

Bike Rack 8/24

- Residential Densities in Conway
- Possible bike/ped path along Airport

Comments

8/24

- There is housing on Aero when it was previously Industrial
- Need for middle income housing to retain middle income occupants
- Housing may be needed on both sides of 163 to meet demand
- Density will be of great importance
- Linear park concept may be better than bike/ped path along Montgomery Field
- What solutions were used to address park deficiencies in NP + GH
- Opportunities for park credit for YMCA
- Opportunities ~~near~~ MiraMar Landfill for park
- City land @ 805 + Copley should be looked @ for park needs
- Should have more parking and safer pedestrian facilities to access Centrum Park
- Restrooms are needed @ Centrum Park
- Incentives over fees
