

THE CITY OF SAN DIEGO

Montezuma Trunk Sewer Project

TRAFFIC AND PARKING ADVISORY

The City of San Diego Public Works Department will be resurfacing and restriping segments of Montezuma Road and Fairmount Avenue. The resurfacing work will start at 7 a.m. on Thursday, January 2, 2014 and conclude on Saturday, January 4, 2014 at 8 p.m. The resurfacing work will require temporary road closures and traffic detours. Here is a summary:

7 a.m. on Thursday, January 2 through 8 p.m., Saturday, January 4:

- **Montezuma Road**
 - All westbound lanes will be closed from Yerba Santa Drive to Fairmount Avenue
- **Eastbound Montezuma Road on-ramp to northbound Fairmount Avenue**
 - The off-ramp lane will be closed
- **Fairmount Avenue**
 - The two northbound lanes heading towards the Montezuma Road over pass and Interstate 8 (I-8) will be progressively reduced to a single lane
 - Traffic control measures will begin to be placed on the northbound lanes of Fairmount Avenue near Montezuma Road and end before the eastbound on-ramp to I-8

Please use caution when traveling through the construction zone, and follow the temporary detour and no parking signs. The no parking signs will be enforced. Make sure to include additional time into your daily commute.

Thank you for your patience and understanding while work progresses on this project. Every provision will be taken to quickly and efficiently complete the work.
