TO: Distribution

FROM: Afshin Oskoui, Deputy Director, Architectural Engineering and Contracts  
Division, Engineering and Capital Projects Department

SUBJECT: Adoption of Caltrans 2006 Standard Plans & Specifications for the State of  
California

---

The City of San Diego will be adopting the 2006 (US Customary) Specifications and the 2006 U.S. Customary Unit Standard Plans for the State of California (issued by the Department of Transportation) effective immediately. References to these Publications in City contract documents and drawings should read as follows:

1. The 2006 U.S. Customary Unit Standard Plans, Document No. AEC0925061, Effective September 25<sup>th</sup>, 2006.
2. The 2006 (US Customary) Specifications, Document No. AEC0925062, Effective September 25<sup>th</sup>, 2006.

Approximately three months will be allowed (until December 31<sup>st</sup>, 2006) as a transition period for those projects in the advanced contract processing stage. After that date, all specifications and plans must reflect the new standards.

Please notify your Project Managers, Designers, Consultants and Maintenance crews of the new Manual. Copies of these documents will be available for review at the Executive Complex Building, 1010 Second Avenue, Suite 500, Contract Processing. Should you have any questions or need additional information you may contact Mohsen Maali @ (619) 533-3167.
