including meeting agendas,  
minutes, maps, MADs, etc.  
please visit our website at  
[www.ktpg.org](http://www.ktpg.org) and see the  
KMAD page.*

In October 2009, the Kensington Talmadge Planning Group (“KTPG”) established a Kensington Maintenance Assessment District (“KMAD”) Subcommittee to investigate, pursue, recommend, and define the potential creation of a KMAD.

A community forum is being held to review the work to date of the KMAD Subcommittee. Items to be discussed include:

- Items to be included in proposed KMAD (street lighting, tree trimming, Kensington sign maintenance, etc.)
- Existing street lighting conditions
- Boundaries to the proposed KMAD
- Inclusion of the Kensington Adams Avenue business district
- Operations of KMAD—Self Managed vs. City Managed
- Structure of KMAD—501(c)3 Entity
- Potential assessment amounts

Please join us to discuss and review the progress of the KMAD Subcommittee and to learn more about this important community initiative.
