deleted.
- 11.3 Rating Requirements.** Except for the State Compensation Insurance Fund, all insurance required by express provision of this Agreement shall be carried only by responsible insurance companies that have been given at least an "A" or "A-" and "VI" rating by AM BEST, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by City.

- 11.10 Not a Limitation of Other Obligations.** Insurance provisions under this Article shall not be construed to limit Developer's obligations under this Agreement, including indemnity.
- 11.11 Material Breach.** Failure to maintain, renew, or provide evidence of renewal of required insurance during the term of this Agreement, and for a period of up to ten (10) years from the completion of the Project, may be treated by City as a material breach of this Agreement.

- 16.3.2 The Administrator will appoint or the Parties shall agree upon the highest, mutually preferred Mediator from the individual Parties' lists who is available to serve within the designated time frame.
- 16.3.3 If the Parties agree not to use AAA, then a Mediator, date and place for the mediation shall be mutually agreed upon.

Either Party may have attorney(s) or expert(s) present. Upon reasonable demand, either Party may request and receive a list of witnesses and notification whether attorney(s) will be present.

CONTRACTOR EQUAL BENEFITS ORDINANCE CERTIFICATION

Please indicate your firm's compliance status with the EBO. The City may request supporting documentation.

- I affirm compliance with the EBO because my firm (contractor must select one reason):
- Provides equal benefits to spouses and domestic partners.

- 1. Third Party Beneficiary.** The City of San Diego is an intended third party beneficiary of this contract. In addition, it is expected that upon completion of design and payment in full to Consultant by Developer, the City will become the owner of the Project design and work products, and City shall be entitled to enforce all of the provisions of this contract as if it were a party hereto. Except as expressly stated herein, there are no other intended third party beneficiaries of this contract.
- 2. Competitive Bidding.** Consultant shall ensure that all design plans and specifications prepared, required, or recommended under this Agreement allow for competitive bidding. Consultant shall design such plans or specifications so that procurement of services, labor or materials are not available from only one source, and shall not design plans and specifications around a single or specific product, piece of major equipment or machinery, a specific patented design, or a proprietary process, unless required by principles of sound engineering practice and supported by a written justification that has been approved in writing by the City of San Diego. Consultant shall submit this written justification to the City of San Diego prior to beginning work on such plans or specifications. Whenever Consultant recommends a specific product or equipment for competitive procurement, such recommendation shall include at least two brand names of products that are capable of meeting the functional requirements applicable to the Project.
- 3. Professional Services Indemnification.** Other than in the performance of design professional services which shall be solely as addressed in Sections 4 and 5 below, to the fullest extent permitted by law, Consultant shall defend (with legal counsel reasonably acceptable to the City), indemnify and hold harmless the City and its officers, agents, departments, officials, and employees [Indemnified Parties] from and against all claims, losses, costs, damages, injuries (including, without limitation, injury to or death of an employee of Consultant or its subcontractors, agents, subagents and consultants), expense and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, attorney's fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, any services performed under this Agreement by Consultant, any subcontractor, anyone directly or indirectly employed by them, or anyone they control. Consultant's duty to defend, indemnify, protect and hold harmless shall not include any claims or liabilities arising from the active negligence, sole negligence or willful misconduct of the Indemnified Parties. As to Consultant's professional obligations, work or services involving this Project, Consultant agrees to indemnify and hold harmless the City of San Diego, and its agents, officers and employees from and against any and all liability, claims, costs, and damages, including but not limited to, attorney's fees, losses or payments for injury to any person or property, caused directly or indirectly from the negligent acts, errors or omissions of Consultant or Consultant's employees, agents or officers. This indemnity obligation shall apply for the entire time that any third party can

make a claim against, or sue the City of San Diego for liabilities arising out of Consultant's provision of services under this Agreement.

Consultant shall ensure both that (1) this policy's retroactive date is on or before the date of commencement of the work to be performed under this Agreement; and (2) this policy has a reporting period of three (3) years after the date of completion or termination of this Agreement. Consultant agrees that for the time period defined above, there will be no changes or endorsements to the policy that increases the City of San Diego's exposure to loss.
8. **Commercial General Liability [CGL] Insurance.** Consultant shall keep in full force and effect, during any and all work performed in accordance with this Agreement, all applicable CGL insurance to cover personal injury, bodily injury and property damage, providing coverage to a combined single limit of one million dollars (\$1,000,000) per occurrence, subject to an annual aggregate of two million dollars (\$2,000,000) for general liability, completed operations, and personal injury other than bodily injury. - 2.2. *Primary and Non-Contributory.* The policies are primary and non-contributing to any insurance or self-insurance that may be carried by the City of San Diego, its elected officials, officers, employees, agents, and representatives with respect to operations, including the completed operations if appropriate, of the Named Insured. Any insurance maintained by the City of San Diego and its elected officials, officers, employees, agents, and representatives shall be in excess of Developer's insurance and shall not contribute to it.
- 2.3. *Project General Aggregate Limit.* The CGL policy or policies must be endorsed to provide a Designated Construction Project General Aggregate Limit that will apply only to the work performed under this Agreement.
