

**REIMBURSEMENT AGREEMENT WITH  
SCRIPPS MESA DEVELOPERS LLC FOR THE MIRA MESA  
BOULEVARD MEDIAN (A PORTION OF PROJECT 34-2B),  
MIRA MESA BOULEVARD AND HIBERT STREET  
TRAFFIC SIGNAL, AND ERMA ROAD IMPROVEMENTS IN  
THE SCRIPPS MIRAMAR RANCH COMMUNITY**

THIS REIMBURSEMENT AGREEMENT (Agreement) is made and entered into between THE CITY OF SAN DIEGO, a municipal corporation (City) and SCRIPPS MESA DEVELOPERS, LLC, a California Limited Liability Company (Developer), (collectively the Parties), for reimbursement for permitting and design of a portion of Project No. 34-2B, certain improvements to Mira Mesa Boulevard easterly of Interstate 15 in the Scripps Miramar Ranch community, a traffic signal at Mira Mesa Boulevard and Hibert Street, and certain improvements at the intersection of Scripps Ranch Boulevard and Erma Road in accordance with the Scripps Miramar Ranch Public Facilities Financing Plan.

**RECITALS**

1. Developer owns and is currently developing real property in Mira Mesa known as Casa Mira View [Property].
2. On January 5, 2009, City Council adopted Resolution No. R-304583 granting Planned Development Permit No. 294375 [PDP] and Site Development Permit No. SDP No. 294373 [SDP] to Developer subject to certain conditions determined to be necessary to serve the Casa Mira View project.
3. As shown in Resolution No. R-304583, Developer made a commitment to the City Council of the City of San Diego and vowed to honor such commitment to construct a traffic signal at Mira Mesa Boulevard and the Hibert Street Driveway and a raised median on Mira Mesa Boulevard between Interstate 15 and Scripps Ranch Boulevard.
4. On September 29, 2005, the City of San Diego Planning Commission adopted Resolution No. R-3855-1-PC granting Vesting Tentative Map [VTM] No. 10399 to Monarch at Scripps Ranch, LLC subject to various conditions for the Monarch at Scripps Ranch project. Condition No. 36 of that VTM required Monarch at Scripps Ranch, LLC to provide a fifty percent (50%) fair share contribution to City to fund construction of a traffic signal at Mira Mesa Boulevard and Hibert Street [Traffic Signal]. The City has collected that 50% fair share contribution in the amount of \$100,000 from Monarch at Scripps Ranch, LLC. In conjunction with the adoption of Resolution No. R-304583, Developer committed to construct the Traffic Signal, as depicted in **Exhibit A-1** and described in **Exhibit B-1**, and to be responsible for all costs in excess of the \$100,000 that was collected from the Developer of Monarch at Scripps Ranch.
5. Condition No. 40 of Monarch at Scripps Ranch, LLC's VTM required a fifty percent (50%) fair share contribution toward median improvements on Mira Mesa Blvd [MMB Median]. This fair share contribution was determined to be \$78,338 and the City has collected that amount from Monarch at Scripps Ranch, LLC. In conjunction with the adoption of Resolution No. R-304583, Developer committed to construct the MMB Median, as depicted in **Exhibit A-2** and described in **Exhibit B-2**, and to be responsible for all costs in excess of the amount available for the MMB Median.

6. With the construction of the MMB Median and installation of the Traffic Signal, additional improvements are also required at the intersection of Scripps Ranch Boulevard and Erma Road to accommodate northbound U-Turns. Specifically, the improvements are to the intersection of Scripps Ranch Boulevard and Erma Road, and include a 2-foot widening of the existing public right-of-way on the southwest corner, relocation of existing utilities, modification of the traffic signal, removal of the existing median on the north leg of the intersection, repair to the existing pavement, and restriping of the road to accommodate a northbound U-turn. Additional improvements at the intersection include the replacement of the existing video detection camera on the east leg of the intersection (for the westbound approach) and the installation of a “No Turn on Red” sign on the west leg of the intersection (for the eastbound approach) [Erma Road Improvements]. The Erma Road Improvements are depicted in **Exhibit A-3** and described in **Exhibit B-3**.

7. On November 10, 2009, City Council adopted Resolution No. R-305409 granting Planned Development Permit No. 571238 and Site Development Permit No. 697691 to H.G. Fenton Development Company, LLC subject to various conditions. Condition No. 38 of that Permit requires H.G. Fenton Development Company, LLC to “pay 50 percent of the cost not to exceed \$60,000 for improvements at the intersection of Scripps Ranch Boulevard and Erma Road,” referred to in this Agreement as the “Erma Road Improvements.” As of the Effective Date of this Agreement, H.G. Fenton Development Company, LLC had triggered the requirement and has made the 50% fair share contribution in the amount of \$60,000 to the City.

8. On October 25, 2012, City Council adopted Resolution R-307788 approving the Scripps Miramar Ranch Public Facilities Financing Plan [Financing Plan] for Fiscal Year 2013. The Financing Plan identifies and includes the Traffic Signal, MMB Median, and Erma Road Improvements as Project 34-2B, shown in **Exhibit C**. The Financing Plan sets forth a total budget of \$740,285, of which \$371,947 is the Developer’s direct share of the project. The remaining balance of \$368,338, minus the City’s Administrative Costs (as defined in section 2.3.5), constitutes the total and Maximum Funds potentially available for reimbursement for Project No. 34-2B [Maximum Funds]. The Maximum Funds are subject to increase pursuant to Section 1.5 of this Agreement. Developer is not automatically entitled to the Maximum Funds or any other reimbursement. Developer must satisfy all terms of this Agreement to become eligible for any portion of the Maximum Funds if and as they are collected and become available for reimbursement.

9. Developer certifies that it has completed the design, permitting and construction of the Project and now seeks reimbursement from City in the final total amount of \$392,713. The parties acknowledge that the reimbursement amount requested by Developer currently exceeds the Maximum Funds available, and that any costs incurred by Developer in excess of the Maximum Funds shall constitute a Non-Reimbursable Cost. Notwithstanding the fact the requested reimbursement amount is \$392,713, Developer agrees that it is not entitled to reimbursement in an amount greater than the Maximum Funds unless the Financing Plan is amended with an increased budget for the Project. In such case, developer shall be eligible for reimbursement in an amount not to exceed the increased budget for the Project in the amended Financing Plan. Developer is only seeking reimbursement for permitting and design costs, for an amount for which funds are currently available, and for which bidding was not required.

NOW, THEREFORE, in consideration of the recitals and mutual obligations of the Parties, and for other good and valuable consideration, City and Developer agree as follows:

## ARTICLE I. SUBJECT OF THE AGREEMENT

- 1.1 **Design and Construction of Project.** Developer certifies that it has completed the design and construction of an operational Project fully suited to the purpose for which it was intended and in accordance with approved Drawing Nos. 35428 and 35526, this Agreement, the Construction Documents, the Plans and Specifications, the Financing Plan, and any other applicable agreement.
- 1.2 **Reimbursement.** City agrees to reimburse Developer for the Project subject to the terms and conditions of this Agreement.
- 1.3 **Certification Regarding Past Acts.** There exist and have existed certain requirements that City includes in its construction contracts for public improvements. These requirements are intended to protect the City and the public who benefit from these public improvements from harm, including physical and monetary, as well as to ensure that Developer and/or the contractor building the public improvement follow all laws related to such contracts and construction. Developer shall indemnify and hold harmless the City from any claim, demand, cause of action, cause, expense, losses, attorney fees, injuries, or payments arising out of or related to Developer's failure to satisfy applicable requirements. This section shall not act to limit the remedies otherwise available to the City under the law.
- 1.4 **Final Completion.** Developer shall provide verification to the City that the Project received Final Completion by providing all of the following: approved as-built plans, a signed final approved grading or public right-of-way permit, an acceptable capitalization form, and any required certificate of occupancy and/or property transfers (as defined in Section 8.1).
- 1.5 **Potential Increase in Maximum Funds.** The Parties acknowledge that Developer's requested reimbursement amount of \$392,713 currently exceeds, and may continue to exceed, the Maximum Funds, and that any costs incurred by Developer in excess of the Maximum Funds shall constitute a Non-Reimbursable Cost. However, the Parties also acknowledge that a future update or amendment to the Financing Plan may include an increase in the cost estimate for Project No. 34-2B, in which case, additional funds could be available for the Project in excess of the Maximum Funds currently identified in this Agreement. If additional funds become available for Project No. 34-2B, then the Maximum Funds under this Agreement shall be increased by an amount up to the increase to the cost estimate for Project No. 34-2B as adopted in a future update or amendment to the Financing Plan adopted by the City Council. City's obligation to pay any portion of the Maximum Funds is contingent upon the City's Chief Financial Officer's certification that funds are available for payment for the Project.

## ARTICLE II. REIMBURSABLE COST

**2.1 Reimbursable Cost.** The final total cost for the permitting and design of the Project for which Developer seeks reimbursement from City for the Project, including the Project Costs (as defined in Section 2.2) is limited to \$368,338 [Reimbursable Cost]. Developer acknowledges and agrees that it may not request, and is not entitled to any additional reimbursement in any form (including FBA credits) from City for the Project under any circumstance.

2.1.1 ***Non-Reimbursable Costs.*** Non-Reimbursable Costs include: (i) Any cost or expenditure in excess of the Maximum Funds or the Reimbursable Cost; (ii) any cost or expenditure identified in this Agreement as a Non-Reimbursable Cost; (iii) any cost or expenditure to remedy Defective Work (as defined in Section 13.1); (iv) any cost or expenditure caused by Developer's or Developer's consultants', contractors', subcontractors', employees', or other agents' (collectively, "Developer's agents") negligence, omissions, delay, or Default; (v) any cost of substituted products, work or services not necessary for completion of the Project, unless requested and approved by City in writing; (vi) any cost or expenditure not approved by City in the manner required by this Agreement and/or the Charter of the City of San Diego (Charter) and rules, regulations, or laws promulgated thereunder; (vii) any cost not supported by proper invoicing or other documentation as reasonable and necessary; and (viii) any cost in excess of FBAs actually collected by the City and available for reimbursement to Developer for the design and construction of the Project. Additionally, the fair value as reasonably determined by City of any property that is destroyed, lost, stolen, or damaged rendering it undeliverable, unusable, or inoperable for City constitutes a Non-Reimbursable Cost. Refundable deposits, such as utility deposits, also constitute a Non-Reimbursable Cost.

**2.2 Project Costs.** Project Costs are Developer's reasonable costs of permitting and design necessary for the Project as depicted in **Exhibit D**. Project Costs do not include construction costs or Developer's Administrative Costs.

**2.3 Reimbursement to Developer.**

2.3.1 ***Reimbursement Request.*** Developer has submitted to City a written request for reimbursement for the Reimbursable Cost [Reimbursement Request]. Developer has submitted all Reimbursement Requests and agrees that it will not submit any additional Reimbursement Requests for the Project after execution of this Agreement.

2.3.2 ***Type of Reimbursement.*** Developer shall be entitled to cash reimbursement for the Reimbursable Costs expended by Developer and approved by City in accordance with this Agreement and the Financing Plan. The Financing Plan currently has the Reimbursable Cost scheduled for reimbursement. Any changes to the timing of reimbursement shall be reflected in future updates to the Financing Plan without further amendment to this Agreement. Developer shall not receive cash reimbursement unless there are sufficient funds available to reimburse Developer, in whole or in part, from the FBA and other developer

funds received. Developer acknowledges and agrees that in the event there are no additional funds available to fund the Project or available for collection by City to fund the Project, Developer shall not be reimbursed by City for any portion of Developer's outstanding costs or expenditures, and Developer expressly agrees to fully absorb all such outstanding costs or expenditures without any reimbursement from City.

- 2.3.3 ***Funds for Reimbursement.*** Developer shall only be entitled to reimbursement as set forth in this Agreement and only from FBA and other developer funds collected by City in accordance with the Financing Plan, as it may be amended, in the amount set forth in this Agreement and only as allocated for the Project, if and as such funds become available, after the appropriate deductions and expenditures are made, in the priority of reimbursement described in Section 2.3.9.
- 2.3.4 ***Amount of Reimbursement.*** Developer shall be eligible for reimbursement for Reimbursable Costs as identified in Section 2.1 subject to the terms of this Agreement up to Project Costs.
- 2.3.5 ***City's Administrative Costs.*** City's Administrative Costs shall be paid prior to any reimbursement to Developer and shall consist of the costs and expenses incurred by City to: (i) implement, process, and administer the Project; (ii) review contractor/subcontractor compliance with the City's Required Contracting Procedures; (iii) review and approve the Plans and Specifications for the Project; (iv) inspect and approve work performed on the Project during construction until Final Completion of the Project; (v) approve reimbursable costs for work performed during design/construction through Final Completion of the Project; and (vi) review project documentation to verify all costs related to the Project, inclusive of construction bid tabulations, contracts, and review of any cost allocation methods (City's Administrative Costs).
- 2.3.6 ***Interest.*** Developer shall not be entitled to any interest on the Project. Developer acknowledges and agrees that the total Reimbursable Cost identified in Section 2.1 is the only amount reimbursable to Developer.
- 2.3.7 ***Method of Reimbursement.*** Developer shall submit to City a written request for reimbursement for all Reimbursable Costs incurred or advanced for the Project [Reimbursement Request]. Reimbursement Requests for projects other than those covered by this Agreement must be submitted as separate requests. The Reimbursement Request must also include all relevant documents in accordance with this Section. City shall determine whether additional documentation is needed to support the Reimbursement Request or if the Reimbursement Request is otherwise incomplete, and shall notify Developer of such deficiencies within sixty (60) calendar days of Developer's Reimbursement Request submittal. Developer shall provide additional documentation within fourteen (14) calendar days of City's notification and request. However, even if City fails to notify Developer within sixty (60) calendar days regarding Developer's Reimbursement Request, City may continue to request additional documentation to support the Reimbursement Request and shall not be obligated to reimburse Developer until City confirms receipt of all relevant documentation sufficient to support the Reimbursement

Request. After all appropriate cost documentation has been received and City approves the Reimbursement Request [Reimbursement Request Approval], City shall reimburse Developer for those Reimbursable Costs within sixty (60) calendar days of the date of Reimbursement Request Approval provided that funds are available in the FBA for the Project and that the Project is scheduled in the Financing Plan for reimbursement at that time.

- 2.3.8 ***Verification of Reimbursement Request.*** Developer shall provide City with reasonably organized documentation to support the Reimbursement Request including, but not limited to, proof that all mechanic liens have been released, copies of invoices received and copies of cancelled checks, substitute checks, or image replacement documents showing that payment has been made in connection with the Reimbursement Request in the following manner:
- 2.3.8.1 Developer shall submit one (1) copy of a Reimbursement Request (cover letter, invoice, and documentation) to the City's Senior Civil Engineer or City designee for work completed in accordance with the Plans and Specifications.
- 2.3.8.2 Prior to the approval of the Reimbursement Request, the Senior Civil Engineer or City designee shall check with City's Resident Engineer (RE) to verify whether the materials and work for which reimbursement is being requested have been installed and performed as represented in the Reimbursement Request, and that all construction invoices and change orders have been approved by the RE. Also, any disallowed costs should be noted. The RE shall review the Project on-site for quality of material and assurance and adherence to the applicable bid list, contract estimates and Plans and Specifications. The Senior Civil Engineer or City designee shall work with the RE to review as-builts and BMPs, and verify that a lien release has been prepared.
- 2.3.8.3 The Senior Civil Engineer or City designee shall review the reimbursement request, as well as supporting cost documentation received from Developer, including soft costs related to the project, and City administrative costs. The Senior Civil Engineer shall also serve as the liaison between the RE and the Facilities Financing Project Manager [FF Project Manager].
- 2.3.8.4 After review and approval, the Senior Civil Engineer or City designee shall prepare a memorandum, including a summary schedule of requested and actual approved costs, to the FF Project Manager recommending the reimbursement amount including all construction invoices, and soft costs incurred to date, noting any costs to be disallowed and the reason for the disallowance. The Reimbursement Request shall be forwarded to the FF Project Manager with the memorandum recommending payment and identifying disallowed expenses, with a copy forwarded to the Developer.
- 2.3.8.5 The FF Project Manager shall verify that reimbursements are scheduled in the Financing Plan and verify FBA cash is available for reimbursement.

2.3.8.6 Developer shall then submit an invoice to the City for the reimbursement amount approved by city.

2.3.9 ***Priority of Reimbursement.*** Reimbursement to Developer from the FBA for the Project will be subsequent to reimbursement of City's equipment purchases, Furniture Fixtures & Equipment, and City's Administrative Expenses incurred in connection with the Project or Financing Plan, but takes priority over any Developer Reimbursable Project added to the Financing Plan subsequent to the Effective Date (as defined in Section 17.1) of this Agreement, with the following exceptions:

2.3.9.1 Any State or Federally mandated project.

2.3.9.2 Appropriations for City administered, managed, and funded Capital Improvement Projects.

2.3.9.3 The Financing Plan identifies other project(s) for funding in an earlier fiscal year than this Project prior to the Effective Date of this Agreement.

### **ARTICLE III. EQUAL OPPORTUNITY AND EQUAL BENEFITS**

#### **3.1 Non-Discrimination Requirements.**

3.1.1 ***Compliance with the City's Equal Opportunity Contracting Program.*** Developer certifies that it complied with the City's Equal Opportunity Contracting Program. Developer certifies it did not and will not discriminate against any employee or applicant for employment on any basis prohibited by law. Developer certifies that it provided and will provide equal opportunity in all employment practices. Developer certifies that it ensured its consultants, contractors and their subcontractors complied with the City's Equal Opportunity Contracting Program. Developer certifies that it provided and will provide equal opportunity for contractors and subcontractors to participate in contracting and subcontracting opportunities. Developer understands and agrees that violation of this clause shall be considered a material breach of the Agreement and may result in Agreement termination, debarment, and other sanctions. Developer certifies that this language was included in contracts between the Developer and any consultants, contractors, subcontractors, vendors and suppliers.

3.1.3 ***Compliance Investigations.*** Upon City's request, Developer agrees to provide to City, within sixty (60) calendar days, a truthful and complete list of the names of

all consultants, contractors, subcontractors, vendors and suppliers Developer used in the past five years on any of its contracts undertaken within San Diego County, including the total dollar amount paid by Developer for each contract, subcontract or supply contract. Developer further agrees to fully cooperate in any investigation conducted by City pursuant to City's Nondiscrimination in Contracting Ordinance (San Diego Municipal Code sections 22.3501-22.3517). Developer understands and agrees that violation of this clause shall be considered a material breach of this Agreement and may result in remedies being ordered against Developer up to and including Agreement termination, debarment, and other sanctions for violation of the provisions of the Nondiscrimination in Contracting Ordinance. Developer further understands and agrees that the procedures, remedies and sanctions provided for in the Nondiscrimination Ordinance apply only to violations of said Nondiscrimination Ordinance.

- 3.2** **Equal Benefits.** Any contracts entered into with respect to the Project prior to January 1, 2011 are not subject to the City's Equal Benefits Ordinance (San Diego Municipal Code sections 22.4301 – 22.4308). Any contracts entered into with respect to the Project as of January 1, 2011 are subject to the Equal Benefits Ordinance. Therefore, for any contracts entered into as of January 1, 2011, Developer certifies that its contractor(s) and consultant(s) complied with the Equal Benefits Ordinance, and shall provide to City the Equal Benefits Ordinance Certification of Compliance attached as **Exhibit E** for each of its contractor(s) and consultants(s).

architecture, and construction firms using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California.

- 6.2 Compliance with all Laws, Design Standards, and Construction Standards.** In all aspects of the design and construction of the Project, Developer certifies that it complied with all laws and the most current editions of the Green Book, the City’s Standard Drawings and Design and Construction Standards, including those listed in **Exhibit G**, in effect at the time the Project was completed. Developer certifies that it complied with the Americans with Disabilities Act and Title 24 of the California Building Standards Code, California Code of Regulations. Developer shall certify compliance with Title 24/ADA to City in the form and content as set forth on **Exhibit H** “Certificate for Title 24/ADA Compliance.”
- 6.3 Imputed Knowledge.** Developer certifies that it was and remains responsible for all amendments or updates to Design and Construction Standards and knowledge of all amendments or updates to Design and Construction Standards, whether local, state, or federal, and such knowledge was or will be imputed to Developer to the fullest extent allowed by law.
- 6.4 City Approval.** Developer certifies that it obtained City approval of design, plans, and specifications in the manner required in **Exhibit I**.
- 6.5 City Approval Not a Waiver of Obligations.** Where approval by City, the Mayor, or other representatives of City is or was required, it is understood to be general approval only and does not relieve Developer of responsibility for complying with all applicable laws, codes, regulations and standard consulting, design, or construction practices.

#### **ARTICLE VII. CONSTRUCTION AND DRUG-FREE WORKPLACE**

- 7.1 Compliance with Construction Requirements.** Developer certifies that it completed construction of the Project in accordance with the obligations in **Exhibit J**, “Construction Obligations.”

- 8.1.4 **Transfer Ownership.** Developer shall transfer the ownership of Project and the property underlying the Project, where applicable, pursuant to section 1.4.
- 8.2 **No Waiver.** Developer's obligation to perform and complete the Project in accordance with this Agreement and the Construction Documents shall be absolute. Neither recommendation of any progress payment or acceptance of work, nor any payment by City to Developer under this Agreement, nor any use or occupancy of the Project or any part thereof by City, nor any act of acceptance by City, nor any failure to act, nor any review of a shop drawing or sample submittal will constitute an acceptance of work which is not in accordance with the Construction Documents.
- 8.3 **Assignment of Rights.** Upon Final Completion of the Project, Developer shall assign its rights under its contracts with all contractors, subcontractors, design professionals, engineers, and material suppliers associated with the Project to City. Developer shall be required to obtain written approval and acknowledgement, whether in the form of a contract provision or separate document, of such assignment from its contractors, subcontractors, design professionals, engineers, and material suppliers. This assignment of rights shall not relieve Developer of its obligations under this Agreement, and such obligations shall be joint and several.
- 8.4 **Ownership of Project Deliverables.** Upon Final Completion, Project Deliverables shall become the City's property. Developer and City mutually agree that this Agreement, Construction Documents, and Project Deliverables for the Project shall not be used on any other work without the consent of each Party.

#### **ARTICLE IX. BONDS AND OTHER ACCEPTABLE SECURITIES**

- 9.1 **Warranty Bond.** Developer shall provide or require its construction contractor to provide City with a bond, letter of credit (LOC), cash or other acceptable security guaranteeing the Project during the warranty period in favor of City (Warranty Bond). - 9.2 **Certificate of Agency.** All bonds signed by an agent must be accompanied by a certified copy of such agent's authority to act.

- 9.3 **Licensing and Rating.** The bonds shall be duly executed by a responsible surety company admitted to do business in the State of California, licensed or authorized in the jurisdiction in which the Project is located to issue bonds for the limits required by this Agreement, and have a minimum AM Best rating of “A-” to an amount not to exceed 10 percent of its capital and surplus.
- 9.4 **Insolvency or Bankruptcy.** If the surety on any bond or other security furnished by the construction contractor is declared bankrupt or becomes insolvent or its right to do business is terminated in any state where any part of the Project is located, Developer shall within seven (7) calendar days thereafter substitute or require the substitution of another bond and surety, acceptable to City.

## ARTICLE X. INDEMNIFICATION

- 10.1 **Indemnification and Hold Harmless Agreement.** Other than in the performance of design professional services which shall be solely as addressed in Sections 10.2 and 10.3 below, to the fullest extent permitted by law, Developer shall defend (with legal counsel reasonably acceptable to the City), indemnify and hold harmless the City and its officers, agents, departments, officials, and employees (Indemnified Parties) from and against all claims, losses, costs, damages, injuries (including, without limitation, injury to or death of an employee of Developer or Developer’s agents), expense and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, attorney’s fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, any services performed under this Agreement by Developer or Developer’s agents, any subcontractor, anyone directly or indirectly employed by them, or anyone they control. Developer’s duty to defend, indemnify, protect and hold harmless shall not include any claims or liabilities arising from the active negligence, sole negligence or willful misconduct of the Indemnified Parties.
- 10.2 **Indemnification for Design Professional Services.** To the fullest extent permitted by law (including, without limitation, California Civil Code section 2782.8), with respect to the performance of design professional services, Developer shall require its design professional to indemnify and hold harmless the City, its officers, and employees, from all claims, demands, or liability that arise out of, pertain to or relate to the negligence, recklessness, or willful misconduct of Developer’s design professional or design professional’s officers or employees.
- 10.3 **Design Professional Services Defense.** The Parties will work in good faith to procure applicable insurance coverage for the cost of any defense arising from all claims, demands or liability that arise out of, pertain to or relate to the negligence, recklessness, or willful misconduct of Developer’s design professional or design professional’s officers or employees.
- 10.4 **Insurance.** The provisions of this Article are not limited by the requirements of Article XI related to insurance.

- 11.2 Written Notice.** Except as provided for under California law, any Required Insurance shall not be canceled, non-renewed or materially changed except after thirty (30) calendar days prior written notice by Developer to City by certified mail, except for non-payment of premium, in which case ten (10) calendar days' notice shall be provided.
- 11.2.1 Where the words "will endeavor" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents, or representatives" are present on a certificate, they shall be deleted.
- 11.3 Rating Requirements.** Except for the State Compensation Insurance Fund, all insurance required by express provision of this Agreement shall be carried only by responsible insurance companies that have been given at least an "A" or "A-" and "VI" rating by AM BEST, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by City.
- 11.4 Non-Admitted Carriers.** City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers.
- 11.5 Additional Insurance.** Developer may obtain additional insurance not required by this Agreement.
- 11.6 Obligation to Provide Documents.** Developer shall provide to City copies of documents including, but not limited to, certificates of insurance and endorsements, and shall furnish renewal documentation prior to expiration of insurance. Each required document shall be signed by the insurer or a person authorized by the insurer to bind coverage on its behalf. City reserves the right to require complete, certified copies of all insurance policies required herein.
- 11.7 Deductibles/Self Insured Retentions.** All deductibles and self-insurance retentions on any policy have been and shall remain the responsibility of Developer. Deductibles and self-insurance retentions shall be disclosed to City at the time the evidence of insurance is provided.

Either Party may have attorney(s) or expert(s) present. Upon reasonable demand, either Party may request and receive a list of witnesses and notification whether attorney(s) will be present.

16.4.2 Any agreements resulting from mediation shall be documented in writing. All mediation results and documentation, by themselves, shall be "non-binding" and

**CONTRACTOR EQUAL BENEFITS ORDINANCE CERTIFICATION**

1. Types of Insurance. At all times during the term of this Agreement, Developer shall maintain insurance coverage as follows:
  - 1.1. *Commercial General Liability*. Developer shall provide at its expense a policy or policies of Commercial General Liability [CGL] Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad and which shall cover liability arising from premises and operations, XCU (explosions, underground, and collapse) independent contractors, products/completed operations, personal injury and advertising injury, bodily injury, property damage, and liability assumed under an insured's contract (including the tort liability of another assumed in a business contract). There shall be no endorsement or modification of the CGL Insurance limiting the scope of coverage for either "insured vs. insured" claims or contractual liability. Developer shall maintain the same or equivalent CGL Insurance as described herein for at least ten (10) years following substantial completion of the work. All costs of defense shall be outside the policy limits. The Policy shall provide for coverage in amounts not less than the following: (i) General Annual Aggregate Limit (other than Products/Completed Operations) of two million dollars (\$2,000,000); (ii) Products/Completed Operations Aggregate Limit of two million dollars (\$2,000,000); (iii) Personal Injury Limit one million dollars (\$1,000,000); and (iv) Each Occurrence one million dollars (\$1,000,000).
  - 1.2. *Commercial Automobile Liability*. For all of Developer's automobiles used in conjunction with the Project including owned, hired and non-owned automobiles, Developer shall keep in full force and effect, a policy or policies of Commercial Automobile Liability Insurance written on an ISO form CA 00 01 12 90 or a later version of this form or equivalent form providing coverage at least as broad in the amount of one million dollars (\$1,000,000) combined single limit per occurrence, covering bodily injury and property damage for owned, non-owned and hired automobiles ["Any Auto"]. All costs of defense shall be outside the policy.
  - 1.3. *Architects and Engineers Professional Liability*. For all of Developer's employees who are subject to this Agreement, Developer shall keep in full force and effect, or Developer shall require that its architect/engineer(s) of record keep in full force and effect errors and omissions insurance providing coverage for professional liability with a combined single limit of one million dollars (\$1,000,000) per claim and two million dollars (\$2,000,000) annual aggregate. Developer shall ensure both that (i) this policy retroactive date is on or before the date of commencement of the Project; and (ii) this policy has a reporting period of three (3) years after the date of completion or termination of this Contract. Developer agrees that for the time period defined above, there will be no changes or endorsements to the policy that increases the City's exposure to loss.

1.4. *Worker's Compensation.* For all of Developer's employees who are subject to this Contract and to the extent required by the State of California, Developer shall keep in full force and effect, a Workers' Compensation Insurance and Employers' Liability Insurance to protect Developer against all claims under applicable state workers' compensation laws. The City, its elected officials, and employees will not be responsible for any claims in law or equity occasioned by the failure of the Developer to comply with the requirements of this section. That policy shall provide at least the statutory minimums of one million dollars (\$1,000,000) for Bodily Injury by Accident for each accident, one million dollars (\$1,000,000) for Bodily Injury by Disease each employee, and a one million dollars (\$1,000,000) for Bodily Injury by Disease policy limit. Developer shall provide an endorsement that the insurer waives the right of subrogation against the City and its respective elected officials, officers, employees, agents and representatives.

1.4.1. Prior to the execution of the Agreement by the City, the Developer shall file the following signed certification:

"I am aware of the provisions of Section 3700 of the Labor Code which requires every employer to be insured against liability for worker's compensation or to undertake self-insurance, in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of the Contract."

1.5. *Builder's Risk.* To the extent commercially available, Developer shall provide a policy of "all risk" Builders Risk Insurance. Developer shall add City and its respective elected officials, officers, employees, agents, and representatives to the policy as additional named insureds or loss payees, to the extent such insurance is commercially available. Developer shall also add its construction contractor, and the construction contractor's subcontractors to the policy as additional named insureds or loss payees, to the extent such insurance is commercially available. The insurance may provide for a deductible which shall not exceed fifty thousand dollars (\$50,000). It shall be Developer's responsibility to bear the expense of this deductible. The Builders Risk coverage shall expire at the time such insured property is occupied by City, or a Notice of Completion is filed, whichever occurs first.

2. Endorsements Required. Each policy required under Section 1, above, shall expressly provide, and an endorsement shall be submitted to the City, that:

2.1. *Additional Insureds.* Except as to Architects and/or Engineers professional liability insurance and Workers Compensation, the City of San Diego and its respective elected officials, officers, employees, agents, and representatives shall be named as additional insureds.

2.1.1. *Commercial General Liability.* The policy or policies must be endorsed to include as an Insured the City of San Diego and its respective elected officials, officers, employees, agents, and representatives. The coverage for Projects for which the

Engineer's Estimate is one million dollars (\$1,000,000) or more shall include liability arising out of: (i) Ongoing operations performed by you or on your behalf, (ii) Your products, (iii) Your work, including but not limited to your completed operations performed by you or on your behalf, or (iv) premises owned, leased, controlled, or used by you; the coverage for Projects for which the Engineer's Estimate is less than one million dollars (\$1,000,000) shall include liability arising out of: (i) Ongoing operations performed by you or on your behalf, (ii) Your products, or (iii) premises owned, leased, controlled, or used by you; Except that in connection with, collateral to, or affecting any construction contract to which the provisions of subdivision (b) of Section 2782 of the California Civil Code apply, these endorsements shall not provide any duty of indemnity coverage for the active negligence of the City of San Diego and its respective elected officials, officers, employees, agents, and representatives in any case where an agreement to indemnify the City of San Diego and its respective elected officials, officers, employees, agents, and representatives would be invalid under subdivision (b) of Section 2782 of the California Civil Code. In any case where a claim or loss encompasses the negligence of the Insured and the active negligence of the City of San Diego and its respective elected officials, officers, employees, agents, and representatives that is not covered because of California Insurance Code section 11580.04, the insurer's obligation to the City of San Diego and its respective elected officials, officers, employees, agents, and representatives shall be limited to obligations permitted by California Insurance Code section 11580.04.

- 2.1.2. Commercial Automobile Liability Insurance. Unless the policy or policies of Commercial Auto Liability Insurance are written on an ISO form CA 00 01 12 90 or a later version of this form or equivalent form providing coverage at least as broad, the policy or policies must be endorsed to include as an Insured the City of San Diego and its respective elected officials, officers, employees, agents, and representatives, with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Developer; except that in connection with, collateral to, or affecting any construction contract to which the provisions of subdivision (b) of Section 2782 of the California Civil Code apply, this endorsement shall not provide any duty of indemnity coverage for the active negligence of the City of San Diego and its respective elected officials, officers, employees, agents, and representatives in any case where an agreement to indemnify the City of San Diego and its respective elected officials, officers, employees, agents, and representatives would be invalid under subdivision (b) of Section 2782 of the California Civil Code. In any case where a claim or loss encompasses the negligence of the Insured and the active negligence of the City of San Diego and its respective elected officials, officers, employees, agents, and representatives that is not covered because of California Insurance Code section 11580.04, the insurer's obligation to the City of San Diego and its respective elected officials, officers, employees, agents, and representatives shall be limited to obligations permitted by California Insurance Code section 11580.04.

- 2.2. *Primary and Non-Contributory.* The policies are primary and non-contributing to any insurance or self-insurance that may be carried by the City of San Diego, its elected officials, officers, employees, agents, and representatives with respect to operations, including the completed operations if appropriate, of the Named Insured. Any insurance maintained by the City of San Diego and its elected officials, officers, employees, agents, and representatives shall be in excess of Developer's insurance and shall not contribute to it.
- 2.3. *Project General Aggregate Limit.* The CGL policy or policies must be endorsed to provide a Designated Construction Project General Aggregate Limit that will apply only to the work performed under this Agreement. Claims payments not arising from the work shall not reduce the Designated Construction Project General Aggregate Limit. The Designated Construction Project General Aggregate Limit shall be in addition to the aggregate limit provided for the products-completed operations hazard.
- 2.4. *Written Notice.* Except as provided for under California law, the policies cannot be canceled, non-renewed or materially changed except after thirty (30) calendar days prior written notice by Developer to the City by certified mail, as reflected in an endorsement which shall be submitted to the City, except for non-payment of premium, in which case ten (10) calendar days notice shall be provided.
- 2.5. The words "will endeavor" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents, or representatives" shall be deleted from all certificates.
