

THE CITY OF SAN DIEGO

SUBJECT:	City Auditor Activity Report – October 2009
FROM:	Eduardo Luna, City Auditor
TO:	Honorable Members of the Audit Committee
DATE:	November 17, 2009

This report provides information on the activities and accomplishments of the Office of the City Auditor for the month of October 2009. It includes the audit reports issued and other accomplishments during this period, the status of current audit projects and activities, and a summary of planned audits that we have not yet started.

Audit Reports and Accomplishments:

- October 1, 2009 The City Auditor presented how to develop and track effective audit recommendations to the International Law Enforcement Auditors Association at the training seminar "Enhancing Accountability in Law Enforcement Agencies through Performance Auditing." City Auditor staff also attended the training.
- October 19, 2009 Presented to the Audit Committee a Fraud Hotline Update for the period July 2009 to September 2009. The presentation can be found on our website at: http://www.sandiego.gov/auditor/pdf/hotline_update_Pres_fy10q1.pdf
- October 20, 2009 Presented to the San Diego Housing Authority the results of our performance audit of the San Diego Housing Commission. The presentation can be found on our website at: http://www.sandiego.gov/auditor/pdf/housing_authority_presentation.pdf
- October 26, 2009 Issued our Performance Audit Report of the City's Street Maintenance Function. We found that the City's Street Division could improve its effectiveness in gathering and utilizing street condition information for the purpose of identifying and selecting streets for maintenance activity. We made four recommendations to help Street Division improve its operations and the information maintained related to street maintenance. The report can be found on our website at:

Current Audits and Activities:

Audit Activity	Status	Target Completion Date
San Diego Data Processing Corporation (SDDPC) Follow- up Audit	The objective of this audit is to determine if the recommendations made to SDDPC in an audit report issued in 2004 were implemented. In addition, we are reviewing compensation, budgeting and governance issues. We have used approximately 1,597 audit hours. One report has already been issued, and the second report has been under review by management and City Auditor staff. The review of this draft report has taken longer than anticipated, and we will issue it in November 2009.	November 2009
Purchasing and Contracting – Requisition, Purchase Order and Contract Management	The objective of this audit is to determine if Purchasing and Contracting has sound procurement procedures in place and to evaluate the efficiency and effectiveness of the Department's procedures. We completed an audit of the contracts associated with the debris removal program to clear homes destroyed in the 2007 wildfires within the scope of this audit. We are now auditing Citywide purchasing and contracting procedures. We have used approximately 1,846 audit hours.	December 2009
City Treasurer - Investment Activities Audit	The objective of this audit is to determine if investments are being properly handled, accounted for and accurately reported in the City's financial statements. We have used approximately 446 audit hours.	December 2009

Current Audits and Activities (Continued):

Audit Activity	Status	Target Completion Date
Purchasing and Contracting - Equal Opportunity Contracting and Labor Compliance Audit	The objective of this audit is to determine the efficiency and effectiveness of the City's equal opportunity contracting and labor compliance. We have used approximately 751 audit hours.	December 2009
Citywide Revenue Audit	The objective of this audit is to assess the risk associated with the various revenues collected by the City, identify revenue categories that have not been audited by the City, and recommend a strategy for auditing revenues based on risk to the City. Furthermore, this audit will review the activities of the Treasurer's Revenue Audit and Appeals Division. We have used approximately 571 audit hours.	December 2009
Public Utilities - Bid-To-Goal Program Audit	The objectives of this audit are to determine the efficiency and effectiveness of the Public Utilities Department's Bid to Goal Program, including reviewing the processes for (1) developing the Private Market Proposal and employee bids, (2) establishing performance goals and evaluating how they are achieved, (3) calculating cost savings and efficiencies, and (4) implementing recommendations from external audits of the Department's processes. This audit will be paid for by Public Utilities under our Service Level Agreement. We have used approximately 722 audit hours.	December 2009

Current Audits and Activities	(Continued):
--------------------------------------	--------------

Audit Activity	Status	Target Completion Date
Close-out Audits	Close-out audits are required by City Charter, Article VII, Section 111 when a City Official leaves office. The primary audit objectives are to verify that there are no outstanding debts owed by the City Official to the City, and to ensure that access to critical information and processes has been revoked. We are conducting close-out audits for Anna Danegger, former Business Office Department Director, and Tracy Jarman, former Fire Chief. We have used approximately 12 hours on these audits.	January 1010
Audit of Development Services' Process for the Collection of Public Utilities Fees	The objective of this audit is to determine if Development Services has adequate procedures in place to ensure the proper collection of Public Utilities fees. Audit fieldwork is in progress. We have used approximately 363 audit hours.	January 2010
Enterprise Resource Planning (ERP) System Implementation Review	The objectives of this audit are: (a) determine if the City's key financial activities were adequately reviewed and documented prior to the new system implementation to ensure key financial processes are properly addressed by the new system (b) determine if the system was adequately tested prior to implementation and (c) review high risk interfaced and impacted systems post SAP go-live. Audit fieldwork is in progress. Approximately 2,121 audit hours have been used. One report has already been issued during this audit.	TBD

Current Audits and Activities (Continued):

Audit Activity	Status	Target Completion Date
General Services - Streets Division Roadways Audit (Part I, II, & III)	The objective of this audit is to determine if City streets are being efficiently and effectively maintained by the City. Audit fieldwork is in progress. We have used approximately 978 audit hours. We issued a report on Part I, and we plan to issue two additional reports.	TBD Part II and III
City Treasurer - Delinquent Account Collections Audit	The objective of this audit is to determine if overdue accounts due to the City are being properly noticed, collected, accounted for, and accurately reported in the City's financial statements. Audit fieldwork is in progress. We have used approximately 356 audit hours.	TBD
Disclosure Practices Working Group (DPWG)	City Auditor staff participates in DPWG meetings as an ex officio member. We spent approximately 1 hour participating in DPWG meetings during this month.	On-going
Fraud, Waste and Abuse Hotline	We review and administer the City's Hotline calls that are received. Investigations are performed by the Office of the City Auditor for accusations of material fraud, waste or abuse, and we issue Hotline reports on any fraud related allegations that are substantiated. During the months of October there were approximately 4 new hotline calls received, and we spent approximately 231 hours conducting investigations.	On-going

Audit Activity	Status	Target Completion Date
Follow-up on All Audit Reports Issued in FY08 Through the First Quarter of FY09	We created a database to track all of our audit recommendations made since FY08. We provided our database to City Comptroller staff for follow-up. The Comptroller staff will contact those responsible for implementing our recommendations and provide a status update to the City Auditor on all of our recommendations by the end of November 2009. City Auditor staff will then conduct testing to verify that the recommendations marked as completed have actually been implemented.	On-going
