Commissioners:

At its May 12, 2021 meeting, the Kensington Talmadge Planning Group approved the following motion on a 13-1 vote:

The KTPG desires that Kensington and Talmadge are kept together in the same City Council district and that our communities are kept wholly intact, including all the areas currently included in our community plan boundaries. Furthermore, we prefer to remain combined with the immediately adjacent areas to the east, west, and south of us.

The areas to our east, west and south tend to share our same issues with aging and inadequate infrastructure, and have followed many of the same development patterns as our community. As you may note from its omission, we believe the areas to our north do not share these same concerns and history.

Respectfully yours,
