

## *CITIZENS' TASK FORCE ON CHARGERS ISSUES*

January 17, 2003

Mr. Mark Fabiani  
Special Counsel to San Diego Chargers  
1261 Prospect Street, Suite 9  
La Jolla, CA 92037

Dear Mr. Fabiani:

Thank you again for your presentation last night. We are eager to explore your ideas further and discuss the information at our January 28, 2003 committee meeting.

As you heard during the question and answer period, there were a number of requests for additional information made by Task Force members. Specifically, the Facilities & Redevelopment Committee requested that the cash flow analysis used in your proposal be provided (along with supporting assumptions). Additionally, there were some specific requests made regarding the amount of acreage dedicated to the stadium, parking, housing, retail, offices, parks and streets. It would be very helpful to the committee if this information could be provided to as soon as possible, preferably early next week, so that we may review it in advance and have a more informed discussion during our meeting on January 28, 2003. Mr. Dan Barrett and Mr. Gerald Trimble may also have requests for information and your cooperation in providing the information is appreciated.

Thank you for your continued assistance as we work through this process. If you have any questions, Ms. Clay may be reached at 234-0607 and Mr. Martinez at 233-4857.

Sincerely,

Nikki Clay  
Facilities & Redevelopment  
Committee Co-Chair
