

**OFFICE OF MAYOR JERRY SANDERS
CITY OF SAN DIEGO**

MEMORANDUM

DATE : August 6, 2010
TO : Council President Ben Hueso & Honorable Members of the San Diego City Council
FROM : Mayor Jerry Sanders
SUBJECT : Appointment to the Citizens' Equal Opportunity Commission

It is my pleasure to appoint Jon Cloud to the Citizens' Equal Opportunity Commission, subject to your confirmation.

Jon Cloud has worked in the construction field since 1987, often at family-owned businesses. Hester's Granite Company, East County Materials, J. Cloud, Inc. and Aggregate Import and Export Debris, Inc. are all businesses owned and operated by his family. He currently serves as Treasurer of J. Cloud, Inc., a construction materials recycling business founded in 1993. Mr. Cloud has also overseen and operated equipment on grading jobs since 1993.

He founded Aggregate Import and Debris with his brothers for the purpose of delivering products produced by their family businesses. They expect the company to continue growing to a fleet of 12-18 trucks over the next seven years.

Mr. Cloud is Past President of San Diego Rock Products Association and is a Board Member of Associated General Contractors and Engineering General Contractors Association. He is also Chairman of Cal-CIMA San Diego (California Construction and Materials Association).

Mr. Cloud also has a history of serving his community. He has been on the Board of Management for the Davis Family YMCA since 1993. He is also President of East County Posse, a non-profit organization dedicated to improving the lives of others. Recent projects include making ADA improvements to a house for a woman who became paralyzed, converted a vehicle for handicapped use for an individual who was paralyzed from the waist down after an accident, and working with 40 companies to expand and improve a day care facility.

Mr. Cloud will replace Debbie Day, who is termed out, for a term expiring January 1, 2012. He is a resident of El Cajon.

I ask that you confirm this appointment and join me in thanking Mr. Cloud for his willingness to offer his time and expertise to serve the citizens of San Diego in this capacity.
