MARK KERSEY
CITY COUNCILMAN, FIFTH DISTRICT

MEMORANDUM

DATE: February 19, 2014
TO: Council President Todd Gloria
FROM: Councilman Mark Kersey 
RE: Nomination of John Galt to the International Affairs Board

It is with great pleasure that I nominate John Galt for appointment to the International Affairs Board.

John Galt has over 20 years of experience gained across a variety of industries and positions in energy efficiency, sustainable building, and the security and intelligence sectors. Mr. Galt serves as the President of Energy and Sustainability Solutions at Premier Alliance, a publicly-traded company that provides business-consulting services on compliance and regulatory issues, business process reengineering efforts, and business performance and technology. He has personally worked on over 100 projects nationwide in relation to energy efficiency or sustainable solution retrofits. He is a certified Green Building Professional and a member of the U.S. Green Building Council.

In addition to his substantial business background, Mr. Galt serves as the Vice President of the SEAL Naval Special Warfare Family Foundation. Through the foundation, Mr. Galt helps support Naval Special Warfare families throughout the world. Connecting SEAL spouses for support and providing emergency funding and services for SEAL families in need requires incredible skills and international relations.

His extensive background with international affairs will be of value to the board in advising the Mayor and City Council. I respectfully nominate John Galt for appointment to the International Affairs Board.
