- a. Motion to Approve August 12, 2015 Minutes. Hill/ Vidales 7-0-1 (Granowitz absent in August)

V. Announcements:

- a. Adams Ave Street Fair September 26-27th ;
- b. Urban Design Element will be focus of Sept NPPC meeting

VI. Non Agenda Public Comment -

- a. Don Leichtling: NP should lead way to have a public bathroom, suggest by NP fire station
- b. David Gleason: against University Ave Mobility Plan particularly removal of on street parking for a dedicated bus lane. See their website: northpark.us/uamp
- c. Rob Steppke: Bus survey didn't actually get to the point of discussing connectivity. (SANDAG/MTS). Gathered a lot of personal information, but didn't get to the point.

VII. Discussion Items

- a. **Draft Mobility Element was edited, see the draft for further information.** Kathleen Ferrier from CirculateSD indicated SANDAG is considering bike path implementation along Pershing that the committee should get more information about. Will review and submit comments.
- b. **The NPCPU Public Facilities Element** draft indicates North Park is served by only one police division, when we are actually served by two. Board indicated their support, as well as an understanding that there would be wide community support, for requesting North Park shift back to only being served by a single police division.

VIII. Action Items: None

IX. Unfinished, New Business & Future Agenda Items.

- a. **Public Facilities**
