2014 Annual Conference

# Special Session: Affirmatively Furthering Fair Housing

Every public and private agency that receives Community Development Block Grant funds or related support from the United States Department of Housing & Urban Development (HUD) has an obligation to “affirmatively further fair housing.”

In this special training, community development practitioners, housing professionals, state and local government officials will learn about 42 USC §3608(e)(d)(5) HUD’s Affirmatively Furthering Fair Housing regulation and the fair housing obligations of states, cities and towns across America.

Participants will gain knowledge on the proposed AFFH rule. They will also learn about common issues experience by jurisdictions in the Consolidated Planning and Analysis of Impediments to Fair Housing Choice production process.
