Item 1: Call To Order

The meeting was called to order at 8:00 am.

Item 2: Roll Call

Roll call was taken.

Item 3: Tour and Discussion of Qualcomm Stadium

Stephen Shushan pointed out the following problem areas to the committee:

1. Numerous cracks around the stadium, he indicated the stadium's main priority is to correct safety hazards
2. Areas where the rebar is showing and rusting
3. Areas where water settles on the front rows at each level
4. The portable field seats which need to be refurbished
5. Explained that the sound system which has a main speaker cluster has resulted in noise complaints from the surrounding community. To correct this problem a new sound system at a cost of \$3.0 million would need to be installed.
6. Staining of the concrete which is a cosmetic problem
7. Chipped concrete and an area on the View Level where the concrete is jagged.

A camera person from one of the local television stations joined the committee during the tour.

Item 4: Public Comment

There was no public comment.

Item 5: Adjournment

The meeting adjourned at approximately 9:15 am.
