### INTRODUCTION

The purpose of the San Ysidro Community Plan Update Advisory Committee (Update Committee) was for staff to provide an overview of the public input collected for the Recreation Element and discuss the opportunity sites the community identified for additional park or recreational use. There was also an opportunity for additional input. This information will help inform the future land use and policy decisions for the plan update.

Meeting handouts included:

The meeting was called to order by Michael Freedman, Chair of the San Ysidro Community Planning Group and a member of the San Ysidro Community Plan Update Advisory Committee.

## **BACKGROUND**

The City of San Diego is updating the San Ysidro Community Plan (SYCP) through an in-depth, community-based planning process. To find out more about the SYCP update, upcoming meetings and information presented at past meetings, including copies of past presentations please visit the San Ysidro Community Plan Update website at:

<http://www.sandiego.gov/planning/community/cpu/sanysidro/>

## **AGENDA ITEMS**

Michael Freedman opened the meeting at 6:15 and turned it over to Howard Greenstein, Park Planner, with the City Planning & Community Investment Department. The first topic on the agenda, the Tijuana River Valley Park Planning, was not heard. Patrick McDonough, Sr. Project Mgr., County Dept. of Parks and Recreation, was ill and could not attend. This item will be rescheduled for a later date.

Howard presented the information from the last meeting on Parks in December. Howard provided his analysis of the potential park sites that were suggested by the community. A complete list of the suggested sites and his analysis can be found in the PowerPoint presentation. Following the presentation there was time for additional public input. The public input was charted at the meeting and is summarized in Attachment 1.
