**DECLARATION OF CONTRACTOR RE: WORKERS' COMPENSATION INSURANCE**

Contractor: \_\_\_\_\_

Regarding the Agreement between the City of San Diego, a municipal corporation [City] and the above-referenced contractor [Contractor], a California nonprofit organization.

Contractor declares as follows:

1. All work required will be performed by volunteer board members of the organization, their parents, spouses or children, or other persons who perform voluntary service without pay.
2. If, however, the organization shall ever hire employees to perform this contract or any portion thereof, the organization shall obtain Workers' Compensation Insurance and provide proof of Workers' Compensation Insurance coverage to the City of San Diego.
3. If the organization shall ever hire a subcontractor to perform this contract or any portion thereof, and the subcontractor has employees, then the organization shall require its subcontractor to obtain Workers' Compensation Insurance Coverage, or the organization shall obtain Workers' Compensation Coverage for that subcontractor's employees.

This document constitutes a declaration by the organization against its financial interest, relative to any claims it should assert under the California Workers' Compensation and/or Labor laws against the City of San Diego relating to any bid or contract awarded to Contractor.

The organization will defend, indemnify and hold harmless the City of San Diego from any and all claims and liability, including Workers' Compensation claims and liability that may be asserted or established by any party in the event the organization hires an employee in violation of this addendum, and the organization will further indemnify the City of San Diego for all damages the City thereby suffers.

I agree that these declarations shall constitute an addendum to the attached contract.
