

The San Diego Police Department is undergoing an assessment. The assessment is being conducted by the Police Executive Research Forum (PERF). The Citizens' Review Board (CRB) is assisting PERF in soliciting input for their assessment of SDPD policies and procedures.

Obtaining community input from the public is vital to this assessment process. If you have ideas and concerns to share, please provide them to PERF. Comments are voluntary and will be confidential. Responses will not be identified by individual. All responses will be compiled together and analyzed as a group.

Please feel free to utilize the form yourself and to share with others who might be interested. The PERF research team is interested in your input.

RESEARCH FORUM

Chuck Wexler
Executive Director

The Police Executive Research Forum (PERF) was retained by the Department of Justice, Community Oriented Policing Office, as part of their Critical Response Technical Assistance Program, to conduct an assessment of the San Diego Police Department's policy and procedures as they relate to officer misconduct. Please use this form to share your ideas and concerns with PERF about the SDPD. You can also provide feedback by emailing PERF at SanDiegoPoliceStudy@policeforum.org.

Thank you for your participation in today's community forum.
