Dear Mr. Fabiani:

As the officers of the Citizens' Task Force on Chargers Issues, we want to assure you that the Task Force remains enthusiastic about our work and welcomes any proposals the San Diego Chargers would like to present. The Task Force members remain committed to continuing our work and are eager to review and consider any information, development or lease proposal you wish to discuss with us. If necessary, a special meeting of the Task Force or any subcommittee can be called to accommodate any presentations before our next regularly scheduled meeting on January 9, 2003. We will work to forward any of your proposals and our recommendations to the City Council as soon as possible thereafter.

Your involvement in the Task Force's process thus far is appreciated, and we look forward to receiving future information, particularly your redevelopment proposal now scheduled for January 16, 2003. Please contact any of us if you wish to discuss matters pertaining to the Task Force.
