Legend

- City of San Diego Boundary
- Minority Concentration Areas

*The City of San Diego has defined an area of aggregate minority concentration as any census tract with a minority population that is 20 percentage points greater than that of the City's total minority percentage. In this instance, minority refers to all ethnic groups other than non-Hispanic whites. Citywide, minorities account for 45.1 percent of the total population per the 2010 Census.

Legend

- City of San Diego Boundary
- Minority Concentration Areas

*The City of San Diego has defined an area of aggregate minority concentration as any census tract with a minority population that is 20 percentage points greater than that of the City's total minority percentage. In this instance, minority refers to all ethnic groups other than non-Hispanic whites. Citywide, minorities account for 45.1 percent of the total population per the 2010 Census.

Legend

- City of San Diego Boundary
- Minority Concentration Areas

*The City of San Diego has defined an area of aggregate minority concentration as any census tract with a minority population that is 20 percentage points greater than that of the City's total minority percentage. In this instance, minority refers to all ethnic groups other than non-Hispanic whites. Citywide, minorities account for 45.1 percent of the total population per the 2010 Census.
