SUBJECT: Nominations of Giovanni Ingolia and William Earley to the Mission Bay Park Committee

I am pleased to nominate Giovanni Ingolia and William Earley to the Mission Bay Park Committee.

A 10-year resident of Ocean Beach, Mr. Ingolia has served on the Board of Directors of the Ocean Beach Town Council since 2008 and is the past president of the Ocean Beach Planning Group. His volunteer work includes using his geographic information systems expertise to create a database of plant life for the Zoological Society. Mr. Ingolia earned his Bachelor of Science in geography from Illinois State University and his professional certificate in urban planning from the University of California, San Diego. Mr. Ingolia's nomination is for the category of District 2 representative.

A native San Diegan, William Earley has early memories of fun family outings to Mission Bay Park. As the San Diego State University (SDSU) Student Body President, Mr. Earley frequented the Mission Bay Aquatics Center, which at that time was run by the SDSU Associated Students. More recently Mr. Earley uses Mission Bay Park to run, bike and swim for his triathlon training.

He has served on his firm's Executive Committee and has been the labor and employment group's practice leader. Mr. Earley has received the Super Lawyer award numerous times and is rated AV-Preeminent by the Martindale-Hubbell attorney rating service (the highest possible rating).

Mr. Earley is very committed to serving our community. He currently volunteers on The Leukemia & Lymphoma Society Board of Directors, SDSU Alumni and Campanile Foundation, Rotary Club 33, LEAD San Diego, and the San Diego Regional Chamber of Commerce.

Mr. Earley earned his Bachelor of Science in Business Administration from San Diego State University and his Juris Doctor from Georgetown University Law Center in Washington, D.C. His nomination is for the category of at-large member.

I believe Mr. Ingolia's and Mr. Earley's professional experience, along with their commitment to Mission Bay Park, make them ideal candidates who deserve your consideration to serve on the Mission Bay Park Committee.
