

The Fair Housing Council of San Diego and Access to Independence (a2i)

Proudly Launch

“ACCESSIBILITY 1000”

A Program to Increase the Supply of Accessible Units within the City of San Diego and Advance Fair Housing for Persons with Disabilities. We can assist eligible (low-moderate income) persons/families with **modifications** to achieve access to units. Modifications may include: ramps; access to public/common areas; widening doors for wheelchair access; accessible routes into and through covered dwelling areas; access to environmental controls (light switches etc.); installation of grab bars; and other bathroom/Kitchen access improvements for wheelchair access

AT NO COST AND LIMITED SET AMOUNT \$\$\$
