J. NEW BUSINESS
1. Agenda Item J-1 CUP Type 20 ABC License/Mission Valley Chevron – Robert Faudoa- Action Item

   **Draft Motion:** Recommend a Conditional Use Permit (CUP) for a Type 20 ABC license for sale of Alcohol Beverages for offsite consumption at an existing mini mart at the Chevron Gas station at 2290 Camino Del Rio N.

   Robert Faudoa from Gary Engineering reviewed some revised exterior design, floor plan and site plan changes for the property at the Chevron Gas station at 2290 Camino Del Rio N. The applicable permits have been applied for through the City but do not require approval by the MVPG.

   Robert provided a handout of the requirements by Chevron, the City of San Diego and Alcohol Beverage Control (ABC) for selling wine and beer at a mini mart connect with a gas station.

   Robert asked for approval of Conditional Use Permit (CUP) for a Type 20 ABC license for sale of Alcohol Beverages for offsite consumption at an existing mini mart at the Chevron Gas station at 2290 Camino Del Rio N. for bulk sale only, no single bottles/servings.
Discussion/Questions/Comments

- Numerous expressions of frustration over the minimum changes that were made on the design and landscaping of property based on previous comments and concerns of MVPG members.
- Numerous expressions of frustration over MVPG having “no vote” on design and landscaping of property, especially since the property is at a gateway point to the Mission Valley and is plain and unattractive.
- Revised building design and landscaping does not meet the standard to go the MVPG Design Advisory Board Standing Committee
- Location/access by public of placement trash receptacle
- Weeds/trash between property and Qualcomm Way
- Importance of San Diego Police Department vice report being available in making decision

Rob Hutsel moved to Recommend a Conditional Use Permit (CUP) for a Type 20 ABC license for sale of bulk (no single bottles/servings) Alcohol Beverages for off site consumption at an existing mini mart at the Chevron Gas station at 2290 Camino Del Rio N. Deborah Bossmeyer seconded the motion. Motion was NOT approved 4 – 14 – 0 with Steve Abbo, Paul Brown, Perry Dealy, Rob Hutsel voting yes and Deborah Bossmeyer, Jason Broad, Bob Cummings, Robert Doherty, Randall Dolph, Alan Grant, Derek Hulse, Elizabeth Leventhal, John Nugent, Keith Pittsford, Marco Sessa, Dottie Surdi, Rick Tarbell, and Josh Weiselberg voting no

Draft motion: Recommend a Conditional Use Permit (CUP) for a Medical Marijuana Consumer Cooperative (MMCC) and a Site Development Permit (SDP) for a Medical Marijuana Consumer Cooperative (MMCC) to operate in a 4,877 square foot building located at 3455 Camino Del Rio South

Phil Rath reviewed the project and discussed the solution of “shared parking” in order to meet the parking requirements:

The proposed project requires a Conditional Use Permit (CUP) for a Medical Marijuana Consumer Cooperative (MMCC) and a Site Development Permit (SDP) because the project will generate Average Daily Trips (ADT) in excess of the Threshold 1 in the Mission Valley Planned District Ordinance (MVPDO). The facility is proposing to operate within a 4,877 square-foot-building located at 3455 Camino Del Rio South, using 1,564 square feet of the building space. The 0.36-acre project site is located in Mission Valley Community Plan Area and the District 3 City Council District.

The City review staff is recommending a denial of this application because it does not meet the minimum, 1,000 feet, separation requirement from a park. Indian Hills Open Space Park is located above the valley in Normal Heights along Cromwell Ct. City staff recognizes that the proposed Medical Marijuana Consumer Cooperative is separated from the park by a hillside. However, SDMC 113.0225 does not allow for the hillside to be a...
factor, therefore the City staff must recommend denial of this application because it does not meet the minimum separation requirement.

Phil Rath reviewed the location of the park and discussed the “common sense test” and physical accessibility to the park from the proposed MMCC location.

Discussion/Questions/Comments
- The definition of a park
- Proximity of park
- Relation of this location to the approved MMCC at 3703 Camino Del Rio South.
- Number of MMCC’s that can be located in each City Council District (4). Since the MVPG is included in parts of Council District 3 and 7 there is the potential of 8 MMCC sites within in the area of the Mission Valley Planning Group.
- Role of planning group, can it make a recommendation that goes against a city code or law

Jason Broad moved to Recommend a Conditional Use Permit (CUP) and a Site Development Permit (SDP) for a for a Medical Marijuana Consumer Cooperative (MMCC) to operate in a 4,877 square foot building located at 3455 Camino Del Rio South. Alan Grant seconded the motion. Motion was NOT approved 7 – 8 – 1 with Steve Abbo, Deborah Bossmeyer, Jason Broad, Robert Doherty, Marco Sessa, Rick Tarbell, Josh Weiselberg voting yes, Paul Brown, Randall Dolph, Alan Grant, Rob Hutsel, Elizabeth Leventhal, John Nugent, Keith Pittsford, Dottie Surdi voting no and Derek Hulse abstaining.
