J. NEW BUSINESS
1. Agenda Item J-1. 25 Cities San Diego Project- Tom Theisen

   Tom Theisen discussed San Diego being selected, along with other U.S. communities, to participate in Zero: 2016, a national campaign to end veteran and chronic homelessness. 25 Cities San Diego, the local arm of a national initiative with the same aim, is working in tandem with Zero: 2016 by providing the necessary tools to ultimately end veteran and chronic homelessness in the region. To reflect this partnership, the initiative has been renamed 25 Cities San Diego, Setting a Path to ZERO.

   The Coordinated Assessment and Housing Placement System (CAHP) designed and implemented by 25 Cities San Diego earlier in 2014 has played a key role in laying the groundwork to meet the national campaign goals. The CAHP system creates coordinated entry points and a coordinated assessment for homeless individuals to access services and receive housing placement – while prioritizing resources on an individual basis. It focuses on a person’s specific needs versus fitting a client into a one-size-fits-all program, and replaces previously used methods that were disconnected, confusing and inefficient.

   Zero: 2016 was established and is funded by Community Solutions, a national nonprofit based in New York City. The initiative is a rigorous follow-on to the group’s successful 100,000 Homes Campaign, which announced in June 2014 that it had helped communities house 105,000 chronically homeless Americans in under four years.

   San Diego was selected for Zero: 2016 because of its participation and progress with 25 Cities. The initiative was formally launched in January 2015 during the national 2015
Homeless Point-in-Time Count, during which local volunteers canvas area streets and shelters to enumerate the local homeless population.

For more information: http://www.housingsd.org/san-diego-update or http://www.25citiessd.org/

Discussion/Questions/Comments
- Immediate needs: Affordable housing sites and supportive services and case management once someone is placed in affordable housing.
- Uniqueness about the San Diego population: “on the extreme” for length of time someone has been homeless and broader mental illness among homeless
- 1st step in expansion to Mission Valley is to establish a plan/approach
- Individuals will be offered services and housing, if they refuse, existing supportive services will be systematically removed as an incentive for them to enter this program.

2. Agenda Item J-2. San Diego Mission Road Townhomes- Tony Pauker
Tony Pauker reviewed the preliminary San Diego Mission Road Townhomes project to develop 56- 58 townhomes located at 10222-10396 San Diego Mission Road at the intersection of Rancho Mission Rd. The project will be formally submitted to the City in September. The townhomes are projected to be between 1,400-1,800 sq. ft./ 3-4 bedrooms and have three stories.

Discussion/Questions/Comments
- Number of affordable housing units-6 units at a range of $250,000-$300,000.
- Target price of Townhomes $530,000-$600,000.
- Sustainability—still looking at options including solar in some units
- Trolley stop---project will have access to stop

K. OLD BUSINESS  

1. Subcommittee Reports:  
A. Standing Committees:  
1) Design Advisory Board – Randy Dolph  
The committee did not meet so there was no report.  

Randy explained that with the approval of the revised MVPG By-laws the MVPG Chair will need to appoint the DAB standing committee members. It is anticipated that it will occur at the September MVPG meeting. MVPG members who are interested in serving or continuing service on the MVPG Board should contact Randy.  

The description of the DAB standing committee from the revised MVPG By-laws follows:  
“1. Design Advisory Board (DAB)  
(A) The Design Advisory Board (DAB) shall be composed of seven (7) to ten (10) members. The committee members, and chair, shall be appointed by the Chair of the Mission Valley Planning Group and shall serve until he/she resigns or a successor is duly appointed and qualified.  

(B) Committee members should be persons who are specifically qualified by reason of training or experience in history, art, architecture, land development, landscape architecture, tourism, planning, or other relevant business or profession able to judge the aesthetic and/or design effects of a proposed development. The majority of the members shall be Board Members of the Mission Valley Planning Group. At least two (2) committee members should be registered architects. Mission Valley Planning Group membership is not required to serve on the standing committee. Non-Board members, who are duly appointed by a planning group to serve on a subcommittee, may be indemnified by the City in accordance with Ordinance No. O-1708619883 NS, and any future amendments thereto.
(C) Committee members may be replaced after three consecutive, unexcused absences from the Design Advisory Board meetings.

(D) A majority of the members shall constitute a quorum for the transaction of business and a majority vote of those present shall be sufficient to vote on any agenda item. The Design Advisory Board may adopt rules of procedure to be used during its meetings.

(E) Minutes of the meetings shall be kept and either incorporated into the minutes of the Mission Valley Planning Group minutes or posted separately on the City website.”

2) Mission Valley Community Plan Update- John Nugent
The Community Plan Update Subcommittee (CPUS) is a standing subcommittee of the Mission Valley Planning Group,

An informal CPUS committee meeting was held on July 10, 2015 from 3:00 to 4:30 p.m. in Mission Valley Library Community Room. The primary purpose of the July meeting was a CPUS interest meeting where there was a discussion on community outreach for the Community Plan Update. Applications for community members to serve on the CPUS were available.

A summary of comments received at the Community Plan community kick off meeting was distributed and reviewed.

The following is a summary of the most frequent comments submitted on the comment cards by meeting participants:

- Create a development vision rather than development restrictions
- Ensure that there is a fair amount of quality new affordable housing
- Incorporate history into the planning and development of Mission Valley
- Maintain Riverwalk golf course in its current condition
- Balance needs of current residents and new development, reach out to surrounding communities, and maintain community character
- Ensure public facilities and services (water, landfills, and police) are adequate to accommodate growth and new development
- Address traffic issues throughout valley and expand multi-modal transit opportunities
- Increase opportunities to recreate, develop open space areas, provide pedestrian paths and increase access to the San Diego River

The agenda for the August meeting includes the topics of transportation/existing conditions.

The CPUS committee meets the second Friday of each month from 3:00-4:30 at the Mission Valley Library.
