AGENDA

Message from Subcommittee Chair:

I just wanted to drop everyone a quick line to thank you all for your participation in the Community Plan Prep Manual Committee Meeting.

Committee work is often tedious and thankless. So I want to take an opportunity up front to thank you for participating in this crucial process.

Also, I want to thank Mary and Sarah from the City of SD for allowing us the privilege of helping provide advice and insight during the formation of this pivotal document.

I'm looking forward to good participation throughout the remainder of the process and our eventual report to the full CPC on this manual.

Some quick highlights for our upcoming meeting on 24 June 08:

From the City of SD (approx a week prior to the meeting):

- 1) Rough Draft of Chapter 1: The Update Process
- 2) Rough Draft of Chapter 2: Public Participation

Due prior to CPPM Committee Meeting (24June08) from the Committee:

- 1) Comments on Chapters 1&2 (...and any additional Chapters if provided)
- 2) Be ready to discuss and share information on the selected chapters at the meeting

I will send out a reminder as we get closer to the meeting but I wanted to keep things fresh in our minds during the time between meetings.

Please let me know if I've missed anything or if anyone has suggestions or comments!

Thanks again for the great turnout.

Chairman, Ocean Beach Planning Board
