

**Mira Mesa Community Planning Group
Draft Agenda & Public Notice**

Date/Time: Monday, November 16, 2015 7:00pm

Location: Mira Mesa Public Library, 8405 New Salem Street, San Diego CA 92126

Action/Information: All items noted as (Action) items may be moved/seconded as a Question for discussion and vote. All items not so noted will be information items.

Order of Consideration: Items on this agenda may be discussed in an order different than shown here for the convenience of elected officials, representatives of government agencies or other participants. The Chair will present such changes in the order of consideration for unanimous consent if there are no objections, or subject them to a motion/second and 2/3 vote as indicated by Robert's Rules (11th Ed., pg. 363).

Call to Order – In attendance:

1. Non-Agenda Public Comments: 3 Minutes per speaker. No discussion will be entertained nor action taken at this meeting on matters raised in Non-Agenda Public Comments, but a matter may be referred for further study and possible action at a future meeting.
2. Adopt Draft Agenda (Action)
3. Adopt Previous Meeting Minutes (Action). The minutes will be circulated among the members of the Executive Committee as a PDF document prior to the meeting via email. An opportunity to request corrections will be made at this point in the meeting. Should no such requests be made, the Chair will deem the minutes adopted by unanimous consent.

Adjourn: 8:30pm – 9:00pm

THE CITY OF SAN DIEGO

October 13, 2015

TR 342, 817

John Horst, Chair
Mira Mesa Community Planning Group
1606-8 Camino Ruiz PMB 230
San Diego, CA 92126

Dear Mr. Horst:

This is regarding the posted speed limit on Hillery Drive between Greenford Drive and Black Mountain Road in the community of Mira Mesa. Local governments must follow the procedures set by the State of California when setting speed limits on public streets. The California Speed Trap Law (California Vehicle Code Section 40802) requires that the City survey the prevailing speeds on classified streets every seven years in order to keep our speed limits radar enforceable under the provisions of the law.

We have recently surveyed the above segment of Hillery Drive and the results of the study indicate that the existing posted speed limit of 30 miles per hour for the northbound and southbound directions of traffic can be lowered to 25 miles per hour and remain radar enforceable. Therefore, we will be changing the speed limit in both directions from 30 miles per hour to 25 miles per hour.

It is our practice to notify the community planning groups before changing the speed limits. If you have any questions concerning this action please contact David Chiang at (619) 533-3098.

Sincerely,

Jon Hannasch
Associate Traffic Engineer

October 30, 2015

Dear Parents and Neighbors:

Subject: Construction Begins on Mira Mesa High School's New Culinary Arts Classrooms

San Diego Unified School District is beginning construction on a new culinary arts classrooms at Mira Mesa High School. During this project, you may see and hear work associated with site preparation and construction. The following information describes the project, and outlines some of the upcoming construction activities.

Project: The existing food-nutrition classrooms in Building 4 will be remodeled and transformed into new culinary arts classrooms. The project includes one food science lab, one nutrition classroom, one culinary classroom, one unisex restroom, one office, one ware washing area and one baking area. It will also have a hospitality area and upgraded culinary garden.

What to expect: The construction contractor will do its best to limit noise, dust and disruptions associated with this project. Construction is by nature a disruption we tolerate to improve school facilities for the future, and we appreciate your patience while this project is under construction. When this project is finished, Mira Mesa High School will have new culinary arts classrooms that will benefit the students and the community for years to come.

Completion: Construction is expected to be complete by the beginning of the 2016 school year.

When a project is complete, often there's a dedication ceremony and/or open house for the new facility. Should such an event be scheduled, please send your name, e-mail address and phone number to SDUSDFacilitiesInfo@sandi.net if you would like an invitation.

This project is part of the district's capital improvement program funded by Propositions S and Z, which were passed by voters in 2008 and 2012 respectively. Matching funds are being provided by the state's Prop. 1D Career Technical Education grant program as well.

For more project details, please visit

<https://fpcprojects.sandi.net/Pages/Reports.aspx?SchoolName=9349> (scroll down to "Project Schedules") or contact Felipe Romo Fuentes, project manager, by phone at 858-637-6240 or by e-mail at fromofuentes@sandi.net.

Sincerely,

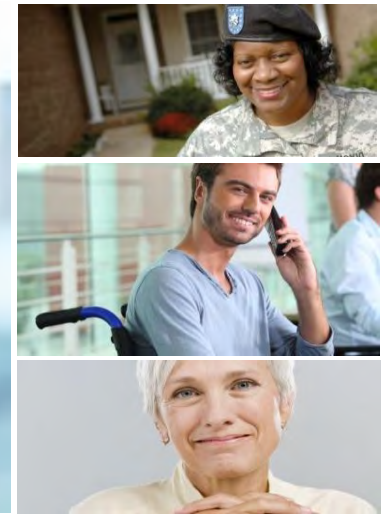

Gary Stanford
Director of Project Management
