---

As a property owner, tenant, or person who has requested notice, please be advised that The City of San Diego Solid Waste Local Enforcement Agency (LEA) received and has approved for filing an application for a Permit Modification for Sycamore Landfill. The California Department of Resources Recycling and Recovery (CalRecycle) has certified the LEA to enforce state laws and regulations at solid waste sites within the City of San Diego.

## Sycamore Landfill pending Permit Modification

Page 2 of 2

### Description of Project

The pending Permit Modification will incorporate clarified Hours of Operation. The proposed Report of Facility (RFI) Amendment will include a clarification of the Hours of Operation and Landfill Gas (LFG) perimeter monitoring probes in the Joint Technical Document (JTD).

### Where to get additional information

A copy of the Permit Modification application package is available for public review by appointment in the LEA office located at 1010 Second Avenue, Suite 600, San Diego, CA 92101. If you would like to schedule an appointment to review the application, please contact Lonnie Eads at (619) 533-3688 or [leads@sandiego.gov](mailto:leads@sandiego.gov).

### Options for Submitting Questions and Comments

If you have any questions or comments after reviewing the above information, please contact Daron Warkentin in writing at [dwarkentin@sandiego.gov](mailto:dwarkentin@sandiego.gov) or by fax at (619) 533-3689.

### Appeals Process Information

For information on the appeals process pursuant to California Public Resources Code (PRC) §44307 about the decision to approve the Permit Modification, you may contact William Prinz at (619) 533-3696.
