Award Description	The goal of the City of San Diego Homelessness Prevention and Rapid Re-Housing Program is to prevent people from becoming homeless, divert those entering the shelter system to permanent housing options, and rapidly re-house those who are already homeless. To receive program assistance, households must be at or below 50% of area median income; individuals and families must have an initial consultation with a case manager for eligibility determination; must be homeless or at risk of becoming homeless without this assistance; and have no alternative housing options available or financial resources or support networks needed to retain existing housing. The program expects to prevent approximately 350 cases of
