Preamble

This Memorandum of Understanding entered into by the City of San Diego, herein referred to as the City, and Local 127, American Federation of State, County, and Municipal Employees, AFL-CIO, herein referred to as the Union, has as its purpose the promotion of harmonious labor relations between the City and the Union.

ARTICLE 1

Parties to the Agreement

This Memorandum of Understanding is entered into this 1st day of July 2005, by and between the City of San Diego, hereinafter referred to as the "City," and Local 127, American Federation of State, County, and Municipal Employees, AFL-CIO, hereinafter referred to as the "Union."

ARTICLE 2

Term of Agreement

The term of this Memorandum of Understanding shall begin commenced at 12:01 a.m. on July 1, 2005; provided, however, that the effective date of all changes affecting payroll shall be July 2, 2005. This Memorandum of Understanding has been modified and extended and shall expire and otherwise be fully terminated at 12:00 a.m. (midnight) on at the end of June 30, 2008.

ARTICLE 3

Recognition

A. RECOGNITION

The City recognizes the Union as the exclusive representative of employees in the Maintenance, Labor, Skilled Trades and Equipment Operator Unit pursuant to the provisions of the Employer-Employee Relations Policy of the City, and applicable State Law.

B. COVERAGE OF EMPLOYEES

This memorandum applies to all classifications listed in Exhibit A, and to any new classifications added to Exhibit A during its term.

- C. No classification shall be removed from the bargaining units exclusively represented by Local 127 during the term of this agreement, and Management shall not entertain any employee petition which seeks removal from this "represented" status.

ARTICLE 4

Provisions of Law

Section 1.

This Memorandum is subject to all current and future applicable federal, state and local laws and regulations. Provided, however, no local law which is enacted in contravention of the provisions of the Meyers-Miliias-Brown Act shall affect the provisions of this agreement. Departments will not enact regulations which contravene the articles of this Memorandum of Understanding.

Section 2.

If any part or provision of this Memorandum is in conflict or inconsistent with such applicable provisions of federal, state or local laws or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provisions shall be suspended and superseded by such applicable law or regulations, and the remainder of the Memorandum shall not be affected thereby.

ARTICLE 5

Implementation

This Memorandum of Understanding constitutes a mutual recommendation by the Management Team and Local 127, AFSCME to be jointly submitted to the City Council and/or the Civil Service Commission. It is agreed that this Memorandum of Understanding shall be binding upon the parties upon:

A. The City Council's and Civil Service Commission's formal approval by majority vote of the Articles of said Memorandum as appropriate. However, it is recognized that those articles requiring a change or alteration by the City Council or Civil Service Commission to ordinances, resolutions, rules, policies and procedures shall be given effect only upon completion of the required adoption procedure.

B. Ratification by Local 127, AFSCME, as soon as practicable, following completion of negotiations. The City shall permit employees a reasonable amount of paid time off in order to vote on ratification of negotiations only during the scheduled work day. Local 127, AFSCME, shall notify Management of the result of the ratification process for the modification and extension of the agreement no later than thirty (30) days after the conclusion of the meet and confer process.

ARTICLE 6

Reasonable Notice

Section 1.

A reasonable effort will be made to provide 60, but not less than 30 calendar days written notice to Local 127 if affected by any ordinance, rule, resolution, or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council or by the Civil Service Commission or by appointing authorities and Local 127 shall be given the opportunity to meet with such body or person prior to adoption.

Section 2.

In cases of emergency pursuant to the City Charter, when the City determines that an ordinance, rule, resolution, or regulation must be adopted immediately without prior notice or meeting with Local 127, the City Council or the board or commission of the City shall provide such notice and opportunity to meet at the earliest practicable time following the adoption of such ordinance, rule, resolution, or regulation.

ARTICLE 7

Renegotiation

Section 1.

In the event Local 127 desires to meet and confer in good faith on the provisions of a successor agreement, it shall serve upon the City not later than February 18, of the final year of this Memorandum of Understanding, its written request to commence meeting and conferring in good faith, as well as its written proposals for such successor agreements. Upon receipt of such written notice and proposals, meet and confer shall begin no later than March 3, 2008.

Section 2.

The City agrees to notify Local 127 by February 25, of the final year of this Memorandum of Understanding, of its non-economic proposals and will submit its economic proposals not later than March 3, of the final year of this Memorandum of Understanding. Notwithstanding the above, if federal or state governments take action that has direct effect upon the areas which fall within meet and confer, the City may submit proposals concerning these areas at later dates. The parties agree that this MOU shall be reopened for purposes of negotiating regarding the flexible benefits plan value. Any terms and conditions of the MOU, not subject to this reopen provision shall remain in force and effect. The impasse hearing will take place in advance of the first reading of the salary ordinance for FY2009.

Section 3.

Management will request the City Council to schedule an Impasse Hearing if necessary after 5 p.m. on a regular work day in order to permit Local 127 bargaining unit members the opportunity to attend and testify.

Section 4.

Unless otherwise agreed to, the parties agree that final offers by both parties will be made no later than April 1, 2008. If an impasse hearing with the City Council is necessary, it will be scheduled for April 8, 2008. Local 127 agrees to provide the Management Team a written statement of its positions regarding any issues at impasse on April 4, 2008.

Section 5.

During the term of this MOU, the City will reopen negotiations with AFSCME, Local 127 if other represented employees receive more favorable economic terms or less detrimental concessions than the terms negotiated for this MOU, in the following categories:

- (1) the amount of any general salary increase;
- (2) The amount of any "pick-up" paid by the City for General or Safety Members;
- (3) The amount of the Flexible Benefits Plan dollar contribution;
- (4) The amount of any special assignment pay applicable to employees performing the same duties regardless of bargaining unit;

- (5) The number of Holidays;
- (6) The amount of Annual Leave; and,
- (7) The scope of the retiree health insurance benefit for current employees and the City contribution for this benefit on behalf of employees hired on or after July 1, 2005.

For purposes of this provision, the phrase "more favorable economic terms or less detrimental concessions" will be evaluated using total compensation costing method, not each item on its own. To illustrate, an agreement of another bargaining unit that accepts a lower dollar value in Flexible Benefits Plan in order to achieve a higher general salary increase will not be considered more favorable economic terms as long as the total compensation percentage is the same.

If the City intends to grant a more favorable benefit or request a less detrimental concession as specified above, it shall provide AFSCME, Local 127 with notice and opportunity to reopen negotiations on the issues directly related to the favorable economic terms or less detrimental concessions. Similarly, negotiations may also be reopened by AFSCME, Local 127 upon learning of a proposed term negotiated by another recognized organization as a result of an impasse hearing or other public disclosure.

Upon request by AFSCME, Local 127 to reopen negotiations under this provision, the City will take the necessary steps to preserve the ability to amend any salary ordinance so that the City can fulfill its obligation to bargain in good faith during the reopening of negotiations.

Section 6.

During the term of this MOU, if any Court of competent jurisdiction orders the reduction or elimination of the current level of pension benefits, the reductions in the pension contribution/salary reduction set forth in this document will immediately sunset and revert to the salary level in effect on June 30, 2005, and any subsequent increases. The wage provisions of this MOU will be reopened for negotiations upon the written request of either the City or AFSCME, Local 127.

In the event that legislation is enacted or a State Constitutional amendment passes during the term of this agreement that reduces the benefits of the City's defined benefit pension plan, the City will reopen negotiations upon AFSCME, Local 127's written request regarding the terms of a pension plan for employees allowed by law.

Section 7.

At the conclusion of the joint study specified in Article 43 on the retiree medical defined contribution plan for employees hired on or after July 1, 2005, the parties will reopen negotiations on the results of the study.

Section 8.

At the conclusion of the joint study specified in Article 43 on retiree medical benefits for employees hired before July 1, 2005, the parties will reopen negotiations on the results of the study and will implement agreed-upon changes. This effort will not result in any change to this MOU unless there is a mutual agreement to make the change following the study outcome.

Section 9.

At the conclusion of the joint study specified in Article 45 on the Flexible Benefits Plan, the parties will reopen negotiations on the results of the study and will implement agreed-upon changes. This effort will not result in any change to this MOU unless there is a mutual agreement to make the change following the study outcome. Any savings generated by restructuring the Flexible Benefits will be used to increase the annual Flexible Benefits contribution.

Section 10.

The parties will reopen negotiations in FY07 on the subject of eliminating the DROP program for employees hired before July 1, 2005.

ARTICLE 8

Management Rights

The rights of the City include among others, the exclusive right to determine the mission of its constituent departments, commissions, and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees, take disciplinary action for just cause; relieve its employees from duty because of lack of work or for other lawful reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; take all necessary actions to carry out its mission in emergencies; and complete control and discretion over its organization and the technology of performing its work.

The exercise of such rights shall not preclude Local 127 from consulting with management representatives about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment. Management decisions shall not supersede the provisions of this agreement.

ARTICLE 9

Equal Opportunity Policy

Section 1.

The parties mutually recognize and agree fully to protect the rights of all employees falling in the unit listed in Article 3 herein to join and participate in the activities of Local 127, or not to join and participate in such activities, and all other rights guaranteed by law.

Section 2.

No employees shall be interfered with, intimidated, restrained, coerced or discriminated against because of the exercise of these rights.

Section 3.

The provisions of this Memorandum shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, age, gender identification, sexual orientation, disability (as defined by the Americans with Disabilities Act), medical condition, national origin, political or religious opinions or affiliations, sexual orientation, or for any other unlawful reasons. In interpreting these terms, the City will be bound by State and Federal law.

Section 4.

The Union agrees to support affirmative action and equal opportunity plans and policies promulgated in accordance with procedures established by the City Council as consistent with State and Federal law.

Section 5.

If an employee files a complaint with the State or Federal authorities, the City shall cooperate fully with that agency's investigation if conducted.

ARTICLE 10

Grievance Procedure

I. Policy

- A. Employees have the right to file grievances without jeopardizing their positions.
- B. Employees may represent themselves or select a Local 127 representative to represent them at any or all steps in the grievance procedure.
 - (1) The employee has the right to the assistance of a Local 127 representative in the investigation, preparation and presentation of a grievance.
 - (2) Employees may have no more than one City employee and one non-City employee as representatives for grievance hearings. In the last three steps of the grievance procedure, an additional non-City employee may, at the discretion of the employee, represent the employee.
 - (3) Notwithstanding any other provision of this agreement, an employee may not select as a representative, a supervisor in the employee's chain of command or a higher ranking supervisor. This does not preclude Stewards or officers of Local 127 from representing an employee in a grievance.
- C. Grievances may be initiated by the employee, or by the exclusive formally recognized employee organization on the employee's behalf. If an employee chooses to have representation on a grievance concerning a matter that directly involves the interpretation or application of the specific terms and provisions of this Memorandum of Understanding or wages, hours, and working conditions, such representation must come from Local 127.

- D. The employee's or employee organization's first contact regarding job and working conditions is with the immediate supervisor and supervisors shall attempt to settle grievances informally at this level.
- E. A grievance will normally be presented and processed on City time, and a grievant attending a grievance meeting in his/her own behalf on City time will not lose pay. In scheduling the time, place and duration of any grievance meeting, the employee, a Steward or Local 127 Representative and Management will give due consideration to all the participants' responsibilities in the essential operations of the department. Management has the unequivocal right to schedule grievance hearings as convenient. Hearings may or may not be held during an employee's normal shift. No overtime pay will be given to the grievant. Representatives, witnesses, or other participants will receive overtime pay if ordered to be present by the appointing authority.
- F. Waivers and Time Limits
 - (1) Failure by Management to reply to the employee's grievance within the time limits specified automatically processes the grievance to the next level.
 - (2) Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
 - (3) If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
 - (4) By mutual agreement, the grievance may revert to a prior level for reconsideration.
 - (5) If a grievant fails to appear for a scheduled grievance meeting, such failure without an excuse approved by the appointing authority shall entitle Management to decide on the grievance without the presence of the grievant, or to schedule another meeting at that level (in which case the time requirements for hearing and decision are automatically waived). Failure to appear at two meetings on the same grievance without an approved excuse automatically terminates that grievance and it is deemed denied. The grievance shall then not be subject to further appeal or reconsideration.
 - (6) When a grievant is on approved leave the time limits established in this procedure shall be suspended for the period of the leave.
 - (7) No grievance shall be finally dismissed for an unexcused failure to appear at a scheduled hearing unless the grievant had been given 24 hours notice of the hearing.
- G. The Management Team shall provide Local 127 with copies of all grievances regarding this M.O.U. filed by employees, within the Local 127

Bargaining Units, who choose to represent themselves, within five working days.

- H. The Union agrees to pursue all claims of violation of this MOU through the grievance procedure. Resort to other remedies shall not be pursued until all steps of the grievance procedure have been exhausted. If Local 127 reasonably feels that it or an employee has suffered immediate and irreparable harm, the City and Local 127 agree that the Local shall directly contact the City Manager's Office to seek a resolution prior to pursuing remedies outside the City. If the City Manager's Office fails to address cases of immediate and irreparable harm within a reasonable period of time, Local 127 may initiate action outside the City. Utilization of this procedure shall be deemed to exhaust the grievance procedure.

II. Definitions

- A. A grievance is a claim or charge of misunderstanding, or difference in interpretation, or violation of provisions of the Civil Service Rules, the Personnel Manual, this Memorandum of Understanding, or management policy or regulations including but not limited to Administrative and Departmental Regulations, which affect wages, hours, or other terms and conditions of employment.
- B. Actions which are covered in the Management Rights Article of this Memorandum are not grievable, but this shall not preclude employees or their representatives from consulting with Management about the practical consequences such actions may have on wages, hours, and other terms and conditions of employment. In addition, actions covered by another appeals process as described in the Civil Service Rules, Personnel Manual, or this Memorandum are not grievable and shall not be processed through this Grievance Procedure.
- C. If the grievance system is abused by an unreasonable number of submissions by one individual or group and which is obviously designed to thwart orderly processing or if the grievances are patently irrelevant, or incomprehensible, such grievances shall be rejected as non-grievable. Such rejection shall be grievable.
- D. Wherever applicable, the term "working days" means the actual work days of the individual on whom the time limits are imposed.

III. Procedures

A. General

- (1) Management of the department has the responsibility to inform an employee of any limitation of a given level of Management's authority to fully resolve the grievance. In this regard, Management shall:
- (a) Supply the employee with the necessary information to process the grievance to the proper agency or authority.

- (b) Advise an employee when any matter under submission is determined by Management as not grievable according to the definitions in Section II above. The "grievance" paperwork submitted by the employee shall be returned to the employee along with a memorandum explaining why the matter is not grievable and what alternative procedures, if any, the employee may follow to process his/her complaint. A copy of this "grievance" shall be forwarded to Local 127. If a grievance is determined to be non-grievable, that decision may be grieved. A decision favorable to the employee or the Union in this latter grievance shall serve to reinstate the original grievance in whole.

- (c) At the request of Local 127, a fourth step hearing will be conducted to discuss the reasons for finding that a grievance is non-grievable. The decision at the fourth step may be appealed to the fifth step for final resolution.

- (2) When a group of identical grievances develop, only one grievance form shall be submitted. The grievants may select not more than two (2) spokespersons who thereafter will be their representative "grievants." The acceptance of the decision by the spokespersons at any step (or final decision if the grievance moves to the fifth step) will be binding on all parties.
- (3) A grievance shall be recognized if it is brought to the attention of the immediate supervisor either informally or formally within ten (10) working days of the incident's occurrence.
- (4) If the grievance is between the employee and any supervisor, the initial step may be to the next higher level supervisor.
- (5) To be recognized, a grievance must state which policy, rule, regulation, etc., is involved in the matter and the nature of the remedy sought by the employee or Local 127. In the event that the grievance is rejected for failure to state which policy, rule, regulation, etc., is involved, it may be amended by the grievant or the Union.

B. Steps:

- Step 1: At the employee's or employee organization's sole option, grievances may be presented to the supervisor either orally or in writing. If the complaint is presented orally, the procedure is informal and may be settled by an oral answer given within five (5) working days to the employee and Local 127 representative. If the grievance is presented in writing, the procedure is formal and the answer must be given in writing within five (5) working days after submission.
- Step 2: If the problem cannot be solved at Step 1, the employee or employee organization may present the complaint in writing to the second level supervisor (if not done at Step 1) within five working days. Within five (5) working days of the receipt of the grievance, a hearing shall be held and the Management representative

shall give written decision to the employee and the Local 127 representative.

- Step 3: If the problem is not resolved at Step 2, the employee or employee organization may submit the grievance to the division head within five (5) working days. Within five (5) working days of the receipt of the grievance, a hearing shall be held and the division head shall give a written decision to the employee and Local 127. In smaller departments, this step is deleted.
- Step 4: If the dispute is not solved in Step 3, the employee or employee organization may present the grievance to the Department Head within five (5) working days. Within ten (10) working days of the receipt of the grievance, a hearing shall be held and the Department Head (or designee) shall give a written decision to the employee or Local 127 representative. The designee cannot be an individual who previously heard the grievance at a lower level. In non-managerial departments, this shall constitute the final resolution of a grievance involving management policy or regulations.
- Step 5: Final Resolution of Grievance: If the grievance is still in dispute after Step 4, the employee or employee organization may request a further hearing, which at the discretion of the Management Team will take place before the Civil Service Commission, on matters over which the Commission has authority, or before the City Manager or his designee, by submitting the grievance within five (5) working days. (If it is determined that the hearing should be held before the Civil Service Commission, a fact-finding hearing to define the issues in the grievance will be held by the Personnel Director with the employee and/or employee organization, prior to the date set for the Commission hearing. The grievance may be settled during such fact-finding hearing, if a mutually acceptable solution is developed.) The decision of the Commission shall be issued at its next regularly scheduled meeting following the hearing by the Personnel Director. In grievances answered by the Manager, a hearing shall be held and a written response given within ten (10) working days from the date of receipt of the appeal from the fourth step. The employee or employee organization may only request a hearing before the Civil Service Commission, in matters solely involving Civil Service Rules or the Personnel Manual.
- Step 6: Grievances arising out of the disagreement on interpretation or application of this Memorandum shall follow the City-wide grievance procedure. Local 127 may formally request to continue the grievance, not later than ten (10) days following receipt of the answer at the final step of the grievance procedure (provided it was heard by the City Manager), by serving written notice upon the Management Team. The Management Team will refer the grievance to the City Council for hearing and decision. However, during the term of this agreement Step 6 of the grievance procedure shall be held in abeyance and a pilot program for mediation and non-binding arbitration will be implemented to replace Step

6. The City and Local 127 agree to explore alternative dispute resolution methods using the Sempra Energy's SDG & E model as a foundation for implementation. If the mediation/non-binding arbitration pilot program is withdrawn at the expiration of the agreement, Step 6 shall be reinstated.

- C. All grievances not responded to within the time limits in Steps 1 through 4 will be forwarded directly to Step 5.
- D. Management will ensure that grievances are properly handled in a timely manner and that any abuses of this grievance procedure are expeditiously corrected.

ARTICLE 11

Stewards

Section 1. GENERAL

The Union shall have the option of designating Stewards and alternate stewards at each facility to represent employees in the processing of grievances subject to the following rules and procedures:

- A. Additional Stewards may be named after agreement between the parties. The parties agree to discuss the addition of Stewards in the event of decentralization in a City department.
- B. The Union shall furnish Management representatives on July 1 of each year a written list identifying by name and assigned work areas all regular and alternate Stewards, and the list shall be kept current during the term of this Memorandum.
- C. The Union will designate as Stewards only employees who have passed their initial City probationary period. The Union will also designate as Stewards only employees currently assigned to classifications in the Unit represented by Local 127, as listed in Exhibit A of this Memorandum.
- D. The City agrees to allow no more than ten [10] Stewards and two (2) Chief Stewards to operate outside of their assigned work areas. Local 127 and Management agree to develop a system to identify those Stewards eligible to operate outside of their assigned work areas, subject to ongoing review and the approval of the Labor Relations Manager.
- All other Stewards may only function within the boundaries of their City approved area of union assignment. Stewards who are not on a current union submitted and City-approved list of Stewards shall not be recognized as Stewards by the City and shall have none of the rights or privileges agreed to as a Steward.
- E. In an emergency, or if no job site Steward is available, then the Chief Steward or a designated Officer shall have the right to investigate a grievance, or represent an employee.

- F. Management will make every effort not to temporarily or permanently transfer a Steward from a geographic location, without 5 days prior notice to the Union. A prior notice to the Union shall not be construed as limiting Management in its prerogatives to transfer or change the work shift of a Steward.
- G. Stewards are responsible for an accurate accounting of their City compensated time spent on Steward duties as indicated by the time card entries submitted for payroll purposes.
- H. Management agrees that Stewards shall not be penalized or discriminated against in any way for their participation as union Stewards.
- I. **Steward Training Release Time**
The parties mutually recognize the importance of maintaining sound employer-employee relations on the job, and for employees to have qualified representation on the job, in so doing, the City shall allow reasonable release time, without loss of compensation, to Local 127 stewards for the purpose of attending job steward training provided by the union.
- J. **Study on Reasonable Use of Stewards**
The parties mutually agree that during the term of the agreement, the parties will meet to discuss and reach agreement on the reasonable use of stewards, the amount of release time considered reasonable, access issues to facilities, representation information required to be provided to the Labor Relations Manager for authorized release time.

Section 2. HANDLING GRIEVANCES

- A. When requested by an employee who has a grievance, a Steward, with permission of his or her supervisor, may investigate any grievance in his or her assigned work area and assist in its preparation and presentation.
- B. After notifying and receiving approval of the immediate supervisor a Steward shall be allowed reasonable time off during working hours, without loss of time or pay to investigate, prepare and present such grievances. The immediate supervisor will authorize the Steward to leave his or her work unless compelling circumstances require refusal of such permission in which case the immediate supervisor shall inform the Steward of the reasons for the denial and establish an alternate time within 24 hours, except in case of emergency, when the Steward can reasonably expect to be released from his or her work assignment.
- C. When a Steward desires to contact an employee at his or her work location, the Steward shall first contact the immediate supervisor of that employee, advise of the nature of the business, and obtain the permission of the supervisor to meet with the employee. ARTICLE 12

Access to Work Locations

- A. Authorized Union business representatives, or the President of the Union or his or her authorized designee in the case of his or her absence after notification to the City Manager's Office, and one other member of the Executive Board of Local 127, who will not be on City time, shall be granted access to work locations in which employees covered hereby are employed, for the purpose of conducting grievance investigations and observing working conditions. Authorized Union representatives desiring such access to such work locations shall first inform the appropriate Management representative at that work site of the purpose of the visit. The Union representative shall not unduly interfere with the operations of the department during a visit. Representatives have the right to meet with employees on an individual basis during coffee, rest or lunch breaks at City facilities. Such access shall normally be granted by Management unless the visit will unduly interfere with the operation of the department. Such permission shall not be unreasonably withheld.
- B. When a class action grievance emerges, or when management requests to meet and confer during the term of the agreement, Local 127 representatives may request directly from the Labor Relations Manager, permission to have an opportunity to meet with affected employees for a reasonable amount of time during regular working hours for the purpose of discussing the grievance, or management proposals. The decision of the Labor Relations Manager shall be final.
- C. **Study on Release Time for E-Board Member.**

ARTICLE 13

Employee Representation

- A. An employee may request representation from Local 127, not to exceed one City employee, who is not designated as a supervisory employee, and one non-City employee; or two City employees, who are not designated as supervisory employees; or two non-City employees. In addition, the President of Local 127 or a designated alternate may also attend if authorized by the Manager's Office. Such representation may be present:

1. During any investigatory or fact-finding meeting where there is reasonable expectation that discipline might result. The City shall provide the results of the fact finding to both the employee and the union within thirty (30) days after the completion of the investigation, upon written request of the employee or Union. Such representation is not available in cases requiring immediate removal or suspension as defined in Civil Service Rule XI.
 2. During the required discussion of any document, including an "Unsatisfactory" or "Below Standard" Performance Evaluation, written warnings, reprimands or notes of counseling which are to be made a part of the employee's permanent record and/or which may be used as a basis for subsequent discipline.
 3. During any Skelly hearing prior to the imposition of discipline by a supervisor, reduction in compensation, demotion, or discharge.
 4. During the appeal of any disciplinary action.
 5. During Accident Review Committee meetings, Civil Service appeals, Long Term Disability and Industrial injury appeals and any other meeting in which representation is normally afforded employees.
 6. The employee will be provided an opportunity to notify Local 127's office in the event that the employee is required to submit to "for cause" drug or alcohol testing. This opportunity to notify Local 127 is at the employee's option and shall not be interpreted as a basis upon which any employee may refuse to submit to the required drug or alcohol testing. Local 127 shall utilize this notification to prepare for eventual investigations or fact findings as necessary. In no way shall this representation be interpreted as the right to an immediate appeal of the test.
- B. The City employee representative shall not be an employee subject to the same investigation or fact-finding.
- C. In all other instances, Management has the right to verbally counsel or interview employees as it deems appropriate without employee representation being present.
- D. The employee who is notified of a pending disciplinary action shall be given a reasonable time to consult with his/her representatives so that he/she may prepare a response to said action. All meetings between employees and their representatives on City work time shall take place in the immediate vicinity of the employee's worksite.
- E. An employee is also entitled to representation as outlined above in appeals of disciplinary actions and less than satisfactory performance evaluations.
- F. If an employee subject to disciplinary action elects to have a City employee as a representative, such employee may attend disciplinary hearings or meetings with management on City time. If these meetings or hearings extend beyond the representative's normal work hours, no overtime will be paid.

- G. If during any unscheduled meeting in which the employee is informed that discipline may result an unrepresented employee may request representation. The meeting should be stopped and rescheduled affording the employee an opportunity to obtain representation.
- H. Management shall give an employee a five (5) day advance written prior notice of his or her right to representation.
- I. Management will encourage Appointing Authorities to schedule some representation matters at the Local 127 Union Hall.

ARTICLE 14

Disciplinary Actions and Appeals

1. The City shall have ten (10) working days from the completion of the investigation to initiate disciplinary action. The employee may appeal the placement of any disciplinary document in his/her permanent record by submitting an appeal letter within 10 working days of the employee being notified that any such document is to be placed in his or her file. This appeal letter should contain pertinent details of the basis for the appeal and should be submitted to the Department Head. Disciplinary documents which may be appealed include written warnings, reprimands, and less than satisfactory performance reports. It is mutually agreed that satisfactory and above employee performance evaluations are not eligible to be appealed. As soon as possible after receiving the appeal letter, the Department Head or his/her designee will schedule a hearing on the matter. The employee is entitled to representation at such hearing as specified under Article 12, Section A. After the hearing the Department Head or his/her designee will make a decision within 10 working days as to whether the written document will be retained in or removed from the employee's record. This decision shall be final and shall terminate the appeal procedure.
2. Disciplinary actions shall remain a permanent part of the employee's file, with the exception of the following:
 - a. When the employee has appealed the placement of a document in his or her file and the appeal has been upheld by the Department Head or his/her designee.
 - b. When a disciplinary action has been appealed to the Civil Service Commission in accordance with the appeal rights provided in Civil Service Rule XI and the Commission has directed that such record be removed from the employee's file.
3. The City and Local 127 ascribe to the principles of just and progressive discipline where warranted and appropriate. These principles include:

Performance Related Matters

- a. Performance Plan
- b. Oral Counseling
- c. Written Counseling
- d. Performance Evaluation

- e. Reduction in Compensation
- f. Demotion
- g. Termination

Misconduct Issues

- a. Oral Warning
- b. Written Warning
- c. Reprimand
- d. Suspension
- e. Demotion or reduction in compensation
- f. Termination

While these progressive steps are available, severity of the problems, circumstances and supervisory judgment dictate which disciplinary measure is appropriate.

4. The City Personnel Department and the Appointing Authority shall keep and maintain an official personnel file for employees, which shall contain all information relative to the employee.

Formal reprimands without further penalty more than two (2) years old, and those with additional penalty more than three (3) years old, will be destroyed, and will not be considered for purposes of promotion, transfer, special assignments and disciplinary actions, except as to disciplinary actions when such reprimands show patterns of specific similar misconduct. Reprimands may be retained in the employee's personnel jacket. Upon request of the employee, such reprimands will be destroyed on this basis. However, in the event that an employee fails to make such a request, on discovery by Management any reprimand will be destroyed in accordance with this provision.

Letters of counseling and letters of warning, more than one (1) year old will be destroyed and will not be considered for purposes of promotion, transfer, special assignments and disciplinary actions, except as to disciplinary actions involving specific similar misconduct as that addressed in the letter of counseling or letter of warning. Letters of counseling and letters of warning may be retained in the employee's personnel jacket. Upon request of the employee, such letters of counseling and letters of warning will be destroyed on this basis. However, in the event that an employee fails to make such a request, on discovery by Management any counseling or warning will be destroyed in accordance with this provision.

An employee will have an opportunity to rebut any detrimental material which is placed in his or her permanent personnel record by having a letter of rebuttal attached to the detrimental material.

Upon request, an employee is entitled to a copy of specific materials placed in their current personnel record. An employee will receive a copy of any material placed in their personnel record at the time the material is placed in the employee's personnel record.

All materials placed in the Appointing Authority's personnel record for an employee will be located in one central file.

An employee's supervisor may maintain an informal file of job related information on an employee. Any detrimental information will be discussed with the employee during counseling sessions or performance evaluations. Formal disciplinary documents will be maintained in the Personnel Department or Appointing Authority files. Both the City and Local 127 agree that an employee's failure to challenge any material in such file does not justify the conclusion that the employee is in agreement with any such material.

5. Less than satisfactory performance reports which are not resolved by the Department Head or his/her designee may be appealed by the employee to the Personnel Director. The Personnel Director will accept and take action on such appeals only when the employee has a valid complaint that:
 - a. the employee was not rated by the first-line (immediate) supervisor, or
 - b. the Employee Performance Report was not discussed with the employee, or
 - c. ratings were changed without the employee's knowledge, or
 - d. the Performance Plan was not discussed with the employee when the employee first began a job or when the plan was revised due to changes in the job. (This applies only to employees in departments/divisions which have implemented the new Employee Performance Review Program.)

If an appeal is accepted, the Personnel Director will investigate the facts and consult with all concerned before a change, if any, is made in the rating.

6. Less than satisfactory performance reports which are not resolved by the Department Head or his/her designee may be appealed to the City Manager or his designee if the rating was based on incidents that occurred outside of the rating time period.
7. Skelly Rights

The City agrees to observe the "Skelly" rights of employees in disciplinary actions. Where the City disciplines a permanent employee in the form of a suspension, demotion, discharge, or a reduction in compensation, the City agrees to provide written notice and an opportunity to respond to the Appointing Authority proposing the discipline. The employee will be given a reasonable opportunity to obtain representation and will be provided with the factual basis and pertinent documents for the discipline. The employee will be permitted to have one City employee and one non-City employee as representatives at the Skelly hearing.
8. Reduction in Compensation

The compensation of any employee of the City may be reduced a maximum of 2 steps within the salary range of that employee's current classification. Such reduction in compensation may be put into effect upon finding that the employee's performance is unsatisfactory for the employee's classification and/or position.

It is the intent of both parties that a reduction in compensation is an intermediary step, normally preceded by progressive discipline and may normally precede more severe disciplinary action.

a. Procedure for Reduction in Compensation

An employee's compensation shall be reduced only upon the completion of the following steps:

- (1) The employee receives an unsatisfactory performance report.
- (2) Upon being notified of the proposed action to reduce the employee's compensation, such employee shall, within five working days, have the right to respond orally or in writing to the appointing authority.
- (3) After giving due consideration to the information provided by the employee, the appointing authority may elect to reduce the compensation of such employee.
- (4) At the time the employee is notified of such action, the employee will be informed of their representation and appeal rights.
- (5) The reduction in compensation may be in effect for only six months of active duty. At the end of that time the employee shall be reinstated to the previous salary step in the job classification or some other type of disciplinary action shall be taken.
- (6) At the end of 90 days the employee's job performance must be re-evaluated by the appointing authority. If the employee's performance is unsatisfactory the reduction in compensation may continue. If the employee's performance is better than unsatisfactory, the employee will be reinstated to the previous salary step in the job classification.

b. Appeal of Reduction of Compensation

Within ten working days of receipt of notice of reduction in compensation, an employee may file a written appeal with the City Manager's Office. The decision of the City Manager or his designee will be final.

9. Except for the appeal process for reduction in compensation as stated above, members of the unit shall have all appeal rights currently provided in Civil Service Rule XI.
10. Unless there are extraordinary and extenuating circumstances, management shall begin the discipline process within thirty days of the conclusion of the investigatory process. Local 127 may grieve violations of this provision directly to the City Manager's Office.
11. The use of Last Chance agreements is recognized by Management as a possible alternative to termination of employment in select cases. Consideration by Management of this alternative will be conducted in a fair and equitable manner. When Management agrees to a Last Chance agreement, the agreement shall be fully binding and the duration of the agreement shall normally be one year.

12. The primary responsibility for conducting a disciplinary investigation and the resulting advance notice of disciplinary action when warranted will be delegated by the Appointing Authority to someone other than the individual prospectively responsible for hearing an appeal of such action. The individual delegated the primary responsibility will also sign the Advanced Notice. Exceptions may be granted by the Labor Relations Manager.

ARTICLE 15

Out-of-Class Assignments

Employees represented by Local 127 shall be compensated for out-of-class assignments on the 31st continuous day of assignment or on the 31st day of cumulative out-of-class assignments in the same classification. Out-of-class assignments shall accrue on a fiscal year basis only. Accumulated days will not be carried into the next fiscal year.

Appointing Authorities should take into consideration all OCA time worked in a class when considering at what step to place an employee who is permanently promoted to a higher classification.

The City agrees that all out-of-class assignments, regardless of number of hours worked in a pay period, will be recorded in the employee's personnel file.

For employees in classifications in the Maintenance, Labor, Skilled Trades and Equipment Operator representation unit, appointing authorities will give first consideration for appointment to an out-of-class assignment to employees on the eligible list for the class in which a vacancy occurs, except in those cases in which the specialized needs of the assignment or a requirement for an employee with specialized skills necessitates appointment of an employee not on the eligible list.

Management has discretion to determine when out-of-class assignments will be made. Management agrees to provide equal opportunity on a rotational basis for such out-of-class assignments to persons on the eligible list and will consider the seniority, availability, training and job performance of employees when making such assignments. In the event that there is no eligible list, the appointing authority will provide equal opportunity on a rotational basis to eligible employees and will consider seniority, availability, training, and job performance in making such assignments. If the out-of-class assignment lasts over five (5) days, an employee's current shift or station assignment shall not preclude their eligibility for out-of-class assignment.

Out-of-class assignments shall not exceed thirty consecutive days nor shall a series of out-of-class assignments to any one vacant position exceed thirty calendar days without approval by the Personnel Director. The Personnel Department shall provide notice to Local 127 of assignments that are expected to last longer than thirty days when such assignments impact Local 127 represented employees. Out-of-class assignments shall not be made for the purpose of avoiding filling a position by a limited or permanent appointment.

Eligible City employees who are performing and compensated for out-of-class assignments both the last scheduled workday before and the first scheduled workday after a fixed holiday shall be compensated at the out-of-class rate.

ARTICLE 16

Use of City Facilities

- A. The Union may, with the prior approval of the Management Team, be granted the use of City facilities during non-work hours for meetings of City employees provided space is available, and provided further that such meetings are not intended for such internal employee organizational meetings as soliciting membership, campaigning for office, and organizational meetings and elections. Such meetings in City facilities may not interfere with the efficiency, safety or security of City operations.
- B. Solicitation of membership and activities concerned with the internal management of the Union such as collecting dues, explaining benefits, holding membership meetings, campaigning for office, conducting elections, and distributing literature to individual employees, shall not be conducted during working hours without prior approval of the Manager's Office.
- C. Management agrees to study the feasibility of providing a small office in the City Hall complex to Local 127 for use in providing services to its members and facilitating access to its representatives at City Council, Committee, Labor Relations and Board meetings.
- D. Parkade parking stamps will be made available to a reasonable number of Local 127 representatives on official business for representation purposes at the Downtown City facilities. A monthly parking pass shall be provided to the President of Local 127.

ARTICLE 17

Bulletin Boards

The City agrees to furnish suitable bulletin boards in mutually convenient places for each work area to be used by the Union. The Union shall limit its posting to such bulletin boards and to matters relating to Union affairs. Present locations and allocations of space are considered adequate. Union representatives shall not be unreasonably denied access to the bulletin boards.

Management shall ensure that the space on bulletin boards allocated to Local 127 is clearly designated as such. This will not preclude Management from using other space on these bulletin boards for City information.

Management agrees to provide additional security for bulletin boards in those areas where both parties agree.

ARTICLE 18

Payroll Deductions

- A. It is agreed that AFSCME Local 127 dues shall be deducted bi-weekly by Management from the salary of employees when authorized by Section VI (B) of the Employer-Employee Relations Policy, who file with the City a written

authorization requesting that such deductions be made. Remittance of the aggregate amount of all dues shall be made to the Union by Management bi-weekly at the conclusion of each pay period in which said dues and deductions were deducted.

- B. Dues deduction shall be for a specified amount and shall be made only upon the voluntary written authorization of the member. Dues deduction authorization or cancellation shall be made upon clearly marked cards provided by the Management Team or the Union. If an employee submits a payroll deduction authorization change to the City which has not been processed by Local 127, the City will forward a copy of the notice to the Union promptly. The City shall continue to deduct dues until such time Local 127 notifies the City of a deduction change authorization.
- C. When a member is in a nonpay status for an entire pay period, no dues withholding will be made to cover that pay period from future earnings nor will the members deposit (with the City) the amount that would have been withheld if the member had been in a pay status during that period. In case of an employee who is in a nonpay status during only a part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made.
- D. The Union shall indemnify, defend, and hold the City of San Diego harmless against any claims or suits instituted against the City of San Diego contesting the check-off of Union dues. In addition, the Union shall refund to the City of San Diego any amounts paid to it in error upon presentation of supporting evidence.
- E. Payroll authorization forms may, at the election of Local 127, include a provision that the authorization is for a specific term. The responsibility to enforce this provision lies solely with Local 127. The City will assume all costs for design and printing of the form with Union concurrence and make available sufficient quantities at Union request.
- F. During the term of this agreement the City and Local 127 shall collaborate and cooperate to encourage employees to fully utilize electronic deposit of their paychecks.

The City shall instruct its departments to issue payroll checks and statements in a confidential manner.

ARTICLE 19

Presidential Leave

Presidential Leave

The parties agree to a Presidential Leave Program for the President of Local 127 with the following elements:

1. The President will remain a full-time City employee receiving a salary equal to the salary the President is receiving at the time he or she takes office. This amount will reflect the base pay the President receives as calculated for

retirement purposes and will not include any add-ons that are not part of the retirement calculation. During Presidential Leave, the President will receive raises commensurate to the raises of employees in his or her classification.

2. The President will maintain all the rights and benefits of a City employee. During normal work hours the President shall be subject to all applicable provisions of law, including all the policies and procedures of the City, all terms and conditions contained in this Memorandum of Understanding, and the affidavit of adherence referenced in paragraph 7 below. Normal work hours means 8:00 a.m. to 5:00 p.m. Monday through Friday, or an equivalent schedule approved in advance by the City Manager.
3. The President will be covered by the City's Workers Compensation Plan for any injuries incurred while the President is performing representational activities during normal work hours as defined in paragraph 2 above. Worker's compensation benefits will not cover travel time to and from the President's home to his or her primary workplace, or to and from social activities from any location, but will cover travel time to or from representational meetings during normal work hours.
4. Local 127 will indemnify, defend, and hold harmless the City, and its employees and agents, for any liabilities, including costs and attorneys fees, resulting from any conduct by the President in violation of any federal, state, or local law, or any City policy or procedure, including but not limited to Council Policies, Administrative Regulations, Personnel Regulations, Administrative Manuals, or Department Directives, Policies and Procedures.
5. Local 127 will indemnify, defend, and hold harmless the City, and its employees and agents, for any liabilities resulting from the City's not withholding employment taxes pursuant to the Federal Insurance Contributions Act (FICA) from the President's wages, including but not limited to the obligation to pay those employment taxes determined to be due (both the employee and City portions), interest on the late payment of those taxes, penalties for failure to timely file, pay, withhold and remit the taxes, plus costs and attorneys fees.
6. An employee on approved Presidential Leave will submit his/her bi-weekly time card in a timely manner to the Labor Relations Manager or his/her designee for authorization signature. The bi-weekly time card will then be forwarded to the Manager's Payroll Specialist for processing and transmission to Personnel for review and the Auditor and Comptroller for payment.
7. The Union President may enter Presidential Leave by providing a notice of such election to the City Manager/Labor Relations Office and executing an affidavit of adherence to the provisions of Presidential Leave outlined above.

ARTICLE 20

Rest Periods

- A. The City of San Diego endorses the practice of progressive management which recognizes that regular, authorized rest periods are beneficial both to employees personally and to the productivity of the organization.

- B. The following guides are established to assure that rest periods will be properly controlled and that maximum benefits will be derived from them. These guides also extend to personnel working on an overtime schedule.

1. Two 15-minute rest periods (including "travel time" if the employee leaves the work area) may be allowed during each 8-hour work day ("travel time" means pedestrian travel or travel in the employee's private vehicle). Subject to work assignments and departmental requirements, a rest period or a meal break should be allowed near the end of each 2-hour period of work.

Employees who work more than ten hours a day shall be entitled to a third rest period of 15 minutes duration. Employees who work 12 or more hours a day shall be entitled to a third rest period of 30 minutes duration.

Certain constant staffing positions may be exempt from the third rest period. In no case shall an employee working more than ten hours be provided more than a third break.

2. Since the purpose of granting rest periods is to give relief from mental and/or physical fatigue, and consequently, to improve productivity, the following practices shall not be allowed:

- a. combining two daily rest periods into one 30-minute period;
- b. "saving" rest period time to justify extended lunch hours or shortened work days;
- c. accumulating rest period time from day to day;
- d. applying rest period time to compensatory or other time off, or in the considerations or computations concerned with overtime compensation.

- C. Subject to work assignments and departmental requirements, department heads are authorized to provide rest periods for employees within the limits of the policy outlined above.

ARTICLE 21

Maintenance of work clothing shall not extend to the classifications listed in Exhibit E, in the departments covered by the Corporate Apparel Program. Management shall have the right to issue work clothing to employees in classifications in departments/divisions not specifically referenced in this article. Effective December 20, 2003 the City shall increase the dollar limit allocated for the purchase of safety footwear by 15%.

Footwear which is defective or inappropriate to the extent that its ordinary use creates the possibility of foot injuries shall not be worn.

Safety-toe footwear for employees shall meet the requirements and specifications in American National Standard for Men's Safety Toe Footwear, Z41.1-1981.

Management agrees to study, at the Department level, the feasibility of allowing the use of short pants for certain landfill and park employees, with emphasis on the health and safety issues relating to this.

CORPORATE APPAREL PROGRAM

During Fiscal year 1999, a Corporate Apparel Program was established which provides employees in the classifications listed in Exhibit E, working in the Water Department, Metropolitan Wastewater Department and Facilities Maintenance Division of the Real Estate Assets Department with corporate apparel consisting of 10 sets of pants and shirts and one jacket to employees who have not been previously been issued a jacket. 6. Employees on approved annual leave, compensatory time off, or industrial leave, shall have time counted as time worked for purposes of benefit computations.
7. If a department should approve a scheduled leave request and subsequently deny it, resulting in an employee losing leave credits because of going beyond the accrual limit, credits lost would be reinstated for a period of three months during which the department would mandate a leave for the employee.
8. Insofar as practicable, employees should be permitted to schedule annual leave at times most acceptable to the employee. In larger departments or divisions, the choice of vacation times should be arranged according to seniority.

9. Overtime will be paid or compensatory time given at the discretion of the Department Head subject to the availability of funds and workload considerations, and in accordance with the provisions of Personnel Regulation H-4, Overtime.

Employees may receive a maximum pay-in-lieu of annual leave of 125 hours per fiscal year.
13. Effective July 1, 1997, employees who reach their maximum permitted accumulation of annual leave on their anniversary date shall cease to accrue additional annual leave. Employees who expect to be in this situation may submit a written plan by which to reduce excess leave which will include time off and pay-in-lieu up to 125 hours per fiscal year as necessary. If the Appointing Authority denies the specific time off requested and provides no alternative time off which is acceptable to the employee, this cease to accrue provision shall not apply until such time as the employee is granted and takes the time off. It is the City's intent to accommodate employees' requests to use annual leave and avoid any loss of this benefit. Once an employee reduces his or her annual leave to a level below the maximum permitted on their anniversary date, he or she shall immediately begin to accrue additional leave.

Eligible employees are entitled to take up to 12 weeks of leave each year for medically related reasons such as the birth or adoption of a child, to care for an immediate family member with a serious illness, or for the employee's own serious illness. Eligible employees are those with 12 months of cumulative service with the City who have worked at least half time for the past year. All FMLA eligible absences from work will count against the 12 week period. The City will be required to provide group health coverage to the employee at the same level and conditions as for similarly situated active employees. 18. The City agrees to conduct a comprehensive review of the current sick leave use policies in consultation with the Labor Management Committee, with a goal of improving consistency and equity.

For the term of this agreement, the City's offset or "pick-up" of employee pension contributions for employees in Local-127-represented bargaining units will remain at the level in effect on June 30, 2005, except as adjusted due to the automatic increase in employee pension contributions upon depletion of the Employee Contribution Rate Reserve in 2005. Before implementing an agreement, if any, with any other represented employee group to change the current method of depleting the Employee Contribution Rate Reserve, the City will first demonstrate to Local 127 that the proposed change will have no adverse impact on employees in Local 127-represented bargaining units.

D. Retiree Medical Benefit For Employees Hired Before July 1, 2005

1. Exclusion Of Employees Hired On Or After July 1, 2005.

Employees hired on or after July 1, 2005, are excluded from the existing retiree medical health benefit. Article 4, Division 12 of the Municipal Code, relating to Retiree Health Benefits, will be revised to reflect this change.

2. Definition Of Health-Eligible Retiree.

General Members and Safety Members who retire on or after July 1, 2005, and are receiving a retirement allowance from SDCERS pursuant to a reciprocity agreement must have 10 years of service with the City of San Diego to receive 100% of the retiree health benefit and five years of service with the City of San Diego to receive 50% of the retiree health benefit. The definition of "Health-Eligible Retiree" in Sections 24.0103 and 24.1201 of the Municipal Code will be revised to reflect this clarification.

The City agrees to indemnify and hold AFSCME, Local 127 harmless from and against any claims filed by or on behalf of employees in Local 127-represented bargaining units related to this clarification of the definition of a Health-Eligible Retiree.

3. Joint Study.

The parties agree to jointly conduct in FY06 a study of the retiree medical benefit for employees hired before July 1, 2005, using an independent actuary, for the purposes of (1) identifying cost containment measures, (2) identifying an appropriate type of trust for pre-funding retiree medical for current employees, and (3) identifying a funding source for City contributions to retiree medical trust, including the 13th Check.

In lieu of the above joint study, AFSCME, Local 127 may opt to participate in a joint study with other City unions on terms acceptable to Local 127.

E. Defined Contribution Retiree Medical Plan For Employees Hired On Or After July 1, 2005

1. Establishment Of Plan.

For employees hired on or after July 1, 2005, the City will establish a defined contribution plan for retiree medical expenses.

2. Joint Study.

The parties shall conduct a joint study during FY06 on the Trust establishment, administration, plan design, contribution options, and possible use of voluntary SPSP portion for retiree medical.

In lieu of the above joint study, AFSCME, Local 127 may opt to participate in a joint study of these subjects with other City unions on terms acceptable to Local 127.

3. Control And Investment Of Contributions Pending Plan Establishment.

Until the vehicle for the defined contribution plan is formalized, all contribution amounts will be held in escrow in SDCERS but invested with other funds to achieve the maximum possible return until the escrowed funds can be transferred to the control of the agreed-upon administrator.

F. Purchase Of Service Credit (Employees Hired On Or After July 1, 2005)

Employees hired on or after July 1, 2005, are not eligible for the purchase of service credit ("airtime") in SDCERS. Article 4, Division 13 of the Municipal Code will be revised to reflect this change.

G. "13th Check" Supplemental Benefit (Employees Hired On Or After July 1, 2005)

Employees hired on or after July 1, 2005, are not eligible to receive the "13th Check" supplemental benefit set forth in Section 24.1502(a)(6) of the Municipal Code. Section 24.1503 of the Municipal Code will be revised to reflect this change.

H. Deferred Retirement Option Plan (Employees Hired On Or After July 1, 2005)

Employees hired on or after July 1, 2005, are not eligible for the Deferred Retirement Option Plan ("DROP"). Article 4, Division 14 of the Municipal Code will be revised to reflect this change.

I. Calculation Of Service Retirement Allowance (Employees Hired On Or After July 1, 2005)

The only service retirement allowance calculation formulae for employees hired on or after July 1, 2005, will be 2.5% at age 55 for General Members and 3.0% at age 50 for Safety Members, with the existing tiers for those formulae. Article 4, Division 4 of the Municipal Code will be revised to reflect this change.

2. Benefit Changes Prior To 2005

A. High One-Year Basis for Final Compensation

Retirement benefits for General Members shall be based up on the "highest one-year" annual base compensation.

B. Retirement Contribution Offset

The City agrees that it will apply an amount that is approximately equal to 5.4% of the base salary of employees covered by this agreement into the City Retirement System, thereby reducing the amount deducted from employees paychecks as the employees retirement contribution by that amount. The employee, upon termination, will have no vested right in the amount so contributed by the City. Substitution of this portion of the employees contribution by a City payment will not decrease the total amount applied towards the required retirement contribution, and will not affect retirement benefits. Provided, however, such payment shall not exceed any employees total contribution to the system. Effective July 5, 2003 the City will increase the amount it pays to offset the employees retirement contribution, which offset reduces the amount deducted from employees paychecks, from 5.4% to 7.0% for General Members of CERS. These retirement offset increases to remain in effect until Employee Contribution Reserve is exhausted.

C. IRC Section 415 Amnesty Provisions

In order to preserve CERS Tax qualified status, Local 127 and the City mutually agree to adopt the "amnesty" or "grandfather" provisions of IRC Section 415 (b) (10).

D. 2002 Benefit Changes

The City and Local 127, having met and conferred, have agreed to benefit improvements to the City Employees Retirement System for health eligible retirees.

1. Effective July 1, 2002, a Health Eligible Retiree, as defined in the Municipal Code, will have the applicable Medicare eligible or non-Medicare eligible insurance premiums paid for the Health Eligible Retiree-only insurance, or the Health Eligible Retiree will be reimbursed the actual cost incurred from the Medicare eligible or non-Medicare eligible retiree-only premium up to the maximum amount allowed in Municipal Code Division 12. Municipal Code Division 12 will be amended to set the maximum amounts to be paid on behalf of or reimbursed to a Health Eligible Retiree for retiree-only Medicare eligible or non-Medicare eligible health insurance premiums base on the premium for the City-sponsored PPO plan for Fiscal Year (FY) 2003 and annually adjusted thereafter based on the Centers for Medicare & Medicaid Services, Office of the Actuary, projected increase for National Health Expenditures for the full year period ending in the January preceding the start of the new plan year; such adjustment shall not exceed 10% for any given year. The maximum amount of monies reimbursed to Health Eligible Retirees will be 100% of such Medicare-eligible or non-Medicare eligible retiree-only premium. Pursuant to this provision the based monthly maximums are established for FY 2003 as follows:

- a) For Non-Medicare eligible retirees: \$489.16
- b) For Medicare eligible retirees: \$460.67

Health Eligible Retirees may choose to participate in a City sponsored health insurance plan or any other health insurance plan of their choice.

Additionally, the Retirement System will reimburse the Part B Supplemental Medical Expense Premium for those Health Eligible Retirees enrolled in Medicare.

- 2. The Disability Income Offset provision is eliminated. There will be no reduction of retirement benefits if the retiree has other income.
- 3. A five year purchase of service credit provision is established effective January 1, 1997. Under this provision, the Member may purchase up to five years of service credit by paying both employee and employer contributions in an amount and manner determined by the San Diego City Employees Retirement System Board to make the System whole for such time. In addition, members retiring on or after January 1, 1997, may purchase probationary periods, military and veterans code leaves, waiting periods for the 1981 Pension Plan, actual time worked hourly or part time, special leaves without pay occurring prior to January 1, 1997, the difference in time between part time and full time prior to January 1, 1997, long term disability, vocational rehabilitation maintenance (VRMA) and temporary total disability (TTD), FMLA periods, special leaves of absence with job to be saved periods and any period preceding reinstatement by the Civil Service Commission following a termination appeal.
- 4. A Deferred Retirement Option Plan (DROP) is established effective April 1, 1997. DROP provides an alternative form of benefit accrual while allowing a Member to continue working for the City.

During the DROP period, a DROP Member retains all rights, privileges and benefits of being an active City employee, except as specifically modified in the DROP Plan Document, and is subject to the same terms and conditions of employment including disciplinary actions up to and including termination. The Member continues to be eligible for the active employee Flex Benefits Program for the classification and is not eligible for "retiree" health benefits until such time as the Member completes or terminates the DROP period.

Under DROP, a monthly service retirement allowance along with any COLA increases, Supplemental Benefit checks and any adjustments to such payments applicable to retirements effective on the date the Member entered the DROP are deposited into a trust account. These SDCERS benefits are calculated as if the Member were retiring on the date the Member enters the DROP. The Member's contributions to the Retirement System cease. The Member and the City each contribute 3.05% of the Member's salary each pay period that the Member participates in the DROP. The Member's contribution is made on a pre-tax basis pursuant to Internal Revenue Code Section 414(h) (2). These monies are placed in a trust account and are distributed to the DROP participant upon termination of employment or completion of the DROP period whichever occurs first. No withdrawals may be made from the DROP account until the Member completes or terminates his or her DROP period. Interest will be credited to the Member's DROP account at a rate determined by the Board. The Member is 100% vested in the DROP from its inception.

A DROP participant who becomes disabled may apply for conversion of their deferred retirement allowance to a disability allowance calculated at the date of entry into the DROP.

A Member who participates in DROP irrevocably designates a specific consecutive period of months for participation, not to exceed sixty months. The Member must terminate City service at the end of the designated period.

5. For retirements effective on or after January 1, 1997, the 50% continuance is available to the spouse to whom the Member was married on the date of retirement. The requirement that the member be married to his or her spouse at least one year prior to retirement for the spouse to receive the 50% continuance is eliminated.
6. The surviving spouse of a Member who is killed while in the performance of duty is entitled to continued health coverage as provided in California Labor Code Section 4856.
7. The Industrial Disability Benefit is increased from 33-1/3% to 50% of final compensation for retirements effective on or after January 1, 1997.
8. The modified special death benefit provided to the surviving spouse of a Member killed in the line of duty is amended to eliminate the requirement that the benefit be discontinued if the spouse remarries.

Any benefit terminated to such spouse as a result of remarriage shall be reinstated effective January 1, 1997.

1981 Pension Plan Credit for Service

Employees with 1981 Pension Plan credited years of service will be granted at no cost to the employee credit for past CERS service.

COLA Adjustments

Effective July 1, 1992, the cost of living adjustment (COLA) for retirees who retired before October 6, 1980, will increase from 1.5% to 2% per year.

IRS Section 414(H) 2

Implement pre-tax retirement contributions under IRS Section 414(H) 2, effective the first pay period in January, 1993, with the effect of reducing the employee's income tax base.

A. Change of Retirement Calculation Factors for City General Members

The Retirement Calculation Factors used to calculate a General Member's Allowance will increase to the levels shown below (the "New Factors") for all retirements effective on or after July 1, 2002, unless the General Member elects, before retirement, to have his or her Allowance calculated using the Old Factors (2% @ age 55, etc., with 10% added to the Member's Final Compensation) or the Corbett Factors (2.25% @ age 55, etc.). The New Factors will apply to all City employees who join the Retirement System after June 30, 2002, and their Allowances will be capped at 90%. The 90% cap will also apply to: (1) General Members who joined the Retirement System on or before June 30, 2002, except as provided below, and (2) General Members who participated in the Retirement System on or before June 30, 2002, who left City employment but are rehired by the City on or after July 1, 2002.

Retirement Age	Benefit
55-59	2.50%
60	2.55%
61	2.60%
62	2.65%
63	2.70%
64	2.75%
65 and older	2.80%

Any General Member whose Allowance as of July 1, 2002 is 90% or more using the New Factors may continue to accrue benefits above the 90% cap until December 31, 2002. The General Member's Allowance will be capped at that time.

1. Any General Member who joined the Retirement System before July 1, 2002 may continue to accrue benefits above the 90% cap using either the Old Factors or the Corbett Factors. If the Member selects one of these options, the Member's Allowance will not be capped, and the System will refund to the Member, at retirement, any excess contributions the Member made to fund the New Factors.

2. Any General Member who joined the System before July 1, 2002, and reaches the 90% cap by choosing the New Factors, may continue to accrue benefits above the 90% cap until December 31, 2002, at which time the Member's retirement calculation factor and Creditable Service are capped; the Member's Final Compensation is not capped. On January 1, 2003, the Member must choose one of the following options:
 - a. If the Member is eligible for a service retirement on January 1, 2003, he or she may:
 - i. continue working and contributing to the Retirement System,
 - ii. enter DROP, or
 - iii. retire.
 - b. If the Member is not eligible for a service retirement on January 1, 2003, he or she may:
 - i. continue working and contributing to the Retirement System, or
 - ii. enter the Cap Program [subject to City Council authorization]. If the Member enters Cap Program, the Member will stop contributing to the Retirement System, and will instead contribute 3.05% of his or her Base Compensation, biweekly at the end of each pay period, to a Cap account established for the Member. The City will match these contributions. The Member may continue participating in Cap until he or she first becomes eligible to retire, at which time the Member must either enter DROP or retire.
 - iii. A Cap Program participant who becomes disabled while participating in the Cap Program is eligible to apply for disability retirement benefits. If the Cap participant's application for disability retirement is ultimately approved by the Board, his or her disability retirement benefit will be calculated using the participant's age, Creditable Service and Final Compensation as of the day he or she began participating in the Cap Program.
3. A General Member may exceed the 90% cap if the Member:
 - a. applied to purchase Creditable Service on or before June 5, 2002, and thereafter signed the contract to purchase that time,
 - b. was hired at age 24 or younger, and
 - c. will exceed the 90% cap because of the Creditable Service he or she applied to purchase on or before June 5, 2002. The Member may not exceed the cap by Creditable Service that he or she applied to purchase after June 5, 2002.
4. When a Member who meets the conditions of paragraph 3 first becomes eligible for a service retirement, his or her retirement calculation factor and years of Creditable Service will be capped at that time, even if the Member continues to work and contribute to the Retirement System. The Member's

Final Compensation will not be capped. When eligible to retire, the Member may:

- a. continue working and contributing to the Retirement System,
- b. enter DROP; or
- c. retire.

B. General Member's SDCERS Contribution Rate Change

- (1) On December 20, 2003, General Members' contribution rates to SDCERS will be increased by an approximate additional 0.53%.

Eligibility for Industrial Disability Retirement Change

A General Member may be eligible for an industrial disability retirement if it has been medically determined that the General Member has become psychologically or mentally incapable of performing his or her normal and customary duties as a result of a violent attack on the member with deadly force, such as a shooting or stabbing that causes great bodily injury, and that resulted in a nervous or mental disorder. The violent attack must occur on or after July 1, 2000, and such application for industrial disability retirement must be submitted before July 1, 2005. This provision shall sunset on June 30, 2005, and no such applications may be made after that date.

Flexible Benefits Plan

An IRS qualified cafeteria-style benefits program is offered to all eligible employees called Flexible Benefits Plan (FBP). This plan provides a variety of tax-free benefit options. Eligible employee means any employee in one-half, three quarter, or full-time status. Eligible employee excludes all employees in an hourly status.

The City's contribution to the Flexible Benefits Plan will remain at the FY05 level of \$5,575 annually for the entire term of this MOU.

On or about April 1, of each year during the term of this agreement, or earlier if mutually agreed, the parties will, on an agreed date, exchange premium rates for the parties respective plan offerings.

The benefits available through the Flexible Benefits Plan and the respective annual costs are reflected in the Flexible Benefits Summary Highlights booklet provided to each employee each year of this agreement.

Notes:

1. It is the intent of the parties that all plans comply with all applicable State and Federal Laws including IRS Regulations. All disputes over interpretation of the above shall be submitted to the appropriate agencies for interpretation.
2. The employee must select a life insurance and health insurance (unless covered under another comprehensive health plan). An employee may opt out of City

health insurance if he/she has other comprehensive health insurance by selecting the "waiver" option.

3. With the remaining FBP monies, eligible employees may select from other optional benefits including dental, vision, cancer/intensive care protection, 401(k), Dental/Medical/Vision and Dependent Care reimbursement and/or cash payment.
4. After selecting required health and life insurance coverages, employees who are unable to enroll in their desired dental plan for which they are eligible may purchase such benefit by making an "out-of-pocket" payment for the cost difference. Only dental coverage may be obtained in this manner. Such "out-of-pocket" contribution must be made at the time of Open Enrollment and is non-refundable.
5. In addition to designating flexible benefits monies to pay for reimbursements, employees may designate a specific amount of pre-tax money (IRS restrictions may apply) to be withheld from their paycheck to reimburse eligible out-of-pocket medical, dental, or vision or dependent care expenses. These payroll deductions must be designated during the open enrollment period, are irrevocable, are subject to IRS regulations, and monies are forfeited if not used within the fiscal year.
6. Eligible employees are required to enroll for their benefits each year during the designated open enrollment period. If an employee fails to complete enrollment within the open enrollment period, the employee's current options for health (or comparable plan if unavailable), including dependent health offset, and life, will be automatically continued at the same level for the next year as if the employee had elected to keep them. All other benefits options will be cancelled. Any monies remaining from the FBP allotment will be paid out as taxable cash payment. All payroll deductions, including DMV and Dependent Care reimbursement, will continue and may not be eligible to be stopped until the following open enrollment period.
7. The City agrees that it will not arbitrarily or unreasonably deny LOCAL 127 the opportunity to offer a health insurance plan to active and/or retired employees. Such coverage must include mental health coverage at an equal or better level of coverage than that offered through the City's health plans. LOCAL 127 agrees to inform Employee Assistance Program (EAP) of any changes to the mental health coverage and/or provider in order for EAP to give input on the proposed changes to ensure that City employees are receiving adequate mental health coverage through their selected health plan.
8. LOCAL 127 agrees to indemnify the City against any and all claims arising out of the administration of its benefits plans.
9. Audit and Inspection of Records

The City Auditor is authorized to audit all necessary documents pertaining to the health insurance plans offered by Local 127.
10. The parties agree that LOCAL 127 is authorized to audit the City's health plans, during the August through January period, to the extent that documents are requested and provided pursuant to state and federal public information laws.

11. Local 127 will be available to answer questions at the end of Open Enrollment and New Employee Orientation Sessions.

Flexible Benefits Study:

During FY06, the parties will jointly study the structure of the Flexible Benefits program.

An employee shall submit a request for approval of the proposed reimbursable event in advance of attendance and pre-approval by the Department is required for reimbursement. The employee must subsequently submit satisfactory evidence of attendance at the proposed event in order to receive reimbursement. The parties intend the general procedural requirements of the Tuition Reimbursement plan to be applicable except the requirement of a grade. It is the intent of the parties that this provision will supplement rather than replace training funds heretofore made available by departments for the benefit of employees. It is also the intent of the parties that this opportunity to avail oneself of one-half of the tuition reimbursement plan benefit shall be at the initiation of the employee based on his or her proposal for training or education.

Except as prohibited by Article 3, Recognition, the City's decision to transfer unit work for reasons other than labor costs to other employers, to other bargaining units or to other City employees is not subject to meet and confer. However, if the decision to transfer unit work is based on labor costs, then the City will provide Local 127 with notice and opportunity to meet and confer on both the decision to transfer unit work and the impact of the transfer on mandatory subjects. In either instance, prior to implementing the plan to transfer bargaining unit work, the City will provide Local 127 with notice and opportunity to negotiate the impact on mandatory subjects.

Contracting In Unit Work

Prior to the expiration of another employer's contract to provide services to the City that were previously provided by the bargaining unit employees, Local 127 will be given a reasonable notice and opportunity to demonstrate that unit employees can competitively perform the services to the extent that labor costs are a prime factor in granting the contract. If the union can demonstrate to the City's reasonable satisfaction that the work can be performed with greater efficiency or programmatic benefit with bargaining unit employees, the City shall restore the work within the unit. The City must satisfy this provision before entering into a successor contract with the employer.

Employment Opportunities After Layoff

If employees represented by Local 127 are to be laid off, the City will make its best efforts to find alternative City employment for those employees affected. Industrial Leave

1. PURPOSE

To establish regulations and guidelines regarding the City of San Diego's Industrial Leave Program.

2. SCOPE

This regulation applies to all City of San Diego employees including those represented by bargaining agents. If a conflict occurs between this regulation and an existing Memorandum of Understanding for represented employees, the Memorandum of Understanding shall prevail.

3. DEFINITIONS:

- 3.1 Disability - the inability to perform the usual duties of one's classification.
- 3.2 Emergency - a sudden unexpected happening; an unforeseen occurrence or condition; specifically, perplexing contingency or complication of circumstances; a sudden or unexpected occasion for action; a pressing necessity.
- 3.3 Gross Negligence - the intentional failure to perform a manifest duty in reckless disregard of the consequence as affecting the life or property of oneself or another; such a gross want of care and regard for one's own well-being or the rights of others as to justify the presumption of willfulness and wantonness.

- 3.5 Light Duty - work status with limitations as provided in the City's Light Duty Program.
- 3.6 Physician - as defined under 3209.3 of the California Labor Code.

4. POLICY:

4.1 General:

City-wide safety program exists to prevent accidents and resulting injuries involving employees. Continuing efforts are made to eliminate, guard against, or protect employees from physical hazards in the work environment. Several types of benefits are available to employees who sustain disabilities arising out of their employment. The specific benefits available depend on the circumstances in each case.

This Article sets forth only the eligibility requirements and benefits for industrial leave. Procedures are set forth for industrial leave and in part for other programs available for injured employees. Employees may be eligible for benefits under the Workers' Compensation Act or the City's Annual Leave or Sick Leave Programs. Eligibility and benefits under the Workers' Compensation Act are established in State law (Division 4 of the California Labor Code). Eligibility and benefits under the City's Annual Leave and Sick Leave Programs are set forth in the Personnel Regulations, Index Code I-2 and I-3.

Nothing herein contained shall be deemed to affect the employee's entitlement to medical, surgical and hospital treatment as provided in Division 4 of the California Labor Code nor be deemed to affect the employee's entitlement to receive such temporary disability payments as also provided

in Division 4. These rules define the granting of industrial leave only. Industrial leave is not within the jurisdiction of the California Labor Code nor the adjudication of the Workers Compensation Appeals Board.

4.2 Eligibility for Industrial Leave:

Employees shall be eligible for industrial leave benefits subject to the following provision

- a. The employee is unable to perform his or her assigned duties and is entitled to Worker s Compensation Temporary Disability under the provisions of Division 4 of the California Labor Code.
- b. The employee reported the injury or illness to his or her supervisor within 24 hours of the incident, except under extenuating circumstances. Extenuating circumstances under which an employee may report an injury beyond the 24 hour limit shall include but not be limited to a report at the time the employee realizes the injury is disabling and the medical evidence is consistent with the claim.
- c. Medical treatment is provided and maintained by a licensed physician acceptable to the City s Worker s Compensation Administration.
- d. The employee is medically incapacitated from the performance of light duty, or light duty is not available.
- e. Except in circumstances of obvious emergency, the disability did not result from the failure to:
 1. Wear prescribed safety or personal protective clothing or equipment.
 2. Use provided safeguards or safety equipment.
 3. Follow safety rules and regulations, or other departmental work rules.
- f. The disability did not result from an aggravation or recurrence of:
 1. A pre-employment, non-service connected medical condition or disability (either physical and/or mental), even if such condition is aggravated by on-the-job experience. It is the intent that industrial leave will not be approved when competent medical authority determines the disability to be a result of aggravation of, or caused by, a pre-employment or non-industrial medical condition.
 2. A medical condition for which the employee has received a Compromise and Release settlement pursuant to Division 4 of the Labor Code.
 3. An injury or illness previously denied industrial leave.

Therapy prescribed pursuant to Industrial Leave provisions shall be eligible for Industrial Leave. Therapy sessions shall normally be scheduled at the beginning or end of the day.

- g. The employee s gross negligence or willful misconduct was not the proximate cause of the disability.
- h. The request for industrial leave is submitted in form and detail as prescribed by Risk Management, is recommended for approval by the appointing authority, and is approved by the City s Workers Compensation Administration.
- i. The employee fulfills his or her responsibility as outlined in this Administrative Regulation.

4.3 Industrial Leave Benefits

- a. The Industrial Leave Benefit shall be the employee s normal compensation, less current deductions for state and federal tax withholdings, and other payroll deductions authorized by the employee. The injured employee shall be prohibited from amending his or her claim of deductions from the date of injury until after they have returned to work and industrial leave benefits have discontinued.
 1. The term "normal compensation" includes extra compensation for night or unusual schedule work shifts, motorcycle pay, emergency ordinance disposal pay, and educational incentive pay, which the employee was receiving at the time of the injury, but does not include overtime, standby, or out-of-class pay.
 2. Employees may receive normal merit increases while on industrial leave if they are otherwise eligible as provided in Personnel Manual Index Code H-8.
- b. Industrial leave is granted in lieu of Workers Compensation Temporary Disability.
- c. An employee cannot supplement industrial leave payments with accrued sick leave, annual leave, or compensatory time off.
- d. Employees shall earn annual leave credits while on industrial leave as if they were working. Employees shall be eligible to accrue and utilize annual and sick leave in accordance with the rules governing the accrual and usage of annual and sick leave respectively. (See Personnel Manual I-2 and I-3.)
- e. The City shall continue to make the contribution towards the employee s health and life insurance coverage as if the employee was working.
- f. Duration of Industrial Leave:
 1. An employee s maximum industrial leave benefit shall be the number of hours equivalent to the employee s scheduled work-year.
 2. Industrial leave shall commence on the first workday following the injury or illness for which the employee is medically disabled from working.

3. An injury shall be deemed to continue through any recurrence or aggravation to the original injury. Claimed recurrences, aggravations, or sequel of any injury approved for industrial leave shall be charged to the balance, if any, of the maximum allowance of such leave for the original injury.
4. Industrial leave will terminate when one of the following occurs:
 - a. The employee fails to follow the advice of the treating physician and pursue a course of treatment which will lead to recovery in as short a period of time as possible.
 - b. The employee's condition becomes medically permanent and stationary.
 - c. It is medically determined that the employee will never be capable of performing the duties of his or her classification.
 - d. The employee no longer qualifies for industrial leave.
 - e. The employee is engaged in outside employment which would medically impede recovery and prolong his/her return to work.
 - f. The employee uses the maximum benefits available.
5. If industrial leave is terminated upon the basis of medical evidence and at a later date, the City relies on further medical evidence which is inconsistent with the earlier medical evidence, the employee shall receive industrial leave benefits which are consistent with the subsequent report relied on by the City.
6. Industrial leave provides only the benefits enumerated herein.
7. Return to Duty:
 - a. The employee shall return to duty when ordered by the department head, based upon medical reports and other reliable information.
 - b. Determination of the proper time for the employee's return to duty will be based on reliable medical advice.
 - c. In cases of suspected malingering, when it appears that the employee and/or the employee's personal physician are not cooperating toward return to limited or full duty within a reasonable period of recovery, the department head or the Workers Compensation Administration will order an investigation and take proper action.
 - d. If further remedial action is indicated, the employee must follow a course of treatment which will enable return to full employment at the earliest possible time. This does not mean that the employee should be carried on industrial leave until

completely able to perform every duty of the position. All reasonable efforts shall be made to return the employee to work, even in a light-duty status, as soon as, based upon authoritative medical advice, it is safe to do so.

- e. Prior to soliciting information from an employee's treating physician concerning that employee's ability to return from industrial leave to a selective placement position, the treating physician shall be furnished with a written statement describing the duties of such selective placement position. The City will allow the treating physician five (5) days to respond in writing. If the treating physician fails to respond in writing within five (5) days, the City may receive information from the treating physician orally. The City may extend the time for response for good and sufficient reason.

5. PROCEDURE

Responsibilities Action

Employee

- 5.1 Each employee is responsible for reporting the job related injury or illness to his or her supervisor within 24 hours of the incident, except under extenuating circumstances. The initial report should be made to the employee's immediate supervisor, or if unavailable, to the next supervisor in the chain of command. The initial report may be made verbally, but must be followed by completion as soon as possible of the necessary forms outlined below.
- 5.2 For injuries which result in absence from work at any time following the day of the injury, the employee must complete Form CS-14-25B, Request for Leave of Absence for on-the-job disability, within 24 hours of the disability and have the attending physician complete the appropriate portion of the form. If, because of injuries, the employee is physically unable to comply with this requirement, it shall be the supervisor's responsibility to complete and submit the form for the employee.
- 5.3 The employee must complete Form ES-1531A, Employee-Employer Report of Occupational Injury or Illness.
- 5.4 The employee and others concerned, shall provide the department head, City Manager or his representative with any additional evidence necessary to elaborate on or substantiate injury and medical reports.
- 5.5 When necessary, the employee must report as soon as possible to a licensed physician.
 - a. In doubtful and/or controversial cases, the employee shall be required to report to a physician who is acceptable to the Workers Compensation Administration.
 - b. The employee, if dissatisfied with the treatment received from the first approved physician, has the right to ask for a change of physicians; however, the physician selected must always be acceptable to the Workers Compensation Administration.

5.6 The employee must obtain a medical diagnosis and prognosis for light duty with all applicable work restrictions, since industrial leave cannot be granted if light duty is available and can be performed.

5.7 The employee must follow a course of treatment which will lead to recovery in as short a period of time as possible.

5.8 If requested during prolonged disability, a fully completed set of Form CS-14-25B, including the physician's certification, shall be provided by the employee for each pay period in order to obtain up-to-date medical information.

5.9 Each employee is responsible to cooperate with Risk Management in their function of determining eligibility and returning the employee to work.

Operating Department Supervisor

5.10 Each supervisor concerned must thoroughly investigate each accident within 24 hours after it is reported and complete the applicable "Employee Injury Investigation Report". The supervisor must also fill out the supervisor's portion of the Employee-Employer Report of Occupational Injury or Illness, and make sure the employee completes the employee portion of both that form and the Request for Leave of Absence form. All required forms must be promptly forwarded to the appointing authority for processing.

Operating Department - Appointing Authority

5.11 To make sure that the injury is promptly and thoroughly investigated, shall recommend whether or not industrial leave should be granted, shall determine the availability of light duty, and shall forward all required forms to the Workers Compensation Administration within one workday of receipt from the supervisor.

5.12 To promptly notify the Workers Compensation Administration of any potentially controversial case, and all instances of suspected malingering, or where the cause of injury is doubtful.

5.13 To cooperate in determining eligibility and returning the employee to duty.

Operating Department - Payroll

5.14 The day of injury is to be reported on time sheets as a day of work. Necessary leave due to disability shall start with the first part or full scheduled workday of required absence after the day of injury.

5.15 Necessary leave for medical treatment or granted because of recurrence, aggravation, or sequel of an injury previously approved for industrial leave shall be charged to the balance, if any, of the one-year maximum allowance of such leave for said original injury.

5.16 Any holiday falling during a period of industrial leave shall be charged as industrial leave and not be paid as a holiday. Industrial leave will

be charged rather than holiday if industrial leave is paid the scheduled workday before or after the holiday. If an employee is scheduled to work on a holiday and is injured, the holiday credit will be granted.

5.17 In those cases where the appointing authority recommends industrial leave, the employee's absence will be charged to industrial leave pending a determination of eligibility by the Workers Compensation Administration. If the employee is later determined to be ineligible by the Workers Compensation Administration, the employee will be required to reimburse the City for the number of industrial leave hours used. Reimbursement will be made by charging the employee's accumulated sick leave, annual leave and/or compensatory time credits. If sufficient leave credits are unavailable, the employee will be required to make a direct monetary reimbursement to the City.

5.18 In those cases where the appointing authority does not recommend industrial leave, the employee's absence shall be deemed sick leave to the extent the employee has sick leave credits pending a determination of eligibility by the Workers Compensation Administration. However, the employee may decline to use sick leave and, with the approval of the appointing authority, may instead take other leave or compensatory time off to which the employee may be entitled. In the event paid leave is not utilized, the employee may receive Workers Compensation temporary disability to the extent he or she may be entitled under Division 4 of the California Labor Code. If it is subsequently determined that the employee is eligible for industrial leave, the industrial leave shall be deemed to commence pursuant to Section 4.3(f)(2) of this Regulation, and any sick leave, compensatory time off or other leave credits expended shall be restored to the employee's balance. In the event temporary disability has been paid, the employee shall be paid the difference between temporary disability and the industrial leave amount.

5.19 The use of sick leave or annual leave credits may be requested if the requirements for industrial leave are not met, or in cases where the employee has exhausted the maximum industrial leave credits. The employee's sick leave or annual leave credits will not be charged for the amount of temporary disability payments made under Workers Compensation Act provisions.

An employee shall not receive payment in excess of full salary through a combination of Workers Compensation temporary disability payments and paid sick leave or annual leave or compensatory time off.

5.20 When sick leave is used for an on-the-job injury, the employee's sick leave account will be reimbursed in hours, by the equivalent amount due from temporary disability payments.

5.21 If a disabled employee is receiving Workers Compensation temporary disability benefits, but is not receiving payment for industrial leave, or annual leave, the appropriate payroll symbol is "green C". It is unnecessary for an employee in this status to request a leave of absence from the Civil Service Commission since the City has a legal obligation under Workers Compensation laws to return the employee to gainful employment.

- 5.22 Leave without pay (payroll symbol "red A") may be used if the employee is not receiving Workers Compensation benefits, annual leave, sick leave, industrial leave, or compensatory time credits. Employees in this status must request a leave of absence from the Civil Service Commission if their absence extends for more than 30 calendar days.
- 5.23 When sick leave, annual leave or leave without pay is used under these circumstances, a set of Form CS-14-25B shall be completed, routed and processed in the same manner as for industrial leave.

Workers Compensation Administration

- 5.24 All requests for industrial leave will be reviewed by the Workers Compensation Administration for a decision on whether the circumstances qualify the employee for industrial leave, under the requirements of this Administrative Regulation.
- 5.25 Workers Compensation Administration shall inform the employee and the department as to the employee's eligibility for industrial leave.
- 5.26 Denial of industrial leave shall be in writing, shall contain information as to the specific reason for the denial, and shall clearly indicate the appeal procedure.
- 5.27 Workers Compensation Administration shall inform each applicant for industrial leave of his/her responsibilities under the Industrial Leave Program and of the right to appeal the denial of industrial leave.
- 5.28 When it appears from competent medical advice that a disability is permanent, and precludes the employee from returning to his or her regular job classification, the Workers Compensation Administration will refer the employee to its Rehabilitation Unit for consideration of vocational rehabilitation. All officials concerned will cooperate actively to assist the employee in rehabilitation consistent with proper position classification and compensation. The Rehabilitation Unit, in addition to providing vocational evaluation, training, and other assistance to the eligible employee, will initiate with the Personnel Department and appointing authority, consideration of class transfer, voluntary demotion and other appropriate personnel actions as alternatives to employee termination or disability retirement.

6. APPEAL PROCEDURE

Responsibility	Action
----------------	--------

Employee

- 6.1 An employee may appeal the denial of industrial leave by the Workers Compensation Administration. The appeal shall be in writing, submitted to the City Manager within ten (10) working days of receipt of the notice of denial and shall state the specific reasons for the employee's appeal and the issues upon which the appeal is based.

City Manager

- 6.2 The City Manager or his designee shall review the entire case and announce an intended decision indicating his rationale. In the event of an intended denial, the City Manager or his designee shall arrange a meeting in which the affected employee may present his or her appeal. The employee shall have the opportunity to confront the information relied on by the City Manager or his designee and submit additional information as desired for consideration by the City Manager or his designee. Such meeting shall be as informal as is compatible with justice.
- 6.3 The City Manager or his designee shall render a decision which shall be final and shall include the reasons for the decision.
- 6.4 The City Manager may grant the employee an extension of time beyond the appropriate appeal period if it is determined that the employee is so disabled as to be physically unable to perfect the appeal within the allocated time.

Addendum:

Employees shall not be granted Industrial Leave if the employee fails to wear lap and shoulder restraints when involved in a vehicular accident.

Industrial Leave Benefits may be terminated if an employee misses a medical appointment.

Employees shall not be prevented from working light duty assignments outside their departments providing that light duty is not offered within their own department and the Risk Management workers compensation administrator has reviewed the employee's work restrictions to ensure that the light duty assignment is appropriate.

ARTICLE 54

Stadium Stand Moves

- 1. Available positions on the Stadium Stand Moves will be made on the following basis; full-time status will have priority over hourly; past experience on stand moves; attendance and job performance; and seniority at the Stadium.
- 2. All full-time employees who work a full stand move [one way move of the stands] shall receive 15 hours of regular time plus 7.5 hours of premium time for a total of 22.5 hours. Hourly employees will receive 15 hours and the standard procedure for calculating premium overtime shall be utilized, i.e. if employee works more than 40 hours in the work week then they will receive premium time. Employees who do not work a complete stand move shall be paid for the actual hours worked plus the appropriate premium overtime, except employees who are late shall be compensated per the guidelines stated in item #8.

3. Employees shall be provided a meal and a one hour meal break. Employees are not permitted to leave the Stadium premises during this meal break or at any other times.
4. Employees shall be provided with safety shoes, hard hat, and gloves and shall be required to wear them at all stand moves. Employees must also wear long pants. Failure to be properly dressed or follow proper safety procedures will result in appropriate disciplinary action being taken. Employees shall immediately report any unsafe conditions to the Stand Move Manager[s].
5. Employees scheduled to work a stand move, wherever possible, may have their regular work schedule adjusted so that they do not work at least eight hours prior to or eight hours after a stand move. This may result in an employee being scheduled to work four ten-hour days.
6. All employees who are on the Stand Move crew shall be required to work all of the stand moves, except in the case of illness which is covered in item #9. Employees who fail to report for a stand move shall be given appropriate disciplinary action which may include removal from all future stand moves. Employees may request to be excused from a stand move provided that five days notice is given, however the final determination shall be at the sole discretion of the Stand Move Manager[s].
7. The work performance of an employee during a stand move shall be reflected on an employee's regular performance evaluation. Employees shall follow and take direction from the Stand Move Manager[s] and the appointed crew leader. Any employee that displays behavior that is disruptive to the stand move shall be appropriately disciplined.
8. Stand move employees shall report to work at the East Tunnel field floor entrance at the assigned time and shall sign in with the Stand Move Manager[s]. Employees who are late more than one hour and eventually report to work may be sent home without pay, or may be given a written reprimand that shall be placed in their personnel file, or may have the number of hours paid for the stand move reduced. The number of hours to be reduced shall be a ratio of the time late to the actual hours worked on the stand move multiplied by the standard 15 hours pay.
9. Employees who are ill and cannot report to work must contact the Stadium Security Office at 525-8267 and speak with either the Stand Move Manager[s] or the Stadium General Manager as soon as possible. Employees who are ill, and do not give at least eight hours notice prior to the start of the stand move and this is the second illness, must provide a doctor's note to the Stand Move Manager[s] when they return to work which indicates that they were unable to work on that day. Failure to bring in a doctor's note will result in an employee being given appropriate disciplinary action which may include removal from all future stand moves.
10. Employees shall not leave the field area until the Stand Move Manager[s] have determined that all work has been completed. Employees will then be required to sign out.

Supplemental Employee Pension Savings Plan [SPSP]

The Supplemental Pension Savings Plans have been established pursuant to the City of San Diego's withdrawal from the Federal Social Security System in 1981 with the purpose of providing eligible employees a convenient method of saving and to provide supplemental pension benefits. The minimum and maximum contributions are determined by the employee's hire date and participation in the City's defined benefit plan. These contribution limits, along with all other plan provisions, are reflected in the separate Plan Documents.

The parties agree that the Supplemental Pension Savings Plans currently offered to all eligible employees will be amended to comply with the provision of the Economic Growth Tax Relief and Reconciliation Act (EGTRRA) that became effective January 1, 2002 and other administrative changes presented during the FY 2003 Meet and Confer process.

The employee shall submit his or her "blood receipt" to the payroll clerk as verification of the donation. This article shall also apply to bone marrow testing.

ARTICLE 57

Limited Appointments

Management agrees not to fill permanent, full-time, one-half time, or three-quarter time budgeted positions with employees serving on limited appointments except in extraordinary circumstances. Management intends to use limited appointments to fill hourly positions, positions funded by the State and Federal Government, and full-time budgeted positions in which the incumbent employee is on a leave of absence.

Local 127 and Management agree to discuss the use of limited and hourly employees at the Labor Management Committee.

ARTICLE 58

Performance Pay

A. Performance Pay

1. The City may grant an exceptional merit cash payment to any employee at "E" step that receives a satisfactory or above rating on their most recent performance report within the units represented by Local 127. It is understood and expressly agreed to by the parties to this agreement that any employee receiving a payment under this provision shall not acquire any future rights to receive any future payment beyond that employee's base salary.

2. Insofar as is practicable, employees should be permitted to schedule vacations at times most acceptable to the employee. Vacations shall be selected by employees within each division, section, or unit, as is applicable, based upon their seniority by class within the Department. Employees who are transferred at their request, or promoted, may be required to modify their scheduled vacations.
3. Employees should be encouraged to take regular annual vacations but they shall not be required to take vacations against their will. Employees may accumulate vacation time in accordance with this agreement.
4. Any existing vacation scheduling method that is satisfactory with the employees shall remain in effect for the duration of the contract. This is in lieu of the above-mentioned scheduling method.
5. All departments shall post a current on-going vacation schedule, including any changes to the schedule.

The City may redact the citizen's name from the complaint. If the complaint is resolved in the employee's favor, the complaint, together with all related documents, shall be removed immediately from the employee's personnel file(s), unless the employee requests in writing that the document be retained.

Performance Reports

Performance Reports will normally be given to the employee within 14 calendar days after the close of the rating period. However, in no case shall the Department give a performance report to an employee later than 30 working days after the close of the rating period without the prior approval of the City Manager's Office or non-managerial Department Head. Approval is required for the presentation of the performance report more than 30 working days after the due date, not for the content of the report. Failure to obtain such prior approval gives rise to a grievance which Local 127 may present directly to the City Manager's Office or to the non-managerial Department Head.

Management agrees to Meet and Confer with Local 127 without impasse on enhancements to Performance Report practices and procedures.

2. The employee has received approval for an unpaid leave of absence from his/her Department Head.
- B. Requests to establish a Catastrophic Leave Bank for receipt of donations will be processed by the City Manager's office.

2. Employees may only donate accrued annual leave.
3. Donations may be made in whole hour increments. There is no tax benefit to the donor.
