

CITIZENS' TASK FORCE ON CHARGERS ISSUES

October 4, 2002

Mr. Mark Fabiani
Special Counsel to San Diego Chargers
1261 Prospect Street, Suite 9
La Jolla, CA 92037

Dear Mr. Fabiani:

The Facilities & Redevelopment Committee of the Citizens' Task Force on Chargers Issues is interested in understanding the stadium needs of the Chargers. In an effort to do this, we request that you please specifically indicate what physical features of Qualcomm Stadium are unsatisfactory. Additionally, please identify any improvements or renovations that the Chargers believe could be made to the facility to make Qualcomm Stadium satisfactory.

The Committee is interested in reviewing this information prior to the October 30, 2002 meeting at which you are scheduled to discuss the studies and plans being prepared by the Chargers and your consultants. Please contact either of us if you have any questions. Thank you for your assistance in this regard and we look forward to receiving the information.

Sincerely,

Joseph Martinez
Facilities & Redevelopment Committee Co-Chair

David E. Watson
Task Force Chairperson
