

## *CITIZENS' TASK FORCE ON CHARGERS ISSUES*

October 18, 2002

Mr. Mark Fabiani  
Special Counsel to San Diego Chargers  
1261 Prospect Street, Suite 9  
La Jolla, CA 92037

Dear Mr. Fabiani:

During the October 10, 2002 meeting of the Citizens' Task Force on Chargers Issues, NBBJ Sports and Entertainment Architects presented information on possible renovations that could be made to Qualcomm Stadium. On behalf of the full task force, the Facilities & Redevelopment Committee has been asked to invite the San Diego Chargers to review the conceptual ideas presented by NBBJ. NBBJ representatives have offered to meet with you and others from the Chargers to present their ideas. The task force is interested in any feedback that the Chargers would provide regarding the renovation concepts developed by NBBJ.

To arrange for a meeting with NBBJ, please contact Libby Coalson at (619) 533-3454 and she will put you in touch with NBBJ or help coordinate a meeting. Please contact Joe at (619) 233-4857 or Nikki at (619) 234-0607 if you have any questions. Thank you for your assistance as we continue to work through this process.

Sincerely,

Joseph Martinez  
Facilities & Redevelopment Committee Co-Chair

Nikki Clay  
Task Force Vice-Chairperson
