

## **PAINTED UTILITY BOXES IN SAN DIEGO COUNTY**

---

The City of San Diego Commission for Arts and Culture does not administer the painted utility box programs, but we receive many inquiries about them.

Most of the programs are administered by local business improvement organizations or specially funded programs sponsored periodically in neighborhoods.

Please feel free to contact the following organizations that currently sponsor a utility box beautification program:

### **Ocean Beach Main Street Association**

The Ocean Beach Main Street Association sponsors a utility box beautification program.

### **City of Vista Public Arts Commission- "Vista in Bloom"**

The City of Vista Public Arts Commission sponsors a city-wide utility box beautification project called "Vista in Bloom". The project celebrates community pride and involves the painting of designated utility boxes in the downtown Vista area.
