SUBJECT: Nomination of Stephen M. Haase for the Planning Commission Vacancy

I respectfully request your consideration in appointing Stephen Haase to the current vacancy on the San Diego City Planning Commission.

Mr. Haase is the Senior Vice President of Baldwin and Sons where he is actively involved in project design and community outreach while overseeing a project team that includes internal staff and professional consultants in the preparation of policy, environmental, and engineering documentation to achieve project approval.

Mr. Haase earned a Masters of Business Administration from San Diego State University in 1989. His undergraduate degree is in public administration.

Mr. Haase is an active member of the American Planning Association, National Association of Industrial Office Properties, and the Building Industry Association of San Diego. In 2011 he was appointed as chair for Move San Diego, an advocacy organization for sustainable transportation systems and land-use policies. Mr. Haase is certified in the field of planning through the American Institute of Certified Planners and is an accredited professional under the Leadership in Energy and Environment Design Green Building Rating System.

I believe that Mr. Haase's professional experience and community service make him an ideal candidate who deserves your consideration to the Planning Commission.
