THE CITY OF SAN DIEGO

COMMISSION FOR ARTS AND CULTURE

ADDENDUM TO THE
C A L L F O R A R T I S T S

Southcrest Trails Park

Q1: Do you have any specifications at this point that address rules/ requirements for art placed in a floodplain?

A1. There are currently no known specifications that address the placement of art in a floodplain. The selected artist will perform necessary research with due diligence and work with appropriate agencies to design an art element that comports with any identified requirements.

Entered: March 10, 2010

Q2: Who is the landscape design team?

A2. The landscape design team will be Estrada Land Planning:

Entered: March 10, 2010

Q3: Do you have more materials on the history of the community?

A3. Artists wishing to develop a greater understanding of the history of this project may contact the Southeastern Economic Development Agency and request access to their research library:

Entered: March 10, 2010

Q4: Do you have a map or photos of the park that indicates where art could be placed?

A4. Visits to the site are strongly encouraged. For additional perspective on the proposed project, please view the following four images of the park, including one aerial view:

Entered: March 10, 2010
