Award Description	The goal of the City of San Diego Homelessness Prevention and Rapid Re-Housing Program is to prevent people from becoming homeless, divert those entering the shelter system to permanent housing options, and rapidly re-house those who are already homeless. To receive program assistance, households must be at or below 50% of area median income; individuals and families must have an initial consultation with a case manager for eligibility determination; must be homeless or at risk of becoming homeless without this assistance; and have no alternative housing options available or financial resources or support networks needed to retain existing housing. These outcomes will be accomplished through four primary activities: Financial Assistance (short-term and medium-term rental assistance, security and utility deposits, moving cost assistance and/or motel/hotel vouchers); Housing Relocation and Stabilization (case management related to housing needs and stability of program participants, housing search and placement assistance, legal services and/or credit repair); Data Collection; and Administration.

Re-certification appointments have been completed for all current HPRP clients. Townspeople's HPRP Team Leader has been working with three clients assisting with their transfer to HOME grant-funded Tenant-Based Rental Assistance (TBRA). months of HPRP. HPRP continues to pay Veterans Administration Supportive Housing (VASH) voucher and sponsor-based voucher security deposits for those clients who meet HPRP criteria. Currently 65 households receive housing assistance payments and one security deposit was paid. Also, two mailings went out in February to active HPRP clients: notification of Volunteer Income Tax Assistance tax services through the SDHC's Achievement Academy, and notification of the Women's Resource Fair in March. SDHC staff is also working on the recertifications, HPRP file maintenance, and file completion. To date, all closed files have had an initial review checking for clear documentation of housing status, accurate data entry into Service Point, and complete notes documenting that the household would be homeless 'but for' HPRP. SDHC staff are currently conducting a second formal review of files checking for clear documentation of housing status, accurate data entry into Service Point, and complete notes documenting that the household would be homeless 'but for' HPRP. The files that remain to be reviewed are currently receiving subsidy or are VI/VA and waiting on confirmation of security deposit payment.
