

CITIZENS' TASK FORCE ON CHARGERS ISSUES

September 26, 2002

Mr. Mark Fabiani
Special Counsel to San Diego Chargers
1261 Prospect Street, Suite 9
La Jolla, CA 92037

Dear Mr. Fabiani:

It is our understanding that the NFL will be providing the 1998 San Diego Super Bowl Economic Impact Study to the Citizens' Task Force on Chargers Issues. Additionally, we understand that the league has provided information directly to the Chargers on economic impact studies completed for other NFL franchises. The Finance Committee would like to request your assistance in obtaining copies of other economic impact studies completed in connection with NFL franchise operations in other communities in the last three years. In addition, we would like to request any other Super Bowl Economic Impact studies recently completed by the NFL or obtained by the NFL. We feel these documents are critically important to our charge of determining the economic contribution the Chargers make to the community.

If you have any questions, please contact either of us. Thank you for your assistance in this regard and we look forward to receiving the information.

Sincerely,

Ron Saathoff
Finance Committee Chairperson

David E. Watson
Task Force Chairperson
