Dear Mr. Martinez:

Thank you for your letter requesting additional information on the stadium needs of the Chargers. As we discussed when I met with your Facilities and Redevelopment Committee on October 7, 2002, the Chargers have arranged for our stadium architects, HOK Sport+Venue+Event of Kansas City, to appear before your Committee on November 6, 2002 and the Task Force as a whole on November 7, 2002. HOK will be prepared to address the questions you raised in your letter, as well as other questions you may have.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

Mark D. Fabiani
