Award Description	The goal of the City of San Diego Homelessness Prevention and Rapid Re-Housing Program is to prevent people from becoming homeless, divert those entering the shelter system to permanent housing options, and rapidly re-house those who are already homeless. To receive program assistance, households must be at or below 50% of area median income; individuals and families must have an initial consultation with a case manager for eligibility determination; must be homeless or at risk of becoming homeless without this assistance; and have no alternative housing options available or financial resources or support networks needed to retain existing housing. The program expects to prevent approximately 350 cases of

homelessness with rental, legal, and credit counseling assistance over a 3-year period. These outcomes will be accomplished through four primary activities: Financial Assistance (short-term and medium-term rental assistance, security and utility deposits, moving cost assistance and/or motel/hotel vouchers); Housing Relocation and Stabilization (case management related to housing needs and stability of program participants, housing search and placement assistance, legal services and/or credit repair); Data Collection; and Administration.

<p>City of San Diego Homelessness Prevention and Rapid Re-Housing Program</p> <p>Quarterly Activities/ Project Description In the quarter ending June 30, 2012, Townspeople (the City of San Diego's HPRP subrecipient for case management) handled 115 calls and made 40 VASH referrals to the San Diego Housing Commission (SDHC – the City's HPRP subrecipient for program operations) for deposit assistance, and completed 36 case management appointments. Re-certification appointments have been completed for all current HPRP clients. Recertification appointments have been completed for all current HPRP clients. HPRP continues to pay VASH voucher and sponsor-based voucher security deposits for those clients meeting HPRP criteria. This quarter 19 households received housing assistance payments and 24 security deposits were paid. A follow-up survey was mailed to active HPRP clients in April. 87</p>	<p>Activity Code 1 L06.03 Activity Code 2 L06.02 Activity Code 3 P05.03 Activity Code 4 P11.04 Activity Code 5 P05.15 Activity Code 6 Activity Code 7 Activity Code 8 Activity Code 9 Activity Code 10</p>

surveys were returned and the results of the surveys are pending. SDHC staff is working on the recertifications, HPRP file maintenance, and file completion. To date, all closed files have had an initial review checking for clear documentation of housing status, accurate data entry into Service Point, and complete notes documenting that the household would be homeless 'but for' HPRP. SDHC staff is currently conducting a second formal review of files checking for the same. The files that remain to be reviewed are currently receiving subsidy or are VI/VA and waiting on confirmation of security deposit payment. In addition, there are 60 VASH clients in the Section 8 program looking for housing and they will be referred to the HPRP program for security deposit assistance. A pilot program has been initiated for transitional housing providers in downtown San Diego to refer transitional housing graduates to the HPRP program for security deposits. Agencies are now identifying clients to receive assistance prior to the program expiration at the end of August.
