**Serra Mesa-Kearny Mesa Branch Library, Community Rm
9005 Aero Drive, San Diego, CA 92123**

Design team of Kipp Kobayashi, Noel Korten, and childcare expert Donna Beveridge will present their proposal for an educational space at the Serra Mesa-Kearny Mesa Branch Library to benefit children ages 0-5 and their parents and caregivers.

Over the last few months, the design team has been revising their proposal based on feedback received from the community. The educational space is designed to promote school readiness from infancy and to provide services for self-enrichment, allowing children to discover the pleasures of learning.

Funding for this project is provided by the First 5 Commission of San Diego.
